PASSAIC VALLEY HIGH SCHOOL LITTLE FALLS, NEW JERSEY

PRINCIPAL AND VICE-PRINCIPAL

Frederick M. Raubinger
PRINCIPAL

Edward T. Schneider
VICE-PRINCIPAL

WE seniors are grateful to Mr. Raubinger and Mr. Schneider for all the kind help they have given us during our four years in P. V. Whenever we have had problems or grievances about our work, we have been sure of a fair hearing and settlement of these problems.

Although they are probably aware of our gratitude, we would like to thank Mr. Schneider and Mr. Raubinger for their understanding help.

SENIOR CLASS ADVISERS

HONOR SOCIETY

If you want to become a member of the Honor Society, take a tip from the seniors, work hard to attain high scholastic grades and participate in extra-curricular activities, but don't be long-haired book-worms. Membership in the society is granted at the end of the junior and senior years. This year the society became a very active group under the supervision of Miss O'Brien. It met weekly to make plans for trips and to work on a scrapbook of its activities.

STUDENT GOVERNMENT ASSOCIATION

"GOVERNMENT of, for, and by the students"—that is the motto of the Student Government Association. It is the only school organization to which the entire student body belongs. The students are represented by at least two members from each English class. These people meet every week during the activity period, under the direction of Mr. Gatti, and try to solve the problems that arise. The S. G. A. gives us a chance to voice our opinions and to manage our school affairs. For us, as future citizens, it provides an opportunity to see democracy in action. This year, with John Kosachook as president, it sponsored many activities, among which were the Clothing Drive, the Sick Fund, and the adoption of a French war orphan.

Marge De Young, Joanne Vander May, Terry Dowling, Rita Ludwig, Jean Wilkins, Bee Jay Ludlum, Marilyn Fullard, Grace DeCeglie, Claire Hutchinson, Gloria Marconi, Madeline Mues, Jane Harriott, Helen Baldwin, Florence Wernli.

GIRLS' ATHLETIC ASSOCIATION

TODAY'S high school girl is a very versatile person, interested in sports as well as other activities. To give every girl in the school the opportunity to participate in after school athletics, the Girls' Athletic Association was organized.

A council, consisting of the officers of the association, the managers of the clubs and the chiefs of the Green and White teams, is the governing body for all the athletics. The council takes care of the business of the association.

The G. A. A. sponsors all sports clubs, and is largely responsible for the Green and White Sport Show and the Camping Trip.

MISS SWITHENBANK

Helen Baldwin, Francis Nuzzo, Rosemarie Johannes, Adeline Johannes, Miss Swithenbank, Joanne Vander May, Audrey Shire, Audrey Garlick, Bee Jay Ludlum, Betty Jean Slater, Pat Tissot, Beverly Case, Isabelle Baker, Jessie Danielian.

RIDING CLUB

ON a Friday afternoon you can usually see the girls of Passaic Valley riding through the very picturesque trails on the Orange Reservation. They are there as members of the Riding Club, under the direction of Miss Swithenbank. Any girl who is interested in riding is cordially invited to join the club, as the club's aim is to show the girls what real enjoyment they can derive from this sport. The members have been very fortunate this year, for they have been able to ride at the Montclair Riding Academy.

LEADERETTES

"SHOWER today?" We'll never forget the girls who scouted daily for each and every one of us to ask us this unforgettable phrase. Without the aid of this group, the activities in the gym would not run smoothly. There are many "jobs" for this organization such as checking squad groups, attendance, uniforms and showers. The captains of the class assume such responsible tasks as supervising the girls in cases of emergency and aiding the teacher to conduct the class. The Leaderettes meet regularly to plan socials, such as skating parties, and to discuss the activities of all the gym classes.

ARCHERY CLUB

ON a warm spring or autumn afternoon, our female "Robin Hoods" can usually be found on the lawn in front of P. V., either picking arrows from the bull's eye or hunting for them on the ground.

Calls of "shoot" and "fast" are familiar sounds during the archery tournaments, which are held to give the members of the club a chance to compete for archery awards.

Many of the girls have become skillful archers as a result of the excellent supervision of Miss Welliver, their adviser.

Left to Right: Marion Crews, Anne McLaughlin, Margaret Wogan, Jesse Danielian, Paula Milovich, Gertrude Eckert, Marilyn Fullard, Joan Dittig, Elaine Hackes, Doris Allyn, Palma McLaughlin, Florence Bogert, Joan Henshall, Miss Welliver.

CHEERLEADERS

WITH the rousing cheer—"TEAM, TEAM, TEAM"—our peppy cheerleaders start off the games. Under the direction of Miss Steinhauer, they taught cheers to the student body at pep-rallies and aided in building up school spirit. Full of vim, vigor, and vitality, they have never missed a game, and they have cheered enthusiastically whether winning or losing. "Let's have some noise!" Remember?

Left to Right: Jane Harriott, Margie Niethammer, Floss Wernli, Lois Goldey, Gloria Marconi, Joan Hull, Pat Pikaart, Nancy Johnston, Grace De Ceglie.

MODERN DANCE CLUB

ON a Thursday afternoon in the gym you can usually find these girls, attired in flowing black gowns, rehearsing their dance steps. Under the capable direction of Miss Steinhauer and Miss Rudin, the girls have danced for the Little Falls Woman's Club and at Clifford Scott High School. The Club gives the members an opportunity for self-expression by encouraging them to create their own steps. The highlight of the year was the presentation of an original composition at the Girls' Show.

GIRLS' BOWLING

EVERY Monday, at the local alleys, the pinboys were kept very busy with "strikes" and "spares". Yes, the Girls' Bowling Club was there. With Miss Cuffe and Miss O'Brien as their advisers, the girls have learned to bowl very well. This year, the girls bowled against the Boys' Bowling Club, and in Green versus White, and interclass tournaments.

MISS O'BRIEN

MISS CUFFE

MISS STEINHAUER

MISS WELLIVER

BASKETBALL CLUB

THE girls began the basketball season in December with Tuesdays and Thursdays as their workout days. With Claire Hutchinson as manager the team was lead through a very eventful season. They enjoyed play days, interclass tournaments, and the exciting Green and White competition in the Girls' Show.

With cooperation and good sportsmanship as their key words, the girls of the Basketball Club have launched a very successful year.

HOCKEY

WHEN you see the girls dashing out to the field with hockey sticks and other equipment in their hands, you know that the hockey season is in full swing. The club, under the leadership of Helen Baldwin, has had a very successful season. The seniors tied with the juniors in the interclass competition, while the Whites were victorious in the Green vs. White Tournament.

MISS BUDE

TWIRLERS

THIS year, as in the past few years, the Twirlers were under the direction of Miss Budde. Adding color to the football games, pep rallies and parades in their new "sparkling" white uniforms, they did a grand job, and the student body greatly appreciates their efforts. Marching over the field, standing in formation, or exhibiting their twirling talents, our girls have always made a very pleasing appearance.

Marie Carroll, Betty Pombo, Eva Turko, Loretta Albanese, Cornelia Beun, Dolores Ditnick, Lorraine Ilaria.

 Front Row: Robert Fischer, Edward Schafer, Russell Gilchrist, William Schmitter, Richard Cooke.

BOYS' ATHLETIC ASSOCIATION

WITH Mr. Schneider as its adviser, the B. A. A., composed of three officers and two representatives from each gym class, spent a very busy year sponsoring an intramural sports program and an annual dance.

The purpose of the B. A. A. is to develop continuing interest in all sports and to maintain a high degree of sportsmanship among participants and spectators at athletic contests.

In the future the B. A. A. hopes to sponsor more intramural contests with the purpose of getting all boys interested in sports.

FOOTBALL

OUR boys came through again this year with an excellent show of sportsmanship and team spirit. Considering the loss of eight varsity players, the squad had a fairly successful season with two wins, two ties and five defeats.

Bob Fischer, Valley's All-Met and All-State star, was high scorer for the '45 season with thirty-two points, while Tad McNerney earned second place with twelve points.

Next year "Cookie" will take "Fish's" place as captain and lead the boys through a very successful year.

BOYS' GLEE CLUB

CONSISTING primarily of Choir members, under the direction of Mr. Groff, this group has sung in school concerts, Valley Varieties and other musical programs. The club is versatile in its choice of songs, ranging from light, humorous numbers to spiritual chorales. This club has always given the boys of our school a chance to participate in some enjoyable extra-curricular work.

Back Row: Otto Siegrist, James Crews, Benjamin Eastwood, Gerry Goldey, John Tarrantino, Dan Benvenuti, Bob Hoedemaker, Basil Captoni, William Krum, Charles Shew, Jerry Reise, James Mazzerina, Robert Teller, Richard Seabridge, Edgar Hoedemaker.

MR. GROFF

BAND

WILL you ever forget the reaction of the teachers, who had classrooms on the west side of school eighth period during spring and fall, when their classes sat back to listen to the rhythmic strains of "Fight, Fight" played by the band?

Our school band is very outstanding in the state. Some of its players are members of the All-State Orchestra.

The band is extremely active in school activities, playing at pep rallies, football and basketball games.

GIRLS' ENSEMBLE

AS a selected group, the Girls' Ensemble has become an important part of the Music Department. The girls are chosen for this group because of their fine ability in singing. They have performed at the Christmas and Spring Concerts and practice conscientiously to prepare for their presentations.

GIRLS' GLEE CLUB

THE Girls' Glee Club is a regular class which is preparatory for membership in the advanced choir. They sing three and four part harmony and participate in the Spring Concert and in the Christmas Concert. It's interesting to note that the size of this year's choir was triple that of last year.

CHORUS

DURING their class meetings, which are held three times a week, the members of the mixed chorus sing beautiful songs written in four part harmony. Although membership to this group is open to all students, it is composed mostly of underclassmen. The purpose of this group is to prepare its members for entry into the A Capella Choir. The mixed chorus sings in the Christmas and Spring Concerts.

DANCE ORCHESTRA

PICTURE yourself at a dance, maybe the Sophomore Dance, at Valley Varieties or in an assembly program, with the strains of "Blue Velvet" greeting your ears. You know instantly that your favorite orchestra, the Valley Velveteers, is playing. As you listen, you hear first the orchestra's vocalist, Gladys Chisman, and then the Swing Quartet. Yes, that is our school orchestra—the organization that gives a student who can play an instrument an opportunity to play in "The real McCoy", under the very creditable direction of our musical adviser, Mr. Groff.

CHOIR

COMPRISED of trained voices only, the A Capella Choir has given P. V. a consistently fine performance throughout the year. Before one is admitted to this select group, a voice test must be taken. The choir has participated in the Christmas and Spring Concerts, Valley Varieties, Commencement, and Assembly Program. Several of its members have qualified for the All-state Chorus.

BOYS' BOWLING CLUB

THIS year approximately forty boys started the Boys' Bowling Club, an organization which didn't exist last year, and selected Mr. Love as their adviser by popular demand. Meeting every Friday at the Little Falls Laundry Bowling Alleys, members formed a league of eight teams for the purpose of encouraging keen competition. Under the capable direction of the managers, Charles Pullara and Alfred Sisco, this club had a very successful year.

MR. LOVE

AIRPLANE CLUB

WITH the beginning of the war and the increasing interest in aeronautics, P. V.'s Airplane Club was formed under the direction of Mr. Webber. Realizing the future importance of aviation, many students have taken advantage of this opportunity to learn more about planes. The club not only tries to stimulate interest in aeronautics, but also encourages students to increase their technical knowledge. The members look forward to the day when everyone will be owning his own helicopter.

SCIENCE CLUB

THIS year marked the formation of the Science Club. This informal organization, under the instruction of Mr. Webber, has experimented with the electric eye induction coil and has ordered equipment for home labs.

The club this year consisted of only fifteen members, but, nevertheless, it was very successful and is looking forward to a brilliant future.

MR. WEBBER

COMMERCIAL SERVICE CORPS

MISS HOLUB

The members of the Commercial Service Corps have found that this organization provides excellent opportunities to apply information taught in their business curriculum to practical situations. These boys and girls are always willing to serve the teachers by typing, filing or running off a ditto or stencil because it is good experience for future office work. The teachers, in turn, appreciate their efforts and have come to regard the Commercial Service Corps as indispensable. Due largely to Miss Shaw's guidance, this group is now an efficient and successful school activity.

MISS SHAW

COMMERCIAL CLUB

THIS year brought the Commercial Club a membership of sixty-five students. Under the guidance of Miss Holub, the club had many interesting activities. Among these were the sponsoring of a dance, and the visiting of an ice cream factory and the **Paterson Evening News Building**.

All the activities of the Commercial Club are planned to arouse and stimulate the interests of the students in different type of business.

 Front Row: Joseph Trione, Barbara Hickson, Gilbert Schneider, Charlotte Hensel, Felix DelVecchio, Harriot Vreeland, Fred Richter, Margot Reins, Bob Fischer.

VALLEY ECHO

"Is your copy in?" "When's the deadline?" Such terms are used regularly by the members of the **Valley Echo** staff. You may see these amateur newspaper men and women creating quite a hub-hub in room 103 as they scurry around for last-minute copy. The room is a duplicate of a room in any large city newspaper office. You can see Felix, the editor-in-chief, sprouting new gray hairs as he works on the final dummy, impressing the other editors with the fact that some galleys still have to be proofread and the dummy has "to go to bed" on Wednesday. The paper, published every other Friday, expresses the views and opinions of the entire school.

Back Row: Otto Siegrist, Fred Richter, Jean Wilkins, Maureen Sheen, Miss Merselis, Mary De Meo, Dorothy La Polla, William Greendyke.
 Front Row: Robert Hoedemaker, Edna Kirchner, James Mazzerina, Alice Agamie, Charles Norman.

ASSEMBLY COMMITTEE

OUR Assembly Committee, under the guidance of Miss Merselis, is one of the school's most important organizations. It has many activities throughout the year, among which are quizzes, musical presentations, and plays. The committee has been set up in order that the student body might supervise all assemblies to their own satisfaction. Besides student presentations, they acquire, through different theatrical foundations, a group of professional artists, who present many fine programs throughout the year. The one aim of the committee is to make the assemblies educational, as well as entertaining.

LATIN CLUB

TO the members of the Latin Club, Latin is really a living language. Under the direction of Miss Weliver, the club tries to provide interesting educational programs based on the life of the Romans. At the meetings, the students discuss such topics as Roman customs, dress and amusements. This year its activities included a trip to New York City, where they visited museums and other places of interest pertaining to the history of the Romans.

SPANISH CLUB

AT the sound of the mallet, "Los Papitos," our newly christened Spanish Club, comes to order.

This year, under the leadership of Mr. Frank Soda, the club has been very active. Members have enjoyed movies of Spanish speaking countries, discussions about them, and outside speakers.

The purpose of the Spanish Club is to provide knowledge of the Spanish language, culture and customs to those students taking Spanish.

LIBRARY AIDS

"EFFICIENCY" is the motto of the Library Aids. This hardworking organization is under the able direction of Miss Miller, the librarian. Some of the duties of the Library Aids are pasting book pockets, making out book cards, mending books, arranging books on shelves, planning bulletin boards, and managing the charging desk in the absence of the librarian. All in all, the Library Aids deserve a vote of thanks from the student body for their efforts.

LAB ASSISTANTS

If you see a helpful looking individual running around the lab, completely swathed in one of those black laboratory aprons, you know instantly that he or she is a laboratory assistant. One who is a lab assistant has his free time completely taken up in rendering assistance to the science teachers. This experience is, of course, very beneficial to a student, as it enables one to become better acquainted with the lab and its equipment. The duties of the lab assistant are to clean the lab, set up experiments, and correct papers.

MASQUE AND SANDAL CLUB

"TO be or not to be; that is the question." Lines like this can be heard echoing forth from the auditorium whenever the Masque and Sandal Club is rehearsing. The club's main purpose is to give all those students interested in acting a chance to take part in a real dramatic exhibition, and it certainly does a good job of fulfilling this purpose. There are many other phases of dramatics in which one may participate, such as lighting, managing, and make-up. Each year the members travel to New York to see various Broadway plays. During the year of '45-'46 they saw **Hamlet, Show Boat and Pygmalion.**

STAGE AND LIGHTING CREWS

THE Senior Play, and the various other school plays, would never have been so successful had it not been for the Stage and Lighting Crew. Under the direction of Mr. Love and Mr. Worden, they have produced sets and sound effects. For the Senior Play, they had to build six doors in one set, a job that was out of the ordinary; however, it was accomplished with the usual efficiency. The Stage and Lighting Crew also built the set for Valley's big event—Valley Varieties.

Standing: Ed Lill, John Kievitt, Walter Pelish, John Pytal, Bill Shane, Mr. Love, Bob Fischer, Charles Ansaldo, Joseph Leo, Gordon Gieger, Larry Del Vecchio, Robert Licker, James Mazzerina.
Sitting: James Van Lenten, Everett Hopper, Angelo Mustachio, Frank Colavito, Ed LaSala, Ronald Titus, Frank Smith.

SENIOR PLAY

"Are you all right, darling?"

"Would you be so kind as to put those in my room?"

MISS KANE

"This is the showdown. Come on, where is it?"

"I told you I could crush a walnut between my fingers."

ON the evening of November 16, 1945, the house lights dimmed, the curtain rose, and our play, "Cuckoos On The Hearth" began.

It was a murder mystery, chuck full of stranglers quoting poetry to their victims, a mad scientist, a Brooklyn gangster, with an eccentric author thrown in for good luck. The play had two endings, one of which was true; the other was what the eccentric author wrote in his book. After two hours of suspense, laughs, murders and, of course, love, the curtain fell on a full, applauding house. The play was directed by Miss Ruth Kane and was a very great success.

JUNIOR POLICE

THE J. P.'s, under the supervision of Mr. Webber, assisted by Mr. Ten Hoeve and Mr. Desplancke, are an organization which is active throughout the entire school year.

The many duties consist of taking charge of the school buses and the entry of students, directing traffic in front of school, and maintaining order at school games and dances.

This year, Bob Osborne, captain of the force, has done a fine job in keeping the standard of the Junior Police at the usual high level.

HALL MONITORS

A branch of the Student Government Association, the Hall Monitors are known as "guardians of the halls." But they have other duties too, such as acting as guides for visitors and helping in Valley Varieties Shows. This year Mr. Soda acted as the adviser.

Throughout the year the squad's main thought was to keep the organization on a democratic basis. Their major annual activity is a dance in March which is usually held on St. Patrick's Day.

MISS VAN AUKEN

NATURE CLUB

THE Nature Club provides an opportunity for its members to observe nature at first hand. On a bright sunny afternoon the members of this club can usually be seen ambling along to a pond to study aquatic life, or taking a walk to learn about the secret life of the birds. On cold or rainy days, they have an indoor program, consisting of speeches or reports given by the students or their sponsor, Miss Van Auken. Among their many plans for the year was a trip to New York to visit the zoo and Museum of Natural History.

THE CHEMISTRY CLUB

IF you need anything from cosmetics to an atomic bomb, just ask the Chemistry Club for it. You can easily find where it meets by following your nose. We mean this literally, as the beckoning odors of the lab will lead you to it without any difficulty. When you have arrived at your destination, you will be greeted first by Miss Allyn, the club adviser, and then by some twenty-odd members, who will probably be performing some interesting experiment. They will be glad to hear your suggestions and will probably invite you to help, as the club's main purpose is to give students an opportunity to perform chosen experiments out of school time with the aid of the chemistry lab equipment and Miss Allyn.
