The regular meeting of the Library Board was called to order by President, Mary Jane McColl. Sally Hagenbuch was absent.

The Secretary's report was read and approved. The Treasurer reported expenses of \$1,923.89 leaving a remaining budget of \$25,840.24.

Miss Goff reported that the auditorium could be rented every Wednesday night however, the Janitor did not want to come down and lock up. Much discussion was held and it was the feeling of the board that it was the Janitor's duty to do this as already he is not mowing lawn or shoveling snow. The Board felt that he could do his dusting etc. on Wednesday and be available to lock up after 11:00 P.M. The possibility of hiring a younger man was also brought up. Miss Goff will contact Mr. DeSerrano and see whether or not he would be willing to do his work on Wednesday night and then not come in on Thursdays.

Miss Goff also reported that David Isaacson, who is now doing the outside work, sharpened the lawn mower blade so it was not necessary to purchase a new one.

A letter was read from Susan Barger thanking the Board for the opportunity to work at the Library this Summer. She informed us that she was able to earn two (2) credit hours from CMU for her work here.

No report was available from Sally as to whether Mr. Glaser would install the closet shelves.

Miss Goff advised us that the Colligan Inc. had completed the heating installation in the auditorium entryway without damage to the new paint; that Les Frank had looked at the leak in the roof and said someone would be over to repair it; and that the piano will be tuned.

Elsa Klenk reported that lady bugs had been purchased and placed in the Maple trees that are infected with the cotton scale. They may prolong the life of the trees but the outlook is not good and we may be wise to consider cost of removal and replacement in one of our future budgets.

Miss Goff asked what the Board had decided about her request for a raise and Mary Goble advised her that she would have to consult with the Library representative on Council before any decision can be reached.

Miss Goff requested a pay raise be granted to Patti Weinlander who has worked 4 years. She is presently earning \$1.35 an hour and she suggested a 15¢ per hr. increase. This matter will be brought up at the next Board meeting.

Elsa Klenk suggested that it might be a good idea for the Library to purchase a paper cutter for use in cutting copies which have been made on the copy machine. No action was taken on this matter or on the purchase of a paperback carousel for book display.

Mary Jane McColl asked if we had the book "Jaws". The Board had previously decided not to order it however due to the popularity as a book and movie, it was felt we should have a copy.

Gift books were discussed. Book of the Month selection was cancelled.

There being no further business the meeting was adjourned.

Respectfully submitted,
Elsa Klenk, acting secy.
