## FOREWORD

Communication is the pulse of life. It is a most essential ingredient for the continued existence of all mankind.

Through the various mediums of communication such as books, newspapers, and radio, we receive the thoughts and talents of others. We may, however, evince our individual selves through other methods of communication. Scholastic and athletic endeavors, the creation of vivid music, and the presentation of theatrical productions all serve as means by which we may transmit our feelings and ideas to the outside world.

And to this external world we express the hope that the endeavors of well-qualified leaders to bring all nations together in harmony will be furthered by a more effective interchange of views. When and only when communication is synonymous with understanding will our ultimate goal be attained.

## Dedication

Speaking few words, Mr. James Worden has let his actions earn for him the respect and affection of all Valleyites. As our unsung hero, he has been the vital spark behind the expansion of the Industrial Arts Department. When Mr. Worden came to Passaic Valley in November, 1942, the department was composed of just two instructors. His able guidance and direction over the years have made possible the growth of the department, which now employs seven men and offers a varied, comprehensive program.

So many phases of Valley life would be lacking were it not for Mr. Worden. His work on the construction of numerous stage sets for our dramatic productions as well as creative interest in many different projects associated with the enlargement of our school's facilities—these are evidence of the cooperative, friendly spirit of a truly remarkable man.

It is with sincere gratitude that we, the Class of 1963, dedicate our yearbook to such a fine, competent individual, James W. Worden.

Dr. Edward T. Schneider  
B.S., M.A., Ed.D.

SUPERINTENDENT

After his graduation from New York University, Dr. Schneider became a business teacher at Passaic Valley, and at the same time worked for his Master's degree and finally his Doctorate. Attaining the position of Principal and then Superintendent of P.V. completed his rise to success. These accomplishments can well serve as examples for us all, as each of us must develop in his own life certain goals toward which to work diligently and earnestly.

The Class of 1963 expresses deepest gratitude to Dr. Schneider for being a true and patient friend. We look upon him as the exemplar of the high standards by which we are striving to live.

Mr. Michael F. Gatti  
B.S., M.A.  
PRINCIPAL

TO THE CLASS OF 1963

It has been a source of gratification to observe with interest your growth and development over the last four years at Passaic Valley. As a typical Passaic Valley class you have made your permanent contributions in all areas, and for your contributions you will be remembered. Officially, all of it will terminate on Tuesday, June 18, 1963, the night of Commencement.

Commencement will mark the successful completion of four enjoyable years at Passaic Valley. Yet this attainment is designated as the beginning, the beginning of that next phase of life which will take you toward your goals whatever they may be. All of us at Passaic Valley sincerely hope that your experiences over the past four years have helped to prepare you for the immediate tasks ahead—college, specialized schools, immediate employment, marriage, or military service.

I wish it were practical to write an individual note to each of you to express the warmth of feeling and the good wishes for your future success that all of us at Passaic Valley feel for you. The limitations of this possibility are obvious. Accordingly, I shall take this opportunity to say that I sincerely wish that each of you realizes his goals. As the years unfold we shall learn of your individual successes which will indicate that many of you have attained wealth, or fame, or outstanding reputation. However, for each of you I would like to wish only one thing—that as you venture forth to enjoy your varied successes, you will have gained one of the most valuable attainments that life can offer—genuine and thorough happiness.

MICHAEL F. GATTI

Mr. Joseph I. Farrell  
B.S., M.A.  
ASSISTANT PRINCIPAL

In high school each student prepares for his future—often without assistance. Through Mr. Farrell's efforts, a Guidance Department has been organized, which offers to every pupil the opportunity to investigate a countless number of occupations and schools.

**MRS. THELMA  
A. STAMM**  
ADMINISTRATIVE SECRETARY

The capable organization of the numerous activities with which the student body and faculty are concerned is gratefully credited to Mrs. Thelma Stamm, our Administrative Secretary. She also manages to find the time to aid a student with any project or problem he may have.

**MRS. THERESA U. FALCO**  
SECRETARY TO THE SUPERINTENDENT

An alumna of Passaic Valley and Sherwood Secretarial School, Mrs. Theresa Falco holds the position of secretary to our superintendent. By ably serving the administration Mrs. Falco indirectly helps all students at Valley.

**MRS. JEAN S. PATTEN**  
SECRETARY TO THE PRINCIPAL

After graduating from Colby Junior College, Mrs. Jean Patten became a substitute teacher at Valley. From September, 1961, she has served well in the capacity of secretary to our principal.

# THE TORCH-BEARERS

On October 26 and 27, under the direction of Mrs. Margaret Nyire and Miss Christine Petersen, the Senior Class presented George Kelly's satirical comedy, *The Torch-Bearers*.

Set in a typical American community, the story deftly showed the attempt of an amateur acting group to present a dramatic play. Led by the doting Mrs. Pampinelli, the group had selected Mrs. Paula Ritter to be the lead in the presentation. Mrs. Ritter had accepted this proposal without her husband Fred's knowledge. When he finally saw her acting at a rehearsal, he collapsed in a state of shock, remaining so until the play had begun. Thus, he was unable to prevent his wife from performing.

This was unfortunate, for the play proved to be a hilarious flop, caused not only by the ineptness of the players, but also by the bungling of the assistant director, Mr. Spindler, and by the confusing directions of Mrs. Pampinelli.

Unmindful that the play had been received as a bit of hilarity rather than a serious dramatic effort, Mrs. Pampinelli and another cast member, Nelly Fell, induced Paula to seriously consider acting as a career. Only through the understanding of her attentive husband was Paula made to realize that her place was with her husband and home.

Backstage jitters.

# GIRLS'

White Exercises

Green Summer and White Winter ushered in the Twenty-third Annual Girls' Show on the evenings of April 5 and April 6. The show, a cooperative effort of the GAA and the Girls' Physical Education Department, was presented after months of preparation by both teams.

On the first evening the Green team, encouraged by Chief Jackie Dorman, won Exercises and Basketball to capture the trophy for the night. Victories in Modern Dance and Relays on the second evening gave the trophy for the night to the Whites, who were led by Chief Betsy Johnston.

A non-competitive demonstration on the heavy apparatus was an enjoyable innovation in this year's show.

# VALLEY VARIETIES

The evening of May 3 saw the commencement of the 23rd Annual Valley Varieties. The many game set-ups in the girls' gym, the booths, and the refreshment stands were the result of much work and planning by many people. From 5:30 until 7:30 the traditional buffet supper was served. At 7:30 and 9:00 the auditorium show, "Adam, Evie, and the Freshman," was presented. A typical high school romance with Valley life as its background provided the theme for the enjoyable show.

The highlight of the evening came with the crowning of Tom Lee and Phyllis Luzzi as King and Queen of Valley Varieties. Their royal court was comprised of Elaine Ashton, Bonnie Hoitsma, Betsy Johnston, Rita Lukaszewski, Hilda Morales, Tom Mizzone, Ron Parisi, Jim Pasquariello, and Reid Sterrett. Our excellent twirling squad along with the Green and White dance groups provided the entertainment.

The proceeds of Valley Varieties are annexed to the funds of the Student Government Association.

Presented Friday, May 17, was the Sixth Annual Fine Arts, Industrial Arts, and Science Show. In order to accommodate the large number of science projects, the cafeteria was used for this part of the exhibition. Other works from the English, Art, Homemaking, and Industrial Arts Departments were displayed in the boys' gym as well as in many of the shops.

Prizes for outstanding projects were awarded to many deserving students. The highlight of the show was the presentation of the Cedar Court, comprised of Barbara Gerdes, Bonnie Hoitsma, Susan Jeffreys, and Betsy Johnston, and the crowning of the Cedar Queen, Nancy Lee Ramia, by Show Chairman Richard Van Duyne. Nancy was then presented with the traditional cedar chest, made this year by Donald Cannon.

# MUSIC

Chorus

Through the years students of Passaic Valley have been proud of the splendid Music Department. Such events as the Christmas Concert, the Pops Concert, and the Spring Concert have become tradition here at Valley. At pep rallies and football games we would be completely lost without our colorful Green and White Marching Band.

Under the direction of Mr. Lawrence Culp and Mr. James Barresi, the band, the choir, and the chorus provide us with an exciting and enjoyable year of music.

# SENIOR ACTIVITIES

Our Singing Seniors.

There's nothing like talent.

A Sadie Hawkins dance held on Saturday, March 2, was one of the highlights of this year's Senior activities. The cafeteria was decorated as a barn, and life-size figures of the Yokum family of Dogpatch, U.S.A., watched the festivities as students danced to the music of the Kasuals.

The Seniors turned out in crowds to support the class in a two-day door-to-door magazine drive, and sales soared to \$2450. The profits from the school store, the sale of yearbooks, and the Senior Play rounded out Senior funds.

On May 31 Seniors dined and danced at beautiful Westmount Country Club at the annual Senior Prom. Music and entertainment were provided by the Milt Davidson Orchestra — "Five Men and Amapola."

Seniors forge ahead.

## STUDENT GOVERNMENT ASSOCIATION

The students of Passaic Valley have made the Student Government Association one of the most important and active organizations in our school. Our student body was led in 1962-63 by President Ronald Naples, Vice-president Thomas Mizzone, Secretary Elaine Samra, Treasurer Paula Dutko, and the numerous class representatives.

This year was perhaps one of the most active years in the SGA's history. Guided in its many endeavors by Mr. Anthony Suglia, our SGA sponsored two dances, the student handbook, the magazine sale, activity tickets, and many PV clubs. This year, as in the past, school representatives attended the Rutgers Convention for the purpose of evaluating and improving our association.

The Student Code of Dress, a new dimension in PV's quest for improvement, was developed and accepted through the SGA this year. For many years, Passaic Valley has sponsored an overseas foster child. Pasqualina Vittorioso of Italy was the subject of this year's worthy intentions.

A new department in the SGA's activities was added this year when Elaine Ashton, an English citizen, became Passaic Valley's first foreign exchange student. Such a venture required mountainous quantities of time, effort, and sacrifice by all involved; but it was well worth it all.

## HONOR SOCIETY

The highest honor which a student can attain at Passaic Valley is membership in the Honor Society. Students who excel in both scholastic and extra-curricular activities are admitted to this service organization.

This year its membership of sixty-six chose as its leaders President James Mongiardo, Vice-president Ronald Parisi, Recording Secretary Cheryl Mosca, Corresponding Secretary Elizabeth Sluyter, and Treasurer Barbara Young. Their adviser is Mrs. Dorothy Boyan.

With a motto of "service to the school," the activities of the Honor Society vary with Valley's yearly activities. In the fall members sell booster tags to raise funds for their treasury. These funds, at the end of each year, are awarded as scholarships for excellence in the fields of English and history. This year, a new service project was undertaken to bring some cheer to children in orphanages. In the spring members took these children for a picnic and a day of enjoyment. The Honor Society also assists at assemblies with members reading the Bible and serving as flag bearers.

## BOOSTER CLUB

The objective of the Booster Club is to promote school spirit, which it does by publicizing all athletic events through posters and signs and by sponsoring buses to all away games.

The members had a successful year under the guidance of Mrs. Rose Lindquist and Mrs. Alice Klotz, advisers, and the leadership of President Donna Jean Hendershott, Vice-president Pat Homer, Secretary Pamela Sprain, Treasurer Jean Weiss, and Historian Eleanor Kluglein.

## MASQUE AND SANDAL

Under the friendly guidance of Miss Christine Petersen, the Masque and Sandal has presented both a one-act and a three-act play. Through activities the members are exposed to acting, direction, and all the backstage phases of dramatic presentation. To supplement this year's program, the group attended a Broadway play. Officers for the past year were President Cheryl Mosca, Vice-president Richard DeFuria, Secretary Claire Schmidt, Treasurer Sue Partridge, and Historian Pam DeFeo.

## TRI-HI-Y

Each year, in an effort to achieve its purpose of promoting a Christian spirit in the student and his activities, the Tri-Hi-Y serves in many worth-while ways. Among its services are making cancer dressings, giving to an orphanage, and donating Christmas dinners to several families. Under the competent guidance of Mrs. Adra Suchorsky, the club's major activities include selling Easter candy and sponsoring the annual Valentine's Dance. This year the group was led by President Paula Dutko, Vice-president Nancy Ross, Secretary Marilyn Daniels, Treasurer Susan Jeffreys, Chaplain Claire Schonhoffer, and Historian Claire Schmidt.

## HI-Y

Among the many diversified activities of the Hi-Y members are the operation of the refreshment stand at football games, the sponsoring of a dance with the Tri-Hi-Y, and participation in a Hi-Y basketball league. Inter-Club Council meetings and a Youth and Government Convention at Trenton give the members a background in the workings of government. Advised by Mr. James Kiick and led by President Reid Sterrett, Vice-president Roy Van Teyens, Secretary Tad Krom, Assistant Secretary Frank Ceraolo, Treasurer Jack Juhlin, and Chaplain James Mongiardo, the ideals of Christian living in all aspects of community life are stressed.

## BOYS' BOWLING CLUB

The Boys' Bowling Club was organized to give Valley's boys the opportunity to display their skill in this very popular sport. It began on an intramural basis, but in the future the club intends to compete against other schools. The club is under the capable leadership of Mr. Michael DePaul with the assistance of Bob Aldrich.

## CHESS CLUB

To expose its members to the game of chess and to promote the interest in chess, which every intelligent person should have a chance to establish, is the main purpose of the Chess Club. Its adviser is Mr. James Cummins.

Of great importance to its most active members, the Chess Club sponsors a team which participates in interscholastic matches. Guiding the club are *President Bob Gyurik*, *Vice President Lincoln Berkley*, *Secretary Greg Levitsky*, *Treasurer Henry Cantor*, and *Team Captain John Caban*. In conjunction with its chess team, the club sponsors a championship tournament in which area schools compete.

## CURRENT EVENTS CLUB

The newly formed Current Events Club hopes to inspire its members into taking a more active interest in world and national events. At its meetings many controversial issues are discussed, while sound thought and logical reasoning are promoted. The Current Events Club is led by its advisers, Mr. John Moran, and Mr. Albert Vezzetti, and its officers: *President Greg Levitsky*, *Vice President David Healy*, *Recording Secretary Carol Gundersen*, *Corresponding Secretary Tom Edwards*, and *Treasurer Lincoln Berkley*.

## STAMP CLUB

The object of the Stamp Club is to engage students in the collection of stamps with the hope that an interest in history, economics, literature, and related subjects will be created. With Mr. Richard West as adviser, the club members visit various exhibits, take part in corridor displays, and exchange stamps among themselves.

This year the club was headed by *President David Healy*, *Vice President Thomas Edwards*, *Secretary Frank Simone*, and *Treasurer Greg Levitsky*.

## SCIENCE CLUB

The Science Club encourages original investigations into that field of man's knowledge known as science, and aids students who desire to explore science more fully than possible in the classroom. It also attempts to keep its members informed of the latest developments and discoveries. These aims are fulfilled by the presentation of films, slides, special projects, and reports developed by the members. This club is under the leadership of the advisers, Mr. Neil Aharra, and Miss Genevieve Sheffield the club officers: President Tom Schneider, Vice President David Healy, Secretary Paul Caruso, and Treasurer Tom Edwards.

## FRESHMAN MATHEMATICS CLUB

The Freshman Mathematics Club is the only club at Passaic Valley with the dubious distinction of having only Freshman members and officers! The club, supervised by Mr. Bernard McGarry, strives to discover ideas in mathematics which will make its members more accustomed to and interested in the mathematics field. The second objective of the club is to prepare for future membership in the Advanced Mathematics Club.

Plans in the club's future include the building of a school mathematics library, financed by the school and open to all interested students of mathematics.

## ADVANCED MATHEMATICS CLUB

The Advanced Mathematics Club, under the guidance of Mr. Joseph Logue, endeavors to present to its members topics in mathematics which are not ordinarily presented in a classroom. Through these topics it is hoped that one will gain insight and appreciation for the intrinsic beauty of mathematics. In addition, it is hoped that through these activities several members of the club will consider further study of mathematics in their subsequent education.

The officers for the 1962-63 school year were President Robert Gyurik, Vice President Victor Cornetto, Secretary Barbara Blomquist, and Treasurer Lincoln Berkley.

## STAGE AND LIGHTING CREW

The Passaic Valley Stage and Lighting Crew is a service group that has provided the technical and mechanical skill so vital in the successful completion of any dramatic or entertaining event.

With the aid of the Stage and Lighting Crew's adviser, Mr. Chester Kuziora, the group was particularly successful in assisting the Seniors with their play the "Torch-Bearers." This year the officers were President John Brouwer, Vice President Joe Angera, Secretary Walter Ross, and Treasurer Chuck Theodora.

## AUDIO-VISUAL AIDES

This service group maintains as its purpose the distribution of supplementary equipment and the providing of competent projectionists. During the year almost all members of the student body and the faculty have relied on the services of the Audio-Visual Aides Club. The club's adviser, Mr. Paul Kokolus, has succeeded in helping the club members in fulfilling all of the club's annual goals.

## PHOTO CLUB

Interest in photography at Passaic Valley is evidenced by the Photo Club. Under the supervision of Mr. John Heyn, the club endeavors to promote interest in the field of photography by means of field trips, informal lectures, and practical experience. As a member of the Photo Club, one learns the important techniques of good photography. The officers of this year's club were President Mike Saracco, Vice President Richard Johnson, Secretary Kenneth Mirabella, and Treasurer Stanley Wolek.

## PHOTO-SERVICE CORPS

The Photo-Service Corps contributes to various facets of school life. Under the direction of Mr. John Heyn, this organization supplies photographs to several departments and Valley publications. The club members, led by President Ralph Noble, Vice President Ted Romaine, Secretary Richard Tirilli, Treasurer James Shireman, and Historian Michael Saracca, take and develop the photographs with no professional assistance.

## ART SERVICE CORPS

An active organization at Valley is the Art Service Corps. Under the direction of Mr. Chester Kuziora, it has contributed to extra-curricular and scholastic activities, assisting in projects such as stage sets, showcases, posters and program covers, and the Arts, Crafts, and Science Show. The officers this year were President Linda Smith, Vice President Leslie Kohlhaas, Secretary Alice Hartmann, and Treasurer Bill Procopio.

## COMMERCIAL SERVICE CORPS

An active Valley organization, the Commercial Service Corps benefits the school through its typing and duplicating services. Guided by Mrs. Helen Williams and Mrs. Harriet Griswold, the members devote one period each day to the performance of such duties. In this way the girls gain practical experience in the skills learned in the classroom.

## COMMERCIAL CLUB

Under the able direction of Mrs. Helen Williams and Miss Genevieve Porte, the Commercial Club endeavors to encourage students to study new developments of business and to become business-minded as well as socially-minded. It also recognizes outstanding accomplishments of business students by presenting them with various awards. This year's officers were President Mary Barbieri, Vice President Loretta Baryarski, and Secretary-Treasurer Carol Walsh.

## PRE-NURSING CLUB

The Pre-Nursing Club provides the opportunity for girls interested in the nursing profession to learn more about this field.

Under the guidance of Mrs. Pearl Schmidt, the members visit hospitals, hear speakers, see films, and participate in worth-while community projects.

They had a successful year under the leadership of President Nancy Ross, Vice President Claire Schmidt, Secretary Bobbie Suriano, and Treasurer Terry Zebora.

## MYTHOLOGY CLUB

Newly formed this year, the Mythology Club's objective is to study Greek, Roman, and Norse mythology.

Under the guidance of Mrs. Helen Kotzen, the club has had a successful year.

## FRENCH CLUB

Enabling its members to become more familiar with the French language and culture than the classroom allows, the French Club sponsors varied activities throughout the year. Some of these are the presentation of informative speakers, a French café at Valley Varieties, and a pen pal program.

Guided by Miss Jean Hopkins, the club's officers included President Carol Gundersen, Vice President Mary Ann Sarafin, Secretary Mary Foster, Treasurer Pamela Sprain, and Historian Patti Spaak.

## SPANISH CLUB

Under the capable guidance of Mrs. Rosalinda Albora as adviser, the Spanish Club tries to bring about an atmosphere of colorful and cultural Spanish thoughts and life among its members. Led by President Louis Bertolini, Vice President Lawrence Cinelli, Secretary June Wallen, and Treasurer Dorothy Eliaz, many diversified activities in the Hispanic style are accomplished.

## GERMAN CLUB

The main goal of the German Club is "to develop a cultural understanding and appreciation of the German language." Sponsoring a Christmas Party and an annual evening honoring a great German personage, the club stimulates and improves the language learnings of its members. The members become more fluent by speaking German during the regular meetings. This is done under the capable leadership of the adviser, Mr. John Becker, President James Mongiardo, Vice President Don Rankin, Secretary Jeanne Zeltsman, and Treasurer Virginia Poling.

## GERMAN DRAMATIC SOCIETY

The function of Passaic Valley's German Dramatic Society is to provide the opportunity for students possessing advanced knowledge of the German language to express themselves through the dramatic medium. Among their many varied activities this year were their participation in the German Club sponsored Christmas Party and the presentation of an award to the Regional Conference of German Teachers held here at Passaic Valley. The society's adviser, Mr. Siegmund Haus, and officers Robert Fellman, President; Robert Gyurik, Vice President; and Victor Cornetto, Treasurer all feel that this has been another successful year for the German Dramatic Society.

## GREEK CLUB

With the instruction of Mrs. Helen Kotzen, the Greek Club provides the opportunity for members to learn the language of the Ancient Greeks.

## RADIO-ELECTRONIC CLUB

It is the primary objective of the Radio Electronics Club to provide its members with and instruct them in the aspects of electronics over and above that which are offered in the regular curriculum. Since the facilities of PV's electronics shop are open to the club's members, several projects of both individual and group interest were constructed. The club's adviser, Mr. Gray, has assisted this year's officers who were President Jack McEwen, Vice President John Zydenbos, and Secretary-Treasurer Bob Lombaerde.

## ASSEMBLY COMMITTEE

The Assembly Committee is one organization which works "behind the scenes" to provide entertainment for the student body. The committee's annual Talent Show highlighted this year's assembly program. Working with their adviser, Miss Iolanda Romei, the committee was led by President Paul Caruso, Vice President Ed Moorhouse, Recording Secretary Sue Jaunta, and Corresponding Secretary Donna Spiak.

## ATTENDANCE CHECKERS

The duties of the Attendance Checkers are to deliver attendance sheets, file notes and papers, and aid the school in operating smoothly. Under the direction of Miss Joan Dierdorf and Miss Ruth Malatesta, these girls devote one period each day to assisting the office staff.

## LIBRARY AIDES

The voluntary services rendered to our school library this year by the library aides brings the group's existence into its twenty-third year. The aides, capably directed by Miss May Miller, are responsible for the necessary order and organization of the library. Each member volunteers time from study period to work, and meets with fellow aides every other week for instruction on the uses of and skills needed in the library.

## VALLEY ECHO

The VALLEY ECHO has again succeeded in delighting and informing students of school news and various events. With the guidance of Mrs. Mary Curran and the devoted efforts of co-editors-in-chief Barbara Young and Jeanne Zeltsman, the newspaper has reached heights of success and has been a source of enjoyment to all.

## VOICE OF VALLEY

This year the VOICE OF VALLEY was presented to the student body for the first time. Under the capable direction of Miss Margaret Willey, who calls the magazine "Valley's venture into creative writing," the VOICE OF VALLEY offers pleasant reading material for all and an opportunity for those with literary ability to display their talents. Along with competent co-editors Ralph Noble and Carol Gundersen, literary, art, business, and typing staffs form the remaining nucleus of the publication.

\* Conference games

Cross Country, the pride of Passaic Valley's athletic teams, once again brought many honors to our school. In a thoroughly successful season, the harriers remained undefeated, won three championships, and the New Jersey State Interscholastic AA Group IV Championship.

The team was led by senior Tom Mizzone, who remained undefeated in dual meet competition. Tom was followed closely by junior Ed Schopperth. With the aid of seniors Tom Lee, Tim Baird, Dan O'Connor, and underclassmen Jim Hagman and Dan Papa, Valley shut out ten of the thirteen schools it ran against. The Hornet win streak climbed to 32 in a row.

With no school giving the Hornets sufficient competition Valley had its strength tested in the championship meets. The first of the titles won by our harriers was the Lakeland Conference Championship. On the Garrett Mountain Course the Hornets placed all the runners in the top ten with Mizzone and Schopperth placing first and second. In the initial Junior Varsity competition Bob Borzellino led our Jayvees to the title. Valley placed five runners in the first five positions.

In the County Meet Valley once again proved its superiority. Not only did the Varsity place first in their competition but also the Junior Varsity and Freshmen won their respective titles. Tom Mizzone and Ed Schopperth once again placed first and second for the Hornets' victory. With five runners in the top ten, Passaic Valley won for the third consecutive year.

# STATE CHAMPS COUNTRY

But the season would not have been complete without the state title. Though no school had ever moved from one group to another (Group III to Group IV) and still maintained its State Championship rating, Passaic Valley left for Warinanco Park as an underdog full of determination. Though Valley had placed second to defending champion, Teaneck, twice before, the Hornet harriers were not to be denied.

Valley took home the coveted Group IV title as a result of Tom Mizzone's placing third, Ed Schopperth fourth, and the outstanding efforts of Tom Lee, Tim Baird, Jim Hagman, Dan O'Connor and Dan Papa.

This State Championship marked the second time in two years that Head Coach Tom Patierno has brought Valley this distinction. If one phrase could best describe our cross country team, it would read "the pride of Passaic Valley."

Proudly bearing Valley's colors, the Color Guard performs one of the most honorable functions at Passaic Valley. Working with the Hornet marching and concert bands, this group was advised by Mr. James Barresi and led by Captain Phyllis Luzzi. The time and effort spent by these girls was clearly evident as they displayed their marching precision at Hornet football games.

The 1962 football season began on a sad note as the Hornets lost to a strong Verona team 41-6. Hampered by injuries, Valley couldn't cope with the powerful Hillbilly backs. The second week of the season proved more successful as Valley broke into the win column. Caldwell was defeated 12-7 on firsthalf touchdowns by Junior Tom Chempiel and Senior Warren Riker. The following Saturday Valley up-ended West Essex 39-19. Led by halfback Walt Tripp, the Hornet ground attack proved to be too much for the Knights.

Conference play began on October 13 against Dover. With fine defensive play by linebackers Walt Tripp and Joe Teller, Valley held the Tigers and won 27-12. Against Boonton the following week Valley was aided by the return of Dave Nigra to the lineup. Fine blocking by Senior Ron Naples and Junior Emil Trione paved the way for a 20-13 victory. The next game proved to be rather dismal for the Hornets. Butler defeated Valley 21-0 to almost assure the Bulldogs of the Conference Championship.

On November 3, the Hornets came roaring back to swamp the Newton Indians 40-13. Leading only 6-0 at the half, Valley struck for 34 points in the last two periods. Senior Dick Jania and Walt Stasiak displayed fine downfield blocking to spring Tom Chempiel and Al Brooks free for touchdowns. It was cold and wet the following week as Valley edged Cedar Grove 12-7. The Panthers' stubborn defense surprised the Hornets as they were forced to come from behind to win.

The first annual Turkey Game against Wayne, played a few days late because of bad weather, proved to be a fine finale for a successful season. Valley displayed its usual secondhalf power by scoring 14 points. Leading 8-0 at the halftime, the Hornets took the second half kickoff and marched for a touchdown. Dave Nigra led the attack with numerous long gains through the middle of the line as the Hornets savagely ground out yardage. Valley's defensive squad played its finest game of the season. Wayne was held to a mere 70 yards rushing and passing in the game. The entire Hornet line, led by Junior Emil Trione and Seniors Warren Riker, Dick Jania, and Walt Stasiak, made tackles all over the field. With this 22-7 victory Valley was awarded a Bronze Shoe to symbolize this new Thanksgiving series.

Thus ended another fine season for Valley's football team. With 7 wins and 2 losses this year, Valley has much to look forward to in the future. This squad was a young one with only three Seniors in the starting lineup. Though the underclassmen played vital roles in many victories this season, Seniors Chris Luciano and Don Rankin aided the team at center and end respectively.

Seniors Dick Jania and Walt Stasiak along with Junior Tom Chempiel were named to several all-star teams for their fine performances. This tribute culminates four years of play by Captain Stasiak and end Jania. For Coach Steve Gerdy there was ample satisfaction for his long hours of hard work.

## 1962 FOOTBALL SQUAD

1963 TWIRLERS

Adding glory to Valley, the Twirlers, an integral part of the Hornet Music Department, perform a valuable service to our school. This group, led by Marsha Smith and advised by Mrs. Lorraine Duffy, worked with the Hornet Bands to provide excellent entertainment at the football games. The time and effort spent in practice were evident in the many fine performances given by the squad, which placed first in the Morris County Fair.

"Hornets snatch defensive rebound."

The basketball team under the direction of Coach Tony Suglia finished the 1962-63 season with a fine 15-6 record. Although the Hornets placed second in both the Conference and Lakeland Jamboree to a strong Wayne quintet, the cagers proved their power outside the Conference by compiling an 8-1 independent mark.

Throughout the season Valley was led by co-captains Bob Wayne and Dave Mulanaphy. The two seniors gave the Hornets outside power with their accurate shooting. Rounding out the starting five were underclassmen Tom Chempiel, Skip Kortman, Walt Pedati, and Dan Johnston.

Lacking size and experience, the Hornets countered with expert marksmanship from the floor. The season began on a bright note with a 74-34 win over Caldwell. Following this victory came a five game win streak. Manchester, West Essex (2), North Arlington, and Dover fell before our cagers.

The first loss came against Wayne in a Conference tilt. This 78-54 Indian victory brought to an end a three year perfect home record for Coach Suglia. Wayne eventually defeated Valley two more times, 59-55 at Wayne and 49-48 in the Jamboree before the season ended.

The second half of the season was composed of Conference games. Valley spilled two games with Boonton and Butler and knocked off Dover for the second time. Newton fell before the Hornets twice. Valley ended loop action with a 6-4 mark.

Our cagers were more successful in independent action. The only team to which Valley lost outside of Lakeland foes was Emerson in the State Tournament. Cedar Grove, Manchester, and Pompton could not stop the Hornet attack.

In the Jamboree Valley avenged an earlier loss to Boonton by defeating the Bombers 78-67. In the finals Passaic Valley was eliminated by Wayne 49-48. This was the second year in a row in which Valley lost the Jamboree final by one point.

Although Valley did not win any championships in basketball, the Hornet quintet turned in a successful record and a fine example of the importance of desire.

In the opening meet Valley found that it still lacked vital experience. Against a strong Passaic club, the Hornets were defeated 30-18. Valley broke into the win column with a victory over West Essex. The Hornets won 11 of the 12 weight divisions.

The highlight of the season came against Essex Catholic. Valley battled with the Eagles in an exciting match, winning 25-17. Co-captain Walt Stasiak insured the Hornets of a victory by pinning his man in 3:36.

Manchester's experience was too much for us to overcome. The Falcons clipped the Hornets 30-10. A strong Montclair team defeated Valley 30-11. Our matmen surprised Nutley 27-22 to even their record at 3-3.

Valley lost the following three matches to Dover, Newton, and Caldwell. Eight years of Tiger experience gave Dover a 34-11 victory. Against Newton, one of the top clubs of the state, the Hornets lost 37-3. The only winner for Valley was co-captain Tom Mizzone who outmaneuvered his opponent 8-6. Caldwell set the Hornets back 28-13.

The wrestlers were more successful against Cedar Grove. Valley walloped the Panthers 34-6. In the final match of the season, the Hornets lost to Hawthorne 22-20. Though each team won six matches, the Bears held a 2-1 edge in pins.

In tournament competition Valley placed sixth in the Mahwah Tourney and fifth in the Districts. Walter Stasiak was heavyweight champion at Mahwah. In the Districts Dave Ball and junior Hank Sisbarro placed second in their respective weight classes.

Coach Dave McMahon faced the same problem he had last season—inexperience. But the Hornet mentor kept the team hustling throughout the season. The experience gained and the determination of our wrestlers will be of great value for future success.

For the 1963 track campaign, Coach James Kiick, in his second year as head coach, faced the task of rebuilding the Hornet cindermen. Only six lettermen returned from last year.

Leading Valley were seniors Tom Mizzone (mile), Tom Lee, Ron Parisi, and Mike Hannisian (880), Rich Mickel (sprints), and Greg Dujets (pole vault). Aiding the Hornet cause were underclassmen Doug Fazio (440), Ed Schopperth (mile), Rich DiBriano (hurdles), George Ball (pole vault), Bill Green (high jump), Joe Teller (weights), and Tom Fritts (javelin).

Although lacking experience, the Hornets were determined to successfully complete a difficult schedule.

The 1963 Valley Golf team, led by senior captain Jim Newton and underclassmen, George Young, Mike Nademus, and Dale Guldner, opened their season with a shut-out victory over Paterson Tech. This fine play was expected to continue throughout the season.

Under the capable leadership of Coach Thomas Kean, the team this year competed in the enlarged Passaic County Interscholastic Golf League at the Passaic County Golf Course. An excellent season was anticipated by Coach Kean, who had great faith in the abilities of the first four men and Seniors Dick Jania, Bernie Banks, and Pete Budelman.

# LAKELAND CONFERENCE CHAMPS

This year Coach Elmer Griswold fielded a veteran baseball team. Several Seniors and outstanding underclassmen had the potential for success. The season rolled around with five regulars from last year's team and three veteran pitchers returning.

The pitchers, Frank Conti, Norm Shattuck, and Al Dodd formed the regular mound staff with help from two other Seniors, John Millar and Charles Venezia. The opening game found Walt Stasiak behind the plate, being pushed by Frank Pescatore. Dave Mulanaphy moved from right field to first base, with second base shared by newcomer John Parisi and the veteran Dan O'Connor. Tim Baird started his fourth season as shortstop with Bob Aldrich filling in at third base. Center field was covered by the veteran Bob Wayne along with Walt Tripp, who held down left field last year. Joe Primavera and Ronald DiGiacomo alternated in right field for the first few games. Jim Mongiardo again served as first base coach and general handy man.

# GIRLS' ATHLETIC ASSOCIATION

Anyone for soccer?

"A sport for every girl, and a girl for every sport" is the motto of Passaic Valley's Girls' Athletic Association. The GAA, made up of every girl in the school, endeavors to teach good sportsmanship, promote initiative and leadership, and create an outlet for individual interests, aptitudes, and energies.

With Mrs. Lorraine Duffy as adviser, the GAA provides the girls a variety of sports, including bowling, modern dance, field hockey, exercises to music, tumbling, basketball, softball, badminton, and archery. The year's highlights, Girls' Show and the GAA Dance, provide funds for the treasury. A scholarship program is also maintained for the benefit of deserving girls.

## AMERICAN FIELD SERVICE

The 1961-1962 school year marked the formation of the Passaic Valley Chapter of the American Field Service. During this first year the committee endeavored to raise funds for an exchange student's scholarship through the sponsoring of a theatre party. Also accomplished at this time was the selection of the American host family—Mr. and Mrs. Charles Dorman and daughter Jackie.

At the opening of school in September, 1962, Valleyites caught their first glimpse of our charming English visitor, Miss Elaine Ashton of Manchester. Popular Elaine soon became active in several phases of Valley life including Honor Society. She was also called upon to address various organizations in the local area. During the Easter vacation, Elaine was one of the foreign students who attended an American Field Service Day held in the Prudential Building in Newark, New Jersey. Elaine made innumerable friends during her stay in this country, and we at Passaic Valley may regard ourselves as being very fortunate to have known her.

The local chapter of the AFS this year adopted as its first project the selection of Valley students as nominees for the Americans Abroad program. Nancy Rozendal, this year a junior, became a semi-finalist in the competition. She may be journeying to some far-off land this summer.

Students representing seventeen foreign countries were guests of Passaic Valley and families in the three communities during the last weekend in January. Everyone participating in this program benefited greatly from first-hand acquaintance with teen-agers from all over the world.

During the second year of the chapter's existence, its members again held a theatre party and began the task of searching for a host family. At the high school shares of "good will" stock were sold to public-spirited students. In this way Valleyites showed their enthusiasm and eagerness for this very worth-while program to be continued for many years to come.

## CLASS ADVISER

MRS. ROSE LINDQUIST

While Freshmen at Valley, we looked to Mr. George Petrello for advice and understanding. His endeavors to guide the beginnings of our class organization are sincerely appreciated.

During our Sophomore and Junior years, Mrs. Bernice Pollock ably directed our class in establishing itself as a hard-working, enthusiastic group. We are extremely grateful for her part in this development.

Accepting the responsibility of counseling our class through its challenging Senior year, Mrs. Rose Lindquist has helped enable us to successfully conclude our life at Valley. Through her diligent and conscientious efforts, her patient guidance, we may proudly look back upon our accomplishments.

# VALLEY GREEN

1963 Valley Green Staff

Of our many activities as Seniors, the 1963 VALLEY GREEN presents our greatest endeavor and serves as a sparkling conclusion to four successful and memorable years at Valley. With the selection of the theme "Communication is the Pulse of Life," much hard work and many long hours were begun in the organization of our yearbook. Patiently and capably supervised by Mrs. Mary Aharrah and Mr. Chester Kuziora, we have completed a yearbook which we believe is one of the finest in Valley's history.

So I forgot the deadline!

## FAREWELL

### MRS. ETHEL B. COUSINS

This year Passaic Valley High School will be losing one of the finest members of its teaching staff, Mrs. Ethel Barrett Cousins. Mrs. Cousins, who has been teaching at Valley since its foundation in 1940, will be moving to Clearwater, Florida, where she will reside at Greenbrier Country Club.

During her years at Valley, Mrs. Cousins has served in many noteworthy ways. She originated Valley Varieties, served on the committee which gave us our first report card system, was Junior class adviser for nine years, and directed the first Senior Play.

Before coming to Passaic Valley, Mrs. Cousins taught at Jonathan Dayton High School in Springfield, New Jersey, and prior to that in Paulsboro, New Jersey. She is a graduate of Temple University where she received her B.S. in Business Education, and she also attended Columbia University where she obtained her M.A. in Student Personnel Administration.

We at Passaic Valley wish Mrs. Cousins much happiness and thank her for her many years of appreciated service. She will long be remembered for her dedication as a teacher and for her warm and friendly personality.

FAREWELL

### MISS MAY MILLER

When Passaic Valley first opened its doors in September, 1940, Miss Miller was present as a member of the school's original staff. Currently residing in Totowa, she has lived in this area most of her life. She graduated from Paterson Central High School, after which she attended Alfred University. Her first teaching experience came in the New Hyde Park, Long Island school system. Returning to the New Jersey area, Miss Miller became librarian in the Elliot Street School, Newark.

We now witness one of the finer parts of Passaic Valley departing after twenty-two years of steadfast service. We of the graduating class admire and respect Miss Miller for her consistent, devoted work at our school.
