# Freshmen Volleyball

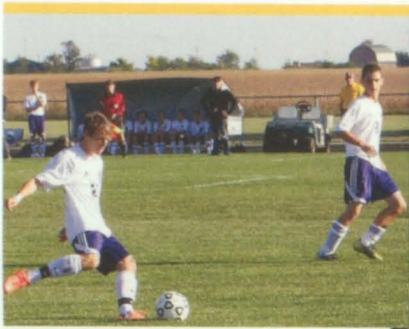

This years Freshmen had a very good season with one of Blissfield Volleyball's new coaching addition, Coach Jenny. The girls placed first in the Parma Western Invitational, and second in both the Hudson Invitational and the Camden Frontier Invitational. With a decreasing number of freshmen volleyball teams in the county, the Blissfield girls spent a lot of time travailing to Onsted where they played many matches. With only seven players on the team, each girl played a very important role and worked hard to compete in each and every game.

# BLISSFIELD VARSITY BOYS SOCCER

@RealRoyalSoccer

The Boys Varsity Soccer Team was exceedingly dominant this year . The team went 11-4-2 overall and 7-3 in the ISL , which was a school record for this season. Also, the best in the school's history. Along with the solid overall record, the team also accomplished a perfect 8-0 record at home. The team was awarded for their performance on the field with the placement of Jordan Pennington, Evan Bischoff and Landon Jacobs as All-LCAA Players, along with Charlie Southward who was an All-County Player, and Levi Makula earning the previous honors and being selected as Lenawee County Player of the Year- first ever for Blissfield boys. Despite these impressive achievements the favorable district run was cut short and the season ended. This conclusion was devastating to the players and was not how they wanted their remarkable season to end. The team this year will be remembered as being the best Boys Soccer team in the programs history and that is an ending they are proud of.

Both girls and boys bowling had a very successful season. Jake Clark and Jake Warner recieved Second Team All Conference for the Boys Bowling Team. The girls team advanced to Team Regionals where they finished their season.

# Competitive Cheerleading

Blissfield Competitive Cheer started their season out vastly different than previous years. Making harder requirements to earn a spot on the team paid off for the girls, who brought home second place at their first invitational at Grasslake. The girls woke up at five in the morning, every day of the week and it really showed out on the floor when they brought home 1st place at Tecumseh for the first time since 2011. Although the girls didn't place well at districts, they still had a great season.

Spotlight on Coach Amber Kleindienst (pictured here with senior captain, Brianna Yates): Amber cheered for Blissfield High School as a teen and later took the program over from her coach, Erin Eff. She started off as the middle school coach and later become the high school coach for six years. Two of those years she proudly led her team out of districts. Regretfully, this was her last year as coach and she will be sincerely missed by all who knew her. We wish you nothing but the best Coach!

## The Game

The Varsity Football team played Hillsdale for the homecoming game. With rain, thunder, and lightning, the game was rough for the players and fans. Many loyal royals stuck it out to support their boys, but unfortunately the game was cut short due to the weather conditions. The boys put up a good fight, but ended the game with a loss.

## #actors

Under the direction of Mr. Ricker, the cast and crew produced *It's a Wonderful Life*, as it was originally viewed, in black and white. Though it was a tough task to accomplish, with the help of Mrs. Linn's Musical Theater class, it was successfully accomplished.

# The Fall Play

This year, Blissfield High School put on "It's a Wonderful Life." The show told the story of a man who learned his importance in life and what things would've been like had he not been born. With the help of his guardian angel, George realizes he truly has a wonderful life.

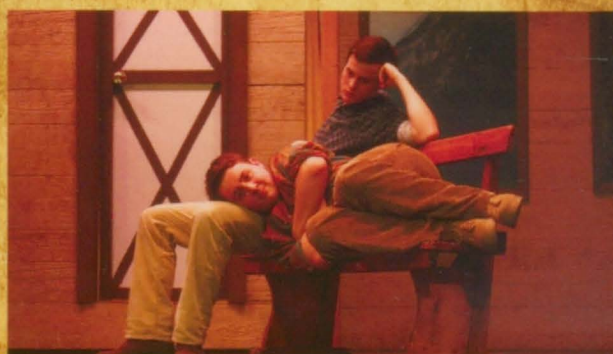

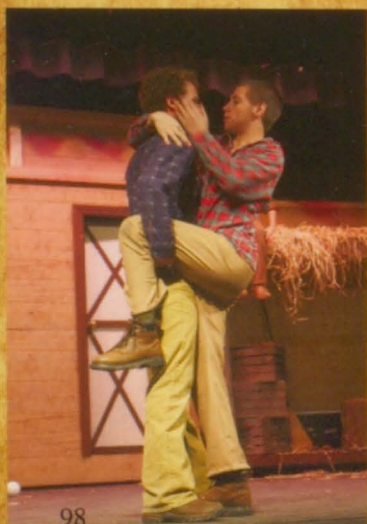

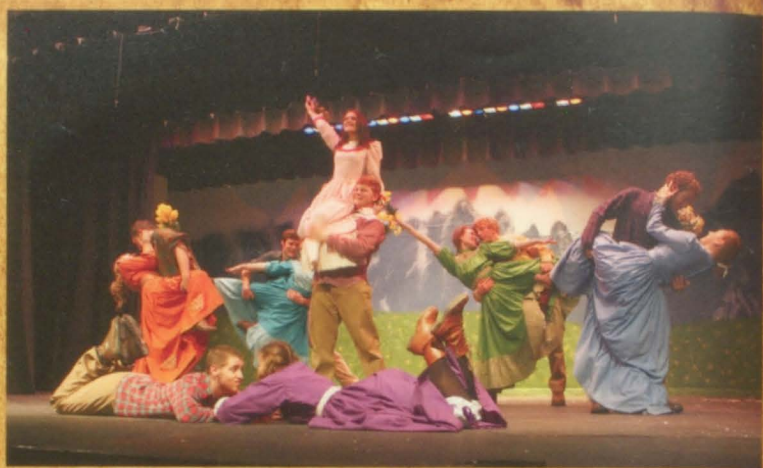

# *It's a Wonderful Life*

# #SEVENBRIDES FOR SEVEN BROTHERS

This year, Blissfield High School put on "Seven Brides for Seven Brothers." The show featured Josie Witt and Cordell Smith playing Milly and Adam Pontipee. The weather caused many set backs for the cast and crew. Despite cancelations of rehearsal and even opening night we made it through the winter, and the show was spectacular!

**In the top right photo we have to give Mr. Weston credit for his classroom performance and how a fake chicken and green skull relate to Physics. The other three photos are showcasing the many talents of our art students at the Spring Art Show**

**At the left Mia Perez is doing her part to save lives by donating blood at the Spring Blood Drive. Thanks to the many staff members and students such as Mrs. Breitner and Josie Witt (below left) over 60 pints of blood were collected.**

**Colleen Willson and Mrs. Keinath, pictured to the left, are helping our 9th grade students adjust with a Link Crew Activity. Above right, the students are involved with the one of many team building activities**
