ARTICLE 6. UNLICENSED MOTORIZED DEVICES

SECTION

8-6-1: Unlicensed Motorized Devices – Prohibited on Public Property

8-6-2: Procedure for the Impoundment of Unlicensed Motorized Devices

8-6-3: Preliminary Hearing

8-6-4: Hearings

8-6-1: UNLICENSED MOTORIZED DEVICES – PROHIBITED ON PUBLIC PROPERTY: It shall be unlawful for a person to operate an unlicensed motorized device on any public property. For purposes of this Article, an “unlicensed motorized device” is defined as any motorized device or vehicle not bearing the proper registration plates from the Illinois Secretary of State or incapable of being registered by the Illinois Secretary of State under the provisions of the Illinois Vehicle Code, and shall include, but is not limited to, motor scooters, go carts, golf carts, go peds, mini-bikes, or motorbikes. This section shall not apply to automobiles, “motorized wheelchairs” (as defined by the Illinois Vehicle Code), and any motorized device or vehicle incapable of reaching a speed in excess of three miles per hour. For purposes of this Article, “public property” is defined as any public street, public sidewalk, public alley, public parks or any other property owned or controlled by the Village of Bridgeview, the Bridgeview Park District, a public or private high school or grammar school or any other property owned or controlled by a unit of local government located within the Village of Bridgeview.

8-6-2: PROCEDURE FOR THE IMPOUNDMENT OF UNLICENSED MOTORIZED DEVICES: whenever a police officer has probable cause to believe that a violation of Section 8-6-1 has occurred, he is hereby authorized to seize and impound the unlicensed motorized device. The failure to display the proper registration from the Illinois Secretary of State is prima facie proof that the instrumentality constitutes an unlicensed motorized device.

8-6-3: PRELIMINARY HEARING: The owner of an unlicensed motorized device (or any interested party) which has been impounded pursuant to Section 8-6-2 shall have a right to a preliminary hearing to determine whether the seizure and impoundment were erroneous. The preliminary hearing shall be requested in writing to the Chief of Police, or his designee, within 48 hours of the seizure. The hearing shall be conducted within 48 hours of receipt of a written demand for the hearing by the Chief of Police or his designee. Failure to request or attend a scheduled hearing within 48 hours of the seizure shall be deemed a waiver of the right to a preliminary hearing. If the hearing officer determines by a preponderance of the evidence that the provisions of Section 8-6-1 have been violated, he shall order that the unlicensed motorized device

remain impounded until a bond in the amount of \$100 is posted with the Bridgeview Police Department. If the Hearing Officer determines that the provisions of Section 8-6-1 were not violated, the item seized shall be returned to its owner.

8-6-4: HEARINGS: A hearing shall be conducted pursuant to the provisions of Chapter 15, Miscellaneous Regulations Concerning the Standing, Parking or Condition of Vehicles. The hearing shall be held within 46 days of the seizure. The Hearing Officer shall be authorized to release the seized unlicensed motorized device upon the payment of a fine and an additional storage charge in the amount of \$5.00 per day. If a bond has been posted, it shall be applied towards the fine and storage charges. If the Hearing Officer determines that the provisions of Section 8-6-1 have not been violated, the seized item shall be returned to its owner and any posted bond refunded. Any unlicensed motorized device which remains unclaimed for a period in excess of one year shall be presumed abandoned and may be destroyed.
