ADULT PROGRAMMING AT THE LITTLE FALLS PUBLIC LIBRARY

DECODING THE MYSTERY OF CATS

TUESDAY, SEPTEMBER 14TH @ 7PM

Feline Behaviorist Stephen Quandt presents a feline behavior webinar for the public that explains cat behavior from the perspective of the evolutionary and adaptive forces that help shape their lives. Then he will host a Q&A geared towards guests who want behavior advice. Stephen Quandt is a feline behaviorist and animal welfare professional with the Animal Care Centers of NYC, Nycacc.org.

GEORGE WASHINGTON AT DEY MANSION

THURSDAY, SEPTEMBER 16TH @ 7PM

Join us for this virtual program about the historic Dey Mansion! The American Revolution was experienced by a wide range of individuals who fought for and against American independence. Learn about the conditions these people lived with during Washington's three months stay at Dey Mansion during 1780, arguably the most pivotal year of the American Revolution.

No registration is required! Zoom Link for this program: <https://bit.ly/3zolADy>

THE BEE'S KNEES

TUESDAY, SEPTEMBER 21ST @ 7PM

Join us for this in-person event, hosted by the Somerset County Park Commission Environmental Education Center! This living animal is one of nature's most important players. Pollination is important for all living things, and bees have made an art of it. Without them, the species we know as Homo sapiens is in big trouble. Join us as we discuss all things that are bee and not to bee. **No registration required.**

STARTING A BUSINESS IN NEW JERSEY

TUESDAY, SEPTEMBER 28TH @ 1PM

Starting a business can be complicated, especially right now. Let our friends at WCEC Women's Business Center help! In this virtual session led by Bertha Robinson of Star One Professional Services, the following topics will be covered: General considerations, Writing a business plan, Financial forecasting, Funding, Registering your business, Legal entities, and Additional Resources.

Register by following this link: <https://bit.ly/3s9ZK46>. You will be sent a Zoom link the day of the program, and an hour before the program start as well.

UP AND COMING...

OCTOBER BOOK CLUB

TUESDAY, OCTOBER 5TH @ 7PM

Join us as we discuss Henry James' *The Turn of the Screw*. Limited copies of this book are available at the Little Falls Public Library. Weather permitting, this program will be held outdoors at the library! We will move the discussion indoors if the weather does not accommodate an outdoor meeting.

BACKYARD BIRDS

THURSDAY, OCTOBER 28TH @ 7PM

Join us for this in-person event, hosted by the Somerset County Park Commission Environmental Education Center! Ever wonder about the birds in your backyard? This lecture will help you get acquainted with many of New Jersey's common backyard birds. Join a Naturalist and spend some time learning the fundamentals of backyard bird watching. You will learn basic identification skills, what to feed backyard birds, as well as when and where to place feeders in your yard.

LIBRARY OF THINGS

ALL ITEMS LISTED CAN BE CHECKED OUT FOR A TWO WEEK PERIOD.

BAKING PANS

Baking for a special occasion?

Check out our collection of cake pans. We are currently offering: Baby buggy, Teddy bear, Pony/Unicorn, #1, Tinkerbell, and Dinosaur pans.

LITTLEBITS

What are littleBits? They are programmed magnetic building blocks that allow you to design your own electronics. The kits make learning about circuitry and electronics fun and imaginable for kids.

SNAP CIRCUIT KITS

A fun, fast and easy way to build and learn about electronics for tech loving kids. Comes with project books to get children started.
