

**Hello! It's nice to meet you, I am your new "Flat Gnome" friend.  
We will be with each other a long time,  
or at least til August's end.**

**I would love it if you would give me some lovely colored clothes,  
helping to make me stylish from my head down to my toes.  
Once I'm dressed and looking good, please gently cut me out.  
You might want to cover your ears in case I'm so excited  
that I shout! ;)**

**Take me with you on adventures from the moment that you  
wake...to your yard, to the park or even to a lake.  
Then please take my picture and email it to the library,  
so they can see where we've traveled...my new friend and me!**

**\*Please email your photos to [dplnhyouthservices@gmail.com](mailto:dplnhyouthservices@gmail.com). We can't wait  
to see all of the fun you and your new friend have together this month.**
