PASSAIC VALLEY HIGH SCHOOL LITTLE FALLS, NEW JERSEY

DEDICATION

NORMAN GATHANY

WE, the Class of '42, who have long perused the history of warfare and sacrifices made to perpetuate our kind of democracy; we who have tried to live democratically in our school; we who believe the principles for which our government stands worth the privations which times like these bring forth—do dedicate this book to those members of our faculty who have been, or soon will be, summoned to answer our country's need.

WALTER GOLZ

GEORGE CHRISTENSEN

THE PRINCIPAL

FREDERICK M. RAUBINGER is a man who believes wholeheartedly in democracy and encourages the practice of democratic living; a man whose counsel is given with understanding and taken with deference; a man who, in two years, has endeared himself to us seniors as a person of friendly advice and a sympathetic nature.

FREDERICK M.
RAUBINGER

SENIOR CLASS ADVISERS

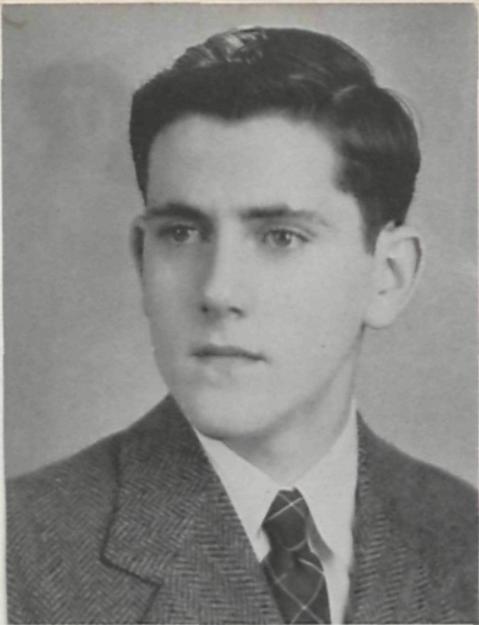

A VOTE of thanks goes to Miss Ellen Tunis and Miss Helen Merselis, who have devoted much time and effort toward advising and helping the seniors, both as a class and as individuals. We thank them heartily, as we cherish the memory of their cooperative and fun-loving spirit which helped make our senior activities successful.

FOOTBALL

THE Passaic Valley High School football squad closed a successful season on the gridiron with four wins, three losses and one tie.

The Hornets opened the season against Caldwell and took a 6 to 0 decision. The second contest pitted the Valley Hornets against the Hawthorne Bears. Again the Green and White triumphed 12 to 6. The next game marked the Hornets' first defeat when a strong Summit team topped Valley 20 to 0. The following week Valley triumphed over Ramsey in a hard fought battle. Pompton Lakes was the next opponent to face the Green and White. On a rain drenched and muddy gridiron the Hornets and Cardinals battled to a scoreless tie. The following Saturday the Hornets completely overwhelmed Park-Ridge by a score of 26 to 6. In the two final games of the season Valley lost by close scores. Traveling to Sayreville, the Hornets were defeated 6 to 0, and on Thanksgiving day, they traveled to Morristown where they were beaten by a score of 7 to 6.

Leading scorer and captain of the Valley eleven was Warren Blauvelt who scored 25 points. The rest of the scoring was as follows: Jack Masklee—12 points, Jack Orr—8 points, Walter Harper—6 points, and Warren Stewart—6 points.

Senior lettermen on the squad were John Besso, George Farr, Roger Fox, Charles Danielian, Michael Fronzuto, Cameron Buchanan, Alex Roberto, Robert Young, William MacKenzie, Warren Blauvelt, Edwin Moen, and Warren Stewart.

WAPPA H. STINA

THE GOOD OLD DAYS

Second Edition of VALLEY VARIETIES

THE entire school seethed with activity and excitement during the production of the annual Valley Varieties show. Miss Barrett acted as chairman of a student and faculty committee which planned the affair.

The theme, "The Good Old Days," was appropriately followed in the auditorium, where a show of the Gay Nineties was held. The costumes, songs, and scenery used were all typical of the time. Homerooms were converted into small movie houses, game rooms, and food shops, while the gym was transformed into a "Roseland" Ballroom.

**RING
COMMITTEE**

**WAYS AND MEANS
COMMITTEE**

**COMMENCEMENT
COMMITTEE**

**SOCIAL
COMMITTEE**

**PUBLICITY
COMMITTEE**

HONOR SOCIETY

DURING the year, members of the Honor Society have contributed more to national defense than any other group in the school, their greatest accomplishment being the sale of Defense Stamps from December to June. They also helped plan the visit of the principals in December and acted as guides for the occasion. Their faculty adviser was Mr. Schneider.

STUDENT GOVERNMENT ASSOCIATION

ONE of the most important student organizations is the Student Government Association, whose purpose it is to formulate the rules and regulations which govern our school.

There were thirty-six members on the council this year, including a representative from each homeroom, Carmen Gaita, Junior Police captain, and Marjorie Sullivan, president of the Hall Monitors.

With Miss Merselis as their adviser, the council has made several improvements important to the organization and administration of school affairs. In addition to these achievements, the S. G. A. sponsored a skating party and a dance.

ASSEMBLY COMMITTEE

UNDER the advisorship of Miss Clutton this group of volunteer students has participated in assembly programs by taking charge of opening exercises and by trying to find the type of program which the rest of the school would enjoy. One of the problems of the group has been an attempt to devise a better system for passing into assembly. The committee has also made arrangements for several programs during the '42-'43 school year.

PLAY-READING COMMITTEE

VALLEY ECHO

AFTER spending several weeks learning how to write news stories, feature stories, editorials, and columns, the members of the **Valley Echo** staff, seniors in Miss Tunis' third period English class, published P. V.'s first printed newspaper. Because of the high cost of printing and the difficulty in obtaining enough advertisements to make the paper a financial success, the five cent edition had to be discontinued. As a result of a student poll, staff members decided to increase the price to ten cents so that a paper could be published every two weeks.

COMMERCIAL SERVICE CORPS

FROM the beginning of the school term in September to the end of the term in June, the Commercial Service Corps has been busy duplicating, mimeographing, typing, and doing various types of work for every department in the school, as well as for the office. Mr. Schneider was adviser for this indispensable school organization.

PROCTORS

THROUGHOUT the year, the proctors have assisted study hall teachers by taking attendance and by helping to maintain the proper study hall atmosphere. These proctors met periodically with their adviser, Mr. Ferraro, and with their chairman, Adra Tiessen. It was through the help of the proctors that study hall conduct has improved.

G. A. A. COUNCIL

THE sport programs, the mass meetings, the various trips, the Annual Girls' Show, the Annual Camping trip; and most of the business of the G. A. A. is planned by and is in charge of the G. A. A. Council, which includes the officers, the two team chiefs, and the managers of the various sports clubs.

HALL MONITORS

THE Hall Monitors Association, formed last year in an attempt to improve the conduct of students in the halls, has done an excellent job in attaining their goal. Meeting every other week under Miss Weiss' direction, the members had many varied duties, some of which were: to keep traffic moving, to prevent loitering, to minimize confusion, to keep silence, and to check on hall passes.

JUNIOR POLICE

"SAFETY FIRST," the motto of the Junior Police, is an appropriate one for this organization. In all kinds of weather, these boys are out insuring safety for our students. In addition to this, the J. P.'s have adequately policed various school affairs. This group, headed by Mr. Webber and Carmen Gaita, has performed its duties efficiently and willingly.

CHEERLEADERS

OUR football and basketball teams have been cheered on to victory this year by the cheerleading squad which consisted of 12 members. At several pep assemblies held throughout the year, they introduced the songs and cheers, most of which were of original composition. They have abided by their own rules and regulations which were formulated with the aid of Miss Steinhauer, their adviser.

Joe Temple and Elmer Kassner, the jugglers, have displayed their skill and ability with the clubs at the football and basketball games.

MAJORETTES

AFTER completing a course in twirling with Mr. William Wright as their instructor, the Twirlers gave several excellent performances in the assembly, the Valley Varieties Show, the Girls' Show, and at two basketball games. Kathleen Falco, this year's majorette, and some of the other girls have been outfitted this year, while the rest of the group will be uniformed next fall. Miss Budde has acted as the club's adviser.

THE LEADERETTES

THE 45 gym class squad leaders, called the Leaderettes, have taken a hike and several other trips during the year. During every gym period each Leaderette's job was checking the attendance of the girls on her squad.

GIRLS' BASKETBALL

AMONG the schools that held playdays here with four teams of our stars were Clifton, Eastside, Rutherford, Caldwell, and Central. Out of 60 girls who participated in afterschool basketball, two teams were chosen by Joel Hutchinson, manager of the club, to attend a playday held at Ridgewood.

GIRLS' BOWLING

EVERY Monday the Little Falls Bowling Alleys were the scene of many strikes, spares, and splits made by about 40 girls. These girls, under the supervision of Mr. and Mrs. De Hooze, were divided into several teams whose scores made throughout the entire year were tabulated by Margie Sullivan, manager.

GIRLS' HOCKEY

PLAYDAYS held at Caldwell and Hackensack last fall were attended by two hockey teams chosen from a group of 50 girls by Jeanne McCann, manager of the club.

GIRLS' SWIMMING CLUB

BEGINNERS and advanced courses at the Hackensack Y. W. C. A. were held every Thursday for the 26 members of the Swimming Club. Adra Tiesen was manager and the group was accompanied by Miss Steinhauer, Miss Shaw, Miss Sykes, and Miss Kort.

RIDING CLUB

SPILLS and runaway horses were among the trying experiences encountered this year at the Silver Circle Dude Ranch by Miss Merselis, adviser, Dot Himschoot, manager, and about 15 girls.

NATURE CLUB

WEDNESDAY activities period was the regular meeting time of the Nature Club, under Miss Van Auken's supervision. As a means to attain their goal of learning about and fostering an interest in nature, the club members have had field trips, lectures, and picture studies; the club also joined the Junior Audubon Club.

LIBRARY CLUB

THE Library Club consisted of twelve members who, under the direction of Miss Miller, have reviewed a few books and have acted as library aides by stamping books, pasting pockets in them, and sometimes taking charge of the incoming and outgoing material in the library. A campaign to collect educational and wholesome books for the men in service was undertaken this year by the club.

COMMERCIAL CLUB

MEETING twice a month on Thursdays, with Miss Holub, their adviser, the members of the Commercial Club have accomplished their main objective—to produce a business atmosphere and business background in order to create interest in the daily classes. The club has served as a guidance agency, also, for throughout the year various speakers from business houses gave lectures on job requirements.

HOME ECONOMICS CLUB

SEWING for the Red Cross has been one of the major functions of the newly-formed Home Economics Club. Along with this contribution to national defense, the members, who met every two weeks under Miss Helen Norton's supervision, studied millinery and cosmetics; they also had several parties and a cake sale.

GLEE CLUB

ONE of the hardest working organizations in the school, the Glee Club, consists of three different choirs: the Advanced Choir, the Girls' Glee Club, and the Freshman-Sophomore Choir—all under the direction of Mr. Walter Golz. The Advanced Choir has 65 members, the Girls' Glee Club 30 members, and the Freshmen-Sophomore Choir 30 to 40 members. The annual Christmas and Spring concerts were the two main events sponsored this year by the combined choirs.

THE ORCHESTRA

WITH Mr. Shaefer as chairman and adviser and a membership of ten members and two vocalists, the orchestra has had a successful year. The boys have made attractive green and white music racks and have a library of eighty selections to date. In the course of the year they have played during two lunch periods, at the Junior Police Dance, and at the senior play.

THE BAND

SINCE its organization by Mr. Schaefer in November, the band has come a long way. On March 22 the group gave a very successful concert before a committee which was to decide on the purchasing of uniforms for the members. They have played at several assembly programs and at the annual Spring Concert held on May 29.

FRENCH CLUB

THE aim of the French Club has been to further the appreciation of French art and art in general. At their monthly meetings, the members gave talks on various French artists, dancers, painters, and musicians. Members of the Club went to see the Ballet Russe de Monte Carlo in the fall, and this spring a few members went to see Argentinita, the world-famous Spanish dancer. Miss Jean MacCarty acts as faculty adviser for the group.

FORUM CLUB

WITH the two-fold purpose of discussing and debating topics of economic, social, and political interests, and promoting a fair-minded attitude, the Forum Club, under the able leadership of Mr. Ferraro, launched a successful first-year program. As a contribution to the war effort, the club has sponsored several stimulating forums in the assembly.

SPANISH CLUB

"LA TERTULIA" met twice a month with President Ralph Robinson conducting the meetings, assisted by Mr. Soda, the club's adviser. The purpose of the club has been to bring about a better understanding between the United States and our neighbors of South America. Two of the important activities sponsored by the Spanish Club this year have been a Barn Dance and a trip to Macy's to see the Latin American exhibit.

ITALIAN CLUB

THE Italian Club met twice a month on Fridays with Mr. Soda as adviser. Its purpose was to get a better relationship between the students and their parents. The club held a dinner which was attended by the students, parents and faculty.

LATIN CLUB

THE twenty-seven members of the Latin Club actively participated in the main event of the year, the annual Roman Banquet, held on November 13. Accompanied by their adviser, Miss Rucki, club members also went to New York, where they visited the Metropolitan Museum and saw "It Happens on Ice."

GERMAN CLUB

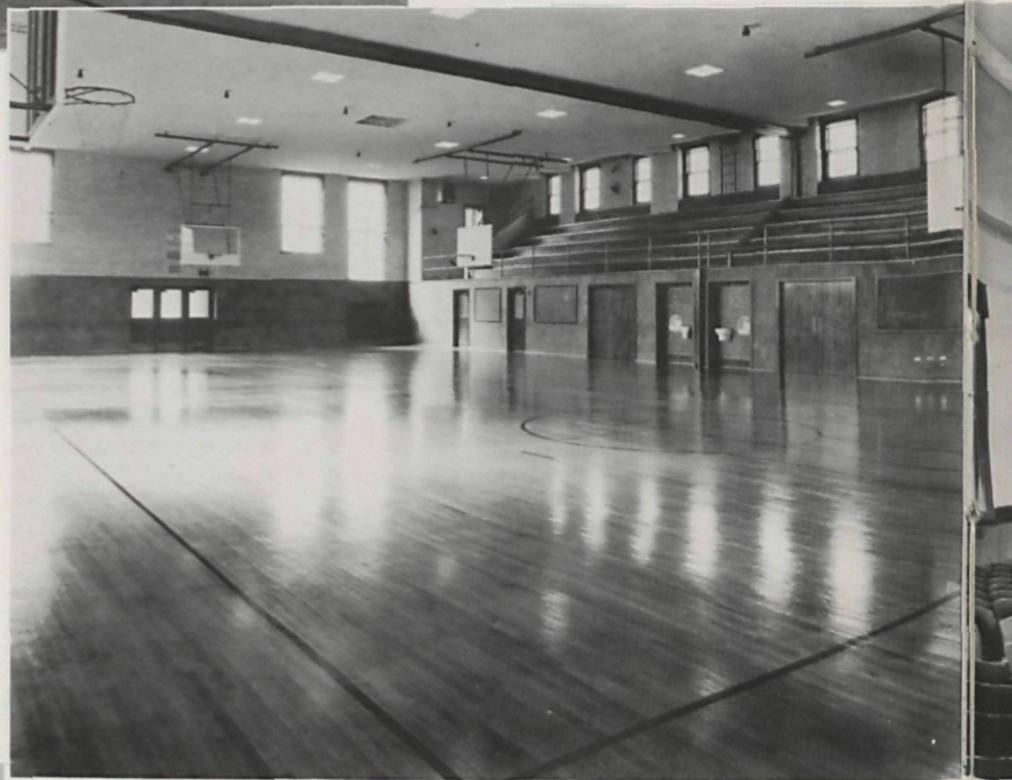

DANCING, waltzing and refreshments were enjoyed after the German Club meetings, which were held every other Thursday. Accompanied by Miss Weiss, their adviser, the members made two trips to New York, at which time they saw a German movie and a ballet.

MODERN DANCE

THE original composition, entitled "Til Reveille," performed in black sateen costumes by the 35 girls of the Modern Dance group, was the highlight of the Girls' Show. This group, managed by Barbara Carrigan, well deserves its title of "surprise of the year."

DRAMATIC CLUB

THE comedy play, "Search Me," was the main accomplishment of the Dramatic Club this year. The purpose of this club was to provide opportunities in the field of dramatics for the members who met every second Wednesday with Miss Clutton, their adviser.

MOVIE OPERATORS

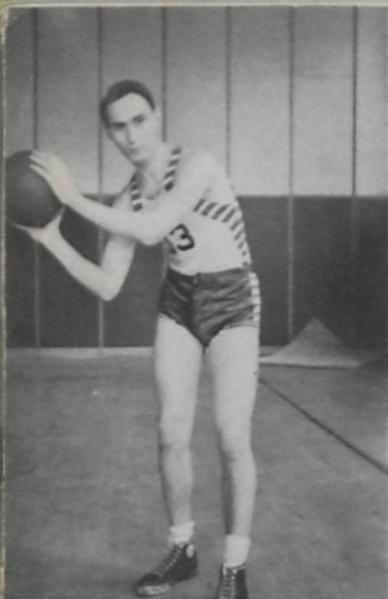

ORGANIZED under Mr. Ferraro for the purpose of taking care of the visual and auditory equipment of the school, the Movie Operators have shown many educational films to individual classes and to the school as a whole. The group met once a month with Mr. Ferraro and the three co-directors—Charles Lami, James Grimshaw, and Paul Hladych.

STAGE CREW

THE Stage Crew is another group which is essential to the school. Consisting of ten members, under the direction of Mr. Love and Mr. Beers, the crew has done much to help put on various shows. Their two biggest projects were the scenery for Valley Varieties and the Christmas concert. They have also built six unit boxes which were used not only for these two productions, but also for other school performances.

BASKETBALL

THE 1941-42 basketball season proved very successful for the Passaic Valley team with the Green Hornets winning 17 games in 22 starts. They posted double wins over Eastern Academy, Ramsey, College High, Paterson Central, North Arlington and three wins against Pompton Lakes. The Hornets entered the State Tournament and defeated Pompton Lakes by a score of 28 to 10 in the first round, but they were defeated in the second round by Weehawken 54 to 42. Only one team, Hawthorne, beat Valley twice during the season. Hawthorne won the first game by a score of 26 to 25 and the second game 25 to 21.

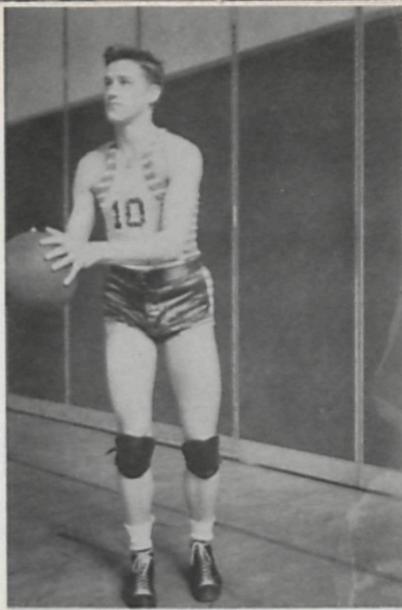

The Green Hornets scored a total of 780 points in 22 games against only 523 for their opponents. This was an average of about 35 points per game as compared to an average of 23 points for the opponents. The Hornets reached their peak against Union when they scored 59 points.

The leading scorers were the "Big Three", namely, Frank Haring, Bill Norman and Donald Schink. Haring was high with 266 points, Norman had 139 and Don Schink had 155. Six of the players are seniors.
