THE 1943 VALLEY GREEN PASSAIC VALLEY HIGH SCHOOL LITTLE FALLS NEW JERSEY
WE, the Senior Class of 1943, wish to dedicate the Valley Green to the many boys who have left Passaic Valley in order to join the armed forces. Long after our graduation, we will remember how we felt both pride and regret at the departure of these students; pride because of the honorable thing which they have set out to do, and regret because they have found it necessary to depart from their normal peace time lives and friends. Because of the sacrifices which they are making, we feel it a privilege to dedicate our book to this valiant group.
Mr. Edward T. Schneider has done his work conscientiously and efficiently, and has won the friendship not only of the Senior Class, but the entire student body. His efficiency, capability, and friendliness well deserve the vote of thanks which the seniors hereby offer him on behalf of the entire school.

Mr. Raubinger has put forth all possible effort to help make Passaic Valley one of the best high schools in New Jersey and help the students organize a democratic form of school government. His efforts have been very successful and are greatly appreciated by the entire student body. He has been helpful to us seniors as well as to the entire school, and we hereby express our sincere gratitude and thanks.

We thank our advisers, Miss Ellen Tunis and Miss Helen Merselis, for their sincere interest in our class activities. Because of this interest they have helped to make our senior year a complete success. We shall always remember them for their patience and understanding.

Florence Turnbull  
I shun no toil. "Floolie" spends most of her spare time dancing, swimming, and playing the piano. She was an active member of the Forum Club, Band, Glee Club, French Club, and president of the Latin Club for one year. She was also a member of the Valley Echo staff and the Honor Society during her senior year.

Kathryn Turnbull  
People are my hobby. One reason why "Kathie" wants to be a teacher is because she likes to work with people. She enjoys reading good books and poetry, collecting pictures, writing letters, and visiting friends. The Hall Monitors, French Club, Band, Red Cross, Forum Club, and Library Aids were some of her activities.

Janeta Vander Plaats  
A girl of nonchalance. Automobile riding, walking, and taking care of her niece are "Nettie’s" favorite pastimes. She was active in the Commercial Club, Forum Club, and Commercial Service Corps. Her ambition is to get a good job and to be happy.
Joseph Varcardipone
The unspoken word never does harm. 
Reading, fishing and archery are "Joe's" hobbies. His likes are ice-cream sundaes and good-natured people. His ambition is to join the Navy. He was a Library Aid.

Frances Verrengia
A disposition only surpassed by her typing ability. "Fran," who wishes to become a good secretary, likes to work in an office, read books, and go to the movies. She has been active in the Commercial Club and basketball team. One day she hopes to become an efficient secretary. She spends her leisure time reading books. She dislikes conceited people and homework.

Florence Vogel
Books are the best of friends. Florence's favorite pastimes are roller skating, reading, and writing letters. She was an active member of the Commercial Club and basketball team. One day she hopes to become an efficient secretary. She spends her leisure time reading books. She dislikes conceited people and homework.

Florence Weinstein
It shocks me to think how much mischief I do. Eating is Flo's favorite pastime, while her ambition is to be a good secretary. Her hobbies include dancing, ice skating, and swimming. She has been a member of the Commercial Club in P. V.

Alvin Werkeiser
With rhythm in his every muscle. Alvin's ambition is to lead his own orchestra. His activities included the Band, Orchestra, and Boys' Glee Club. His favorite pastimes are bowling and horseback riding. He likes to fish and hunt.

Cecil Wickham
A fellow with friends for his middle name. Listening to Tommy Dorsey occupies most of "Wick's" spare time. Among his many likes are lunch and sleeping. He heartily dislikes pigtails. During his four years in school, he has devoted time to the Spanish Club, Bowling Club, Social Committee, and Cap and Gown Committee.

Jean Wishart
Dainty and small, with a smile for all. "Shorty" was the president of the Sketching Club the first year it was organized, and has been an active member ever since. She was an usher during her senior year and a member of several senior committees. Drawing and dancing are among her hobbies, and she plans to be either a blue-print tracer or secretary.

Evelyn Wirths
She rates on skates. Ice and roller skating are "Ev's" favorite pastimes. She likes to write letters and enjoys all sports, New York City, and a good orchestra. She was a member of the German Club, and Commercial Club. Her ambition is to become a nurse. She dislikes pessimists and people who brag.

THE 1942 season marked the most successful year the Hornets of Valley have yet enjoyed. They captured six games out of an eight-game schedule to be recognized as the top team in their section.

Two early defeats at the hands of Caldwell and Hawthorne, both by a 7-0 count, marred the beginning of the season. Valley can console itself with the thought that it had the better of the play at the Caldwell game, but the boys simply could not push the ball over that last white line.

The Hawthorne game was the one game in the entire schedule in which Valley took a real pushing around. Valley's fighting sons could not get started, and Hawthorne had little trouble all afternoon. However, after this game, our boys were the complete masters of every game in which they participated.

The Hornets gave indications of their power by rolling up a 25-6 score at Bergenfield for their first win of the year and by following up that victory with a 13-7 decision with a stubborn Ramsey eleven the following week. They showed their determination to win in this game by coming from behind in the fourth quarter after trailing 7-6 in the third.

Just to show that the victories were not just luck, they came through with another 13-7 win over a big Franklin team. It was the roughest game of the year, and Valley acquitted itself nobly.

The next game was more or less a breather, as the boys disposed of a weak Park Ridge team, 20-0. It was really a warm-up for the game of the season with Pompton. Pompton was having one of its many good years with its eyes set on the Group II championship. A victory over Valley would give it to them.

The day the game was played was one of the coldest of the year with harsh blasts of icy wind sweeping the flat playing field. From the opening minutes of play, Valley took command. Paced by the superb playing of Jack Orr and the powerhouse driving of Jack Masklee, the Hornets gained a 6-0 victory over their most formidable rival. The 25-6 triumph over Ridgewood the following game came as an anti-climax to a really fine season. Passaic Valley finished with a winning streak of six straight games and had only four touchdowns all year scored against the team. Valley could indeed afford to throw forth its chest.

There are many things that could be said about the Hornets. Much could be written about their wonderful fighting spirit that was evident in every game; the fine work of Joltin' Jack Masklee, who earned many post-season honors; of the fine coaching of Coach Ray Normile. However, we are content to let the record speak for itself. It reveals the many tributes that can be paid to this fighting, surging team that represented Passaic Valley so well.
STUDENT GOVERNMENT ASSOCIATION

One of the most important organizations in school is the S. G. A. This year it adopted a new system by which it was made possible for the representatives to be chosen from the English and P. A. D. classes instead of the homerooms. One day a week was set aside for discussion in these classes. This improvement helped greatly to foster increased interest in the government of our school.

New Courses Added To Valley's Schedule

Passaic Valley High School has added several new courses to its schedule, including courses in journalism and dramatics. These courses have been added to provide students with a more well-rounded education.

The Band

It was a big step in the progress of Passaic Valley when the band marched in the Christmas parade. The members of the band, dressed in their green and white uniforms, marched proudly and proudly. Albert Han, drum major, and the twirlers, continue to go forward.
September:
On the fourth, we trudged nearly back to PV, to one last year of struggle and greet the freshmen who had already arrived.

October:
We played our first game today at Caldwell. Valley's new band made its debut at our first home game and after beating Franklin, the band marched through town.

November:
It looked as if our team was "red hot" for we played and won two games, one of which was Pompton. The second and third strings showed up Park Ridge while the invincible 11 beat Pompton.

December:
The boys received their well-earned awards at a football banquet. The Christmas season was ushered in by the usual holiday spirit. This year, however, we also presented the lighter side of the holiday.

January:
In January 4th we reluctantly returned to Valley High to resume our studies. We played our first basketball game with Bogota.
February: Lincoln's Birthday was celebrated early with a lecture by Professor Hatch from Montclair P.V.'s quintet rocked high over Pompton on the 26th.
Final score: 38-30

March: There was a lot of fun flying around the quiet halls of P.V. when someone suggested that Valley Varieties be held in the afternoon. The idea was retired and Varieties was held as usual in the evening.

April: Valley Varieties lived up to the traditional style. The auditorium show provided keen entertainment as Mr. Hull, a fellow musician, makes the halls sing with music.

May: The future Katharine Cornell and Raymond Massey of P.V. presented the senior play, "Thad Train," a mystery comedy, and the "gals" were glamorous for the Prom.

June: Mixed emotions prevailed today as the seniors bid farewell to P.V. The students left school with pleasant memories of by gone years.
The 1942-1943 Passaic Valley basketball team, true to Valley tradition, was a winning team. Playing a sixteen game schedule, Valley closed the season with a total of nine wins and seven losses. Opening the season at home against Eastern Academy, the boys had a bad night, for the Dutch lads won a decisive victory, 31-29.

The Hornets trekked to Caldwell, January fifth, and walked home with a victory. It was a thrilling game with Valley coming from behind to win, 35-33.

The P. V. quintet had its turn of bad luck. It lost to Bogota, 31-23. The boys also bowed to Pompton, 24-23. This game was a thriller, and Haegler’s prayer shot in the last eight seconds of play won for Pompton. Then at a return match with Caldwell, the cards were stacked against them as they lost a 31-28 contest.

The following games proved to be in their favor. Butler invaded our court only to receive a crushing 51-26 defeat. Ramsey played here, and the Valley boys laid it on heavy, winning 43-25. Next the boys took on Central and in one of the closest, best played games the P. V. fans have witnessed in the school’s career, the Hornets came out of the fray with a 42-33 win. Valley met their fiercest basketball rivals on February 2, Hawthorne, and for the first time in three years the Hornets dumped them in a thrilling contest, 24-22.

February fifth found the boys on the road again, as they traveled to Ramsey to beat the Bergen boys once again, 44-35. Still traveling, the boys found themselves on their way to Bogota to play off the series with the strong Bogota quintet. They ousted Valley, 45-44, in a heart breaker.

Paterson was the scene for Valley’s next workout. Taking on Central’s squad again, but playing without the services of “Daddy” Vanderberg and Coach Ray Normile, the Hornets went down to defeat, 40-38. But the game with Eastside was a different story. The Park Avenue school did not have the team to stop the P. V. squad, and they were defeated, 34-33.

Hawthorne took the Hornets into camp, 30-25; but the boys came back to triumph over Pompton, 38-30.

On March second, Valley went up to Butler for the last game of their regular season. The P. V. Squad doubled the Butler score and crushed the Morris county quintet, 42-21. “Wedge” Norman swished 22 points through the nets to cop the high individual scoring crown of the Suburban Conference. Also the win threw Passaic Valley into a first place tie with Hawthorne; however, the tie was never played off.

Now that the regular season was completed, the Hornets took up the task of competing in the State Tournament.

Their first tournament game was with Bogota at Rutherford, and they shellacked them, 41-27 to move into the final of the North Jersey Championship.

The next game was played with Weehawken, at Weehawken, and this proved to be Valley’s last game of the year. Thoroughly outmanned and outplayed, the boys went down to defeat, 60-35.

Bill “Wedge” Norman and John “Daddy” Vanderberg were high scorers of the year with 198 and 197 points. Orr followed with 130, and Tummino and Balkin rounded out the varsity with 52 and 18 points.
