Homecoming 2012

Every year during the week of Homecoming, each grade competes to have the best float to pull in the Homecoming parade. Juniors took last place, Freshmen and Seniors tied for second and third, and Sophomores took first. All the floats looked very well done with expressing this years theme, Under the Sea. The Royals were also victorious over the Erie Mason Eagles defeating them by one point! At Half time Jordan Willson and Anna Schmidt were crowned Homecoming 2012 king and queen.

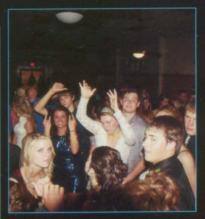

Homecoming 2.012 was definitely a success for Blissfield High School. All the students celebrated our victory over the Erie Mason Eagles by dancing the night away. As you can see everybody had a wonderful time and looked absolutely stunning. The homecoming committee

did an excellent job at expressing this years theme. Under the Sea, by using fish bowls as the tables center pieces and decorating the walls to give that Under the Sea look. Below. this years homecoming king and queen. Jordan Willson and Anna Schmidt, have the traditional celebratory dance.

# Varsity Football 2013

The Royals started their season 10 months before their first game as Coach Estes demanded the expectation to rise, which end up paying dividends for the county's top rushing attack.

The Royals Started their season with a tough loss to Whiteford 22-26, mental mistakes plagued them the entire game. The next weeks home opener didn't make things look brighter against TCC League Champion Clinton Redskins as they lost 39-14. Then, during Hudson week the Royals decided to turn things around. They went to Thompson Field and showed them how to run a power offence with 199 yards rushing, as the Royals trampled the Hudson Tigers 32-13. Then the Dundee rivalry ensued. The senior lead football team has never beaten them as a team. With a chip on their shoulder they ran through the vikings to a 34-14 win. Then continued to roll as the beat Colombia Central 45-20. All until they went to Hillsdale and got stung by the Hornets 13-28. Then came home to a ready to play a Erie-Mason team that played with a purpose but the Royals were able to sniff out a close 22-19 victory. Then thunder roared, and the Royals got stunned by the Wildcats 22-23 in Wildcat territory. Attempting to keep playoff hopes alive they willed their way to a 20-8 win. As playoffs arrived they traveled to Jonesville and lit up the scoreboard to a 36-27 tune. Then lightning struck twice as the Hornets got the better part of the Royals 9-28 ending their Ford Field dreams.

Royals special teams moments before making an outstanding hit that jarred the ball loose.
