## GHS HIGHLIGHTS

The seniors had an awesome day at Gunstock for the United Way's Day of Caring (Earth Day) on April 21. They performed community service activities at Gunstock which included raking, painting and many other needed activities during the workday. This was the seniors' way of giving back to the communities that have supported our Gilford and Gilmanton learners.

Our learners had the choice to choose from over 70 presenters/demos on Thursday, April 13th, for our Portrait of a Learner Career Exploration Day. The focus for this event was to allow our learners the opportunity to see real-world application of our Portrait of a Learner attributes in action (innovation, collaboration, critical thinking, and self-direction). The event received such positive feedback that the learners and even the community members are thinking about how to make it bigger and better next year! Learners were able to choose sessions that could be a possible future career path and hear how the professionals got into the business. Learners could also attend the Laconia airport event which focused on aeronautics. Thanks to all of our community partners!

Congratulations to the Senior Scholar Athletes. They were recognized on April 3rd at the Capitol Center for the Arts. All recipients must be a NH high school senior, must have a B+ GPA throughout their high school career, must letter and be currently active in at least two NHIAA recognized sports, and must be a positive role model who has participated in community service activities. Chance Bolduc, Jordyn Byars, Ryan Caldon, Samuel Cheek, Tyler Davignon, Vanessa Flander, Patrick Gandini, Hanah Gannon, Jesica Gannon, Brady Heyman, Cole Howard, Allison Kenyon, Lauren Nash-Boucher, Savannah Neuman, Alysen Pichette, Jalen Reese, Ashley Sanderson, Joseph Schelb, Lexi Shute, Tessa Tanner, Emily Watson, Taryn Wernig.

Congratulations to senior, Marena Beale, for receiving the President's Gold Volunteer Service Award for her achievement of 328 hours of service.

HUB NEWSLETTER - MAY 2023

# DOWN AND DIRTY WITH DPW

## FOAM RECYCLING PROGRAM UPDATE

The Foam Recycling Program is going fantastic! Gilford DPW has collected over 4,000 lbs of foam from Gilford residents alone since last July. This is equivalent to just over TWELVE 40-yard containers! That's pretty awesome! By removing this foam from our waste stream we are making more room for the normal trash (MSW) which is hauled to the incinerator so we end up shipping out less loads per month and save hauling costs thanks to your foam recycling efforts.

In addition to collecting from Gilford residents, the Town is a regional HUB location where other communities can collect and drop off their foam. The benefit to Gilford is that we not only are helping our neighboring community with a regional recycling effort but we will make revenue off of the foam we collect by densifying it and selling it to our vendor. We have collected over 2,800 lbs from neighboring communities so far and will be selling our first ingot load to Soprema in Canada very soon.

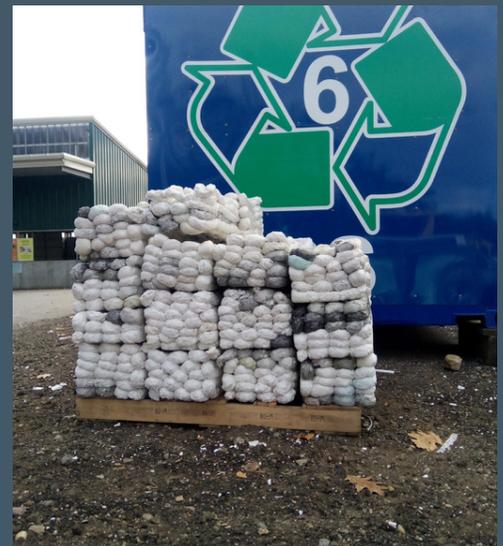

# DOWN AND DIRTY WITH DPW

## FOAM RECYCLING UPDATE (CONT.)

DPW Director, Meghan Theriault, has been going around and promoting the regional foam recycling program by speaking to local Rotary clubs, Solid Waste Management Districts, Regional Planning Commissions and presenting at upcoming conferences. So far there are four (4) other municipalities collecting at their local transfer stations and seven (7) communities holding collection events, all dropping their foam off to Gilford.

If you have questions on the program please go to the Recycle Right [website](#) for more information or call the Gilford Solid Waste Center at 603-293-0220.
