GRADUATION

Steven,

You make me laugh
You make me smile,
You also annoy me
Once in a while!

You show me how to
Play video games.
You also call me
Lots of names!

I don't think
I could love you more,
I'm gonna be so sad the last time
You walk out the back door!

College will be so
Very far away,
I won't be able to
Stay and play.

Even though we were born
A whole decade apart
REMEMBER...
When I graduate you'll be an
"OLD FART"

Well, it started out nice anyway!

Love from your little brother,
T.J.

LeeAnn

Through the years you have always looked at life as a challenge to try. If you wanted something, you would go after it for yourself, no matter what obstacles got in your way. With this approach, you have achieved so much. Along with all of your accomplishments, you have been a great friend, a loving sister and the best daughter we could have ever hoped for. We are so proud of you!

As you move on to the next phase in your life, we have no doubt that you will continue to live with "courtesy, loyalty, respect and perseverance, honor, integrity and self control". While these were once words in an oath that you recited, they have become who you are. These qualities along with faith, hope and love will take you wherever you want to go.

We love you,

Mom, Dad , Travis, Tyler (and Zoe)

Just imagine what God has planned for your future. We are so proud of you!
