# TIME . . .

To everything there is a season. School is a seasonal thing. A time to every purpose under heaven. The 54th edition of the Elysium intends to give insight of the time we have in high school for every purpose. The staff has taken a considerable amount of time to record for its readers a time to weep, a time to laugh, a time to mourn, a time to dance, a time to win, a time to lose, a time to keep silence, a time to speak, a time to love, a time to hate, A TIME TO KEEP.

A time to arrive.

A time to end the day.

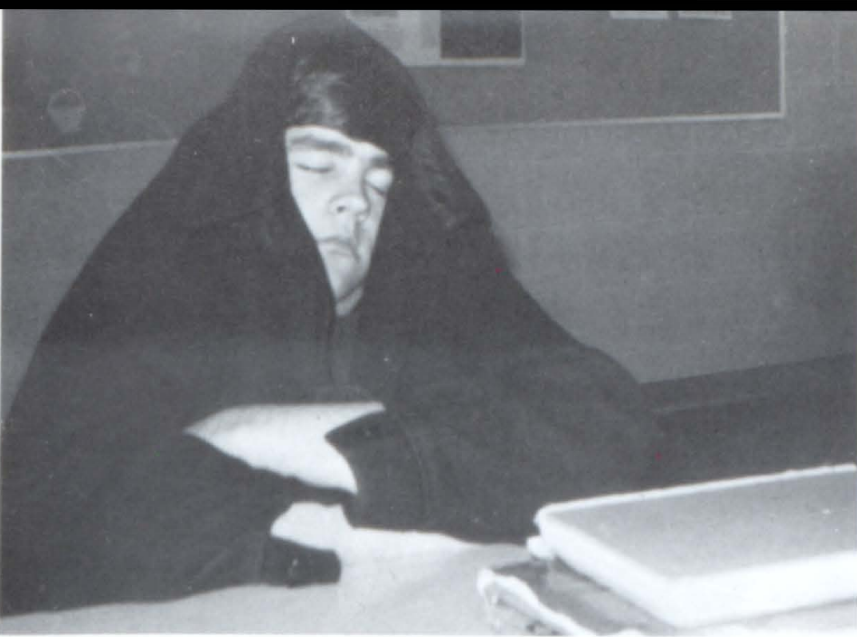

A time to dance.

A time to cheer.

A time for silence.

A time to sleep.

A time to be angry.

A time to smile.

A time to be informed.

A time to choose class rings.

A time to study.

A time to learn.

A time to entertain.

Two of the many important decisions of the Board of Education were the adoption of the "open door" policies for discussion of any grievances, and the built-in incentive in the teachers contract to improve teachers skills.

She died - this was the way she died;  
And when her breath was done,  
Took up her simple wardrobe  
And started for the sun.

The angels must have spied,  
Since I could never find her  
Upon the mortal side.

# 2001: A SPACE ODYSSEY

Cookies and punch refreshed the dancers.

The prom saw a change in the tradition of having the prom and banquet together in the high school. The Junior class sponsored the banquet on May 16 in the cafeteria. Entertainment was provided by the Conspiracy. The following Saturday evening, the prom was held at the Ledwidge Hall at Siena Heights College. Entertainment was by the Buccaneers. Ledwidge Hall provided an excellent setting for the theme 2001: A Space Odyssey. For those who wanted to talk, the Hall had lounges; for those who wanted to dance there was a spacious ballroom; for those who wished to watch, there was a balcony overlooking the dance floor.

Entertainment was provided by the Buccaneers.

Wake up, Gary!

Go ahead, have another cookie, Karilyn.

M. Bruce, B. Knisel, B. Robinson, and D. Cheney danced to the music of the Buccaneers.

This was a night of nights.

# CLASS NIGHT LORE

"The Age of Aquarius" was the theme for the 1970 Class Night. Mrs. Helen Kafer directed the top 25 who represented the class in the annual pranks and happenings.

"Mystic", Tom Miller, opened the show by introducing the class, and giving some of the history. "The Heavenly Voice", Richard Fetzner, constantly corrected the Mystic's mistakes about the class. The ups and downs of the class were shown, including all four of the losing floats. Valedictorians, Wanda Goetz, Robin Frautchi, Becky Hodgins, and Sharon Rathbun gave their addresses throughout the program, as did the salutatorian, Pat Clement. The grand finale was the whole cast singing Aquarius, asking the seniors to join in.

## GRIDDER'S SUFFER WORST

After the heavy haze of defeat had blown over, it was found that the 1969 Royals had put together the worst football season in some thirty-five years. However, something was salvaged as spirit prompted our boys to hold their heads high and to never let down in a game.

Injuries during this season made it seem like Frank Riley was running an infirmary rather than managing a football team. But there were also the bright spots which tended to overshadow the dark, Kyle Cranor's development as a top-notch quarterback was a pleasant surprise, Fred Bilkey's ability to play with pain was a plus in our column as well, Fred Pagel, turned out to be a very effective linebacker and reaped many post-season honors, Gary Crists' running before he was injured earned him a place on the all-league list of honorable mentioned athletes, and Mike Seegert played a good season on defense and was also honored with post season awards.

## J.V.'S COMPLETE WINNING CAMPAIGN

For the second season in a row the J.V.'s, under Coach Shreffler, enjoyed a winning season. They ended with a 4-3-1 record, a very impressive showing. This record is misleading, however, in terms of wins and losses because the J.V.'s played some pretty powerful teams. Two teams finished the season with no losses, and 2 teams finished with only one loss each.

An outstanding crop of freshmen sparked the team onto their wins. Steve Meyers controlled the offense and was the leader on the field as quarterback. Greg Crist and Jeff Anderson were two able running backs and powered their way through enemy lines for sizable gains. Carlos Santiago led the team in tackles and in defense.

Leading the sophomore ranks was Meyer's favorite receiver, Dan Sauter. Joe Burgermeister was effective as a running back and Jim Flanagan was the head thief in the defensive secondary. Keith Mallory was also a valuable edition to the defense and was a real field leader as well.

The 1969 Royal Cross Country team broke the final tape with a seasons record of 11-2, 7-2 in the league. This was good for a 3rd place finish in the final Huron League standings. Coach Brink's hustlin' harriers provided the most successful season since the sport was inaugurated here in 1967. It was spiced with the consistent running of Dean Taylor, who placed 3rd in the league meet at AIRPORT. Dale Shreve showed tremendous promise as a sophomore and will be counted heavily upon in future years. Rick Stutzman, senior, had a very good running season as did Tom Krause, who was a valuable cog in the running machine. Joe Mirelez and Junior Navarro added excellent depth to the team and represent a very bright future for Coach Brink.

# BEST SEASON YET

## CAGERS FINISH, 10-6

The 1969-70 basketball campaign was somewhat of a disappointment to the team and fans as well as their new Coach, Mr. Shreffler. The Royals failed to win the big ones, finishing with an 8-4 mark in the league. There were many outstanding individuals, however, Senior Amie Phillips was consistent as he continually led the Royals in scoring. The work of Junior Joe Beal was an asset to the team, as was the ball handling of Senior Fred Bilkey, who was noted for his hustle and extreme desire to win; an indomitable combination.

The 1970 Royal golf team left its mark on the school record book and had its best season to date. Senior Bob Sprunk continued his outstanding shooting and finished second in the league. Senior Norris Klump was a leader throughout the season as well as Freshman Jeff Anderson and Greg Merillat. Overall, the team placed third in the Huron League.

## INDIVIDUALS HIGHLIGHT SEASON

The Royal Matmen, under the eyes of Coach Clink and Assistant Coach Nino, showed good hustle and desire this year in the area of individual performances. Seegert, Staup, Berry, and Boylan led the team with wins; Lamley, a late starter, and Lolley and Terry also impressed many. The relatively young team gained valuable experience for the next year, finishing the season with a 4-7-0 record.

After getting off to a torrid start, the 1970 Royal Baseballers could not cope with a slump during the year and saw their best title chances in years go down the drain. The team suffered through a six-game losing streak, which crippled them at the end of the season. However, there were many fine individual performances which demand recognition. Jere Ellison turned out to be a real surprise as an overall player. Gary Crist developed into a top-notch catcher and a fine hitter before being injured late in the season. Fred Bilkey was the leading base stealer, and also contributed his usual game of 100% hustle. Mark Burgermeister was the ace of the pitching mound and even did some time-behind-the-plate during Crist's absence.

## TRACK SEASON WAS

The highlights of the Royal track season included a strong showing at the Tecumseh Relays. The Royals had three firsts but a disqualification cost Blissfield second place in the meet. The highlight of the dual meet season was the loss to powerful league and regional champs, Monroe C. C. Trailing by only one point going into the final mile relay, the Royal lead-off man fell, preventing what would have been the upset of the year in track. The Royals were led in scoring by Cranor - 126  $\frac{1}{4}$ ; Stutzman - 103  $\frac{1}{4}$ ; and Cory - 95  $\frac{1}{3}$ . Cranor, Stutzman, and Beal qualified for the state meet, and Stutzman's fine showing in the ATII capped off the season.

## VARSITY CHEERLEADERS

MISS SMITH,  
Advisor

In the spring of 1969 seven Varsity Cheerleaders were elected by the student body for the 1969-70 athletic year. Serving as captains were Candy Reed and Deatra Iffland. The Varsity Cheerleaders elected Candy Reed as "Outstanding Cheerleader for 1970". This year for the first time the J. V. Cheerleaders were elected in the fall and they cheered for the entire football and basketball seasons. The squad consisted entirely of Freshmen with Nancy Thompson and Loraine Nicholson as captains. Both cheerleading squads obtained new uniforms during the year, and both worked together to sponsor a Variety Show. Student manager for the year was Lorraine Gust; the advisor was Miss Smith. The captains were awarded letters and the rest of the cheerleaders were presented gold bars in appreciation for all the time and hard work they put forth to make the year a little bit better.

# HONOR STUDENTS DESIRE CHANGES

National Honor Society recognizes students in four areas: scholarship, leadership, citizenship, and service. This year, members felt the Society should become more active in the future and held conferences with Mr. Barger to discuss this possibility. The annual banquet and induction ceremony for new members was held in the spring and plans were made for further activities.

The Elysium staff swung into a busy year beginning with a successful Folk Sing in the fall. Photographers were on the scene for Homecoming, dances, games, club meetings, the Prom and Commencement. Efficient staffers, working under the guidance of Mrs. Gould and her editors, attempted to put together the best possible record of 1969-70 for themselves and their classmates.

Hey, the main attraction is on stage!

Elysium isn't all work - or is it?

Brain power rolls out first issue.

The 1970 Vanguard staff, under the direction of a new advisor, Mrs. Merx, broadened the paper's scope by relating current national topics to BHS' students. A main goal was to enliven the work meetings. Highlights of the year included the annual Secret Sweetie Contest, the Christmas greeting supplement, and the red and white Valentine's issue. Two new features introduced were the editorial, feature, and sports columnists and a larger, easier-to-read type.

Come on, we've only got 8,463 more to fold!

New Opera Star?

The chorus sang through an exciting and fun-filled year under the direction of Mrs. Merx. "Here We Come a Caroling" was the theme of the Christmas concert which featured songs and skits. New to the Chorus this year was a talent day with baton twirling, singing, and a makeup skit. The spring concert, featuring gay and popular music, was well attended. Six girls from chorus were carefully selected to sing for various occasions throughout the year. All these activities kept the chorus busy.

They exhibited ability and enthusiasm in competition at the Tecumseh Marching Band Festival, Solo and Ensemble Festival, and the Band and Orchestra Festival. Public appearances were made at the Halloween parade, Mayor Exchange Day, Memorial Day Parades, Adrian College Annual Band Day, concerts, and graduation exercises. ## SCIENCE CLUB EXPLORES AND LEARNS

A trip to the Pugh Quarry was included in the activities of the Science Club this year. Hunting for fossils and crystals was the main objective of this trip. On two other occasions, the club visited two planetariums. Many of their meetings were devoted to the study of chemistry, biology, and the atom. Though a fairly new club, they enjoyed many outings and expeditions.

# FUTURE FARMERS WILL FEED AMERICA

The FFA, an organization teaching the fundamental practices of farming, also involves agriculturally-related occupations. Its aim is to develop and train the student as far as his abilities and interests permit. FFA strives to build confidence and character, developing a better rural community. Highlights this year included the annual spring banquet, a canoe trip in Cadillac, skeet shooting, March of Dimes canvassing, and the officers training camp last summer. One and a half acres of soybeans and forty hogs were raised. The chapter received a silver rating and participated in District Farm Forum and parliamentary procedure contests as well as sending two delegates, Mike Sheldon and Dale Terry, to the State FFA Convention held in Lansing.

The Future Nurses Club explored many fields of nursing. The county health nurse visited and answered questions about health nursing. Mrs. Shreffler, the club's registered nurse advisor, demonstrated and lectured about baby care. On March 20, the club visited the UpJohn Company in Kalamazoo. The club concluded the year with the annual picnic and election of officers.

J. Grinage encourages a kindergartener in the art of letter making.

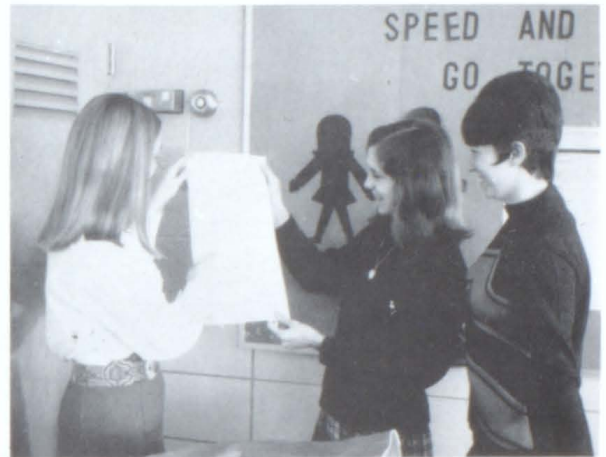

The Future Teachers started their year with a guest speaker on the problems of choosing a college. During the year the members worked as student aids at the elementary school. They saw a film on the problems of teaching, toured the Girls' Training School in Adrian, and spent a day at the Future Teacher's retreat at Adrian College.

Where is Santa Claus?

As a money-making project, FSC sold yellow football mums at Homecoming. They toured Blissfield Mfg. Co., Eastern Michigan University, and Fisher Body. Representatives from Business schools spoke to the club. At Christmas, the girls enjoyed a party where all exchanged gifts and "let loose" with games like musical chairs and relay races in the hall. In April they went to the "big city" to see a movie and dinner. The year closed with a picnic and swimming at Devils Lake.

## ENTHUSIASM PREVAILS IN G.A.A.

Jump ... Nancy ... Jump!

G.A.A. gave the girls a chance to participate in basketball and volleyball during their regular meetings. Members who attended the "LOCK-IN" at the Y.M.C.A. in Adrian, enjoyed swimming, table tennis, handball, and pizza. New to the club this year was a gymnastic group who performed for half-time at a basketball game and for the spring talent show. The girls finished their exciting year with a fun-filled picnic.

Senior class officers from left to right, Secretary, Brenda Herman; President, Rick Stuzman; Treasurer, Sharon Rathbun; and Vice President, Kyle Cranor.

Class of '70 - first graduates of the new decade, a class of spirit and promise. And spirit is the word for the seniors. Rather unlucky in the traditional homecoming competitions, the class of '70 showed its colors in the spirit category, with its unprecedent domination of the prestigious "JUG." A group not unlike many other graduating classes, the seniors were kept busy with the traditional pictures, announcements, tests, college applications, parties (!) and occasionally homework. In the spring, the class cut school for a day and went to Cedar Point to relax (?) and prepare for the final days at B.H.S. As to the future - who knows? The Seniors are Supreme.

IN MEMORIAM

Death's  
cold and  
sullen grasp  
can clutch both  
young and old. Respector  
of no person  
she conquers  
each and  
all.

Where  
is our  
dear friend? Who  
has taken him from  
us? His smiles and jests  
filled our lives  
yesterday ...  
Now he's  
gone.

Youth's  
strength has  
succumbed to  
death ... Quiet peace  
envelopes his soul.  
For us the living -  
his memories  
linger  
on.

In  
our hearts  
will remain  
the void which  
only eternity's  
endless expense  
can ever  
begin to  
fill.

## CLASS OF "71"

Approaching the future, the Juniors looked forward to being themselves. Time gave them a chance to prove their abilities.

They started the year by building a winning float, selecting a queen candidate, hosting dances, working in concessions, and sponsoring a paper drive. They planned the Junior-Senior Prom and presented it with pride.

Looking to their Senior year they hope to have the chance to prove that "It's not what we are thought to be but what we are."

## CLASS OF "72"

FROM LEFT TO RIGHT: Secretary Connie Thompson, Vice-President Linda Labert, President Dale Shreve, and Treasurer Kathy McCormick

"Our goal today will be our reality of tomorrow," is the motto of the class of 1972. With the goals we set for ourselves early in our high school years, tomorrow's realities will be those of high and worthy esteem.

The sophomore class had many disappointments, but also many accomplishments. We began the year by selecting our queen and working on the homecoming float. As the year progressed we sponsored several successful money-making projects. During the year we also ordered our class rings, which will be a lasting memory of our high school years. We as sophomores learned to compete with others, and to work together to obtain our goals.

Looking forward to the year of 1972, and graduation we await the opportunity to make our mark in life.

## CLASS OF "73"

Pres. Pat Moran; Treas. Rena Purser; Sec. Loraine Nicholson; Vice Pres. Dawn Eisenmann

They were the freshmen. They came with the excited expectancies of all freshmen. The fears of not finding classrooms, being late, not being able to open their lockers and forgetting combinations were experienced by all. They became baffled by what they saw, but soon learned that they now were a part of what was here. They were helped by the fine guidance of advisors.

They were proud to say they were freshmen. Sponsoring dances and working concessions gave them valuable knowledge to pass on. Float building and selecting of queen candidates helped them know how they could work together as a class. One of their greatest thrills came when it was announced that the JV cheerleaders all came from their class.

Now that they have passed this most important step - the introductory step - they can say they are ready to face whatever comes up next.
