ROYALS FINISH SECOND

The 1964 Royal gridiron team looked forward to another fine season with hopes of gaining the Huron League Championship. They were foiled by undefeated Dundee and finished second for the third straight year. With many fine seniors graduating, the Royals will have to look forward to fine performances from underclassmen. Over the last three years the team has compiled a twenty-one win to six loss record. Dick Million was voted by his teammates most valuable player.

The Blissfield J. V. team under Head Coach Potter finished the season with four victories and a tie against only two defeats. Remember the J. V. team is our future Varsity !!

Sponsoring the annual Get Acquainted Dance and the Christmas Dance were two of the projects of the Student Council.

New this year was the Clean-Up Week which was held to promote cleanliness. The Activities Week was highlighted by a sock hop, a student teachers day, a Western and Roaring 20's day, and a Sadie Hawkin's Dance.

Freshman Class Officers

Dave Gurica - Sophomore President

The freshman class started its career in high school by sponsoring a dance. Of course, making a float is a tradition for all classes and the freshmen were no exception.

The sophomore class continued this year by holding a Sophomore Swing after a basketball game. The float project was also on the agenda.

To prepare for the big event, the Junior-Senior Banquet, the junior class held several money-making projects. Several dances sponsored by the junior class were very successful. A car wash was started on a rainy morning but ended with a sunny profitable day.

Senior class had a big year ahead of them. They chose the New York World's Fair as their outing. A candy sale, subscription drive, and car wash were factors in financing the trip.

M. Love presides over seniors

In an effort to inform the reader on what a student's day is like, we have followed Monty Love from class meeting to class, to study hall, to lab, to track practice to give you a glimpse of the passing scene.

First, a chat with Mr. Shannon about economics, and then with Colleen while the boys have a joke fest.

I need something to write about.
Perhaps in this box . . .

Now, if I shift this sentence down . . .

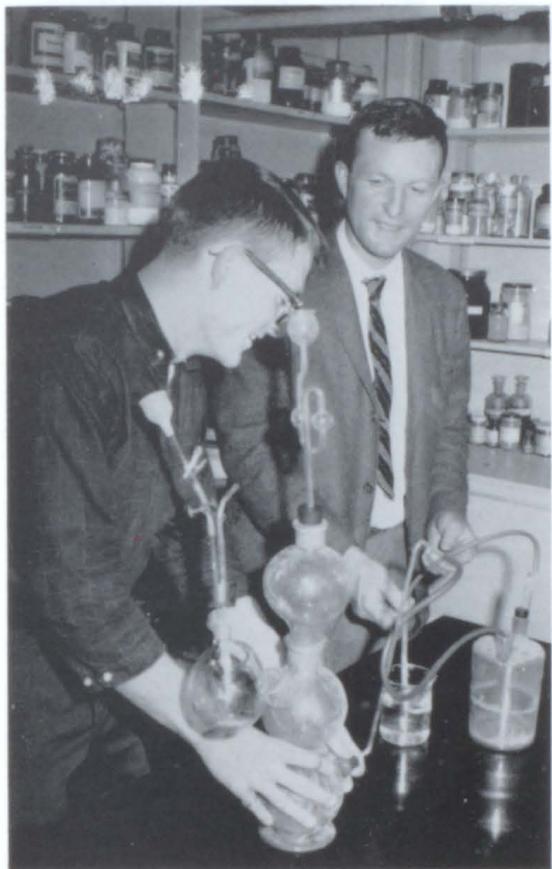

hmm . . . What was that word
supposed to be?

Mrs. Kafer: "Monty, I want to give
you an opportunity to . . ."

Dean Klump: "Mr. Eisenmann, the answer to that problem, after lengthy, and concentrated calculation between my colleagues and myself . . ."

Mr. Lang,

Do you suppose we can blow out the
wall between here and Mrs. Woodward?

Love - of studies, of social life, of
sports - One last run with the harriers.

The baseball team, under the direction of Coach Baltz, recorded a 7-7 record during the season. Good hitting was a feature of the team, but poor fielding caused many losses. Blissfield lost nine seniors from this year's team.
