Join us as we travel through these fascinating decades and enjoy
a glimpse into the glamour of that golden age!

Fashion on the silver screen during the '30s, '40s,
'50s was not only glamorous and influential, but
also was enjoyed as an "escape" from the problems
of each decade.

The 1950s movies continued to show elegant
fashions that were inspiring to the audiences of
that period, but the advent of television caused
fashion influence to be split between the silver
screen and the smaller TV in America's homes.
