

Marc A. Hurzeler M.D. Library - Request for Reconsideration of Library Material

The Board of Trustees of the Marc A. Hurzeler M.D. Library believes that censorship is a purely individual matter and declares that while anyone is free to reject material of which one does not approve, one cannot exercise this right of censorship to restrict the freedom of others.

Library materials will not be marked or identified to show approval or disapproval of their contents, and no library materials will be sequestered, except to protect it from damage or theft.

Responsibility for reading and the use of the library by children rests with their parents or legal guardians. At no time will library staff act in *loco parentis*. Selection of library materials will not be inhibited by the possibility that they may come into the possession of children.

The Library Board of Trustees has delegated the responsibility for selection and evaluation of library resources to the Library Director and has established reconsideration procedures to address concerns about those resources.

Completion of this form is the first step in those procedures. If you wish to request reconsideration of a library material, please return the completed form to Marc A. Hurzeler M.D. Library, Library Director, 178 Meadows Road, Jefferson, NH 03583 or email to lookitupjefflib@gmail.com.
