

CELL PHONES AND OTHER ELECTRONIC DEVICES POLICY

As a courtesy to other library patrons, please...

- Set your cell phone or other electronic device to silent or vibrate mode while in the library.
- Use your cell phone for conversations only in the Library front lobby – the Cell Phone Zone.
- Even in the Cell Phone Zone, please talk at low levels so others will not be disturbed.
- Library patrons should report loud, disruptive or uncooperative cell phone users to the library staff member at the circulation desk.
