

Cottonwood Bookmarks - Friends of the Library News

- **Fall Boutique Sale:** We appreciate all who supported the library through purchases during the sale, and we thank all of the library staff and volunteers who made it possible.
- **Burning Tree Cellars Chili Cook-off:** The cook-off fundraiser will occur on Saturday, November 2 from 1:00 p.m. to 4:00 p.m. Details can be found on our website and Facebook page. Proceeds from the event will be used to purchase books for the Youth Services area.
- **Matching Gifts:** Bookmarks has been fortunate to receive more than \$2,000.00 in matching gift donations, which is a great way to support the library and its programs.
- **Board Vacancies:** Anticipating that we will have two vacancies on the Bookmarks Board when terms expire on February 1, we are actively seeking applicants. Serving on the board is an excellent and rewarding way to contribute to the library and the Verde Valley community. Visit our website's Contact Us page for additional information and to access a downloadable application form.
- **New TV's:** The library recently acquired two flat-screen tv's through funding from Bookmarks. One will be utilized in the smaller meeting room. The other has been placed above the Reference Desk and displays updated event and program information to our patrons.

Happy Thanksgiving

Ryan's Corner November 2019

The Cottonwood Public Library does its very best to support our local authors. Whenever an author approaches me about carrying their titles in our library, I make sure we do our best to make it available to the public. Sometimes we even have signed copies in our collection. Another way we can support our local authors is through the Cottonwood Book Fair. Once again, this year's event coincides with "Walkin' On Main," which will be held on Saturday, November 9th, from noon to 5 p.m. at the Cottonwood Community Clubhouse in Old Town Cottonwood. The Cottonwood Book Fair is an excellent opportunity to learn the stories behind the stories and have the unique experience of putting a face to the name on the book. The Cottonwood Community Clubhouse has recently been renovated, so this is a neat chance to see what was, and what will be, a cornerstone of Old Town Cottonwood.

It is also an excellent opportunity to enjoy a fantastic event with those who live in your community, and maybe a few who do not. We hope you can come out and support our authors, as well by swing by to say hi, and get that early start on your holiday shopping. We sincerely hope to see you on Saturday, November 9th, at the Cottonwood Community Clubhouse.

Sincerely,

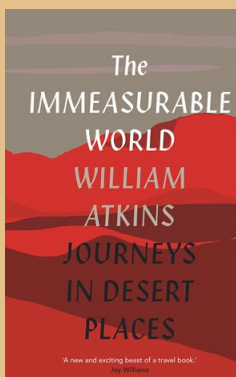

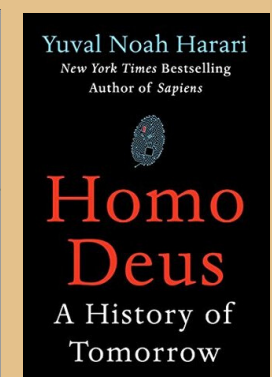

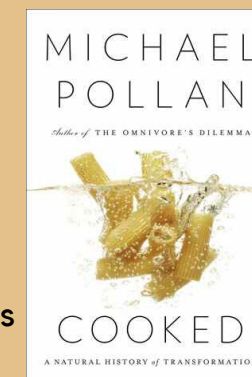

Ryan Bigelow, Library Director

STAR PARTY

COTTONWOOD PUBLIC LIBRARY

Come view the stars and planets with the
Astronomers of Verde Valley

Free Event
all ages
welcome

A Star Party is an accessible way to make hands-on science fun and give astronomy enthusiasts a greater appreciation for the night skies. The event will take place outside the library. Youth will learn how to view the night sky using a star chart. This is a great introduction to astronomy. Feel free to bring your own telescope. Participants of all ages are welcome!

Join us at the Verde Valley Military Service Park, which is across the street from the library and next to Garrison Park. Youth will get the opportunity to listen to stories, sing songs, and speak with veterans. This will be a great time for youth to learn about the history of this holiday and the sacrifice and dedication of our U.S. veterans.
