

*Friends of Gale Free Library Announces \$200,000*

## WINDOWS OF OPPORTUNITY CAMPAIGN

**G**ALE FREE LIBRARY's historic windows are 135 years old and showing their age. Library and town officials agree it's time to fully restore these beautiful architectural features. Therefore, the Friends of Gale Free Library has launched **Windows of Opportunity**, a fundraising campaign with the goal of raising \$200,000 toward the total restoration and repair of the 60 exterior windows in the library's original Damon Memorial building.

The balance of the funding, which is estimated to total over \$750,000, will come from projected grants and town appropriations. "We want to show our love for this remarkable building, which has been called the 'Gem of Worcester County,'" says Windows of Opportunity co-chair Penny Morgan.

Penny, along with co-chair Pat Korandanis, invites businesses and the public to contribute at one of the following levels:

- **FRIEND: \$125.**
- **BENEFACTOR: \$250.**
- **PATRON: \$500.**
- **SPONSOR: \$1,000 TO \$20,000 AND ABOVE.**

BETHANY PETERSON

ALANA GARRIGUES

Sponsors receive an array of benefits outlined on the Friends' website: [FGFL.ORG](http://FGFL.ORG). Those who donate at \$10,000 and above will get a permanent plaque with their name beneath one of the most prominent windows in the Damon Memorial building.

Make checks payable to "FGFL Windows Campaign," and mail to: Friends of Gale Free Library, 23 Highland Street, Holden, Massachusetts 01520
