Downloads of our eaudio and ebook loans accounted for 13% of our total circulation.</p> <p>PR&E - For the wine tasting our income was \$582.32. It was very well received. All but 3 of the 190 wreaths for pick-up are gone. 10 additional wreaths were mailed by the vendor.</p> <p>Facilities – John attended the meeting and brought an HVAC quote to be voted on later in this meeting. <u>7.Old Business</u>	n/a	n/a
<u>8.New Business</u>	LP	<p>Lori discussed that John has found a painter that has availability soon. We reviewed a quote from that painter for interior walls as well as exterior window trim. Michelle checked with the town and \$30,000 capital funds are still available for this project. The board needs to vote on using an additional \$7625 of KFL funds to move forward. Lori motioned to approve the funding and Laura D. seconded that motion. The motion was unanimously approved.</p> <p>Lori discussed the need to replace the Building Automation System that controls the HVAC system. The current controller is no longer supported and running JAVA on an old PC. We reviewed a quote from Maine Controls to replace the controller with an HTML system that can be controlled from anywhere. Maine Controls is the only company that won't require a much larger retrofit. Going forward we would have choices regarding support companies. The quote includes staff training. Lori motioned to approve the funding and Laura D. seconded that motion. The motion was unanimously approved.</p>
