# EXPEDITION BIGFOOT

A year after devastating wildfires forced them to evacuate the Olympic Peninsula, the EXPEDITION BIGFOOT team – acclaimed primatologist Dr. Mireya Mayor and Bigfoot experts Bryce Johnson, Ronny LeBlanc and Russell Acord – return to Washington State.

Encouraged by an incredible discovery from the previous expedition, the team devises a new plan to rouse a Bigfoot from hiding and prove these elusive creatures are not a myth but a reality.

# PARANORMAL CAUGHT ON CAMERA

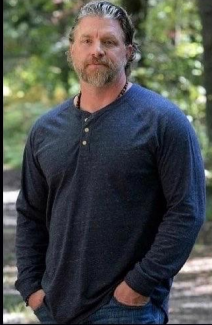

**PARANORMAL  
CAUGHT ON CAMERA**

Some of the most amazing, eye-opening and downright scary paranormal videos from around the world are featured as a panel of experts break down the footage and analyze what exactly the eyewitnesses captured. Insights from some of the most knowledgeable specialists in the field and firsthand accounts from the people lucky enough -- or perhaps unlucky enough -- to witness this strange phenomena themselves just might make a believer out of even the biggest skeptics out there.
