**Ryan's Corner
September 2019**

When conducting our strategic plan, we asked our patrons what frustrated them the most about the Cottonwood Public Library. With 19% of the responses, the number one answer was the library's hours of operation. The majority of our patrons indicated that the limited hours on Mondays and Saturdays were a concern. So, beginning on Monday, September 30, we are going to maximize our hours of operation by changing to the following schedule:

Monday: 9:00 am - 5:00 pm
Tuesday: 9:00 am - 7:00 pm
Wednesday: 9:00 am - 7:00 pm
Thursday: 9:00 am - 5:00 pm
Friday: 9:00 am - 5:00 pm
Saturday: 9:00 am - 2:00 pm
Sunday: CLOSED

We are attempting to provide more opportunities for patrons to utilize our services in the evenings. Being open on Monday afternoons will most certainly have the most significant effect on the children, who can now utilize the library after school, five days a week. Now, patrons will not pull on the front door at 3:00 p.m. and shake their heads; they will be welcome to use all the resources the library has to offer.

In total, we are increasing the hours of operation by three hours per week. We are also implementing new ways to decrease the library's operating costs while maintaining the same level of service with our increased hours. One new service we will be offering our patrons is the option of self-checkout on all Audio Visual items in addition to books. We will also be bolstering our incredibly productive volunteer base, so please let staff know if you are interested in becoming a library volunteer. We can always find a spot for a helping hand. Thank you for your patience through this transition as we continue to add value and services to your public library.
