TABLE OF CONTENTS

FOREWORD

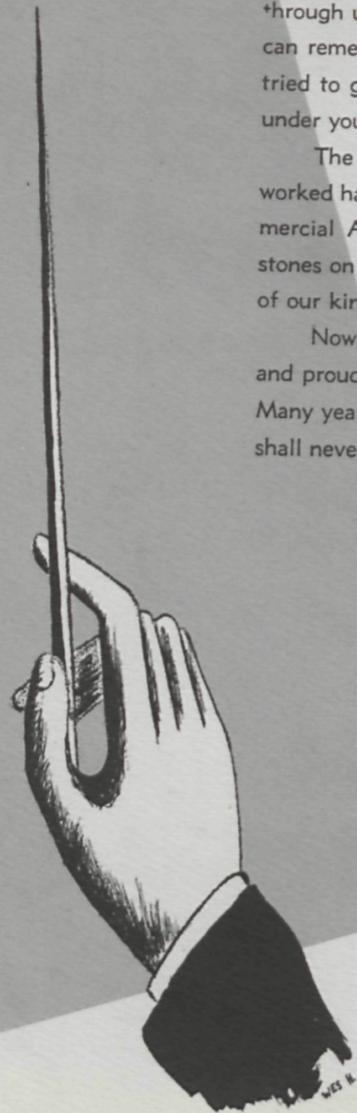

Dear Alma Mater,

It has been a great pleasure knowing you these past four years. As we, the Artists, think back over the time spent together, mixed emotions flow through us. We can remember our petty disappointments, but far better, we can remember our overwhelming victories. On the following pages we have tried to give an accurate account of all our artistic accomplishments, while under your guiding and experienced hand.

The theme of this yearbook concerns the four arts. We, as Artists, worked hard until we achieved that goal of goals — the Fine Arts. The Commercial Arts, Industrial Arts, and Academic Arts were excellent stepping stones on our path to success. We, also, are deeply grateful for the patience of our kindly masters.

Now, as worldly, well-trained Artists, we are able to hold our heads high, and proudly march forward, with pallet in hand, and Passaic Valley behind. Many years may come between us, but our memories of your immortal halls shall never grow dim.

Sincerely yours,
SENIOR CLASS OF '59

DEDICATION

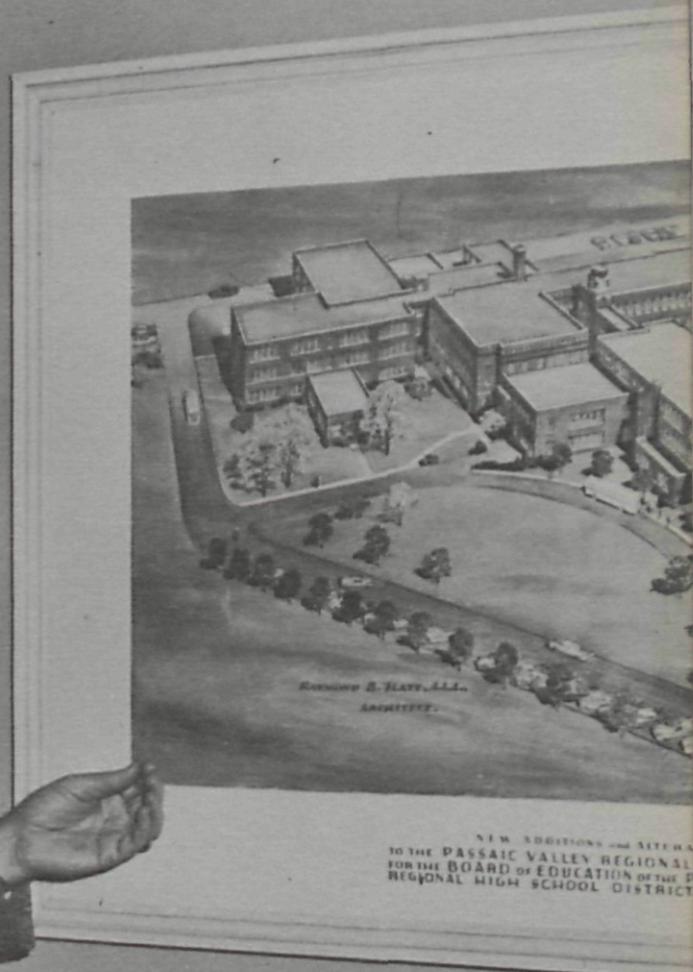

Robert Boyce

As we leave Passaic Valley High School to take our places in the community, we recall the persons who have guided and prepared us during our school years. Uppermost in our minds is Robert Boyce. As English teacher, College Guidance Counsellor, and one of the more dedicated masters, Mr. Boyce strove to better the quality of our talents while in Passaic Valley. Through his faith, reassurance, and encouragement, we have been given new outlooks on our future roles in life.

Accept the dedication of this book, Mr. Boyce, as a memorial of the most gratifying friendship we have ever encountered — as an assurance of the truth and sincerity with which we shall ever be.

Most faithfully and sincerely yours,
THE SENIOR CLASS OF 1959

BOARD OF EDUCATION

Mr. Murdoch F. Campbell

PRESIDENT OF THE BOARD

Patrons of Art

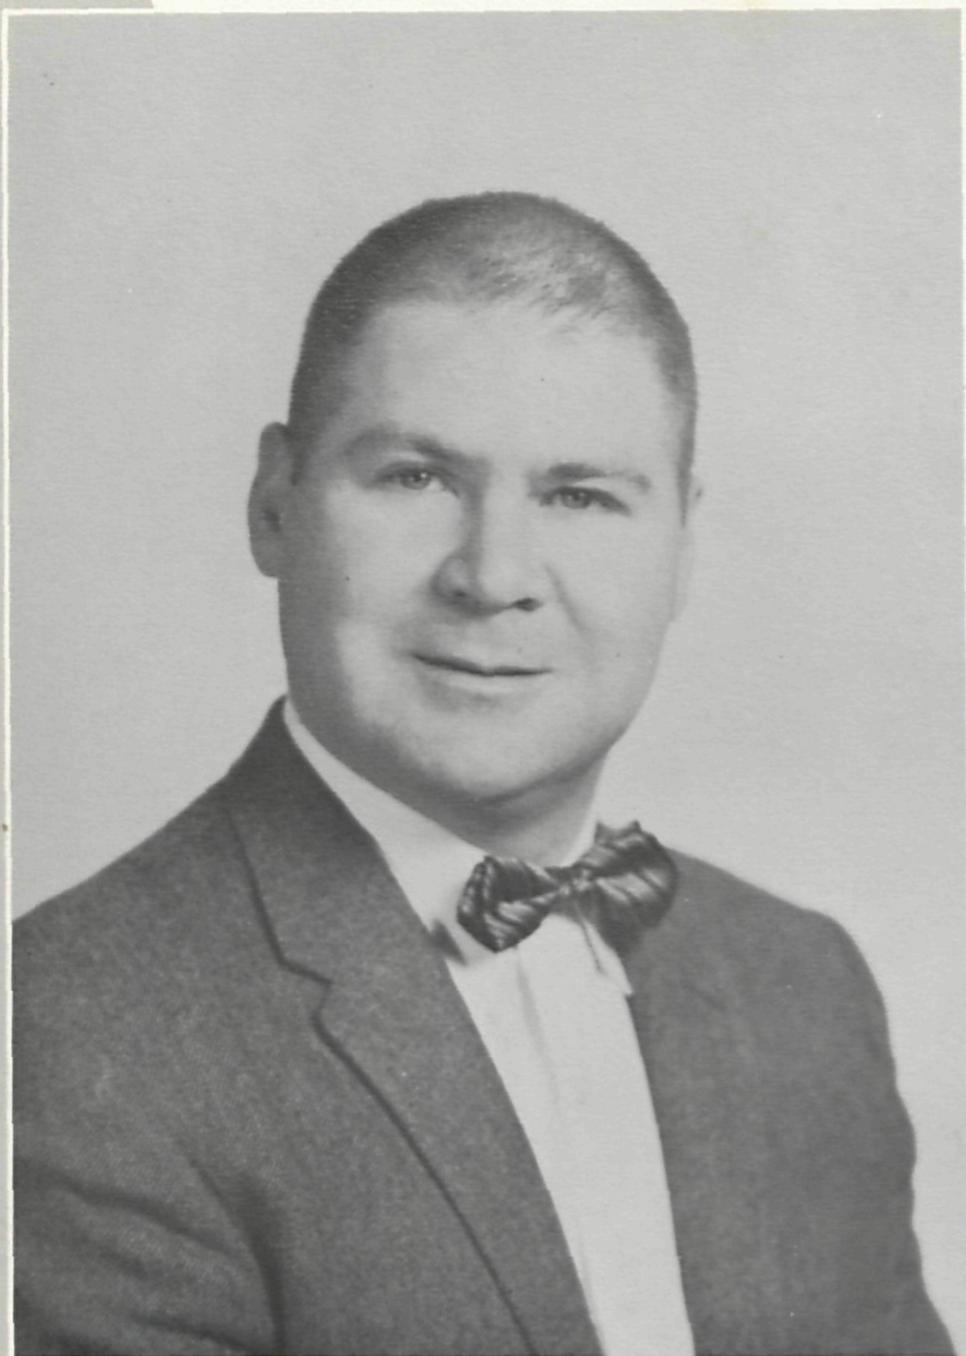

The work of the patrons has painted a bright picture for us during our time at Valley. They have strived for the high standards of the Arts that are so much a part of P.V.

We, the Artists, wish to say that every endeavor the Board has made to aid us has been greatly appreciated.

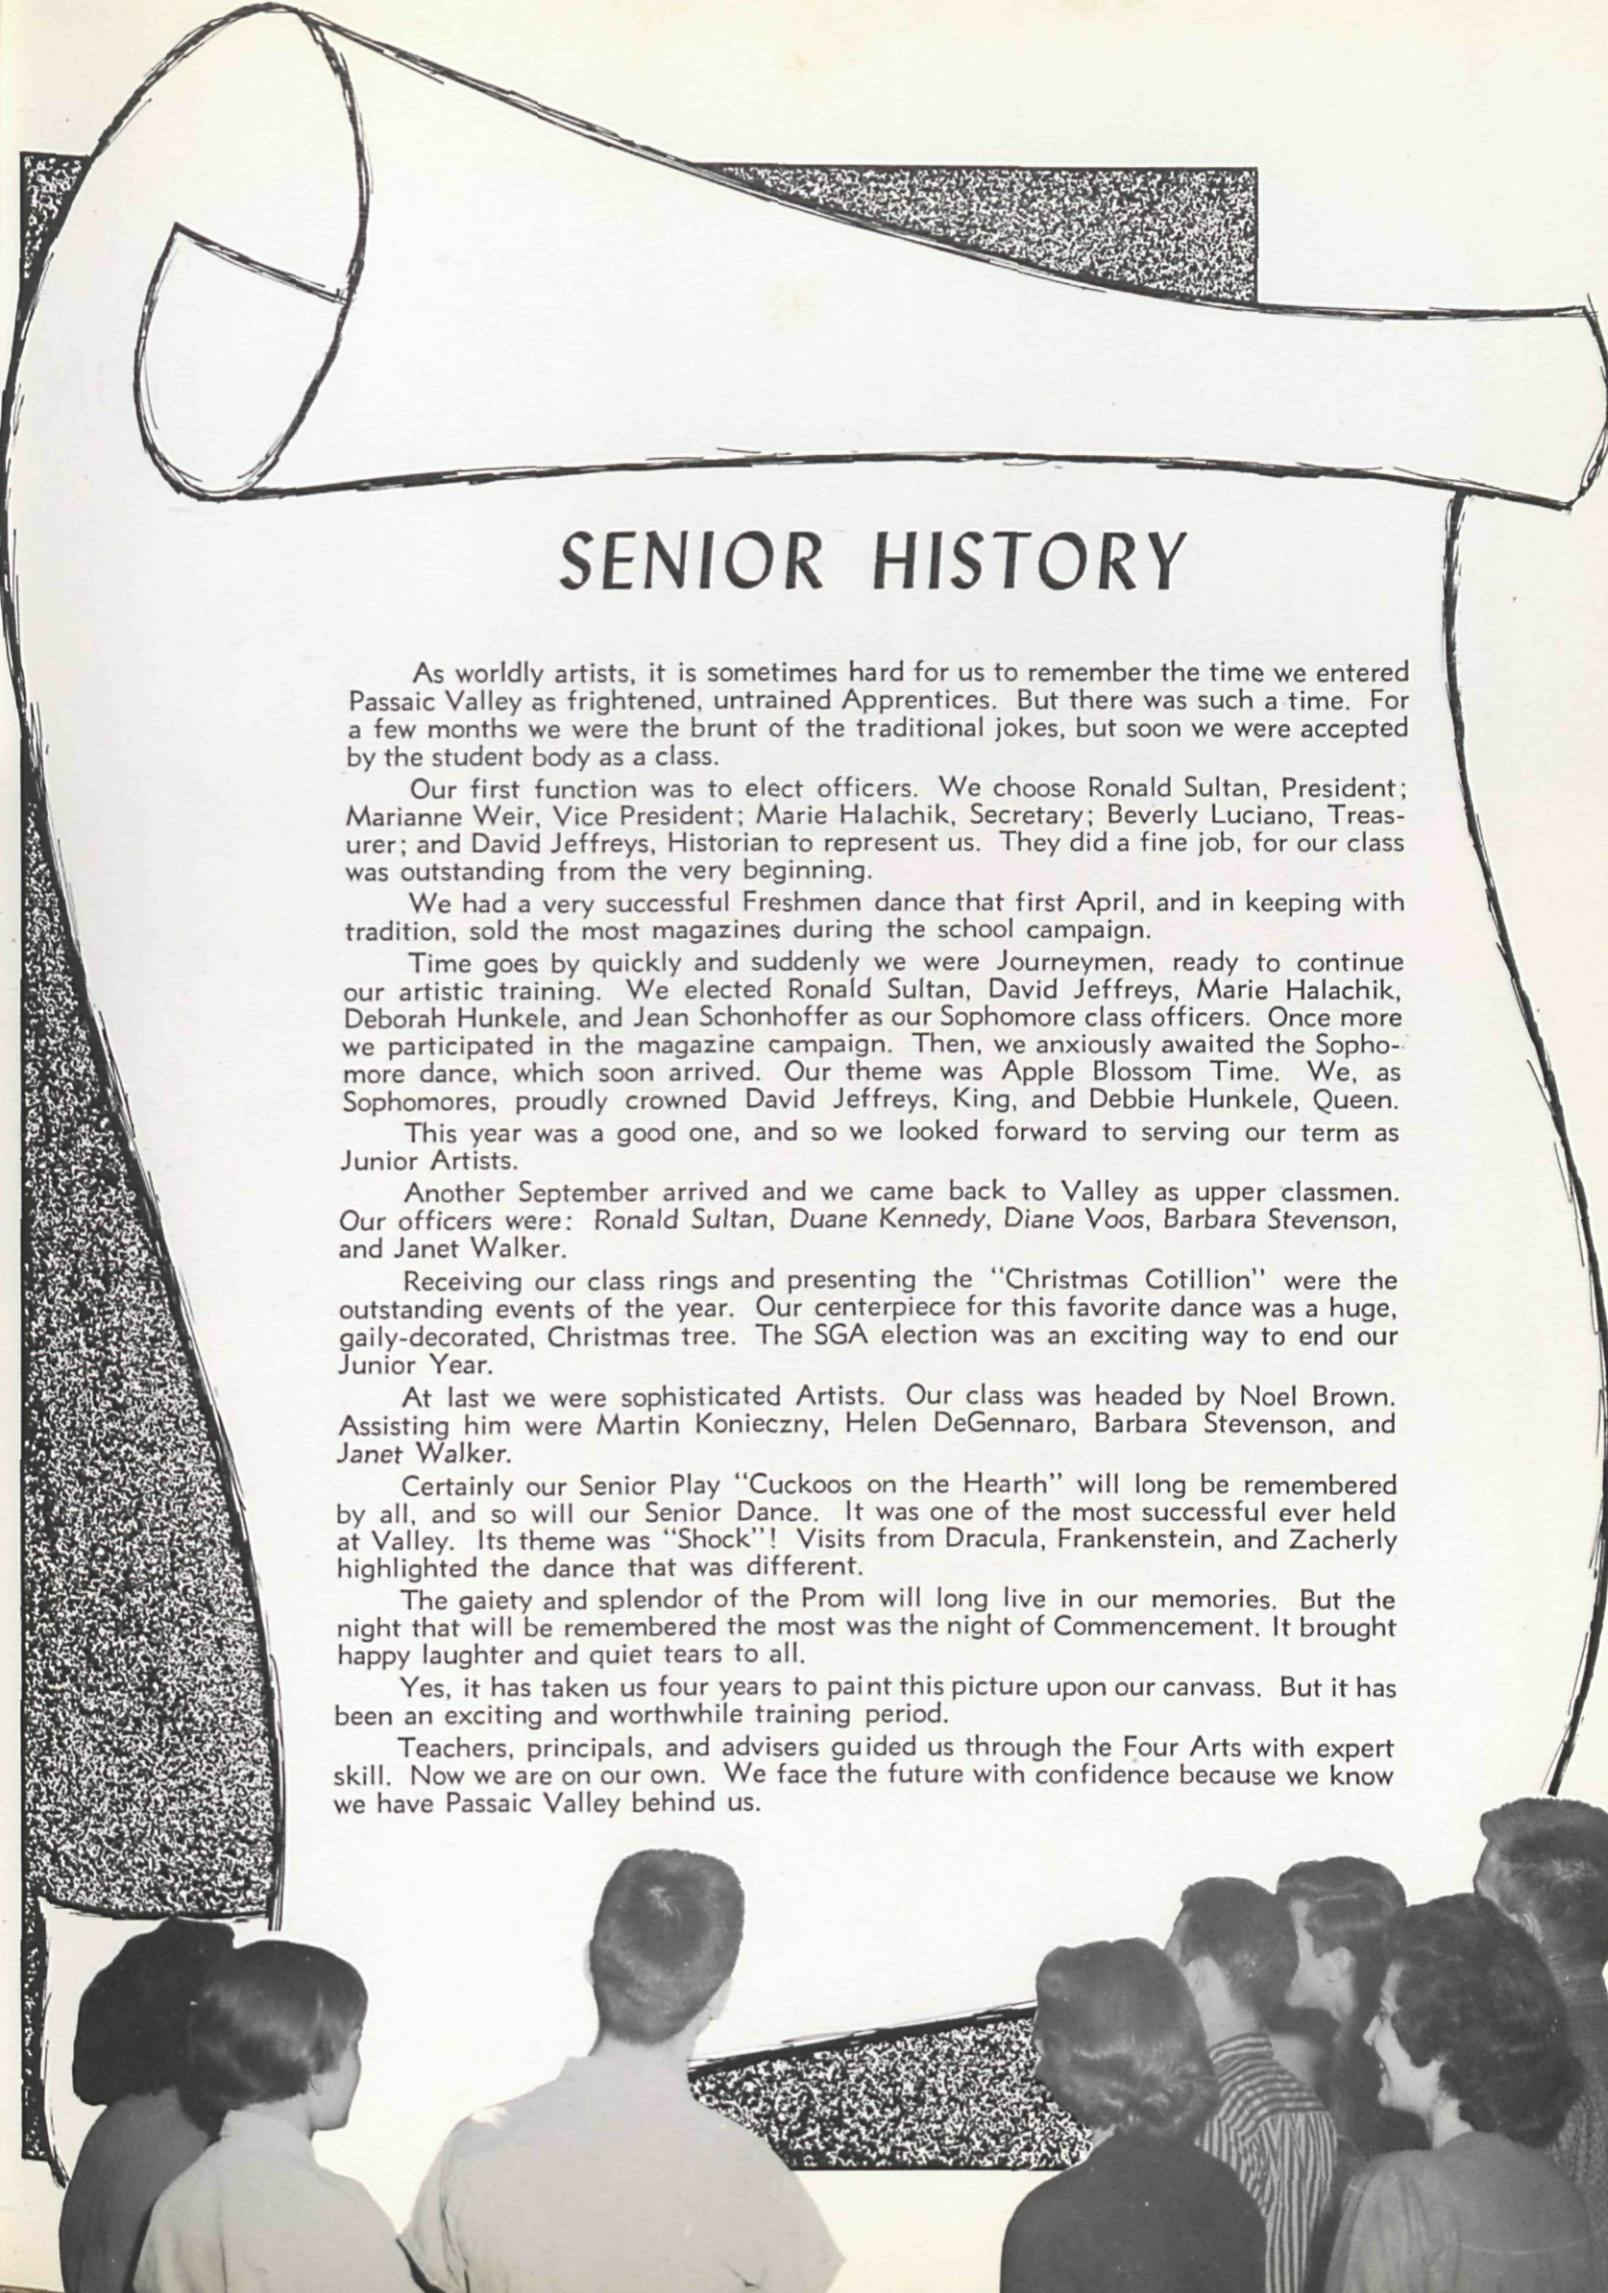

ARTISTS

ARTISTS' DEDICATION

William Hoover

Mr. William E. Hoover, as class adviser, you have shown us how to weave the threads of success into a substantial base for the future. For four years you have guided our class to the pinnacle of high school life. You have been patient and understanding with our problems. You were always there to help with all class activities. We depended on you for advice and advancement, and now that we have completed our years at Valley, we thank you for your role as a weaver of our success.

SENIOR HISTORY

As worldly artists, it is sometimes hard for us to remember the time we entered Passaic Valley as frightened, untrained Apprentices. But there was such a time. For a few months we were the brunt of the traditional jokes, but soon we were accepted by the student body as a class.

Our first function was to elect officers. We choose Ronald Sultan, President; Marianne Weir, Vice President; Marie Halachik, Secretary; Beverly Luciano, Treasurer; and David Jeffreys, Historian to represent us. They did a fine job, for our class was outstanding from the very beginning.

We had a very successful Freshmen dance that first April, and in keeping with tradition, sold the most magazines during the school campaign.

Time goes by quickly and suddenly we were Journeymen, ready to continue our artistic training. We elected Ronald Sultan, David Jeffreys, Marie Halachik, Deborah Hunkele, and Jean Schonhoffer as our Sophomore class officers. Once more we participated in the magazine campaign. Then, we anxiously awaited the Sophomore dance, which soon arrived. Our theme was Apple Blossom Time. We, as Sophomores, proudly crowned David Jeffreys, King, and Debbie Hunkele, Queen.

This year was a good one, and so we looked forward to serving our term as Junior Artists.

Another September arrived and we came back to Valley as upper classmen. Our officers were: Ronald Sultan, Duane Kennedy, Diane Voos, Barbara Stevenson, and Janet Walker.

Receiving our class rings and presenting the "Christmas Cotillion" were the outstanding events of the year. Our centerpiece for this favorite dance was a huge, gaily-decorated, Christmas tree. The SGA election was an exciting way to end our Junior Year.

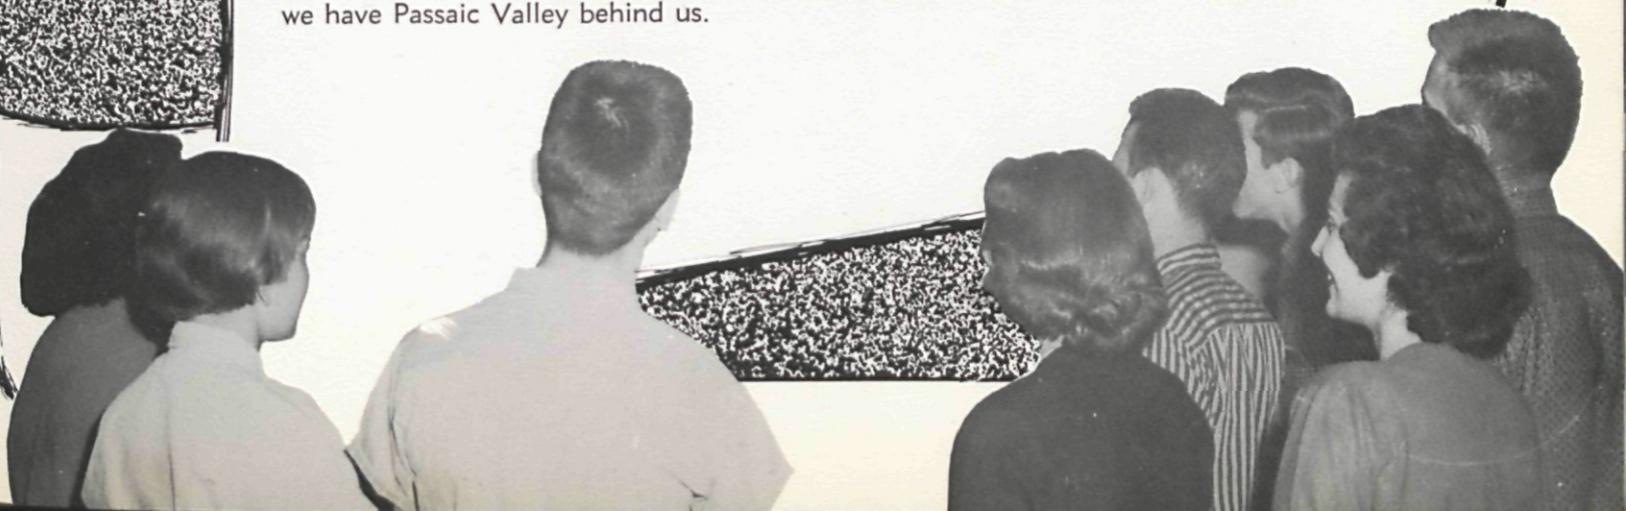

At last we were sophisticated Artists. Our class was headed by Noel Brown. Assisting him were Martin Konieczny, Helen DeGennaro, Barbara Stevenson, and Janet Walker.

Certainly our Senior Play "Cuckoos on the Hearth" will long be remembered by all, and so will our Senior Dance. It was one of the most successful ever held at Valley. Its theme was "Shock"! Visits from Dracula, Frankenstein, and Zacherly highlighted the dance that was different.

The gaiety and splendor of the Prom will long live in our memories. But the night that will be remembered the most was the night of Commencement. It brought happy laughter and quiet tears to all.

Yes, it has taken us four years to paint this picture upon our canvass. But it has been an exciting and worthwhile training period.

Teachers, principals, and advisers guided us through the Four Arts with expert skill. Now we are on our own. We face the future with confidence because we know we have Passaic Valley behind us.

SENIOR PLAY

On the evenings of November 7 and 8, 1958, housefilling audiences enjoyed the annual Senior Play. The Class of '59 chose "Cuckoos on the Hearth", a three act comedy written by Parker Fennelly. Adra T. Suchorsky directed the production in co-operation with Chester Kuziora, Eugene Czerniecki, and James Worden.

Harmony Hearth, the home of Donald and Charlotte Carlton, was the setting of the play. As the play opens, the sheriff warns the Carltons that there is a murderer loose in the vicinity. Important business, however, forces

Don to leave his wife, and cousin, Lulu Pung, alone in the house.

At this point, Zadoc Grimes, an eccentric and somewhat effeminate writer shows up to rent a room. To increase the tension, three other men are forced to spend the night there because of a blizzard. Many hilarious and frightening moments result from this confused situation.

The second act is what Zadoc Grimes imagined to be the ending. However, in the third act, Mrs. Carlton is rescued from murder by a trusty State Trooper.

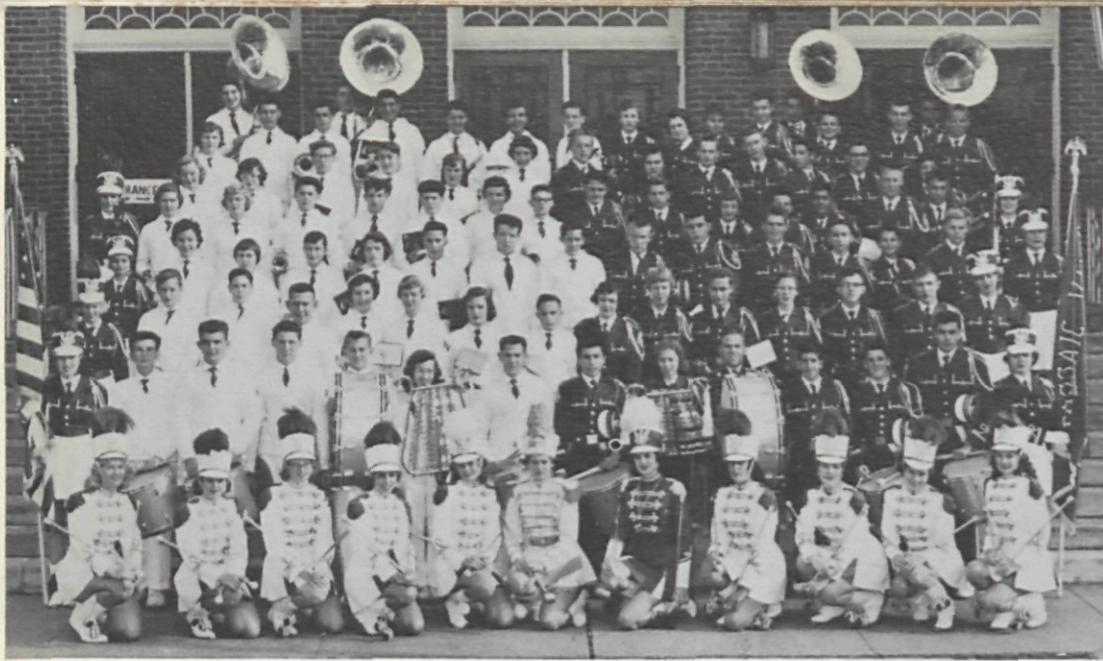

Leading roles were filled by Rose Mary Bergmann, Anthony Borrego, Dennis Carroll, David Jeffreys, Michael Smith, Barbara Stevenson, and Ronald Sultan. The supporting cast included Barbara Behring, Joan Cole, Louis D'Amelio, Dorothy Gioseffi, and Andrew Smarsh.

MUSIC

Music, one of the most outstanding of the Fine Arts, is a medium of entertainment which we all enjoy.

At Passaic Valley, the students have shown their interest in music in many ways. Under the direction of Peter Sirch, the band-members have performed at Christmas Concerts, Band Concerts, assemblies, football games, and parades.

The Hornet Band has shown its spirit by attending early morning and afternoon practices, and performing under all types of weather conditions.

This year new ideas were put into effect in the field of music. Under

DEPARTMENT

the direction of Peter Sirch and Alyn Heim, Passaic Valley marched down the field in two bands and two colors. Also introduced this year was the Boys' Glee Club and the Passaic Valley Dance Band.

The school has shown some of its advanced ability in music by having many band-members qualify for the New Jersey All-State Band and Lakeland Conference Band.

The expert guidance and instruction, which is given at Passaic Valley in this outstanding art, will help mold the futures of many ambitious, talented students.

MUSIC AND ART

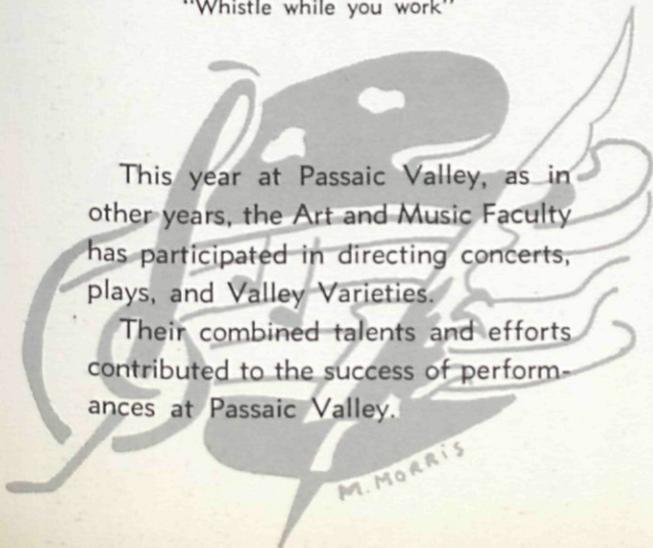

"Art teacher's headache"

"Future Rembrandts"

This year at Passaic Valley, as in other years, the Art and Music Faculty has participated in directing concerts, plays, and Valley Varieties.

Their combined talents and efforts contributed to the success of performances at Passaic Valley.

STUDENT GOVERNMENT ASSOCIATION

"Frame work of the S. G. A."

Mr. President
Duane Kennedy

The goals of the Student Government Association are to give the entire student body a voice in the government of the school, to promote a better understanding between students and faculty, and to provide a like understanding between the school and community.

To meet these goals, the S. G. A. adopted many new policies of procedure which were aimed at improving the efficiency of the representatives and the amount of business which could be covered in a meeting. Successful efforts were also made in creating more interest and participation in the activities of the S. G. A. by inviting students outside the organization to attend the meetings.

Many of these new policies have been incorporated into the revised constitution of the S. G. A.

Among the many problems presented to the S. G. A., the most pressing ones were those which related to the cafeteria. There were four major issues which were connected with this area. They were: dances, drapes, supervision, and music all of which were thoroughly dealt with by the S. G. A.

The S. G. A. is guided by Michael F. Gatti and Robert Boyce.

Front Row: D. Sykes, P. Frazier, E. Bogush, P. Smith, D. Kennedy, President; D. Hunkele, Secretary; J. Schonhoffer, Treasurer; A. Neumann, Vice President; D. Drozd, H. Hagen, J. De Carlo. HONOR SOCIETY

Induction into the Honor Society is the highest honor which can be bestowed upon a Passaic Valley student. Admittance to this organization is based on the student's scholarship and extra-curricular activities.

Guided by Constance Bateman and Rita Licciardolo, this is the second year that the Honor Society has been active in school activities. The members can often be heard saying, "Do you want to buy a booster tag?" Supplementing the traditional activities of reading the Scriptures and posting the flags at assemblies, members also tutor students who need extra help, patrol the halls during lunch periods, and supervised the cafeteria. A Spring Banquet for new members and members of other Honor Societies rounds out the yearly schedule of the Passaic Valley Honor Society.

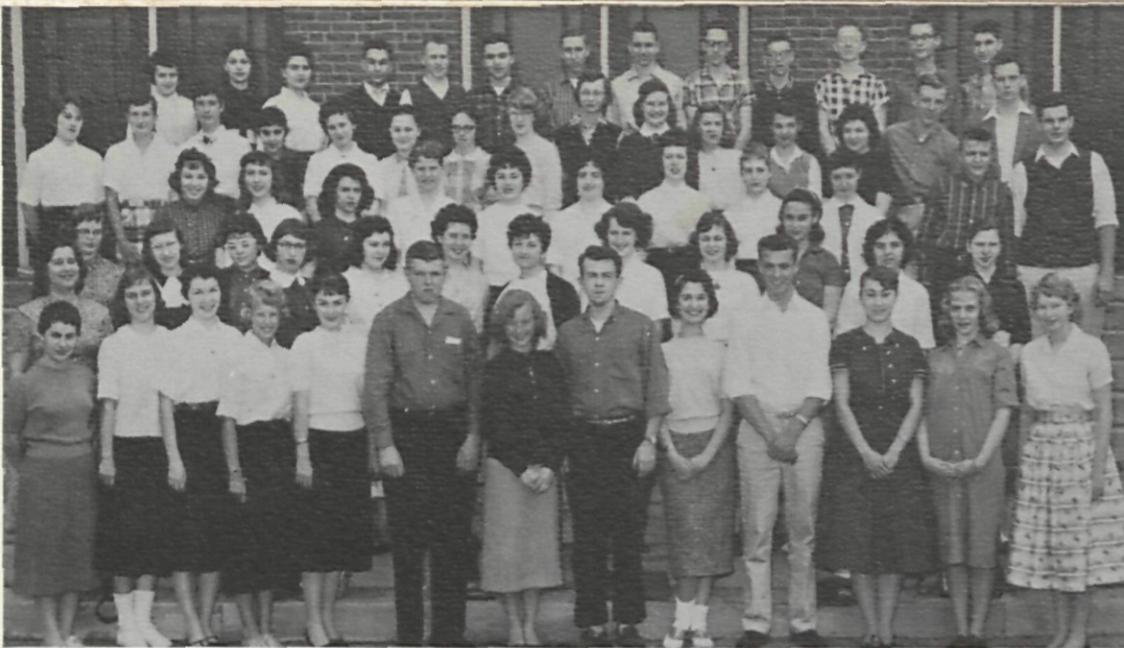

"Knowledge is power".

Sitting: R. Licciardolo, J. Kean, C. Bateman. Standing: A. Suchorsky, W. Neale, M. Curran, R. Boyce, J. Dorso, J. Hopper, R. Fennell.

ENGLISH FACULTY

The English Department, headed by Adra Suchorsky, is composed to instruct the students in the field of grammar and writing techniques as well as an understanding and appreciation of the stage and drama. Due to the careful guidance of these Patrons, students can obtain a well-rounded knowledge of the Arts.

MASQUE AND SANDAL

Front Row: E. Polizzotto, B. Shaw, J. Nichols, K. Allenby, C. Gilmour, D. Jeffreys, C. Martenson, M. Smith, K. Weill, J. Weston, D. Galus, E. Van Guilder, M. Daniels. Second Row: B. Beemer, J. Neumann, D. Fenwick, J. Jager, D. Carroll.

Passaic Valley's dramatic club, Masque and Sandal, is under the advisership of Rita Licciardolo. The dramatic season began with the presentation of the one-act play, "Good Night, Caroline", and continued with "My Three Angels", a three-act play. Also, "How The Great Guest Came" and "When Shakespeare's Women Meet" were presented to complete an excellent dramatic season.

"I'm going home to mother".

"Sticks and stones will break my bones".

Second Row: Mary McDuffey, Betty Rielly, Barbara Hartland, Caroline Blagriff, Diane Pfizenmayer, Caroline Martenson, Irene Tivey, Arleen Tetla, Pat Kamieniecki. Back Row: Margaret Norman, Flo Grace, Mary Ann Hoelscher, Lynn Redman, Nancy Frost, Pat Green, Carol Cronk, Faye Gaita.

"Dr. Raubinger"

The Assembly Committee plans and presents many interesting programs with the aid of Rita Licciardolo.

In the fall, a program based on the television version of "It Could Be You", was enjoyed by the students who attended. The musical talent show was also organized by this group. "This is Your Life, Passaic Valley High School" completed the assembly committee's program of furthering the Fine Arts of Passaic Valley.

The Social Studies Faculty, under the direction of Michael F. Gatti, is largely responsible for the observance of historic days. This year it has informed the student body of John Barry Day, Constitution Day, and Chrispus Attocks Day.

In February, a film, "The Face of Lincoln," was presented at an assembly. During the same month, Brotherhood Week was celebrated by a film on George Washington.

Each year the department sponsors the United Nations Contest, whereby Seniors were given the opportunity to win scholarships. Another contest having to do with Law Day was also sponsored.

This year Anthony Suglia and Michael Renaldo took the twelfth grade on a trip to the United Nations in New York.

All in all, this department does an excellent job.

PHOTO CLUB

The Photo Club, under the guidance of William Neale, has undertaken the task of teaching photographic fundamentals to its members. This has been an excellent aid in stimulating interest among the members. Several contests, sponsored by the Photo Club, have been held within the club and school. Thus, this organization has done its part in widening the fine arts of Passaic Valley.

Back Row: George DePew, Ralph Wright, Bert Saunders, Wes Hutcheson, Vic Boccardi, Mr. Kuziora, Adviser.

ART SERVICE CORPS

Under the direction of Chester Kuziora, the Art Service Corp gives interested artists an opportunity to use their talent. This service organization provides posters, stage settings, and program covers for various school functions. They also set up display windows in the school halls to further awaken Passaic Valley students to the Fine Arts.

JUNIOR ARTISTS

JUNIOR ARTISTS

CLASS OFFICERS

Sitting: J. Nardella, C. Lewis, S. Donnelly. Standing: M. Schleicher, B. Tyll, E. Pasquariello.

Our first year at Valley was very successful due to an active participation in sports, and an exciting "April in Paris" dance. We chose Joe Nuzzo, Bill Thurlow, Adele Schneider, Belinda Olivito, and Karen Requa to represent us.

Soon we were Sophomores. What better way to start a new year than by electing Joe Pascalli, Al Neumann, Adele Schneider, Belinda Olivito, and Elaine Pasquariello as class officers. We reached the moon during the magazine campaign and were deeply thrilled to be acclaimed highest salesmen of the school. Our "Sayonara Serenade" was also a tremendous success.

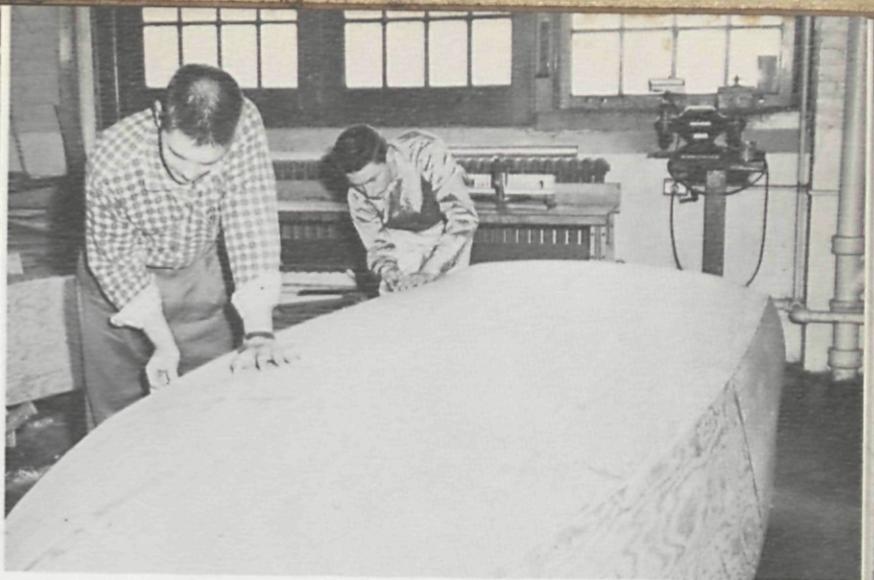

At last, we are Juniors. We have reached a high point in our academic standing. We elected Carl Lewis, Judy Nardella, Sharon Donnelly, Barbara Tyll, and Elaine Pasquariello as Junior class officers. Our "Christmas Cotillion" was the first dance ever held in the cafeteria.

Many of our boys received letters in sports, and many of our girls made the cheering or twirling squads.

As Junior Artists, we have almost reached the last rung of the ladder. We are now living for the moment when we will become full-fledged Artists.

LATIN CLUB

The Latin Club is a newly formed member of Passaic Valley organizations. It consists mainly of Latin students. Under the direction of Annabelle Welliver, the club acquaints members with Roman culture. This is done with the hope that the members will understand and appreciate the value of the many contributions that Roman culture has made to our present society.

GERMAN CLUB

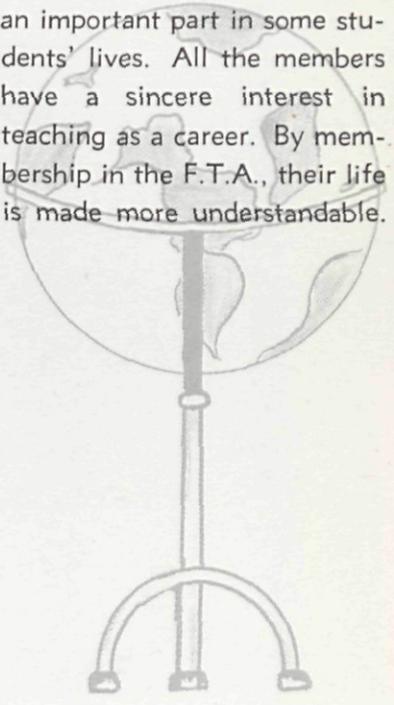

The German Club is essentially a social and cultural organization, established to further and stimulate interest mainly in the German culture of art and society.

Furthermore, the club, under the sponsorship of Seigmund Haus, is a service organization. It performs services for the community as well as the school. It has undertaken a translation service, and has presented several informative assemblies.

FUTURE TEACHERS OF AMERICA

Although the F.T.A. is a fairly new organization at Passaic Valley, it has become an important part in some students' lives. All the members have a sincere interest in teaching as a career. By membership in the F.T.A., their life is made more understandable.

LANGUAGE FACULTY

Students who choose an academic course at Passaic Valley are required to study a foreign language. The members of the Language Faculty teach these students the fundamentals of either French, German, Latin, or Spanish. In these courses, the students are acquainted with the derivation of English words from foreign languages. After Commencement exercises, this academic art is used by the students in a higher scholastic field.

The Science Club is under the supervision of Roger Barr. The object of this club is to stimulate interest in science and further the scientific education of the members. This is done through lectures, experiments, demonstrations, and audio-visual aids. This club also aims to provide advanced classes for interested members.

Since the Science Club was started, it has been organized and accepted by the S.G.A. It has also been successful in gaining membership in the Science Clubs of America.

SCIENCE FACULTY

The Science Faculty, headed by Thomas Kean, endeavors to awaken the students of Passaic Valley to the ever widening field of science. By selecting such courses as General Science, Biology, Chemistry, and Physics, the students begin to delve into the fascinating wonders of the world. An academic art, science is an ever-dominant topic of the present and future.

Chess has fascinated men for years. Its beginnings date from the sixth and seventh centuries, although modern chess wasn't played until about the fourteen hundreds. The Chess Club is teaching this modern game of chess, which interests intellectuals the world over. This organization strives, under the guidance of Robert Werner, to arouse the students' interest in the game. The club has also formed a team that plays other schools.

JOURNEYMEN

SOPHOMORE CLASS OFFICERS
Sitting: L. Siedel, M. Maglio. Standing: E. Mayron, Adviser; R. Caputo, V. Talerico, J. Padalino.

SOPHOMORE CLASS

As Freshmen, we were not lax in our activities, but as Sophomores, we out-did ourselves. The excellent leaders we elected to guide us through this year were: John Padalino, Victor Talerico, Lorraine Seidel, Ronald Caputo, and Marge Maglio.

We took second position in the magazine sale, bringing future needed profits into our treasury. But we were not satisfied with this deed alone. We went on to participate in many Masque and Sandal productions, adding a bit of culture to the history of the Sophomore Class.

And being industrious students, we took an active part in sports. During football season, we could be both seen and heard on the football field. We feel certain our boys helped the J.V.'s to victory.

The "Coronation Dance" was certainly a pleasant way to end a pleasant year. We stand a little taller, a little prouder; for soon we will be Juniors, but we feel sure that our outstanding feats as Sophomores have definitely exemplified the meaning of the Commercial Arts.

COMMERCIAL SERVICE CORPS

The Commercial Service Corps provides an opportunity to apply knowledge taught in the business curriculum. It offers members the necessary practice to become efficient servers in the business world. They also provide the faculty and school organizations with mimeographed and typed material. This service group is under the direction of Harriet Griswold.

"This is how it's done."

The Commercial Department Faculty, headed by Helen Williams, prepares Passaic Valley students for the business world. In the business courses offered at P.V., the students are alerted and introduced to the commercial arts, which are such an important part of our modern-day world.

VALLEY VARIETIES

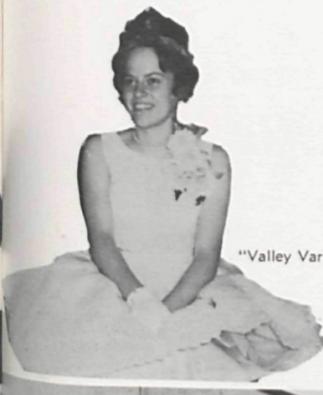

On May 8, 1959, Passaic Valley was miraculously turned into a carnival of booths and shops.

As a prelude to the evening's exciting activities, the buffet supper was served in the cafeteria.

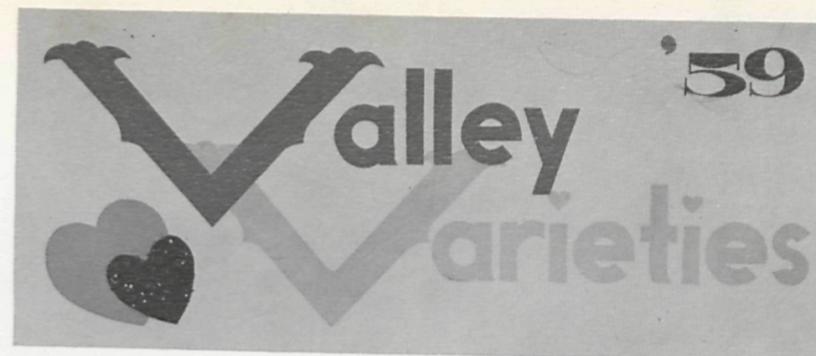

Later in the evening, the auditorium show, "How To Propose," was presented. The combined efforts of Adra Suchorsky, Alyn Heim, Peter Sirch, William Neal, William Hoover, a large cast and many hours of rehearsals made the auditorium show an enjoyable one.

The coronation of Noel Brown and Debbie Hunkele as King and Queen of the Valley Varieties climaxed the evening's events. Members of the court were: Judy Bomsin, Sharon Donnelly, Marie Halachik, Maureen O'Neill, Diane Voos, Richard DeGraw, Tom Lisika, Frank Luzzi, Bill St. Pierre, Mike Smith.

This was certainly an outstanding event of the year, made possible by the cooperation of students and faculty alike.

INDUSTRIAL ARTS

s

With a firm desire to learn the four arts deep in our hearts, we entered the wide doors of Passaic Valley as confused and perplexed Freshmen.

Our initial step on the road to the arts was the election of our class officers. Those elected were: President, Philip Mizzone; Vice President, Kenneth Samra; Secretary, Coralee Carson; Treasurer, Patricia Suriano; Historian, Joan Hoedemaker. Guided by Joan Hopper, we laid the foundation for the Class of 1962. After Christmas we launched into the magazine campaign. As ever energetic Freshmen, we were the highest in the school with a total sale of over \$1600. To add to this fine record, we had over 35% participation.

"Hawaiian Hula Hop" was the theme of our class dance. The tropical decorations effectively set the mood.

With a great knowledge of the first of the Four Arts firmly implanted on our minds, we were ready to take the second great stride down the road to the arts.

INDUSTRIAL ARTS FACULTY

Headed by James Worden, the faculty of the Industrial Arts Department has accomplished much in contributing to activities at Passaic Valley. With their talents, they have influenced and guided students to success in the many separate phases of the Industrial Arts field. The highlight of the year comes with the annual Arts and Science Fair at which the work of the students is displayed.

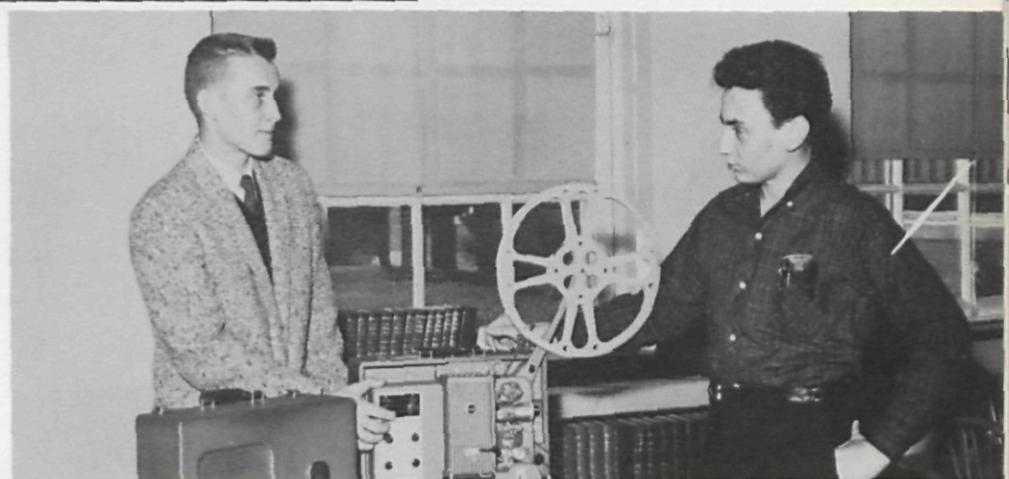

The audio-visual aides is a service organization under the supervision of Thomas Kean. The members perform many varied tasks associated with audio and visual aids. They help teachers in modern teaching methods and run projectors for assembly programs. Participation in this service organization enables the boys to add another Industrial Art facet to their skills.

Assistant Coaches

Although the Passaic Valley Gridders dropped their first three games of the 1958 season they quickly regained their form of the past year. Under the sturdy hand of Coach Steve Gerdy, they won their remaining five games and the Lakeland Conference title for the 2nd straight year. Two of the outstanding contests of these last 5 games were those with Dover and Pompton Lakes.

As the Dover game went into the 4th quarter with the score tied 14-14, our line held Dover and we took possession of the ball on our own 37 yard line. Quickly, Tom Liska broke loose and sped 61 yards for the touchdown. Nearing the end of the 4th quarter, a Dover threat began to materialize, but it was stemmed by Richie DeGraw, who intercepted an attempted touchdown pass. With seconds to go, Liska again ran for the touchdown, leaving Dover to brood over a 28-14 defeat. On November 8 our Hornet team was supposed to be routed by Pompton Lakes, but this didn't impress George Riker. Leading the way the Green Hornets stung Pompton 38-13, with George personally accounting for 18 points.

Comprising the backfield for the championship Hornets were: Tom Liska, George Riker, Rich DeGraw, Jack Bellinato, Ralph Studio, and Paul Yurkosky. On the line were: Noel Brown, Ken Wetzel, and Joe Pasacalli, ends: Lou Diani, Bruce Coull, Dean Herdman, and Lou Mikesell, tackles: Tony Caravetta, Jim Dowd, and John Spano, guards: Bob Fritschie and Joe La Vecchia, alternated at centers.

Many members of the 1958 squad appeared or received mention on the different "all" teams throughout the area and state. To top off a successful season, a member of our team, Tom Liska, was the highest scorer in this area.

BASKETBALL

ELMER GRISWOLD
Coach

Our Hornet basketball team closed their regular 1959 season by establishing a new single game scoring high in whipping Boonton 94-45. This win left Valley with a record of 6 victories and 4 defeats in conference competition, and an overall record of 13 wins and 6 losses.

The plague of this year's team was the losing of many close games and through the loss of these tight contests our Hornet team placed third in conference competition. To the surprise of everyone but the students at Passaic Valley, our fighting Hornets won the Lakeland Conference Jamboree by downing Wayne 60 to 56; and Newton 61 to 57. The team also won the first round of the state tournament, beating River Dell 55 to 53; in the second round we lost to Demarest 55 to 59.

It is rare to find a squad like Mr. Griswold's team this year, for all members possessed the knack of point making. Due to this quality the scoring honors were shared by all of the players.

Jumping at center were: Frank Luzzi, Dave Rigg, Bill Kortman, and Ron Fraser; the forward positions were filled by Bill St. Pierre and Harvey Levine, the co-captains; at guard were Richie DeGraw and Regis Mernick. Others who saw frequent varsity action were Bob Maxwell, Bob Cole, Vic Basil, and Frank Nochimson.

With the promising look of the J.V.'s, who finished their season with a fine record of 16 wins and 3 losses, the outlook for the coming 1960 season is a bright one.

Co-Captain, Bill St. Pierre; Head Cheerleader, Maureen O'Neil; Co-Captain, Harvey Levine.

Kneeling: R. Mernick, V. Basile, R. DeGraw, B. St Pierre. Standing: D. Fenwick, Manager, D. Rigg, F. Luzzi, B. Cortman, H. Levine, Coach Griswold.

Basing his hopes on the many returning members of last year's co-conference championship team, Coach Griswold was able to look forward to another victorious season.

On the mound for the Hornets we find Mike Hrinda, Charles Forsyth, Regis Merenick, and underclassman Ken Weaver. Behind the plate, Wally Dayton and Jim Schillinger serve as catchers. Swinging around the bases we see Vic Basil at first, Joe LaVecchia and Phil Tiritilli at second and Tony Maglio covering third. Playing short is Bob Dykenga.

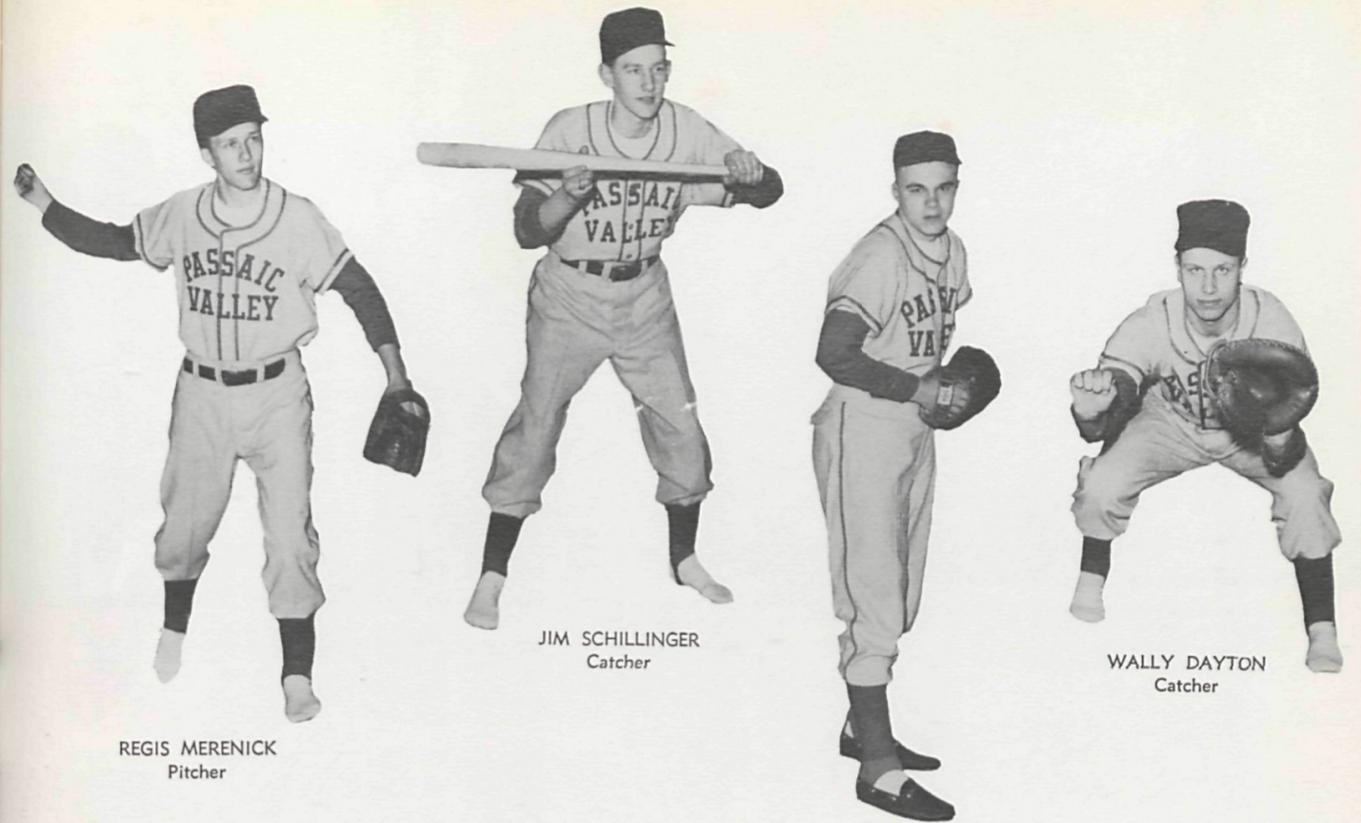

In the outfield Paul Yurkosky covers left, Bill St. Pierre center, and Frank Luzzi, right field. Others who showed skill, and saw a good deal of action were: Tom Van Kershaver, Pete Lima, and Bruce Coull.

With this strong defensive and powerful hitting squad, Coach Griswold and his team pulled through another successful season.

CROSS-COUNTRY

The 1958 Cross-Country team, with fine coaching by Joe Farrell, ended the present season with an accreditable record of eight wins and only two defeats.

Passaic Valley finished fourth in the first County Cross-Country meet at Garret Mountain. The team also made an outstanding showing in the State and Conference Meets; they finished eighth out of the twenty-eight schools that ran in the State Meet and second in the Conference.

Pacing the team, this year, to its many victories were Bob Berthold, a senior, and speedy Mike Ginnotti, a sophomore.

Other lettermen who filled most of the first ten places in each meet are: Seniors, Gene Ridgeway, Don MacGillivray, Mike Fengya, and Al Hopkins; Underclassmen, Bob Reither, Bill Sansone, and Al Warnasch.

GOLF

With the first signs of spring a fine group of Valley linksters, led by Dick and Bob Kadel, Vince Guido, and Ralph Wright, swung into action.

Under the capable guidance of Mr. Kean, this team has had a highly successful season in the new Passaic County Golf League. Paterson Tech, Eastside, Clifton, Paterson Central, and Wayne also displayed their skills in the new league. Valley's team also played many independent matches.

BOWLING CLUB

The Bowling Club, with Annabelle Welliver as its adviser, includes both boys and girls as members. At its weekly meetings there is competition and practice for individual and group improvement. At the end of the year, a trophy is awarded to the member of the club with the highest average score. The club promotes good bowling and good sportsmanship.

J. Bomsin, White Chief; M. O'Neill, Secretary; B. Stevenson, Vice President; D. Gioseffi, President; L. Mirabelli, Treasurer; M. Halachik, Green Chief.

The Girls' Athletic Association is an organization to which every girl at Passaic Valley belongs. The association fulfills its motto "A girl in every sport, a sport for every girl" by sponsoring: Hockey, Bowling, Archery, Basketball, Tumbling, Softball, Table Tennis, Badminton, and Modern Dance. These clubs meet after school, adding to the co-curricular arts of P.V.

The 19th annual Girls' Show and the G.A.A. dance highlighted the past season.

The G.A.A. Council, advised by Lorraine Duffy, is elected by the girls of Passaic Valley. The Council makes the regulations directing the Girls' Sports Program.

Two Chiefs and Dr. Schneider with Girls' Show Trophy

GIRLS' SHOW

The exciting 19th annual Girls' Show was held on March 20, 1959. The Greens, headed by Marie Halachik, represented Autumn while the Whites, headed by Judy Bomsin, portrayed Spring.

With such artistically inclined themes, the girls were bound to put on a good show. The evening started with the Whites arriving as graceful flowers, drawing their Queen in an old-fashioned flower cart. Then came the Greens; colorful autumn pixies heralding their Queen, who arrived in a golden acorn. The Greens won Entrance, Modern Dance, and Tumbling. The Whites, not to be outdone, took Cheering and Relays.

The Greens were now one point ahead of the Whites . . . tension increased . . . excitement mounted . . . victory now depended on the outcome of the basketball game. Both teams played a good game, but the Whites came out in the lead. The Whites won the show, with the final score, 41-44.

This excellent show was produced through the cooperation of the physical education teachers — Lorraine Duffy, Ellen DeLeyer, and Josephine Charmion. The G.A.A. Council's assistance was also gratefully acknowledged.

CHEERLEADERS

Seen regularly at all of our football and basketball games, Passaic Valley's peppy cheerleaders have led our teams to victory and success. Winner of the 1958 Lakeland Conference Football Championship and the 1959 Jamboree basketball games, the school is indebted to the unfailing spirit and encouragement of the cheering squad, headed by Maureen O'Neill.

The Cheerleaders have included in their crowded schedule, a successful dance, and cheering in the first State Conference games. Their faculty adviser is Adra T. Suchorsky.
