In a recent record session, yours truly was introduced to the music of Raymond Scott, who comes up with the zaniest titles yet—but he also comes up with some terrific jazz. My favorite Scott record is "Dinner Music For a Pack of Hungry Cannibals" and ranked a close second on an Oceanic record. Scott's new album is titled "Dinner Music for a Passenger Plane" and Passenger Mental Rocke—no foolin'!

We the Class of '52 are about to graduate and embark upon adult life. We realize the road ahead will not be an easy one, for the present day world is filled with uncertainty. Many problems will have to be met and conquered, but we feel that in time we will learn to face them as true adults.

As seniors let us pause in retrospect for a moment, and examine our four years at Passaic Valley. Let us recall, before we leave, the many pleasures we have enjoyed and the problems we have overcome. Let us remember every incident whether joyful or disappointing with a smile, for they all go into making the happy time of our youth; a time which we will remember and cherish in the years to come.

## Freshmen

This year's freshman class was an inspiring group. With the assistance of Miss Budde they had their dance. The theme was Candyland. Their band was Ed. Snyder's. In the intramural games, the freshmen came in second. This class had most of the high salesmen in the magazine sale and led the rest of the school in total sales and percent of participation. This is a class of which the school can be proud for three more years.

## Football

As the '51-'52 school year was just getting under way, Head Coach Charles Fister's boys were daily toiling to shape a football team to represent Passaic Valley High School on the gridiron.

September 22 soon rolled around and the Valley Gridsters journeyed to Butler to inaugurate the season. The outcome of the game was not as good as what was expected, but the boys never said "die." This spirit was evident throughout the remainder of the season and went a long way toward the building up of courage displayed from Saturday to Saturday.

With halfback Bill Dvoretsky and end Bob Jacobsen, who tied for scoring honors, leading the way, plus Ralph Nuzzo, Bob Malone and Bob Conti providing the extra punch needed for necessary yardage, the team displayed the great potential power it had. The front line consisting of Bob Jacobsen and Bob Cook at the ends, Joe Boyle and Tony Zalfa at tackles, Frank Rinaldi and Jack Roome at guards and Mike Talerico at center contributed much to the overall success of the team. Also, with excellent replacement material in Warren Schneider, Joe Fritz, Jack Clegg, Frank Nystrom, Bill Lambert and Bob Schmitt, the team had front line substitutions.

However, the main cause of worry for Coach Fister was the abundance of injuries to front line performers. Without the drastic injuries to Schneider, Nystrom and Walt Miller and countless smaller injuries to others, there would be little doubt that the season would have been for more successful.

Next year the expected material is very promising. With the freshmen coming along after a year's experience under Mr. Callam and Mr. Stemer and the numerous underclassmen who won varsity letters, the outlook is very bright.

Front Row: Bob Conti, Ralph Nuzzo, Tony Zalfa, Frank Rinaldi, Mike Talerico, Jack Roome, Frank Nystrom, Ed Walton, Bob Malone, Bob Jacobson. Second Row: Joe Fritz, Bill Lambert, Charles McMann, Jack Clegg, Joe Marchinsen, Milton Hetrick, Bob Schmitt, Tony Nobrega, Boris Sichuk, Nick Tedesco. Back Row: Coach Tony Suglia, Richard Falaska, Bill Sadler, Dave Rotert, Sam Gaita, Joe Pellenrino, Len Moletta, Pat Duerning, Joe Boyle, Charles Fister, Coach.

# Basketball

No sooner had the football season closed when the Valley basketball aspirants, under Coach Griswold, were already working for the beginning of the 51-52 season.

The season started in mid December and after a few postponements due to weather the season was under full sway.

At the start, the season was a bit disappointing, but the team was gaining needed poise and experience. When the team acquired that poise and experience they really showed everyone the team they were.

Gradually the team improved and the climax to a fine season was the winning of the Lakeland Conference Jamboree. In taking high honors in the Jamboree they defeated the Conference Champions in Boonton and then in the final round the team beat the Cardinals from Pompton Lakes. These wins coupled with the season's wins made an impressive 9-10 record.

The season was further heightened by the performances of the individual players. The playing of Ron DeVuyst was heralded by everyone. The outside shooting of Mel Rozelle and the aggressiveness of Jim Murray was also noticed as was shooting accuracy of John Lonsky and Len Kientz.

The first string was assisted from the bench by such able subs as Bill Devine, Carl Blackwell, and Ed Nann.

The Hornets placed three men on the All-Lakeland Conference team. Ron DeVuyst placed on the first team and Capt. Mel Rozelle and John Lonsky received honorable mention.

The prospects for next year are very good. Even in losing such lettermen as Ron DeVuyst, Mel Rozelle, and Len Kientz, the remaining material is well supplied in John Lonsky and Jim Murray. Added to this are the jayvees coming up after two years experience under Mr. Suglia. So the outlook is very bright for Coach Griswold.

# Baseball

The 1952 edition of the Passaic Valley Hornets Baseball Team had four lettermen and some promising underclassmen returning from last years squad.

Tony Zalfa will be back for his fourth season. Tony, batting in the clean up position and alternating between right-field and pitcher, has been having a great season both on the mound and from the plate, thus far.

Righthander Len Kientz, Valley's no-hit-no-run game pitcher, who alternates with Zalfa in rightfield, is also returning to the roster.

Bill Dvoretzky, outfielder, is also returning and will try for a regular berth on the squad this season.

Andy Stillo will try to become a starting pitcher this year or maybe try his hand at an infield position.

The starting lineup at presenttime is as follows: at catcher, Jack Clegg, and Bob Don Bosco. Both boys are Sophomores first base Carl Molitor, Freshman; at second, John Lonsky, Junior; at third, Jerry Sharp, Junior; at short, Bob Pezzuti, Junior; in left, Bob Malone, Junior; in center, Vinny Corrado, Sophomore; in right, Tony Zalfa and Len Kientz, both Seniors.

A large turnout of underclassmen gives Coach Elmer Griswold high hopes for next season.

Front Row: Tony Zalfa, Carl Molitor, Andy Stillo, Len Kientz, Ron Fazio, Jerry Sharp, Mel Rozelle, John Lonsky, Bill Dvoretzky, Joe Pullara. Second Row: Mike Halachik, Garry Sigler, Rich Falaska, Sam Ragussa, John Donnelly, Rich Hammond, Bruno Grena, William Maxwell. Back Row: Coach Griswold, Frank Wheelihan, Robert Don Bosco, Robert Miller, Vincent Corrado, Jack Clegg, Richard Wetzell, Ray Brower, James Sandford.

# Intramurals

Under the new supervision of Mr. Allen, this years bowling club has been newly organized, with the first meeting held for the election of officers. Competition with other schools was eliminated because of the late start. However, intramural competition kept the team in action. A. good year is promised for all next season.

## SWIMMING CLUB

The swimming club, under the able coaching of Mr. Kuziora, met at the Paterson "Y" regularly. Intramural competition was the high light for the season. Selecting of next years team came from the freshmen and sophomore classes, as key men for the swim meets.

## GOLF

The 1952 golf team, captained by veteran John La Polla, is seeking its third consecutive North Jersey Golf League Championship.

The squad consists of Joe Fritz, Ed Clarke, John Banks, Gerry Fritz, Joe Peligrino and Bob Dransfield.

As of this date, the team has been very successful having won all matches played.

## Cheerleaders

Loud cheers and flying skirts added much pep and color to our football and basketball games. The girls were also capable of fulfilling their purpose by keeping the spirit of the fans high and always supporting the teams. The pep rallies were always a fine success with the vigorous leadership given by the cheerleaders. They have entered a contest and have sponsored a dance each year.

Members of the squad: Captain, Joan Hawthorne; assistant, Evelyn LaBruto; Alice Lee Moncrief, Penny Pikaart, Sally White, Barbara Talerico, Anna Geitner, Carol Kay, Audrey Natale, and Barbara Van Hook substitutes.

## Twirlers

With the guidance of Miss Ilaria and under the leadership of head twirler June Weite and assistant Marlene Pombo, Passaic Valley has organized a wonderful squad of twirlers. The squad consisting of Peggy Carnegie, Helen Farley, Frances Carnegie, Dolores Verderame, Doris Homer and Shirley Yankowski, has twirled at football games and pep rallies, marched in Memorial Day parades and entered the twirling contest. They have also been in band concerts and Valley Varieties. A good deal of credit goes to this group of girls who add color and action to these events.

## G. A. A. Council

The purpose of the Girls' Athletic Association is to promote sports activities for the girls of the school. Our motto is "a sport for every girl and a girl for every sport." Most of the business of this organization is carried on by the G. A. A. Council which consists of President, Marcella Trouse; Vice President, Marilyn Vanderberg; Secretary, Shirley Mutch; and Treasurer, Lynn Koss. It also includes the two team chiefs; Alice Lee Moncrief, Green Chief, and Mickey Dorer, White Chief, and the manager of the various sports clubs. Every year the G. A. A. gives athletic awards which are divided into four groups. A girl must earn 100 points for the first year award; 200 for the second award; 300 for the third award, and 400 for the fourth award. This year the council adopted a new constitution and bought ping-pong tables for the gym classes. The girls also played other schools in basketball, hockey, baseball, and bowling, and were very successful in their respective sports. The Modern Dance Club was re-organized this year. The club put on an exhibition at Valley Varieties. Also the Archery Club competed for the first time again Hackensack High School and put in a fine showing. It's advisers are Miss DeLeyer and Miss Ilaria.

The highlight of this season was the game between the Greens and Whites—Greens were the victors.

The gym class squad leaders, called the Leaderettes have the task of checking the attendance of the girls on their squads. They are also a great help to both Miss DeLeyer and Miss Ilaria when it comes to teaching the girls various new games and activities.

## Girls' Show

The highlight of the girl's season was "The Girl's Show" given on March 28 in the Gym. The themes of this show were Spain and Holland. This was a night of highly competitive sports and skills, some of which were: entrance, songs and cheers, tumbling, relays and basketball. Some non-competitive events were the Freshmen and Sophomore's Folk Dances, Juniors Jump Rope and the Seniors and G. A. A. playing a new game of volleyball, basketball and baseball. Having won this year the Whites have tied the score with the Greens 6-6. For the first time, trophies have been given to both Green Chief, AliceLee Moncrief, and the winning White Chief, Micky Dorer. Miss DeLeyer and Miss Ilaria guided the activities for the show along with Marcella Trowse, President of the G. A. A.

# MUSIC

The Music Department of Passaic Valley takes an important part in the extra-curricular activities of our school.

This year, the scheduled choir and chorus groups were small. Because of the lack of voices, over 100 students signed up and offered to practice on their own time to make the concert possible. They practiced three mornings a week, and also in the evenings. The concert was very successful, and was enjoyed by all who attended. Those who participated deserve a great deal of credit for their work.

## Beginning Band

The Beginning Band is also an important part of the music department.

Here also, the scheduled group was small. However, Mr. Sirch conducted a class for all who were interested before and after school, and many take advantage of this instruction.

It is composed of students who are sincerely interested in music. This group has grown tremendously since September and will become our senior band of the future.

## Senior Band

The Senior Band is the most active group in the music department. During the football season the band, under the capable direction of Mr. Sirch, and John Teller, our Drum Major, must prepare and play a show every week. The band also plays at pep rallies to raise school morale, and at other assemblies when necessary.

This year's annual band concert was very successful. The band showed its skill for a large and appreciative audience.

The band also gives service to the various communities by marching on parade, and playing for other functions. Both the townspeople and the students are proud of the Passaic Valley Band.

## Valley Varieties

Station WPV-TV brought you Valley Varieties of 1952 on May 2nd, in the form of a television broadcast, presenting many of television's greatest stars, capably portrayed by students.

The program was presented much as a real broadcast would have been, with stage hands and camera operators changing the scenes and helping with the production.

The day's televising continued with a soap opera; western feature; serial; "Crisco Sid;" and a newscast; climaxed with a variety show presenting "Your Magic Chef", and his Pizza Machine, and a pantomime scene "The Driving Lesson", by Sid Caeser and Imogene Coca; Kay Starr and Fred Waring and The Pennsylvanians singing "I Love You" and "You'll Never Walk Alone", ably assisted by the Modern Dance Group, which concluded the program.

The show, being entirely different than previous Valley Varieties productions, was very well presented and capably directed by Mr. Sirch, Miss Tiessen and Mr. Marshall.

Mr. Kuziora, his art classes and the stage and lighting crew deserve our thanks for their attractive sets and beautiful lighting. We also wish to thank Mr. Warden and his classes for the building of the sets.

The class rooms offered a variety of attractions including a gift shop, games, sale of plants and refreshments and a buffet supper earlier in the evening.

The evening was climaxed with the coronation of the King and Queen of Valley Varieties who were Mel Rozelle and Joan Hawthorne.
