8:00 - 8:50 Stormwater Management

Dan Paradis will walk us through Bristol's Site Plan Review process.

Discussion of where we could introduce changes to the process to improve the capture of stormwater runoff and reduce impact of development on water resources.

- Master Plan vision of this process
- How the process starts
- Laws that govern the scope of regulation
- If we build on existing regulations, what areas will remain “unprotected”?
- Advantages/disadvantages of changing regulations vs. proposing new ordinance
- Professional assistance? Options?

8:00 - 8:50 Other

Shoreland Permit for expanded parking on Avery St in Holderness
