- 7:00-7:05 Minutes
Review and approve minutes from March 2, 2015 (Quorum required)
- 7:05-7:25 PRLAC Water Testing Schedule – 2015
- Emphasize Spring/late Summer data – consider dropping a couple mid-summer dates?
 - Consider investing in new Turbidity meter.
 - Ted Walsh to get us a VRAP price.
 - Other concerns
- 7:25- 7:45 Northern Pass
- Follow up on “dialogue” request from Northern Pass/EverSource.
 - Thoughts on how we should respond (would require a quorum)
- 7:45-7:55 PRLAC Financials
- PRLAC expenditures Q1 (Q3 for LRPC). What is our account balance?
 - Plan to “invoice” towns for our requested funds in April.
- 7:55-9:00 Stormwater Strategy 2015 (assumes this remains a priority)
- Let’s outline how to proceed –
 - The case for action NOW. (Max to put something together)
 - Do we solicit ConsCom support before involving PB? Describe approach to ConsCom.
 - Towns will want individual “concessions” – BUT – shouldn’t we begin with what best meets the needs of the river?
- 9:00- Other
- NEAEB/DES Conference at Bartlett (Attitash – 3/18 – 3/20) - Max
 - Priorities (sent out with Agenda)
