

## Pemigewasset River Local Advisory Committee

**Date: Tuesday, September 27, 2016 Time: 7:00 PM**

**Location: Holderness Town Hall (upstairs)**

**1089 US Route 3, Holderness, NH**

AGENDA (9/21/16)

7:00-7:05

### Minutes

Review and approve minutes from August 30, 2016 meeting

7:05-8:15

### Northern Pass Transmission (NPT)

- NPT Apathy – The feeling exists that the public is apathetic about NPT, that it is a done deal. Member input. What can members do to raise interest level? Discussion.
- Review of “Technical Sessions” - full day sessions in Concord. Intervenor questions to NPT’s witnesses that provided permit application data and project justification. Review of session notes from Gretchen, Max, Barry.

Technical Session date and Topics:

- 9/6 - System Stability and Reliability
- 9/9 – Financial
- 9/12-14 – Construction Panel (6)
- 9/16 – Project Economics and Market Benefits
- 9/20 – 22 – Environmental Panel
- 9/30 – Aesthetics Panel (towers/visual issues)

Will try to have handouts at the meeting covering things of special interest.

8:15-8:20

### Northern Pass Transmission (continued)

- What’s next? The process for developing Pre-Trial written testimony due 11/15/16. VERY IMPORTANT ITEM ON PRLAC AGENDA. This testimony will form basis for “trial” at which witnesses on both sides answer questions before the Site Evaluation Committee (SEC). Discuss the development process.

8:20-8:50

### PRLAC organization options in 2017

- Funding
- Recruiting

8:50-

### Water quality testing

- Remainder of 2016
