Adult Programs

Senator Angus King Outreach - July 1

Representatives from Senator King's office will be here on Monday, July 1 at 12:30. King's outreach hours offer an opportunity for area residents to meet directly with a staff representative to discuss specific legislative issues or concerns regarding federal government agencies. No appointment is necessary.

Heart and Home Book Club - July 1

The Heart & Home Book Club is a pick-your-own book discussion group at KFL. Participants choose their own fiction or nonfiction book based on a monthly theme. On Monday, July 1, at 2:00 p.m., our theme will be *diaries, journals & letters*. Feel free to call or stop by the library for help finding a book!

Nonfiction Book Group - July 8

Join us on Monday, July 8 at 6:30 p.m. to discuss *Endurance* by Scott Kelly.

Inspired by Tom Wolfe's book *The Right Stuff* (1979), Kelly became a navy pilot and astronaut. Before retiring from NASA, he earned the record for the most total time spent in space, including 340 consecutive days at the International Space Station. This memoir is filled with stories of the daring, patience, and humanity necessary to be an effective leader in space, along with the stress of being away from family. His brother Mark Kelly is also a retired astronaut; Scott tells of hearing about the 2011 shooting of his sister-in-law U.S. congresswoman Gabrielle Giffords, from afar and subsequently leading a moment of silence in honor of the victims. While Kelly's story is personal, it's also a cautionary tale about the future of space exploration, especially if deeper investment is not made. VERDICT Kelly's down-to-earth personality, humor, and blog SteveKelly.com have earned him a devoted following. Highly recommended to anyone who has an interest in memoirs or space travel. (Library Journal, vol 142, issue 15, p 94)

History of the Apollo 11 Moon Landing - July 9

In honor of the 50th anniversary of the Apollo 11 moon landing, astronomer Scott Negley will be at the Kennebunk Free Library on Tuesday, July 9 at 6:00 to discuss the history behind that "one small step." Learn about the NASA programs that paved the way for the historic moment.

Scott Negley owns and operates a portable planetarium system for presenting astronomy programs to elementary and middle school classes in northern New England. Educated initially as an engineer, a binocular tour of the heavens ignited a passion for the stars that led him to the University of Pennsylvania for a M.S. degree in astronomy and a 40+-year career as an astronomy educator. He has been privileged to convey the splendor of the universe to students of all ages, initially as a university instructor, then as a school district planetarium director, adult school teacher and elderhostel instructor. As a Solar System Ambassador, Scott enjoys the opportunity to educate and inspire others with NASA's magnificent discoveries.

To the Ends of the Earth - July 10 & 31

Because our Summer Reading Theme is "A Universe of Stories," many of this summer's programs involve space or space travel. However, there are plenty of wide open spaces to explore right here on Earth. On Wednesday, July 10 at 6:00, Kathleen Nolan will be at KFL to share photos and stories about her adventures in Antarctica. On

Wednesday, July 31, Nolan will return to talk about about her excursion to the high arctic.

Kathleen Nolan is a retired teacher who has traveled to Europe more than 50 times, the Arctic, Antarctic, South America, six countries in Africa, Nepal, Mongolia, China, and Tibet.

Preparing for and Financing the Future: Buy-Sell Agreements - July 11

Preparing for a planned transition or unexpected change in your business is key to ensuring its long term success. Agreements between the owners of a business (sometimes referred to as Buy-Sell Agreements, Stockholders' Agreements, or Operating Agreements) help business owners plan for the future. Insurance is a vehicle that can be used to finance that planned transition or unexpected change. On Thursday, July 11 at 1:00, KFL will host attorney Eric I. Collins of Furman Gregory Deptula and Financial Advisor Kenneth Coffin of Ameriprise Financial. The presenters will help attendees understand how these agreements work and how insurance ties into the planning. This event is perfect for business owners/individuals who:

- are currently in business without an agreement in place
- are concerned about the future operation of the business
- are looking to retire in 10 years
- would like to bring on a partner or partners
- would like their children or a new generation to take over the business
- are looking to start a business of your own with a partner or partners

Light refreshments will be served. Please call or email the library to register. [Registration](#) is appreciated but not required.

Storytelling Night - July 15

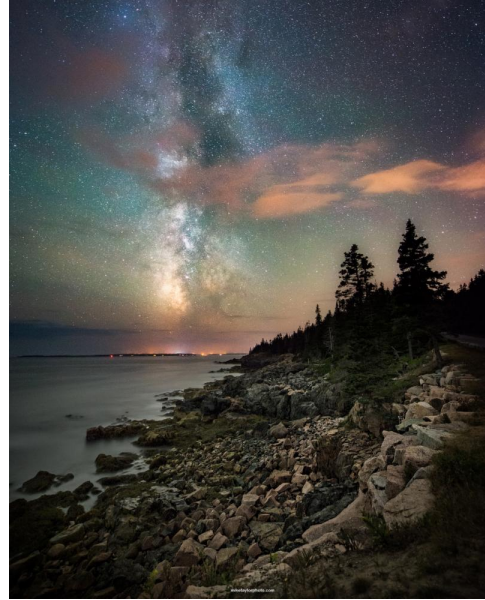

Do you enjoy listening to or telling stories? On Monday, July 15 at 6:00 p.m., Kennebunk Free Library will be hosting our own informal storytelling evening! In honor of our Moon Landing party later in the week, the night's theme will be "Exploration." Although you are welcome to come as a listener, we welcome and encourage everyone to tell a story as well. The rules for stories are simple: 5 minutes maximum, it must be a true story from your life, and it must relate to the theme in some way (no matter how far you stretch it). Already know that you want to tell a story? Call or [e-mail](#) to add yourself to the list now.

Astrophotographer Mike Taylor - July 16

Astrophotographer Mike Taylor will be here on Tuesday, July 16 at 6:00. Using slides, graphics, and examples of his work, he will discuss why he

loves night photography, what got him into it, and how it differs so much from any other kind of photography. He will explain how Astrophotography is different from Landscape Astrophotography, where the Milky Way is in the sky, how it moves through the night and through the seasons, etc. He will also talk about how to track the Northern Lights, how to know when there will be a display, and how they look at Maine's latitude compared to places like Iceland, Norway, etc. Taylor will show slides of raw images next to processed images and explain a little bit about processing night photos and the logistics and equipment involved in capturing and processing time lapse footage.

Maine's German POW Camps During WWII - July 22

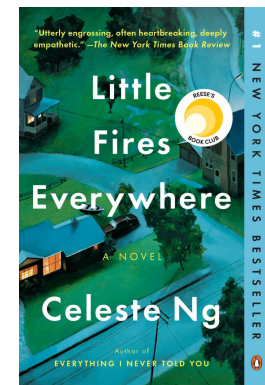

Between 1944 and 1946, more than 4,000 German prisoners of war called Maine home. The story of how they arrived, and the lasting impact that they had on the people who encountered them is one of Maine's most interesting and obscure stories. Join us on Monday, July 22 at 6:00 p.m. as Holocaust and Human Rights Center of Maine Program Director David Greenham shares the lively and surprising story of an interesting chapter of Maine history, using materials and research used to create the 2012 exhibit "Maine Boys Overseas and German Boys in Maine." It is a story of cooperation, kindness, and enemies who found a way to work for a common good, and even became friends.

Adult Book Discussion - July 23

Join us on Tuesday, July 23 at 1:00 p.m. to discuss *Little Fires Everywhere* by Celeste Ng.

Shaker Heights, Ohio, is a by-the-books kind of town. Longtime residents know the well-established rules of conduct. Newcomers, such as itinerant artist Mia Warren and her teenage daughter, Pearl, must find out for themselves what is acceptable and what is not. Renting an apartment from city-native Elena Richardson should give Mia and Pearl a leg up. Instead, it throws them into the midst of a fraught custody battle concerning a Chinese American baby; engenders fierce rivalries between brothers Moody and Trip Richardson for Pearl's attention; and casts Mia as the unlikely confidant of the Richardson daughters, popular Lexie and outcast Izzy. There are secrets upon secrets within the families: Mia's past is hidden from Pearl, just as Pearl conceals her love affair with Trip. Lexie's abortion must be kept from her family, while only Izzy knows the subterfuge her mother is using to undermine Mia and Pearl's happiness. Ng's stunning second novel is a multilayered examination of how identities are forged and maintained, how families are formed and friendships tested, and how the notion of motherhood is far more fluid than bloodlines would suggest. Ng's debut, *Everything I Never Told You* (2015), was a book-group staple. Laden with themes of loyalty and betrayal, honesty and trust, her latest tour de force should prove no less popular. (Booklist, vol 113, number 21, p19)

Read ME - July 23

This summer, Kennebunk Free Library patrons will have the opportunity to be part of a statewide community read. Each year, the Maine Humanities Council asks a popular Maine author to recommend two books. This year, author Tess Gerritsen has selected *Paris was the Place* by Susan Conley and *After the Eclipse* by Sarah Perry.

Join KFL staff to discuss *Paris was the Place* on Tuesday, July 23 at 6:00 p.m. On Tuesday, August 20 at 6:00, we will be discussing *After the Eclipse*. Call or stop by the library to reserve your copies of the books.

You can also join the conversation with people around the state. Maine Humanities Council is hosting a Read ME Facebook group that all are invited to join. The discussion series will wrap up with an episode of Maine Calling broadcast live from Bangor Public Library.

21-Day Journaling Challenge - July 24

This summer, the Kennebunk Free Library will host a 21-Day Journaling Challenge! This is a two-part program, and registration is required. On Wednesday, July 24 at 6:00 p.m., we'll learn some fun ways to journal, and then each of us will design a personal challenge. On Wednesday, August 14 at 6:00 p.m., we'll reflect on our experiences over the last 3 weeks. Sharing from your journal is welcome but *not* required.

James Bruner Author Talk - July 29

On July 29 at 6:00 p.m. author James H.K. Bruner will be at the Kennebunk Free Library to discuss his new book, *Son Over the Yardarm*, the latest in his *Bike Cop* series. *Son Over the Yardarm* is a stand-alone sequel to Bruner's *Greater Weight of Evidence*. A book signing will follow the discussion.

Harmonica Workshop - July 30

Get ready to make some music at KFL! On Tuesday, July 30 at 6:00, Mike and Beverly Rogers will be here to offer a harmonica workshop for anyone ages nine through adult. The workshop will teach simple songs and basic techniques and each student will receive a harmonica to take home. Please call or [e-mail the library](#) to register to ensure that there are enough harmonicas to go around.

Trivia Night at Duffy's - July 31

It's a KFL tradition: July Trivia Night at Duffy's Tavern and Grill. On Wednesday, July 31 at 6:30, join KFL trivia masters Carol and Susan at Duffy's to see if they can stump you. Grab a bite or a drink while you ponder the questions.

The last Wednesday of every month is Trivia Night at KFL. Play alone or bring a team (or join one of our friendly groups of regulars). Admission is free, but players who choose to pay a \$2 entry fee are eligible to collect a share of half of that night's pot if their team wins. (Of course, if you're playing alone, you keep the whole half.) The other half goes to purchasing items for the library's collection.

In Stitches - July 2, 9, 16, 23, 30

Do you love to knit? Crochet? Sew? Have you always wanted to learn? Do you have an unfinished project hidden on the closet shelf? Then join us for "In Stitches", our handicrafts group! This is a great opportunity to expand your skills and learn from others, about knitting, crocheting, sewing, embroidering, or other handicrafts while enjoying the company of others. Bring a project you are working on, or come learn from the very beginning (please bring your own supplies). Knitting help will be available.

In Stitches meets every Tuesday morning at 11:00 a.m. in the Walker Room. No registration is needed, just drop by for as long as you like.

Tech Time - July 19 and 26

Join us on **Fridays from 10:00 a.m. to 12:00 p.m.** for our ongoing service, Tech Time. Attendees will work one-on-one with a librarian to answer your technology questions. Registration required.

Technology is becoming more complicated so we're here to help. Having difficulty downloading the cloudLibrary app? Got a tablet for your birthday and need help setting it up? Please make an appointment by contacting the library at 207-985-2173. This service has quickly become very popular so your patience in waiting for an accommodation is greatly appreciated.

This service is intended to help educate you about your device or to troubleshoot minor technology issues. Our goal is that you'll leave our session with the confidence and knowledge to troubleshoot your own future technology hurdles.

Teen Programs

Friday Fun

Every Friday at 3:00 p.m. we will be conducting amazing experiments, building creative crafts, or playing great games! These programs are a great opportunity to see your friends during the summer and watch something explode! For teens ages 10 and up.

There will be no Friday fun on the 12th but join us at 6 p.m. for our Road Race. This month on the 19th we will be creating our own jewelry and bracelets. On the 26th we will be attempting to conduct a terrifying Moon Landing!

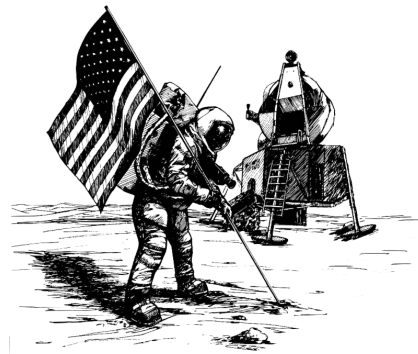

Teen Anime - July 10

Teen Anime Club Wednesday July 10th at 4:00 p.m. - Come to talk about anime, or manga, RPGs, and anything in between. Basically anything that makes you geek out is welcome and encouraged! This month we will be constructing our very own Tesseract! Perfect for an Avengers Cosplay. This program is open to students and teens ages 10 and up.

Fake a Moon Landing - July 18

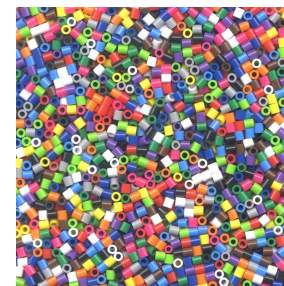

Is it possible that the moon landing was faked? We will be attempting to put together a realistic fake moon landing using today's technology and common household materials. Join us on Thursday, July 18 if you have an idea on how it could be done! This program is designed for tweens and teens ages 10 and up. This event will be held at the Kennebunk Free Library at 4:00 p.m.

Children's Programs

Beadcraft - July 3

Perler Beads - tiny plastic beads that can melt - were first introduced as a craft in Sweden in the 1950s and we still love them! Children ages 6 and up are invited to join us for an afternoon of beading fun on Wednesday, July 3, at 1:00 p.m. Design suggestions will be offered, but creativity is encouraged! All craft materials will be provided. Registration is required.

Junior Science: Baking Soda Rockets! - July 8

Science can be wacky, wild, or funny, but it's always an adventure! We will be holding a Junior Science series of programming for young scientists to experiment and observe the surprising results. Come join us on Monday July 8 at 4:00 p.m. as the library becomes Mission control for our 3rd annual Baking Soda Rocket Event! The kids will design and build their own rockets and then launch them to see how they fly! For kids ages 5 and up. Registration is required.

This month at Junior Science the kids had an amazing time creating square bubbles! They created a square mold using pipe cleaners and then covering them with straws to make a smooth surface. The kids loved dipping them in the bubble solution and watching the bubble adhere to the mold.

Family Yoga - July 9

Family Yoga is back at Kennebunk Free Library as part of our Summer Reading Program, A Universe of Stories. If you are looking for a family activity on a hot summer day, consider joining us for some fun with simple yoga shapes that invite stretching, strengthening, concentration,

balance and confidence. As we explore the shapes, there will be gentle attention to breath and mindfulness. Included will be individual and group shapes, as well as shapes with your family person that encourage cooperation and connection. Programs will be led by Susan C. Mirisola, Library Assistant, Experienced Registered Yoga Teacher- 200 Hours, and Certified ChildLight Yoga Teacher.

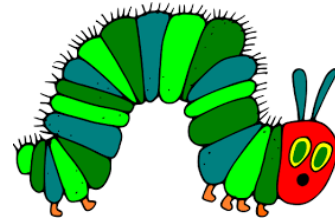

For ages 4 and up. Registration and waiver are required. Please bring a small blanket to cover during Resting-on-a-Cloud Pose, and your yoga mat, if you have one. No experience necessary. Space is limited. Family yoga will meet at the following dates and times:

- Tuesday, July 9 at 2:00 p.m.
- Thursday, August 8 at 11:30 a.m.

Very Hungry Caterpillar Celebration - July 11

Happy 50

th birthday, Very Hungry Caterpillar! Eric Carle's story of growth, change, and yummy food has been entertaining all ages for half a century. Come say happy birthday to Caterpillar on July 11 at 2:00 p.m. with a reading of the story and crafts. Bring a picnic lunch to enjoy! This event is for all ages. No registration is required.

Sparks' Ark - July 15

Animals are out of this world! Come discover wild animals with Sparks' Ark on July 15 at 2 p.m. Sparks' Ark is based in the greater Portland area, and has been active for 30 years. They have a private reserve where animals are rehabilitated. Sparks' Ark shows are always wild and exciting! What animals will we see at the library? Come find out! This event is for all ages. No registration is required.

Discovery Station - July 17

Discovery Station is a STEAM program designed for children 2-5 years of age accompanied by a parent or caregiver. STEAM activity stations will give children, with their parent or caregiver, an opportunity to engage in hands-on learning while having fun!

Join us on Wednesday, July 17 at 2:00 p.m. for **Fun in Space!** The program is limited to 12 children, and registration is required.

Family Moon Landing Party - July 17

Get down and party like it's 1969! In honor of the 50th anniversary of the Apollo 11 moon landing, we are having a Moon Landing Watching party on Wednesday, July 17 at 6:00 p.m. People of all ages are invited to come dressed from

the era, watch the exciting event "live" on TV, play era-appropriate games, and of course eat lots of both era- and moon-inspired food.

Sesame Street Dance Party - July 18

Sesame Street is turning 50 this year, and that's good enough for us! Come dance to your favorite Sesame Street songs at a party on July 18 at 11:30 a.m. We'll have so much fun, even Oscar would smile! This program is for all ages. No registration required.

Space Crafts - July 19

Blast off! Kennebunk Free Library is having a series of drop-in crafts to celebrate outer space. Stop by to create your very own galactic masterpiece! Space Craft drop-in crafts will be held on the following dates:

- Friday, July 19 2:45-4:45: All about the Moon (all ages)
- Thursday, August 15 11:30-12:30: Pony bead aliens (for ages 7 and up)

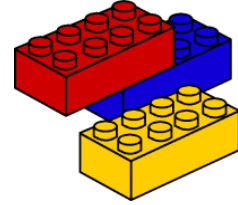

Pet Show - July 22

Kennebunk Free Library will be holding its 27th Annual Pet Show on July 22 at 6 p.m. In the past, the library has been visited by a variety of animals from cows to hermit crabs - and everything in between! Show off your pet and win a prize! Registration and signed waiver are required. One pet per child. Pets must be up-to-date on shots, on leash or caged, and accompanied by an adult. Please clean up after your pet. Join us for a KFL tradition! In case of inclement weather, we have scheduled a rain date of 8/5 at 6 p.m.

LEGO Club - July 24

Come join us on Wednesday, July 24 at 4:00 p.m. for Lego Club! This month come join us for a building challenge that will push your builder abilities to the limit. If you are feeling more creative come build a Lego creation of your own imagination. Registration is required, for kids ages 4 and up.

Ukulele Summer Camp - July 24

This summer, the Kennebunk Free Library is inviting kids ages ten to thirteen to come to the library to make some music! Thanks to a generous grant from the David A. Dionne Charitable Trust, we will be offering Ukulele Summer Camp for young beginners.

Students will learn basic technique and simple songs over four sessions, beginning on Wednesday, July 24 at 5:30. The remaining sessions are Saturday, July 27 at 10:00; Wednesday, July 31 at 5:30; and Saturday, August 3 at 10:00. Each will run for one and one half hours. Because students will be learning so much each class, please plan on attending all four sessions.

If you have a ukulele, bring it along. If you don't, we will have a Kala soprano ukulele available for each student. When the class is over, it will be yours to keep. Class space is limited, so please call to register and let us know if you need a ukulele.

Space Race - July 25

All systems are go! Join us for some astronomical space games outdoors. Think you can toss the rings on Saturn? How about run a three-legged alien race? Come test your skills at this and more on July 25 at 2 p.m. In case of inclement weather, a rain date of August 5 at 2 p.m. is scheduled. Come see if you have the right stuff! This event is for all ages. No registration is required.

Storytime on a Stick - July 30

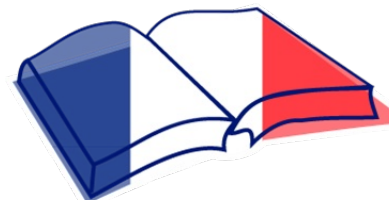

Some of the tastiest treats are on sticks - think of lollipops and popsicles! Join us on July 30 at 10:15 for a special storytime all about food on sticks. Enjoy a special treat afterwards! All ages welcome. No registration.

French Class - July 2, 9, 16, 23, 30

Parlez-vous français?!

Would you like to learn to speak French? Join us on Tuesday afternoons from 12:30 - 1:30 p.m. here at the library for French class. You will develop speaking, listening, reading and writing skills, while also learning about cultural perspectives of France and other French-speaking countries around the world. Our emphasis will be on communication, using the language in real-life, real-world situations, so that students may converse with French-speaking visitors to our state,

and/or be able to get around when traveling in the Francophone World. This class is geared towards homeschooling students age 10 and above, but all are welcome.

Summer Storytimes

Mondays @ 10:15: Peek-a-Book Babies (ages 0-2)
Tuesdays @ 10:15: Family Storytime (ages 2-5)
Thursdays @ 10:15: Family Storytime (ages 2-5)

Farmers' Market Storytimes

Time for storytime! Kennebunk Free Library will be returning to Kennebunk Farmers' Market on select Saturdays in July. Come visit our tent for a story! KFL will be at the market on the following dates from 9:30-11 a.m.:

- July 20
- July 27

See you at the market!

Speers Gallery

July Artist: Open Studio Painters

The Kennebunk Free Library announces its July 2019 exhibition, **"Open Studio Painters"**, the works of Mary Barrett, Ruthie Clark, Cheryl Dahn, Susan Gilbey, Norma Johnsen, Sara Ostrov and Ellen Pelletier. The public is invited to view the exhibit at 112 Main St., Kennebunk, Maine during regular library hours when the gallery is not in use for library programs.

Starting in 2015 this talented group of artists has met on Friday mornings at the First Parish Unitarian Universalist Church, Main St. Kennebunk. Since artists spend so much time working alone, the group values the opportunity to exchange ideas, offer support, and socialize. "The Kitchen Table Band" practices at the same time - perhaps the live music invigorates the paintings.

"Open Studio Painters" use varied media, but mostly work in pastels and watercolor. Mary Barrett uses pastels to depict people at work or play. Ruthie Clark is hooked on pastels and whenever her eye finds a "keeper moment" she seeks to catch the idea. Cheryl Dahn prefers pastel paintings of the sea and landscapes depicting color, light and texture. Susan Gilbey captures the world around her in watercolor. Norma Johnsen enjoys experimentation with line, form and color. Sara Ostrov uses pastels to represent the beauty of natural landscapes seen while hiking. Ellen Pelletier uses pastels and oils to capture the beauty of light and space in nature.

The public is invited to an artists' reception on Tuesday July 16 from 5:00 to 7:00 p.m.
Kennebunk Free Library is pleased to exhibit the work of "Open Studio Painters".

Blueberry Festival Book Sale - July 27

The Friends of the Kennebunk Free Library will have a book sale on Saturday, July 27 from 8:30 a.m. to 1 p.m. in conjunction with the First Parish UU's Blueberry Festival.

The sale will be held in Hank's Room and outside (weather permitting) and feature a variety of books at discounted prices. Come and support the Library and get some great deals on gently-used books, CDs, DVDs and audio books. We'll also be running a special for Adult Paperbacks and Adult Nonfiction at \$5.00/bag. Bring your bags!

Current Friends will each get a free book during sale hours only. There is also a Friends only pre-sale being held Friday, July 26 from 5:00-6:00 p.m. Membership forms for joining the Friends will be available.

A Message From the Friends

The Friends want to thank all who have sorted books over the past weeks. Due to the volume of book donations that have come in we ask that you hold further donations until after July 27. Please plan to volunteer and attend our July 26 Friends pre-sale and July 27 book sale during the Blueberry Festival!

We welcome our newest members and wish everyone a great summer!

Community Yard & Art Sale - Reserve Your Spaces Now!

Kennebunk Free Library is hosting a Community Yard and Art Sale on our lawn on Saturday, August 24 from 8:30-12:30. Shoppers will find an array of items from local artists and your neighbor's attic.

10'x10' spaces are available to rent for \$25 and 30"x72" folding tables are also available to rent for an additional \$10. You'll receive prime visibility on Main Street and free advertising - all for a low donation to benefit KFL.

New this year, KFL will feature art donated by patrons and local artists at the sale.

Applications and fees are due by Monday, August 19. [Applications](#) and [additional information](#) can be picked up at the library or found on our website.

New Books, Audio Books, & DVDs

A Message from the Library Director

It is Road Race time! Staff and volunteers have been meeting since January to make this fundraiser a success, and we hope you will be able to join in on the fun. Not a runner or walker? No worries! You can contribute by purchasing raffle tickets (now available) for just \$20 for 15 or \$2 each. You don't even need to be present the evening of the race to win. You can enjoy a meal provided by Federal Jack's Brew Pub for only \$6 on race day, July 12 starting around 6:30. Beer and wine are also available for purchase at \$5 each. You can also pick up the latest KFL swag including the 22nd Edition Road Race t-shirt. This year's featured color is dark red. All-in-all our goal is to raise approximately \$37,000. Thanks to our sponsors, participants, volunteers, and you, we can make this happen.

Thank you,
Michelle K. Conners, Director
