

Durham Public Library Children's August Literacy Calendar 2022

1

Measure your child's height and record it here _____. Measure again in Sept.

2

Go on a nature walk and collect items to make an art collage with.

3

Check out a book about animals and read it to your favorite stuffie.

4

Make a fort in your living room and read your favorite story inside by flashlight.

5

Help make breakfast with a family member and have a fancy tea party/breakfast

6

Come read the library story walk and explore the surrounding nature.

7

Have your child help write a grocery list and help with shopping.

8

Go on a scavenger hunt for things that make the "T" sound.

9

Sing and dance to the "Hokey Pokey".

10

Freeze some small toys in ice cube trays (dinosaurs work well) and let your child help them hatch out in the sun.

11

Come and do the scavenger hunt at the library and win a prize!

12

Have your child write a short story or draw a picture about their favorite summer memory.

13

Ask your child to draw a butterfly in their favorite colors.

14

Explore outside and find a favorite tree to enjoy a snack under. Listen to the sounds of nature.

15

Play a silly song and have a dance contest.

16

Count how many stuffies are in your child's room.

17

Complete a puzzle with your child.

18

Add up with your child, how much the items cost at the "store" in the children's section of the library.

19

Have your child take a photo with a friend and/or family member.

20

Watch the meteor shower

21

Count how many birds you see at Jackson Landing Park.

22

Have your child read a book about going back to school.

23

Practice your best crab walk with your child.

24

Write a thank you note to a special person.

25

Play 4 square with other people.

26

Sing along to a song on a car trip.

27

Write the letter "A" in cursive with your child.

28

Write a post card with your child to a relative.

29

Practice your best cricket noises with your child.

30

Play on the gundalow in the library, and check out a library book about it.

31

Discuss the potential fall youth programs at the library, with your child. ****Registration begins Sept. 1st
