Spanish class is always fun with Senora Breitner. With performing skits and group projects, learning a new language es muy divertido. Acquiring spanish skills is a challenge but with hard work it is a great skill to have. All of the spanish classes enjoy creating spanish books and walking in the spanish fashion shows. With all these different activities, Senora Breitner cleverly makes learning easy for all of her students.

## Fun in Biology

In freshman biology, Mr. Coscarelli creates an enjoyable atmosphere in his classroom by combining learning with a touch of humor to keep the students interest. The class likes to color the color plates which helps them memorize better so they all can do well on their test. The movies are never boring and always informational. And you can never go wrong with online dissections.

There is never a dull moment in Algebra, taught by the one and only Mr. Ricker. Between his all too corny jokes and hilarious stories about his life, laughter is a common sound in his room. But he is definitely not all about play, when the time comes to learn, Mr. Ricker puts the hammer down. There is usually never any homework from this class, and who doesn't like that? He gets through the material quick yet efficiently so he has even more time for his stories!

"THE CHALLENGE OF LEADERSHIP IS TO BE STRONG BUT NOT RUDE; BE KIND, BUT NOT WEAK; BE BOLD, BUT NOT A BULLY; BE HUMBLE, BUT NOT TIMID; BE PROUD, BUT NOT ARROGANT; HAVE HUMOR, BUT WITHOUT FOLLY."

The Royals finished the season 2-7. It was not the way anyone thought it would end up going but with so many injuries early in the year it was a difficult situation to recover from. The Royals even had to forfeit to Clinton due to the injuries. After an extremely tough four weeks the Royals went to Onsted looking for a victory, but came up just short as they gave up a 99 yard drive in the final minutes. However, things looked up as the Royals captured their first victory in dominating fashion for the homecoming game. The following week they were stung by the Hornets with another loss; then stunned at home against an Erie Mason team who came in looking for a fight. But on senior night and the final game of the season with only half the lights on, the Royals got another victory and sent the seniors out with a win.

## SCORE BOARD

The were scoring early and often and led 26-0 at the half and finished with another score in the forth quarter.

The Defense forced 6 Turnovers (5 INT) almost getting the shutout but let up a score halfway into the third quarter.

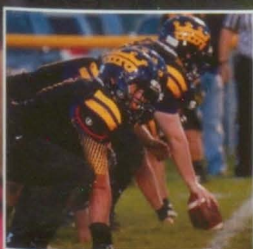

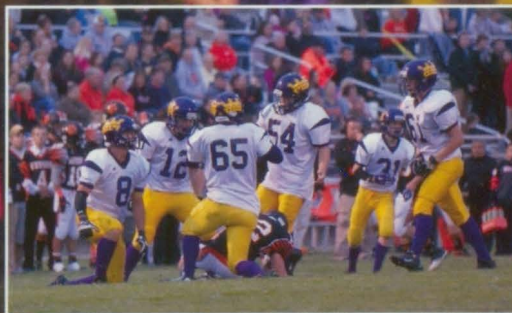

On the Offensive side the Royals picked up 318 yards in the air and 109 on the ground. Cassaubon had 5TD's and his favorite reciever of the night Andre Williams had 219 Recieving Yards and 3TD's

## Our Season!

Although the Royals were off to a rough start this season, the ladies were still optimistic. The Royals used big wins, such as the shoot out against against Grass Lake High School, to boost their confidence against tough rivals like Manchester, and Columbia Central High School. Including this year's Hillsdale Tournament and districts, the lady Royals ended their season 6-10. In the end they were still rewarded as 18 out of 22 eligible girls earned the scholar athlete award, and several made league and district teams. Way to go girls!

# NEW YORK

For Spring Break, BHS Band and Choir students traveled to New York City. They performed, saw the Statue of Liberty, Empire State Building, Rockefeller Center, and the 911 Memorial Museum. They also attended the Broadway production, Aladdin

# STUDENT VS

The **Student VS Staff Talent Show** was the Music Department's first big Concert of the year. It featured many students along with our outgoing staff. It raised funds for our New York trip in the spring with the band and choir.
