

Text Instructions for Using MEL

On Mel's homepage there are various options. You can look for online resources for adults & kids, online journals and you can search the card catalog to find a book or other material for Interlibrary loan.

If you want to borrow a material through the interlibrary loan:

- 1) Find the material with the search bar on MEL's homepage
- 2) Once you have narrowed your search click where it says, Find This For Me.
- 3) This will bring up a second screen or box for you to put your home library (Bridgman Public Library,) your name, and library card number. Once these are completed, click Submit and it will be sent to us!

If you need further help, there is a help button on the top right corner of every MEL page.
