GMS - HIGHLIGHTS

Thank you to our Student Council for organizing a fun-filled Spirit Week which featured a daily theme this week. Our learners and staff did a great job participating this week by showing their creativity and supporting our Student Council during their Cancer Awareness Month.

As we near the end of the 2nd trimester, our learners have focused on self-direction as part of the Gilford School District Portrait of a Learner attributes. Our learners focused on the following areas as part of their self-reflection on self-direction.

- I can set goals for myself
- I can develop and follow plan to achieve my goals.
- I can manage my time efficiently.
- I can attempt to solve a problem on my own before asking for help.
- I can navigate challenges/setbacks to accomplish my goal.
- I can determine what feedback will help me achieve my goals

At the end of the trimester, our learners will receive acknowledgement for all of their work in self-direction and following our school WINGS expectations. We look forward to recognizing these individuals for their hard work and effort!!!!

On Saturday, February 11th our GMS Mathletes did an outstanding job representing our school at the Math Counts Competition in Plymouth. We are so proud and excited to announce that not one, but THREE of our Mathletes scored among the 12 highest individual scores! This is such a tremendous accomplishment! Congratulations go out to Susanna Tilley, Tess Eckhardt, and Mark Wallace who earned a spot in the top 12 today and will participate in the NH State Mathcounts competition, which takes place on Saturday, March 11th, at NHTI!

GHS - HIGHLIGHTS

On February 1, students who submitted artwork to Scholastic Arts had a field trip that included a viewing of all the winning artwork at Pinkerton Academy and a tour of Mass College of Art in Boston. On Sunday, February 5, a number of students and Mrs. Weed attended the awards ceremony at Pinkerton Academy. Mrs. Weed, Mr. Antone, Mr. Witham and Ms. Defregger were very happy with how the GHS art students performed in Scholastic this year. Congratulations!

Pawperation Giving Tree provided GHS student leaders with an opportunity to promote awareness about responsible pet ownership while collecting donations for our local humane society. The number of pets surrendered to shelters here in New Hampshire and nationwide has increased, recently, due in part to the rising costs associated with pet/vet care. The learners pictured here worked to develop a strategic plan and lead this effort with support from our school counseling staff. We are proud to support these opportunities and look forward to seeing what this group has in store for future service learning projects.

Congratulations to Jalen Reese for scoring 1000 points!

The boys basketball team won their fourth straight state title on February 25th beating Mascoma 69-43. They capped off an undefeated season!

TOWN BEACH REGULATIONS

(CHAPTER 3)

KNOW ALL PERSONS BY THESE PRESENTS, the Gilford Board of Selectmen hereby ordains to adopt these amended regulations as the rules by which the Town Beach, (being 17 +/- acres as situated off Varney Point Road and more particularly referenced at Tax Map 223, Lot 417), shall henceforth be governed.

3.1 AUTHORITY

These Regulations are adopted pursuant to the authority granted under RSA 41:11-a.

3.2 PURPOSE

The purpose of these Regulations is to promote the safe and orderly use of the Town Beach for the benefit of Gilford residents, property owners and their guests. In addition, these Regulations are intended to prevent the Town Beach from being over-crowded and over-utilized to the greatest extent possible for the long-term preservation of this unique resource as the only Gilford Town-owned beach property along the shores of Lake Winnepesaukee.

These Regulations are also intended to implement the terms of the deed to the property dated June 30, 1947, as recorded in the Belknap County Registry of Deeds at Book 295, Page 7, especially the covenant provided therein that states as follows: "It is part of the consideration of this deed that said town, its successors and assigns, will maintain said property for at least sixty (60) days during the summer season as a bathing beach and playground, for the use of residents and taxpayers of the Town and members of their households, and exclude all other persons therefrom, except their guests, who may be admitted under such restrictions and regulations as the Town or its Selectmen may from time to time prescribe..." (NOTE: the term "guests" as used in these Regulations shall mean family and friends accompanied by a resident/taxpayer to the Town Beach; and shall not include guests (or paying customers) of lodging establishments and/or short-term rentals.)

3.3 REPEAL OF PREVIOUS REGULATIONS

These Regulations shall supersede and replace all previous Town Beach Regulations, including, but not limited to such admission policies and written rules which may heretofore have been adopted.

3.4 RULES

A. Residency & Entry

1. Access to and from the Gilford Town Beach shall be limited to the Varney Point Access Road only. All visitors must stop at the gatehouse whenever an Attendant is present. Access to this facility by any other means (boat, ATV, fence jumping, etc.) or failure to stop when directed by the Attendant may result in immediate expulsion in addition to any other penalties that may be imposed as a violation.
2. During the period Memorial Day through Labor Day of each year, entry to the Town Beach is limited to the following:
 - (a) Vehicles displaying a valid Town Decal

Town Decals are available in the Town Clerk's Office on an annual (calendar year) basis to residents of the Town of Gilford and individual owners of residential property situated in the Town of Gilford (persons whose names are on a deed) upon proof of identification, residency and/or vehicle registration. Decals must be affixed to the driver's side of the motor vehicle and correspond with that vehicle's registration number. There shall be no charge for the initial Town Decal, but replacement decals shall cost \$25.00.

NOTES:

- (1) Except as otherwise established by the Ordinance Governing the Use and Restrictions of the Glendale Facility, Town Decals shall not be issued to any Gilford taxpayer whose name is not listed on a deed unless they are a resident of the Town, nor to any person who has an unpaid fine for a parking or Town ordinance violation.
- (2) Residential property shall not include any parcels of real estate that are not used primarily for habitation in a dwelling, (for example, the following types of real estate do not qualify as residential: boat docks, warehouse and storage units, time shares, campgrounds, recreational vehicle parks, vacant land or undeveloped lots, businesses, retail stores, professional services, or any other type of commercial operations), nor shall they include properties marketed as short-term rentals unless the dwelling is occupied by the property owner at least thirty (30) days per calendar year.

- (b) Pedestrians, bicyclists (and their guests) upon proof of identification and Gilford residency or residential property ownership.
- (c) Visitors who present a Daily Guest Pass

Daily guest passes are available for purchase by residents or property owners from a Town Beach Attendant for \$20.00 per vehicle. Residents and residential property owners shall be limited to one guest vehicle per day per vehicle with a Town Decal. A vehicle with a Town Decal must accompany the guest vehicle into the Beach parking lot.

NOTE: All guests must be accompanied by a resident or residential property owner. Children under the age of 12 must be accompanied by a person 18 years of age or older with identification. Also, the Town reserves the right to stop selling Daily Guest Passes on any given day if the parking lot capacity reaches seventy-five percent (75%).

- (d) Visitors who present a Temporary Pass signed by the Parks & Recreation Director

The Parks & Recreation Director is authorized to grant special permission for visitors to access the Town Beach under extenuating circumstances.

B. Hours of Operation

1. The Town Beach and parking areas are closed between the hours of 9:00 p.m. and 9:00 a.m. These hours may vary, however, due to weather conditions or maintenance needs. Any person found within the beach area after hours may face immediate expulsion in addition to any other penalties that may be imposed as a violation. Also, any unauthorized vehicle left on Town Beach property after hours may be towed at the expense of the owner.
2. It shall be a violation of these Regulations to trespass on Town Beach property whenever signs are posted that indicate the facility is closed or when the gate is not open.

Failure to comply with any order or direction of a Lifeguard shall be a violation of these Regulations.
2. It shall be a violation of these Regulations to use floatation devices, life jackets, swim toys, snorkels, fins, masks or scuba gear in the swim area that is designated as the guarded area, unless medically necessary or approved by the Lifeguards.
3. Swim areas may be closed to the public during such times when swimming lessons or other Parks & Recreation Department scheduled activities are taking place.
