

Freedom Public Library
GIFT POLICY

The Freedom Public Library welcomes gifts of all types including library materials, equipment, and funds for the purchase of material, equipment and real property. The Library encourages gifts of cash not be earmarked for specific use in order to permit the most flexible use of the donation for the enrichment of the library program.

The Library Trustees and/or the Library Director will work to honor the intentions of the gift but will make the final decision on the use or other disposition of the gift.

The Library will not determine the value of any gift accepted for income tax purposes; this is the responsibility of the donor. The library will, however, on request, acknowledge the gift by letter and specify the type, quantity, and condition of the gift for the donor's records.

Please see also the Collection Development and Financial Policies for more detail.
