The Mad Hatter's Tea Party

A trumpet blast opened the Mad Hatter's Tea Party, served in the Queen's Hall by candle light. There were 90 candles in honor of the 90 seniors in attendance. A smorgasbord of beef, pork, turkey, melon, assorted salads and fresh strawberry tarts was enjoyed by everyone. The king and queen candidates were introduced, and a special tart topped with a candle was ceremoniously served to Beccy Horky who was celebrating her eighteenth birthday. The Libby Glass Company gave each person their "mushroom" glass for a remembrance.

Trial by Jury

By Gilbert and
Sullivan

Edwin, tiring of his sweetheart, Angelina, falls in love with another girl. Angelina hails him into court for breach of promise. As the curtain rises the Usher calls for the jury to be impartial although he has definite partiality for the plaintiff. Though both, Judge and Jury indicate they have had similar episodes of change of heart, they have little sympathy for Edwin. Upon this the plot thickens, ending with the Judge promising to marry Angelina.

Terry Tipton, the only senior on the 19 man squad, was elected captain. Greg Merillat, the team's number one golfer will be back next year as a senior to offer his tremendous experience. The team, spotted with underclassman will be a powerhouse in the Huron League due to gains in experience.

The Royal Matmen, under the watchful eyes of Coach Nino, finished the season with a 7-7 record. They showed good hustle and desire to win, an excellent combination. The Varsity team traveled to Adrian for the WLEN Tournament. They also journeyed to the League and District Tournaments. Senior Dave Porter took a first at the districts which enabled him to try again at the Regionals, only to lose there.

The squad will be losing five experienced men upon graduation, but the up and coming underclassmen bring inspiration for a promising season.

The Matmaids, chosen for the second time, were a big help at the home meets by keeping score, taking money, and running the clock. All of the girls traveled to Adrian to lend their assistance to the Adrian Matmaids at the WLEN tournament. The girls also appreciated the help of their new advisor, Miss Wilson.

The Royals were hit hard by injuries this season with the loss of Doug Hugenbuch and Steve Hanner, as well the teams 6th man Greg Merillat.

The team was excellant deffensively and in rebounding. But injuries weakened the bench and forced them to use two sophomores.

The Royals were not consistant enough offensively to have a big year. However, optimist is high for next year, as only tow seniors, Phill Schaedler and Co-Captain Jo Burgermeister, graduated. Five of the top 6 players will return next year.

Highlights of the season were: The defeat of E. Jackson, who went to state quarter finals; the defeat of Gibroltor, despite finishing the game with only 3 players on the floor.

1971-1972 RESULTS

The Royal track season had many highlights! A 12 dual winning streak extended over two years. The first win over Tecumseh in 10 years plus taking second in the Tecumseh Relay. The team set 8 school records. And could anyone forget the showdown at Monroe C.C. for the championship, five races were decided by one tenth of a second or less and the 2 mile by a half a second, with Monroe C.C. winning by one point.

Individually the performances were outstanding, especially by the seniors whose dedication pulled the whole team to heights not originally thought possible. Joe Burgermeister closed out a career second on the all time scoring list with 335 1/4 pts. Doug Hagenbuch, Keith Porter, and County mile champion Jr. Navarro just missed setting records in their specialities.

Harvey Allan is to be congratulated on his 32 consecutive wins and his fourth place in the state finals.

They were successful with the handbook, the Christmas dance and changing the court excuse to second class. As for the rest, WELL, maybe next fall.

To finance the project they began to sell ads in September, sold subscriptions in November, and February sold sophomore class rings. All the while, they were working hard to meet lay-out deadlines. As you see, they were successful.

FFA: Youth With a Purpose

During the 1971 summer months the FFA executive committee attended an officers training camp at Camp Palmer in Fayette, Ohio. They took part in a summer educational award trip to Reedyard, Mackinac Island, and Sault St. Marie. In October of 1971, representatives Dawn Mitchell, Bob Sell, Keith Gafner, Alan Berry, and Mr. and Mrs. Venema attended the National FFA Convention in Chicago.

During the year the group purchased forty feeder pigs which were taken care of by Bill Berry.

The corn used to feed the pigs was grown as a project on five acres rented from Chester Baird.

Some of the members took part in the leadership contests which included public speaking, parliamentary procedure, demonstrations, and attending the State convention forum.

Faces of Classes

Class of '75

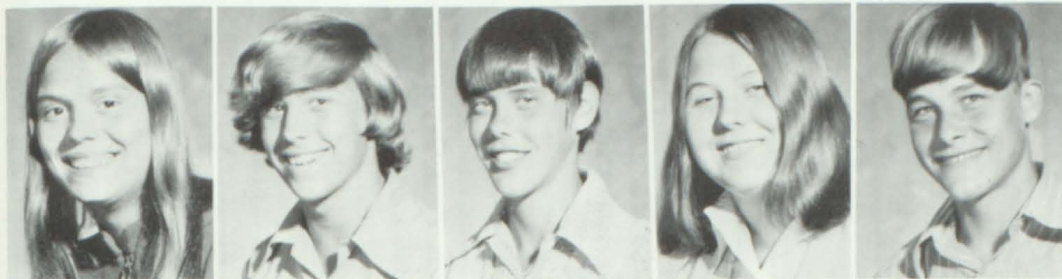

D. Reinhardt, Treas.; C. Anderson, Pres.; L. Case, Vice Pres.; G. Mann, Sec.

The class of 75 entered as all Freshman do. There were fears of not finding classes, not being able to open lockers and not being accepted by upper classmen. These fears were soon overcome with the excitement of choosing class officers, having their first class meeting, choosing their first home coming queen candidate and building their first float. The class enjoyed sponsoring dances and working in the concession stands.

Laura Schaedler, Pres.; Loraine Nichelson, Sec.;
Nancy Thompson, Treas.

The class of '73 began the school year by building their Homecoming float. For the second straight year their class queen candidate won. Julie Mitchell ended her reign by presenting her crown to Dawn Eisemann. Their agile nature shown through for the second time with all seven Varsity cheerleaders from the Junior class. To cover expenses for the prom, the juniors launched the annual ADVANCE Subscription Drive and netted \$442.50. Later in the year the class profited \$400.00 by selling candy. After a month of enthusiastic cooperation, their "Alice in Wonderland", the prom and banquet theme, was a "hare-raising" success.

Class of '72

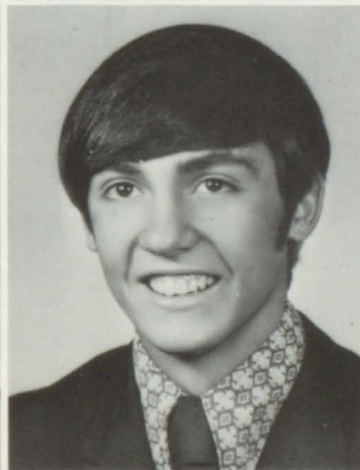

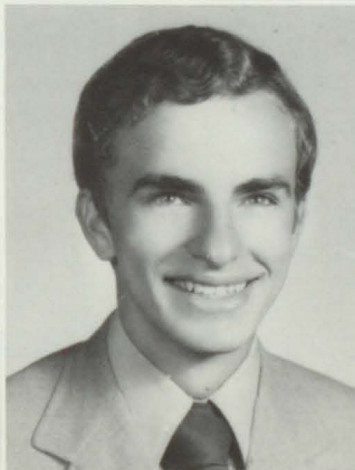

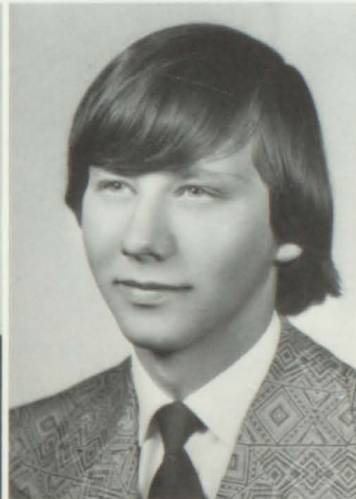

The Class of '72 held the school spirit jug for the third straight year. Their enthusiasm grew stronger after winning the Homecoming float. "Try It, You'll like It" the Class Night skit replayed the highlights of the their four years in BHS. Cedar Point Day was the CLIMAX of the year with 93 seniors attending. At Commencement the seniors were praised for being the most co-operative class in years at BHS - until the last week when they went to the birds".

Seniors End With Winning Float

"Try It, You'll Like It!"

"Try it you'll like it", was the class theme of 1972 Classnight program. Classnight was held Thursday, May 18, in the High school cafetorium. The program included the class of '72's four years in the high school. The Freshman year was the

First Day. Sophomore year consisted of the pep meeting, Biology Lab and Geometry class. The Junior year looked back on History, class, Odd Couple, Jr. Sr. Banquet and Advanced Algebra. Finally the Senior year with Mother scene, class Will and class Giftatory.

What did we put in here?

Digging Up the Past

Mr. Marsh's American History class of 1968 buried a Time Capsule to be unearthed four years later. The Senior's of '72 met after Baccalaureate to search for the spot. With a little luck it was found, opened and brought back memories of the "good old days". Mr. Marsh came from Morris just for the ceremony.
