Stephanie Maltais, Executive Board Member Alternate

Meredith

Stephanie was raised in Gilmanton, New Hampshire where she grew up enjoying all the Lakes Region has to offer. Some of her earliest memories involve skiing at Gunstock and exploring the backwoods. She attended the Thompson School of Applied Science at the University of New Hampshire. Stephanie moved to Meredith by Lake Winnisquam in 2013 with her husband and daughter. Together they savor the long warm summer days on the lake and can be found “chasing the sun”! She is a member of the Winnisquam Watershed Network, a non-profit organization of volunteers with a goal to protect Lake Winnisquam.

For the past 9 years Stephanie has worked for the Town of Meredith in the Community Development Department. Her eagerness to learn coupled with great mentors has provided her with a broad knowledge of planning concepts. Stephanie enjoys working with the development community and helping the public navigate permitting and land use approvals. She was appointed as a Commissioner to the Lakes Region Planning Commission in 2023 and elected to serve as an alternate on the Executive Board in 2024.
