FOREWORD

We believe . . . two simple words which affirm our faith in the principles of the United Nations. What do we believe? We believe that the United Nations can achieve a world in which we can all live together in peace as good neighbors and that this goal is worth a superhuman effort.

We, the Class of 1960, pledge to uphold our faith in the equal rights of men and women by striving to maintain and put into practice the high standards which our teachers and advisers have instilled in us.

Throughout the following pages, we shall attempt to illustrate, by word and by picture, our small contribution towards achieving long-lasting brotherhood.

DEDICATION

Edward T. Schneider, B.S., M.A., Ed.D.

SUPERINTENDENT

With great pride and much pleasure we gratefully dedicate this Year-book to a most respected and honored personage, Dr. Edward T. Schneider, on his twentieth anniversary of service at Passaic Valley High School.

You, Dr. Schneider, have encouraged and aided all our endeavors, and you have offered invaluable assistance to us at all times. In our eyes, you have always upheld the basic principles of honesty, justice, and equality. We sincerely appreciate your expert guidance and patient understanding.

On this auspicious occasion, we offer our warmest congratulations for these twenty successful years of public duty, and we extend our heartfelt wishes for an even more prosperous future.

Michael F. Gatti, B.A., M.A.

VICE-PRINCIPAL
HEAD, SOCIAL STUDIES DEPARTMENT

We, the Class of 1960, do hereby acknowledge your efforts, Mr. Michael F. Gatti, to assist us throughout our years at Valley. You deserve careful recognition for your helpful advice and thoughtful assistance in directing our student activities.

ADMINISTRATION

Paul Nixon, B.S., M.A.

ADMINISTRATIVE ASSISTANT

Mr. Paul Nixon, we wish to wholeheartedly thank you for rendering such valuable service to us in your various capacities throughout the school. We shall long remember the unselfish giving of your time and knowledge to Valley and its ever-expanding program of activities.

BOARD OF EDUCATION

An obvious, but often forgotten fact is that a school cannot function properly without a Board of Education. We are indeed fortunate to have the services of a modern-minded, efficient advisory board. We wish to acknowledge the many fine accomplishments which our Board has achieved for us during our four enjoyable years at Valley.

IN APPRECIATION

Margaret
Schleicher

Mrs. Margaret Schleicher, the Class of 1960 is thankful to you for the assistance you have given us during our years at Valley.

As class adviser you have skillfully directed our many activities and have helped us cope with the various problems which arose. Our success at Valley is due largely to your urging us on to ever higher goals.

CLASS OF '63

CLASS OFFICERS: Donna Kay Spiak, *Historian*; William Ridings, *Vice President*; Mr. Petrello, *Adviser*; Ronald Naples, *President*; Frances Fritschie, *Secretary*; Bernadette Bevacqua, *Treasurer*.

"Who broke the drill?"

"Browns or brains?"

"Spike it!"

The freshmen began the year very impressively by becoming the top salesmen in the magazine campaign, after selling over three thousand dollars worth of magazines. The class was well over the set goal and led the other classes by a large margin.

In other fields, the freshmen also excelled. Their football and basketball teams both ran up excellent records, and the boys showed great promise. All the freshmen who participated in sports demonstrated good sportsmanship and were recognized for their efforts. Academically speaking, the class was always well represented on the Honor Roll, and many students have begun to compile

good scholastic records.

In April, the class sponsored a very successful dance with the theme of "April Showers." The cafeteria was bedecked in pastel shades denoting the arrival of spring.

The first year at Valley for any class is always an eventful and educational one. This year has been just that for the freshmen. This has also been a year of adjustment for the freshmen: from Freshman Day to the last day of school. Learning the code and rules of a new type of institution isn't an easy job, and we may be proud of the way the freshmen have met this challenge.

"Finger painting—in one easy lesson."

"Coffee, tea, or milk?"

CLASS OF '62

CLASS OFFICERS: *Sitting:* Pat Suriano, *Treasurer;* Philip Mizzone, *President;* Betty Ann Fritschie, *Secretary.* *Standing:* Kenneth Samra, *Vice President;* Kathy Park, *Historian;* Mrs. Hopper, *Adviser.*

" $x + y =$ what?"

"Eat, drink, and be merry!"

"How's your personality rating?"

"Artistes extraordinaires."

Changing horses in midstream is not usually advisable, but the sophomores accomplished this feat with ease. When Mrs. Hopper, their adviser, took a leave of absence, Miss Skuby assumed her role and is now capably directing all class endeavors.

During this second year at Valley, the sophomores have progressed further toward the culmination of their educational career. They have proved themselves to be responsible citizens of the school community and are going on to better things.

This school year for the sophomores was climaxed by the Coronation Dance at which the king and queen, Ken Samra and Pat Suriano, and their court were recognized. This was a moment which will always be remembered by all those involved as a stepping stone in the class history.

Sophomores have been kept busy selling book covers to keep the books of Passaic Valley well protected, and also to fill the coffers of the treasury. The class, in addition, realized a fine profit in the magazine campaign due to the active participation of the students.

CLASS OFFICERS: *Sitting: Mrs. Mayron, Adviser; Ron DeStefano, President; Nancy DeCicco, Secretary. Standing: Victor Talerico, Vice President; Ron Caputo, Treasurer. Not Pictured: Sue McLaughlin, Historian.*

"No erasing allowed!"

"You say you had a cold?"

"What do you mean, Little Falls doesn't get bus tickets."

"Are you sure it says two cups?"

With the beginning of this, the last year before graduation, the Juniors began to realize the importance of school. Many new and more difficult tasks faced them in preparation for their Senior year at Valley.

In school activities, both scholastic and extra-curricular, this class has rated highly. Many Juniors have been recognized for their outstanding record in their studies by gaining admission to the Honor Society. Their enthusiasm to prove themselves has been apparent as many Juniors were to be seen on all of Valley's fine teams. The football, basketball, track, cross country,

and baseball teams have seen the fine participation of many Juniors. The girls were also active in sports, and many Juniors took part in Girls' Sports Show.

The "Christmas Cotillion" was the high point in the year for the Junior class. The cafeteria was decked in gay holiday trimmings with the scene of New York City on Christmas Eve in the background. The gala event will be long remembered by those who attended.

This year has been a pleasant and happy one for the Juniors, and they may look ahead to another memorable year when they become Seniors.

"Share and share alike."

"Law and order."

SENIOR PLAY

On November 13 and 14, the Class of 1960 presented the annual senior play. This year, for the first time in the history of the school, a comedy-melodrama, "Love Rides the Rails," was performed to a full house on both nights.

There were other "firsts" also. More than one set was used for the first time; in fact, there were six different sets of scenery. Musical accompaniment was heard for the first time, being provided by the "Gaslight Flickers."

The cast was headed by Dan Walkowitz, who portrayed the villain, Simon Darkway, complete with black mustache, cape, and top hat. Simon and his accomplice, Dirk Sneath, played by Al Neumann, did their best to get control of the Walker Valley, Pine Bush, and Pacific Railroad from the Widow Hopewell and her lovely daughter Prudence, portrayed by Pat O'Malley and Caroline Martenson respectively. The hero, Truman Pendennis, and his faithful friend, Harold Standfast, finally overcame Simon Darkway and good triumphed over evil. Jim Weston and Lou Caruso acted the parts of the two loyal employees of the railroad.

Other members of the cast were: Carol Gilmour as Carlotta Cortez, the sultry friend of Simon Darkway, Sandy D'Amato as Beulah Belle, the owner of the Paradise Cafe, Charles Paolino, Bruce Conners, and Ilary Sorochynskij as railroad workers, Judy Saracco as Fifi, the French maid, and Adele Schneider, Virginia Hoitsma, Judy Nardella, Judy Nichols, and Marijane Turner as the can-can dancers of the Paradise Cafe.

The production was under the direction of Mr. Neale, whose unceasing efforts made the play the success that it was.

"I'm walking behind you."

Foster Child

The Student Government Association has been organized for the purpose of providing an opportunity for students, while yet in school, to create a democratic community and to exercise their responsibilities as citizens of that community.

In maintaining this democratic community during the past year, the student body experienced great satisfaction. Both student and administration co-operation was demonstrated in obtaining many additional facilities through S. G. A. negotiation.

During the fall months, the S. G. A. sponsored an exploratory Freshman Orientation Program in affiliation with the Honor Society. The evaluation of this project is now on file for future use.

In November, the four officers and three student delegates who had attended the Rutgers Convention gave their various reports to the student body at a special assembly.

The successful magazine campaign and the sponsorship of our foster child, Pasqualina Vittorioso of Italy, were also handled by the S. G. A.

Throughout the entire year the S. G. A. has concerned itself with social problems in the cafeteria and elsewhere. It also began a student court to illustrate the responsibilities of our students while attending Passaic Valley and later in college or at work.

There is no doubt about it. The S. G. A. has experienced a most successful year of school service and citizenship education.

AL NEUMANN
"Mr. President"

S. G. A. OFFICERS
Sue Weill, Treasurer; Al Neumann, President; Belinda Olivito, Secretary; Ilary Sorochynskyj, Vice President; and Mr. Suglia, Adviser.

SAFETY COMMITTEE

With Steve Beke as president, Craig Marshall as vice president, and John Van Houten as secretary, and with the expert guidance of Mr. Kokolus, the Safety Committee actively promotes general safety principles to the students of Valley. Using printed materials from the files of the National Safety Council plus original posters, the committee is succeeding in its aim to keep accidents at a minimum.

Left to Right: Steve Beke, Mr. Kokolus, John Van Houten.

HONOR SOCIETY

The highest honor that can be achieved by a student at Passaic Valley is admittance to the Honor Society. Acceptance is based on both scholastic ability and extracurricular activities.

Under the able direction of Miss Licciardolo, Mrs. Bateman, and the officers: Jane Eaton, president; Bob Merrill vice president; Kathy Allenby, secretary; and Adele Schneider, treasurer; the Honor Society tried a new experimental project—Freshman Orientation. The traditional activities such as selling booster tags, tutoring, Bible reading, flag bearing, and the annual banquet rounded out the year.

PRE-NURSING CLUB

Under the capable guidance of Mrs. Schmidt, the girls of the Pre-Nursing Club are given an excellent opportunity to receive a better view of the nursing profession. The members visit hospitals, listen to guest speakers, and see films and slides concerning their common interest. Many also do volunteer work in hospitals and their communities.

The officers include: Kathy Harding, president; Helen DiGiacomo, vice president; Kathy Allenby, secretary; and Pat Kamienecki, treasurer.

BOOSTER CLUB

Under the superb direction of Mrs. Lindquist, succeeded by Mrs. Pollock, the Booster Club receives much recognition for boosting school spirit. The members arrange for bus transportation to basketball and football games. At the conclusion of the year, the club awards a trophy to the girl who demonstrated most spirit.

The club's officers include the following: Mary McLaughlin, president; Linda Carter, vice president; Mary Jo Rega, treasurer; Diane Angellilo, historian; and Linda Ritchie, transportation committee chairman.

The German Club of Passaic Valley, under the capable leadership of Mr. Haus, tries to promote and stimulate interest in German culture and learning. This year the club decided to print a German newspaper with articles written by German students.

With James Wasvary as president, Larry Neugebauer as vice president, Paul Scalice as treasurer, and Betty Rielly as secretary, the club enjoyed a most successful year.

GERMAN CLUB

ASSEMBLY COMMITTEE

This year the Assembly Committee, under the direction of Miss Licciardolo, began its program for the year with an original quiz show written by the club's members entitled "You Bet Your Sanity." Again the Assembly Committee produced its annual Talent Show which was as always well received with much enthusiasm. In the latter part of the year, a panel show based on "I've Got A Secret" was also given. In addition, the members of the club went on a field trip to New York to see a Broadway play.

The officers include Marge Norman, president; Marion Lukaszewski, vice president; Betty Rielly, secretary; and Arleen Tetla, treasurer.

CHESS CLUB

Under the sponsorship of Mr. Trimmer, the Chess Club, with Larry Neugebauer as president, Bob Neugebauer as vice president, Bob Gibson as treasurer, and Michele Mihalyco as secretary, had its largest membership this year, with girls for the first time recognizably present. Its Chess Team, under Walter Tomasch, completed quite a successful season in competition against teams of other schools in the area, and gave its members some insight into the workings of 'team' chess competitions.

ART SERVICE CORPS

Under the able guidance of Mr. Kuziora, the members of the Art Service Corps provide the necessary art work for many of the school functions. A few of these services include silk screening of posters and covers, stage designing, and display showcases. The Industrial Arts and Science Show is an important climax illustrating some of the work done throughout the year.

The officers of the club are: Charles Trushell, president; Bruce Hemming, vice president; Linda Neiman, secretary; and Judy Porter, treasurer.

MASQUE AND SANDAL

Under the direction of Miss Licciardolo, the Masque and Sandal members initiated the year's activities with a series of dramatic readings. This year the Masque and Sandal's major event, the three-act play, was entitled "Blithe Spirit," a hilarious and improbable comedy written by Noel Coward. In addition, the club also produced a one-act play, a farce, "How to Get Married." The club's officers also produced a one-act play called, "If Women Worked as Men Do," including Caroline Martenson, president; Pat O'Malley, vice president; Jeannie Schutz, secretary; Sandra Briguori, treasurer; and Marge Reigottie, historian.

SCIENCE CLUB

Spending its second year of existence in giving its members knowledge of some basic principles of science through demonstrations, films, and dissertations, the Science Club has been very active. Sponsored by Mr. Aharrah, this club has as its officers Walter Tomasch, president; Bob Gibson, vice president; Bob Merrill, treasurer; and Alan McNab, secretary.

COMMERCIAL CLUB

Composed of business students who have an active interest in their studies, the Commercial Club provides an excellent program for them. The club sponsors awards for deserving Typing I and II students and also gives an annual award to the most outstanding business student.

The club presents an annual business play to the student body which is always well received, and also sponsors the Thanksgiving Eve dance. The club is ably guided by Mrs. Williams and its capable officers, who are: Judy Homer, president; Nancy DeCicco, vice president; and Kathe Waldhauer, secretary-treasurer.

The Stage and Lighting Crew, under the direction of Mr. Kuziora, has provided the necessary backgrounds for such school activities as the Christmas Concert, Girls' Show, all dramatic plays and Valley Varieties. Many of their new lighting effects have stemmed from the ideas the members have witnessed in Broadway plays and shows.

The officers are: Reinhardt Schauble, president; Joe Nuzzo, vice president; Al Warnasch, Secretary; and Jim Wedlake, treasurer.

STAGE AND LIGHTING CREW

LATIN CLUB

Beginning the year with the election of Primus Consul James Jager, Secundus Consul Blanche Beemer, Scriptor Judy Saracco, and Quaestor David Young, the Latin Club got off to a good start. The purpose of this organization is to promote interest in the Latin language and Roman culture by showing their influence upon us today. To realize these aims, the club enjoys monthly entertainments such as original plays, music appreciation, and panel discussions. The highlights of the club year are a field trip and an authentic Roman Banquet.

The audio-visual aids is a service organization under the guidance of Mr. Kean. The members of this organization aid teachers by running projectors for classes and assembly programs. By participating in this service organization, the boys learn many skills in the field of Industrial Arts.

The officers of the club are: president, Ken Kulick, and vice president, Leonard Andriuzzi.

AUDIO VISUAL AIDS

F.T.A.

Open to interested Seniors and Juniors, the Future Teachers of America Club strives to show the members the varied aspects of teaching and to help qualify them for this career.

To do this, the club sponsors many programs and hears many guest speakers. This year, under the leadership of their adviser, Mrs. Schleicher, they have begun a program of services for the school. The officers are: president, Sue Weill; vice president, Pat Flanagan; secretary, Emilia Polizzotto; and treasurer, Elaine Pasquariello.

TRI-HI-Y

One of the service organizations in operation at Passaic Valley is the Tri-Hi-Y. The purpose of the club is to create, extend, and maintain true Christian character and ideals in the home, school, and community. Headed by president Jane Eaton, vice president Ellen Daniels, secretary Diane Angelillo, treasurer Carol Kosko, chaplain Carol Cronk, historian Pat Flanagan, and sponsor Mrs. Suchorsky, the club has performed many worth-while activities, which include making cancer dressings, giving a Christmas dinner to a needy family, and a new project which is supporting the Christian Home in Fort Lee, New Jersey. The club also sells Easter candy and sponsors an annual Valentine's Dance.

HI-Y

The Hi-Y of Passaic Valley, which is related to the Y.M.C.A., is a service club for the school and community.

This year its members were entertained by Mr. Savidge and Mr. Farrell as speakers at their meetings. Also, in conjunction with the Tri-Hi-Y, the Hi-Y visited and donated to the Fort Lee Christian Home for Children and sponsored the annual Valentine Dance. The officers were: Al Neumann, President; Bob Merrill, Vice President; Rich Ward, Treasurer; Craig Marshall, Secretary; and John Mantuano, Chaplain.

As always, the boys could be found checking coats at the dances.

DANCE BAND

Under the capable direction of Mr. Heim, the dance band serves the school in many ways. Besides running the business of the band, the officers and members choose new music. The band played for the talent shows, plays, various assembly programs, and at the faculty dance.

The officers are: president, Ronald DeStefano; vice president, Al Albinson; secretary, Sharon La Venture; treasurer, Sandra Parker; and librarian, Joseph Padula.

One of Valley's newest and brightest clubs is the Boys' Glee Club. Many of the boys who enjoy singing have found group singing to be a very pleasant pastime. Under the swinging direction of Mr. Heim, the club has become a polished and smoothly organized singing group. Included in their repertoire there may be found rousing college songs, sweet ballads, and current hits. The club has performed to gratified audiences at the Talent Show, in the Christmas Concert, and at the Little Falls Woman's Club.

The membership is steadily growing and the activities of the club are being enlarged. The club functions under the supervision of Bob Merrill as president, Mike Bruno as vice president, and Harry Bonfanti as treasurer.

BOYS' GLEE CLUB

ATTENDANCE CHECKERS

The girls who serve as Attendance Checkers are very familiar in the halls of Valley. Their duties are composed of collecting the attendance slips in each class and also helping in the office. These girls give up their free period to perform this work, and they are to be commended for their assistance. The girls are under the direction of Mrs. Jaworski.

STAMP CLUB

Initiated by some students who were interested in stamp collecting, the Stamp Club soon found a sponsor and began to function as one of P. V.'s clubs. At the meetings the members discuss collecting stamps and have an opportunity to trade with other students. Mr. West is the club's adviser and the officers include: Bob Merrill, president; James Dwan, vice president; and Ronald Hackos, secretary.

PHOTO SERVICE CORPS

Under the guidance of William Neale, the Photo Service Corps, a most valuable organization, supplies school photographs for the VALLEY GREEN, "Valley Echo," and other newspapers connected with the high school.

The boys may often be seen taking pictures around the school and at various school activities. The fine pictures which the corps turns out are developed in our own darkroom by the members.

Its leaders cannot be overlooked. They are: president Walter Fredericks, vice president Drew Andry, secretary Ronald Caputo, and treasurer Charles Herrmann.

The year's activities of the Photo Club were many and varied. Under the sponsorship of Mr. Neale, with Jim Wasvary as president, Bob Gibson as vice president, Lauren Berkley as secretary, and Isabelle Levin as treasurer, the club strived to educate its members in the technical operations of photography by showing films on the subject and by giving practical demonstrations in the darkroom and afield.

PHOTO CLUB

LIBRARY AIDES

As members of the Library Aides, students interested in the fascinating world of books are learning the rudiments of library science. Under the capable guidance of Miss Miller, members learn how to sort, shelve, and catalog books, and how to proceed as librarian-in-charge in the absence of their sponsor.

The appreciation of the whole school is due to the members of the Commercial Service Corps, for this is another of our fine service organizations. Under the direction of Mrs. Griswold and Mrs. Williams, the students perform such services as typing, mimeographing, and duplicating. The Corps also gives the student an excellent opportunity to apply information taught to him in his business classes.

FOOTBALL 1959

Despite numerous upsets and reversals of the nine games played during the football season, the Passaic Valley Hornets showed tremendous team spirit.

Coach Steve Gerdy had to train and develop a new backfield which could spearhead the attack against our adversaries. While the training of a new backfield was under way, several capable members of the team, John Spano, Ronnie Rombough, Ray Natale, and Richard Canfield, sustained injuries which inactivated them for the remainder of the season.

Bad weather caused several cancellations and made playing conditions rather difficult.

Valley's typical spirit illuminated Walton Field Saturday, October 3, when Valley defeated Caldwell in a tremendous display of football skill.

In the second half, a punt by Valley's Borino was received and fumbled by Caldwell, Valley recovering. After a series of plays, Borino made it 7 to 6 in Valley's favor. The score remained the same throughout the remainder of the game, giving Valley its hard-fought-for victory.

BASKETBALL 1959-1960

Valley's Basketball quintet was piqued this year mainly by a lack of varsity veterans. Bill Kortman, 6' 2", and Dave Rigg, 6' 3", were our only returning lettermen this year. Up from the J.V.'s were Ray Freeman, Bob Colle, and Frank Nochimson.

As far as the season was concerned, the Hornets started off on the right foot but just couldn't keep stepping. Valley beat Eastern Christian in the opener by a score of 67-57. Bill Kortman, Dave Rigg, Ray Freeman, and Bob Colle hit all double figures in this thriller. Other teams who were beaten by Valley were: Paterson Tech, Boonton, Hawthorne, and Butler.

Two other boys who must be commended are Ken Kulick, a great ball-handling guard, and Joe Karpiak, a set-shot artist. They added the spark which was needed on some occasions.

We at Valley should be proud of Coaches Griswold and Suglia and their respective teams.

BASEBALL 1960

Coach Griswold has much confidence in both his lettermen and his newcomers this year. With a strong defensive and powerful hitting squad, he shouldn't have too much to worry about.

On the field, the most familiar Hornet line-up will probably be Vic Basile at first, Phil Tiritilli at second, Brian Hearn or John Donaldson at shortstop, Joe La Vecchia at third, Paul Yurkowsky in left field, Nick Krisa at center field, Frank Lembo in right field, and Pete Lima behind the plate. Our mound-men are Tom Comins, Bob Dunn, and John Ferretti.

TRACK 1960

With the return of last year's lettermen plus a nucleus of new underclassmen our track squad looks as if it will prove to be a valuable asset to Valley this year.

Many of the boys show great potential; and, with experienced Joe Farrell as their coach, they expect to have a very successful season.

Highlighting the track squad are Bob Dykenga, Al Warnasch, Barry Fichter, Bill Kortman, Charlie Trushell, and Steve Beke.

CROSS COUNTRY 1959

Again this year, Coach Joe Farrell and his cross country squad terminated the season with an outstanding record of 10 wins and 1 loss in dual meet competition.

Throughout many practice sessions Coach Joe Farrell was displeased with the poor performance of his group. At the dual meets however, the boys ran hard and showed a keen desire to win.

Those who usually competed in Varsity meets were Mike Ginnotti, a junior, Don Ginnotti, a sophomore, and Bob Reither also a junior. Other top members of the squad were Otto Schroeder, John Van Houten, and Al Warnasch, all seniors. Underclassmen included Jim Wedlake, Bill Hagman, Ken Samra and Walt Mayer.

At the Lakeland Conference Meet, Passaic Valley finished second only to Wayne. At the Passaic County Meet the Hornets placed third with Eastside first and Wayne second.

BOYS' ARCHERY CLUB 1959-1960

An up and coming organization at Valley is the Boys' Archery Club. Piloted by president Mike Bruno, vice president Jim Brown, secretary Bradley Stiles, treasurer Allen Hughes, and sponsor Mr. Czerniecki, the members have participated in inter-club competition and shot in a match against the girls. They have learned how to make bow strings and arrows, and they have also presented a movie on archery to the student body.

GOLF 1960

For the past fifteen years, our golf team has finished their seasons in either first or second place in competition. P. V. has always been known for its fine golfers. This year's team, guided by Mr. Kean, hopes to compile a good record, also.

Trying to live up to the records of previous teams will be no easy task. Yet, the boys are willing and able, and team spirit is high.

Led by the Co-captains, George Blysak and Bill Talerico, the boys will compete in the newly formed Passaic County Interscholastic Golf League.

A TRIBUTE TO A COACH

We were surprised to hear that Mr. Griswold is stepping down as head basketball coach. Due to the increase in school population, he will devote more of his time to his position as Director of Athletics.

Mr. Griswold's record is very outstanding. He has had some of the greatest people play *under him*, and his capable coaching has enabled them to become most proficient at their sport.

To you, Mr. Griswold, the editors of this book, the student body, the administration, and each of Valley's former students wish to you the very best to one of the best.

GIRLS' SHOW

The new and exciting 20th annual Girls' Show was held on March 18 and 25. The White team, headed by Betty Win-schuh, represented the Enchanted Forest while the Green team, under the leadership of Sharon La Venture, represented the Kingdom of the Sea.

As always, the spirit and sportsmanship displayed by both teams was indeed excellent.

Both nights of the show were exciting and colorful in every way. The White team took the final victory by winning Entrance, Exercises to Music, Modern Dance, and Relays. The Greens, not to be outdone, captured Basketball and Tumbling.

This excellent show was produced through the co-operation of the Girls' Athletic Association and the physical education teachers.

AT FOOTBALL GAME

Led by Kathy Harding, head cheerleader, our peppy cheering squad has done a wonderful job this year in keeping our spirits high during the football and basketball seasons.

They have also worked in conjunction with the Booster Club to promote school spirit at all athletic events.

The cheering adviser is Mrs. Adra Suchorsky.

Music is a vital part of the life of every American youth, whether it be progressive jazz or classical style. Valley has in its curriculum the finest advantages for the high school student. The music students work hard to maintain the fine reputation which the department has attained.

Throughout his four years, each student has the opportunity to take part in the vast program of musical organizations. Valley's fine choral groups—the girls' chorus, the boys' glee club, and the choir—have performed in assemblies, Valley Varieties, and the annual Christmas Concert. For the instrumentalist, there is the marching band, the concert ensemble, and the dance orchestra, which participates in many school functions, including the annual band concert and Valley Varieties.

Most important is the student's opportunity to demonstrate his excellence in qualifying for the Lakeland Conference and New Jersey's All-State Bands.

ARTS, CRAFTS, AND SCIENCE SHOW

The annual Arts, Crafts, and Science Show held on April 1, 1960 was entitled "Promises of Tomorrow." To the over two thousand spectators attending the show it did seem as if the future will be full of bright promises if one can judge by these exhibits.

Hundreds of projects were on display in the fields of Fine Arts, Industrial Arts, Home Economics, and Science. All projects were the creations of Passaic Valley students, and they were examples of the fine work which is being done in courses here.

The highlight of the evening was the crowning of the Cedar Queen, Sandy D'Amato. The queen, selected by popular vote of the student body, received a cedar chest constructed in the wood shop.

The halls of Valley rang with laughter and shouts, as the twentieth annual Valley Varieties was held on May 6. The school hummed with anticipation in the preceding weeks as preparations were made by students and teachers alike. The traditional buffet dinner, varied concessions, and the auditorium show filled the night.

The show this year was called "That's Life" and was presented twice during the evening. The plot centered around a small black box which Professor Funicio Farfaloni claims can destroy the world. The news of his discovery shocks the world and people flock to his laboratory to try to persuade him to use or not to use his invention. The surprise ending proved hilarious and the cast is to be commended for its fine work.

The highlight of the evening was the crowning of the King and Queen of Valley Varieties. Those chosen by vote of the school were Sharon Donnelly and Joe La Vecchia. Their court was composed of: Sandy D'Amato, Carol Gilmour, Judy Nardella, Elaine Pasquariello, Diane Xiques, Ron De Stefano, Jim Dowd, Bill Kortman, Ken Samra, and Jim Weston.

VALLEY GREEN

The task of turning out a fresh and completely new year-book each year is an enjoyable one for the staff of the VALLEY GREEN. We feel that the product of our endeavors this past year is the best year-book yet.

With the able guidance of Mr. Boyce, Mr. Kuziora, and Mr. Smith, we have surmounted such problems as: what picture should be put on what page, what color should the cover be, and what word finishes this sentence the best. We hope that the finished product is worthy of our theme — The United Nations, We Believe.

VALLEY ECHO

The "Valley Echo," under its adviser, Mrs. Curran, was most successful this past year. The 1959-60 season saw the "Echo" addition of an extra page. The innovation was brought about by Co-editors-in-chief Dan Walkowitz and Dave Holland.

Dan and Dave, along with Associate Editors Carol Gilmour, Mary McLaughlin, Margaret Norman, and Louise Oliver, spent many hours achieving a successful and enjoyable newspaper.
