December 2022  
David Katz, Executive Board Vice Chair  
New Hampton

The Katz family moved to New Hampton in 2012 at the conclusion of Dave's 40+ year career with Bechtel Corporation, a global engineering and construction company. His work took him to projects and assignments in the US, UK, Canada, Egypt, and the Middle East countries. Involvement with the local community began when Dave became a lake education volunteer at the Squam Lakes Natural Science Center in Holderness. He then transitioned to Lake Cruise Coordinator and Tour Captain for the Science Center sponsored Squam Lakes Cruises. Municipal engagement began with membership on the New Hampton Planning Board. He became Chair of the Planning Board's Capital Improvements subcommittee and Chair of the Ordinance and Regulations subcommittee. He has twice been elected a Trustee of the Trust Funds and was recently appointed a member of the New Hampton Heritage Commission. Dave was named Commissioner to the Lakes Region Planning Commission in 2017, and was elected as Vice Chair of its Executive Board in 2020. Elected to the Canterbury Shaker Village Board of Trustees in January 2022, Dave serves on their Buildings Committee.
