This year of our 101st graduating class ran full of floods, unscheduled holidays, and changes. Education and growth took on a rich color of promise. The future has had a rainbow of facets. And each student . . .

has reflected these as the 1981-1982 school year itself has become the promise.

#### Homecoming '81 has perfect weather, perfect game

Homecoming '81 festivities were a big success. Kirsten Klump was crowned queen. Float themes were based upon cartoon characters. For the first time in the school's history, there was a tie for first place: the sophomores and the juniors. The Royal football team added finishing touches to a perfect night by beating the previously undefeated Clinton team.

All together, over \$560 was made by the 19 organizations that had booths, but more importantly everyone who came had a good time.

#### Coming Home Warms Up After Two Snow Delays

Even though it was delayed twice, little could stop the Blissfield student body from turning out for the 2nd annual Coming Home festivities. The theme for the evening was television commercials and the winning float was built by the girls varsity volleyball team. Senior Tim Sauter was named king and was crowned at the dance. The Royal Basketball team went down in defeat at the hands of the Clinton Redskins but all in all it was a memorable night.

Lidija Todic, Ivana Pravica, Marcus Dellith, Laura Kalliomaa and Maria Vence successfully put together the International club float.

Freshmen and Sophomores dressed as oriental servers to serve at the banquet.

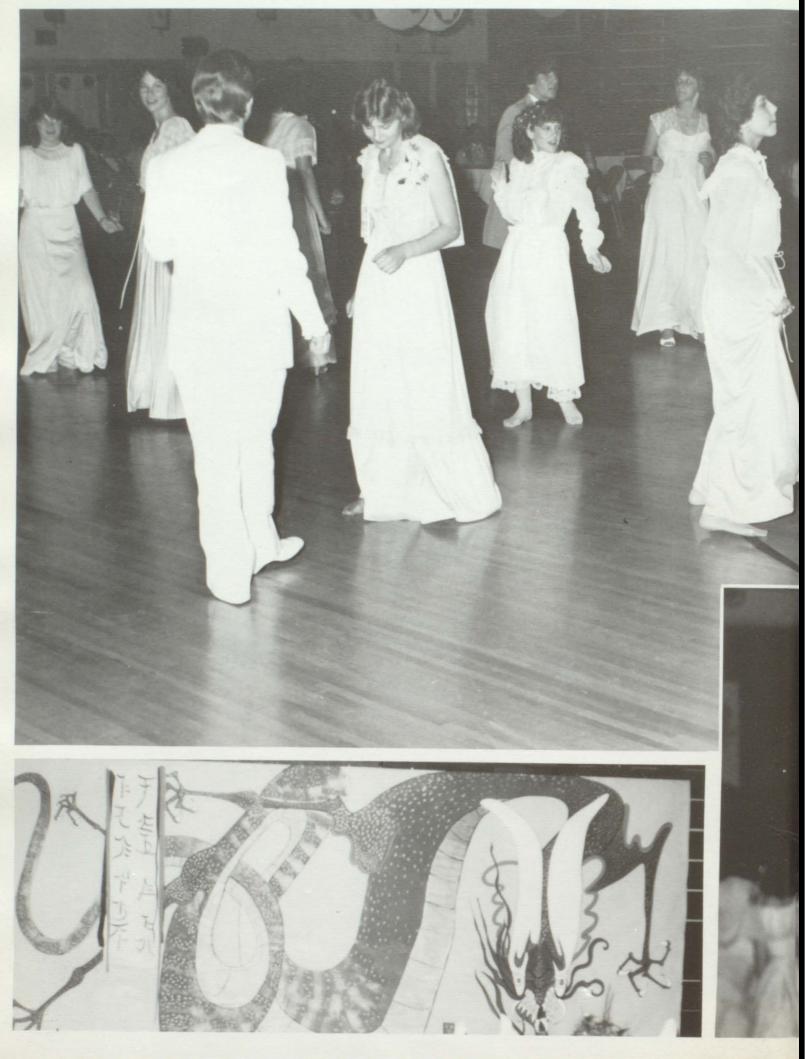

A wide variety of oriental food was enjoyed by the guests.

Rich Allard and Dan Loar are served eggrolls by Anna Garcia and Mary Snyder.

#### A Warm Spring Evening in the Forbidden City

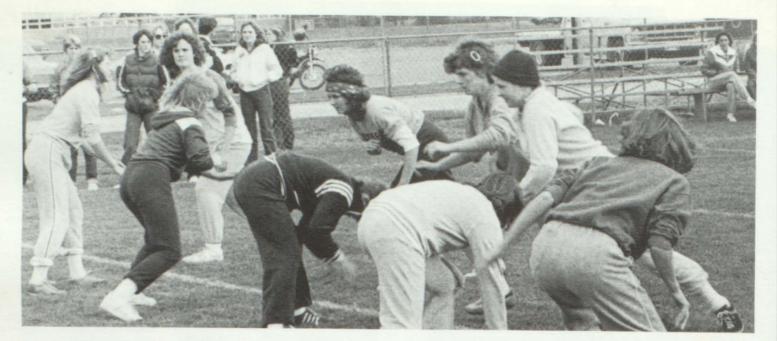

The Junior-Senior Banquet and Prom was held May 22 at the Forbidden City (the High School gym). Seniors were the guests of the Junior class. For free first time guests, not a Jr. or Sr., were allowed for a nominal fee. Sitting at round tables, students were served an oriental meal of egg rolls, wonton soup, sweet and sour pork, beef with oriental vegetables and chicken with almonds, with fresh fruit for dessert. A small break between dinner and dance gave couples time for picture taking and socializing. The hall was beautifully decorated as a garden, complete with oriental lanterns and dragons. Students enjoyed dancing with music provided by the Live Wires with Genie Goodfriend, a B.H.S. alumni, as lead singer.

Below: Prom king and queen, Tom Granzow and Cheryl Mlcek, take a break from dancing to smile proudly for the camera. They were chosen as king and queen by the members of the Senior class. Above: Kirsten Klump and Gary Wolfe spend a quiet moment together amid the prom festivities. In October, the Senior girls challenged the Junior girls to a friendly game of powder puff football, which attracted a small crowd.

Junior Bev Bateson had some trouble completing her passes.

As did Senior Sheila Bragg.

#### Powder Puff Makes Everyone A Winner

The action lasted a couple of hours, with the seniors winning, score unknown.

## Rupp Runs Outstanding Student Council

Student Council members were kept busy the whole school year with a number of activities. In the fall they sold popcorn at the football games, held Homecoming events, participated in an exchange day with other schools, and gathered for a Thanksgiving dinner. In the winter, the council had a Christmas Dance, held Coming Home activities, and sold popcorn at the basketball games. In March the council sponsored a Carnival which turned out very well. Later in the spring, they held a spring sports assembly and organized the events for Fun Week. At the end of the school year, new student council members and officers were elected for the following year. Right: Serving as S.C. President was Dan Rupp. Here he is shown giving away door prizes at the Carnival.

## Karl Shatters Cross Country Records Girls Split to Form Own Team

Cross Country records were shattered this year by standout runner Robert Karl. He led the team to a 2-2 league record and a 6-3 record overall. Co-Captains Karl and Todd Spotts were named to the all-league teams as well as Terry Duncil.

A new addition this year was the separate girls team. Patty Waite was a standout, and has 3 more years to better her form. Patty was the first Blissfield girl to ever qualify for the State meet. Finishing 1-3 the girls look forward to the new precedent of a girls team.

# Homecoming Saves The Season

The Varsity Football Team finished 1-4 in league standings, and 4-5 overall. It was a disappointing record considering that the Royals lost their 5

games by an average of 6.2 points a game. The highlight of the season was a 7-0 homecoming victory over a previously undefeated, state-ranked Clinton team. Gary Wolfe was voted "most valuable player" as well as being in the company of several other Royals to make the All-League selections. These include: Tim Sauter, Harvey Salenbien, Dave Checkley, and Steve Betz. Honorable mention LCAA selections included Alex Vince, Chris Diver, and Paul Friess. Sauter and Wolfe were also named to the All-County list.

It was a building year, and frivolous football fans can look forward to an up-and-coming Royal platoon.

## Season Used Building A Future

The Royals J.V. football team had a discouraging season, finishing 1-4 in league competition and 2-5 overall. It was a rebuilding year, but considering the fact that several of the players were freshmen, next year should yield better results. As Coach Dick, "Don't call me Bandstand," Clark says, "We'll get 'em next year!"

## Varsity Takes District Title

Girls Varsity Basketball had an excellent season this year, finishing 11-8 in the regular season, and 13-9 after post-season play.

After finishing second in league, the Royals went on to win Districts and advanced to Regional play. After defeating Homer, they advanced to the Regional Finals to face Addison who had played them with a 35 point defeat earlier in the season. They lost the game, but not hope of beating them in next year's regional Finals.

Outstanding players included Paula Pavelka (all-county, all-league), and all-leaguers Sheila Bragg and Ann Tuckerman.

J.V. Hoopers Grab 8-2 League Record

Exemplifying her aggressive style of play is Darcy Doyle.

This years J.V. Hoopers had a very admirable season, grabbing 8 of their 10 league games and an even 50% of their non-league games. Fans should be looking forward to another good season next year with many returning freshmen, as well as, returning coach, John McEwan.

### Royals Double Bogey End Season in Fifth Place

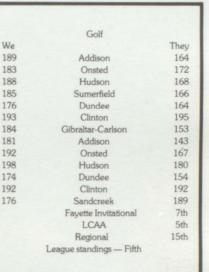

The Blissfield Golfers did not have a very successful season this year with a record of 2-11 finishing 5th in the LCAA. But they can look forward to a promising year next year with 5 of the 6 starters returning, along with the top two golfers Rick Niemi and Randy Brenke.

The only senior, Wayne Shannon, uses his 3 iron to drive one to the green.

Joel Daas comes a little short on his "slam dunk" attempt, but during the season his attempts earned him the MVP award.

Darin Wolfe shows his quickness, on many fast breaks, as the Royals leading scorer.

The Freshmen Basketball team had an excellent year this year, sporting a record of 7-5 overall. Talent was easy to find for Coach Denny Thompson, as all he had to do was merely scope down his bench. Although the record doesn't seem outstanding, the play was, for the Royals rarely lost by a large margin. It looks like Coach Brink has something to look forward to in the next few years.

# Wrestling '82

Loyal Royal wrestling fans had a disappointing year, although there were several bright spots. Under new head coach Ron Huskins the Royals could only master three wins, but there were several outstanding individuals. Lack of participation was most of the problem, even though the underclassmen did an excellent job this year.

Coach Ron Huskins, Dave Checkley, Dan Rupp, Rick Tattersall, Craig Howland, Jon Hensley, Dave Goetz. Row 2: Coach, Steve Snow, Roger Coopshaw, Chris Thomas, Mark Peterson, Dave Goll, and Rodney Faust. Row 3: Domingo Valdez, Leonard Bierman, Mike Sheldon, Brad Slomski, Jeff Seegert, Raul Regalado.

# Netters Serve a Saved Season

It was a disappointing season for the Royal netters, even though they managed to salvage a 9-7 record. Led by Shelia Bragg, MVP for the Royals this year, the serving attack was awesome. Keeping the ball in play seemed to be the major problem, but with the majority of players being underclassmen, practice will remedy this hinderence.

#### Varsity Softball

A Year of disappointment, a year of victory. There is no other way to explain the girls' season but that. The most disappointing loss was against league foe Addison, a team that is always a joy to beat. The most tasteful win was the victory in their own invitational. Although several seniors will be missed, softball at BHS will still be a power to watch for in the future.

Coach Bette Kohler has a few words with pitcher Sheila Bragg while Teresa Snyder listens along side.

The Royals captured the LCAA championship this year with a eleven and one record and with an overall record of eighteen and six. The leading three sluggers were Dave Checkley (.397). Eric Grabow (.353) and Rod Proffitt (.333). Supplying the power on the mound were Bryan Hull with an eleven and two record and Randy Brenke with a five and one record. Highlighting the season was winning the Class "C" district title and advancing to regionals where the game was lost one to nothing.

Tracy Nine and Todd Spotts perform another perfect hand-off in an uncontested 880-relay.

Steve Crist, commonly known as "Kamikaze," sacrifices life and limb as he strives for another vaulting victory.

#### Boys Track

The word that meant success for the thinclads (or spikes, or cinder bums) was "depth". County teams were horrified when the royals came to town, because although they might be able to get the first places, the Royals would always seem to come through with that two-three punch. Despite popular belief, Coach McEwan has a lot to look forward to next year.
