The regular meeting of the Library Board was called to order by the president with all members present. The minutes of the previous meeting were approved as read. The treasurers report showed a deficit of \$487.14. A time deposit will be cashed. Circulation reports were read.

On March 16 the motor of the circulation fan burned out. Cost of repair was \$120.00. The Consumers Power Company was installing a new transformer at the time and part of the blame for the trouble may be theirs. An investigation will be made to see if they will pay the repair bill. The maple trees will need to be sprayed. The annual check of the air conditioner will be made. Dan Hacker will be contacted about the new sidewalk from the front door to the south driveway. Auditorium rentals will be handled from the Library. Campbell and Hall Book Guides were renewed.

The regular meeting of the Library Board was called to order by Pres. Pat. Helen Goble and Alys Saxton were absent. The minutes of the previous meeting were approved as read. The treasurer's report showed a balance of \$2,179.08. Circulation reports were read.

Miss Goff reported that work on the sidewalk would be started as soon as Mr. Curnow is not busy with street repair. The maple trees will be sprayed for aphids. The new furniture has arrived and is waiting assembly. Pat will order the wreath for the graves for Memorial Day. Pat and Mary Jane are in charge of the coffee hour on Mayor Exchange Day, May 17.

The possibility of closing the Library on Wednesdays during the summer months was discussed and action on it was tabled until next month's meeting. Miss Goff had tried to call the company to find out whether the reason for our not getting discount last month was due to not having ordered twenty-five books.

Dan Hacker came to the meeting to tell us that the council has raised the salary of board members to \$100.00 per year. Meeting was adjourned after book orders. (This raise will not be effective until 1972.)

The regular meeting of the Library Board was called to order by President Pat Riley. Mary Jane McColl was absent. The minutes of the previous meeting were approved as read. Circulation reports were given.

Miss Goff read a letter concerning book discounts and explaining that some data was incorrectly fed into the computer, thus causing the billing error. A number of at least ten books must be ordered to get discount. The American Heritage Pictorial Atlas was displayed. This book is a gift from the Library Board in recognition of Miss Goff's twenty-five years of devoted service to the Library.

A regular week day rental fee will be charged for use of the auditorium for a funeral family dinner. Memorial gift books were discussed.

Sally Hagenbuch reported that Mrs. Lewis Bowman had asked if the Babe Ruth Fasbaugh Memorial Trophy might be displayed in the Library. The Board will recommend that it be presented to the sponsor of the winning team to be displayed in his place of business.

Miss Goff reported that she negotiated the sale of an old book, Death Valley in '49, for twenty-five dollars. She presented a list of books to purchase with the money she got from the sale.

Meeting was adjourned after book orders.

The regular meeting of the Library Board was called to order with all members present except Elsa Klenk. The minutes of the previous meeting were approved as read. The treasurers report showed a balance of \$15,832.31. Library reports were read. Miss Goff reported that circulation was down 14 in July of this year as compared to last year. This was probably due to fewer story hours.

Miss Goff displayed History of American Policy, Salute to Sandy, and California. These books were purchased with money received from the sale of the antique Death Valley book. Another gift book was displayed.

A note of thanks from Miss Goff was read. It thanked the Board for the 25th Anniversary party and the gift book. The "Book of the Month" was ordered. The meeting was adjourned and books were ordered.

The regular meeting of the Library Board was called to order by the president. Helen Goble was absent. Minutes of the previous meeting were read and approved. The treasurers' report showed \$14,577.07 in the budget. Library and Circulation reports were read.

Carol Goff reported that 149 children attended the parties climaxing the Summer Reading Program. Perhaps the reason for the increase in numbers was a change in system; permitting first graders to write just the title and author of the book. Miss Goff has located a Schweitzer Album and will purchase it for a memorial. Laurie Hoffman has resigned as an assistant because of other employment. Miss Goff will try to get along without hiring a replacement.

Request for tuning the piano was granted. Ohio Plate Glass will be contacted to replace the front window which has cracked due to temperature extremes. Miss Goff will have Mrs. Gurica come in a half hour sooner each day. Book of the Month was ordered. Meeting was adjourned and book orders followed.
