Trustee Meeting Minutes
October 24,2023

Meeting opened at 6:05.

Those present: Liz Milligan, Chair, Brenda Roy, Jeanne Kenison and Leslie Seppala.

Trustees began discussion of the budget with suggested increase in library hours by Joy and Emma in response to survey results. This would increase from 16-22.5 hrs open but payroll hours would be 28.5 as it includes 2 hrs where librarians overlap and 3 admin hours.

Trustees also discussed librarians' concerns for access to cameras to see people accessing the community center when they are alone in the building. This will be brought up with selectboard.

Trustees discussed rate of pay for 2024 including 3.2%COLA. We discussed figures for rate increases both with and without extension of library hours. Liz will finalize the figures and trustees will meet again October 30 for final review.

Meeting was adjourned 7:38.

Jeanne Kenison, Secretary
