## Before 'Once Upon a Time' Began....

The Pit, Musical Theater Class, Parents, Students and Teachers helped shape 'Beauty and the Beast' into a another phenomenal BHS production

'Tale as old as time, song as old  
as rhyme'..

# Beauty and The Beast

On March 22, 23, and 24 the Fine Arts Department at Blissfield High School welcomed the classic Disney movie 'Beauty and The Beast' to the stage. Filled with toe tapping songs, accomplished acting, and brilliant choreography, 'Beauty and The Beast' was a hit among all ages.

This fairy tale begins with a peasant girl named Belle whose father is an inventor. He decides to take his invention to the fair but gets lost in the woods and stumbles upon the castle to which The Beast and his servants live. Meanwhile, Gaston, a charming bachlor, tries to win Belle's heart with his witty gestures and proposes to her. Belle won't have it and is now confronted with the fact that her father has been kidnapped. Belle goes off and finds her father being held as a prisoner in an enchanted castle and begs for her to be held instead. While there, she meets the objects which are under the spell of a beautiful enchantress. Belle and The Beast don't get along at first, but in time, they learn to accept and love one another. Will this unlikely love be able to break the spell and stop the heart-pounding Gaston from winning the girl and killing The Beast...

Belle (olivia Miller) and the new human-again Beast (Robbie Powel) sing to one another.

The Silly Girls are in awe after Gaston (Tyler Babbitt) and Lefou (Kyle Sell) put on a show in the tavern.

The entire cast welcomes Belle and Prince Adam/The Beast to center stage for the final bow

"Be our guest, be our guest, put our service to the test!"

The Beast (Cordell Smith) realizes he must change if he wants to win the heart of a peasant girl and turn into the Prince he was born to be.

"For who could ever learn to love a Beast?"

No Matter What...

A touching moment between a father (Charlie Southward) and his daughter (Olivia Miller).

The ladies of the castle, Mrs. Potts (Holly Meszaros) and Madame de la Grande Bouche (Nicole Jahlas) sing to their fellow residents.

# Cross Country

To the right, the top three: Brianna, Meaghan, and Abbey stick together in the Tecumseh Preview Race. To the far right, the XC team celebrates with their one of many first place trophies, from the Whiteford Invite.

The BHS cross country team had a great season this year. A girls team racing with 1 senior, 1 junior, 4 sophomores, and 6 freshmen, had a lot of tough training over the summer to get the young freshman full of endurance and XC power. The girl that they had to look up to was sophomore, Brianna Yates, who had already endured the ridiculous workouts for 2 years. The girls had a lot of fun, and they were very successful in both Michigan and Ohio.

# Varsity Soccer

"Outside in and we will win" These are some of the first words of advice that the new Head Coach, Brandon Faust, told the soccer team. This idea became the fundamental idea for the entire season. This mantra helped the team develop a strong base to work, and develop around. The team put in countless hours of hard work, in hopes to start a winning tradition for the men's program. Despite a losing regular season, the team was able to develop, and transform into a team that no longer posed as an easy win for their opponents. Losing most games by only a goal, the team shows promise for future seasons. The words of Coach Faust came into effect during their District run. With the help of Coach Faust, and the dedication of the entire squad, the Varsity Soccer team was able to record its first ever District Championship title in school history by beating Taylor Baptist Park 3-1. This historic season ended against Southfield Christian in Regionals leaving the Royals with a final record of 5-14-2.

# Competitive Cheer

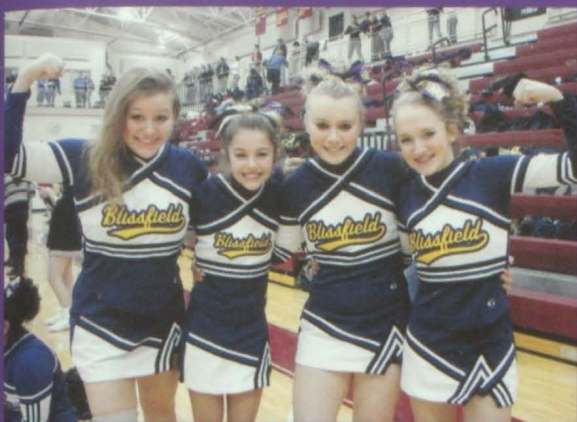

It was a successful, yet somewhat stressful, season for these young, talented girls. They had to overcome many challenges- from losing teammates to drama that threaten to tear them apart. But in the end, they stuck together and came out on top. They all had only one goal in mind: to make it to regionals for the second year in a row since 1998 and they did not disappoint. Improving even more than the previous year, they were able to add both back-tucks and back-handsprings into their rounds. Increasing both their difficulty and execution scores and landing them 3rd place at districts even better than last year! All their hard work truly paid off. There were so many reasonings to be cheering this season and even more well-earned respect was given. This team of ladies definitely lived up to expectations and made all their supporters very proud.
