INTRODUCTION

The academic year of 1964-65 marks the twenty-fifth year of operation for the Passaic Valley High School. Established as one of the first five regional secondary schools within the State of New Jersey, this school has served its communities in splendid fashion for this quarter of a century. Its effective program has won favorable attention and the school has been a model for many other regional schools established during the late 1940's and the 1950's. Today almost fifty regional districts serve the educational needs of New Jersey children.

It seems fitting to set forth in a tangible manner some of the significant details and accomplishments of these twenty-five years. That is the purpose of this brochure. Obviously we cannot recount in detail the multitude of happenings of a quarter of a century. An attempt will be made to establish a picture of the founding of the school, its growth, and its contribution to the young people of the communities served.

CHARLES E. A. WALTON

ORIGIN

The Passaic County Regional High School District No. 1 was established in September, 1938. The steps in the action included: formal requests for the establishment of a school by the Boards of Education in the Township of Little Falls, the Borough of Totowa and the Borough of West Paterson; approval by the County Superintendent of Schools, Edward W. Garrison, and the State Department of Education; and approval by the registered voters in each of the three municipalities.

Responsibility for the development of the regional high school was placed in the hands of a board of education appointed by the County Superintendent of Schools. The original board was made up of the following nine members: from Little Falls, Harry H. Francisco, Robert W. Moncrief, F. C. Presbrey, Charles E. A. Walton; from Totowa Borough, Frank C. Aldrich, Frank J. Hanson, Edward A. Schafer; from West Paterson, Douglas W. Beckwith, Floyd Hughes. Mr. Walton, one of the leaders in the movement to establish the high school, was elected president of the group. During the following 24 months, the Board engaged an architect, selected a site, gained public approval of the bond issue to finance its school, erected the building, approved a curriculum, engaged a teaching staff, purchased equipment, textbooks and supplies, and on September 16, 1940 opened the doors of the Passaic Valley High School to some 610 students.

ORIGINAL BUILDING — 1940-1955

CONTROL AND SUPPORT

Regional school districts are established under certain provisions of the laws of the State of New Jersey. In 1940 the Statutes mandated that membership on the Regional Board of Education be apportioned among the municipalities on the basis of the number of inhabitants. For the first twenty years, Little Falls furnished four members; Totowa Borough, three; and West Paterson, two. Population changes recorded in the 1960 census altered the representation pattern. Each community now provides three members for the nine-member board.

The cost of operating the school is distributed among the three towns on the basis of the assessed valuation of property. The distribution changes each year but at the present time Totowa Borough pays about 36 percent of the cost; Little Falls pays 36 percent and West Paterson, 28 percent. Thus the Statutes provide for joint control depending upon size, and for sharing of the costs on the basis of ability to pay.

ADMINISTRATION

DR. F. M. RAUBINGER

In 1940, Dr. Frederick M. Raubinger, then an administrator in the Montclair schools, was chosen to head the newly formed regional high school in Little Falls. His was the responsibility of selecting a staff, establishing a curriculum, and setting the Passaic Valley High School in operation. The position of assistant principal was established by the Board of Education in 1942 and Dr. Edward T. Schneider, a member of the original staff, was named to the post.

Dr. Schneider became superintendent of the Regional High School District in May, 1946 when Dr. Raubinger accepted the superintendency of the Ridgewood schools. Mr. David C. MacMurray was named assistant principal at Passaic Valley. In 1955,

Mr. MacMurray became principal at a neighboring high school. Mr. Michael F. Gatti was selected to be assistant principal at Passaic Valley.

During the early years, the superintendent of the regional district also served as principal of the high school. By 1960, the large enrollment made this an impractical arrangement. The principalship was established as a separate position and Mr. Gatti advanced to this post. Mr. Joseph Farrell was appointed assistant principal and Mr. Paul Nixon was named as administrative assistant.

Four persons have served as Secretary to the Board of Education during the span of its operation. In the order of their service they are: Mr. Fred W. Sonnen, Mrs. Grace Rutherford, Mrs. Thelma Stamm, and Mr. Andrew Hackes. Mr. Hackes was recently named School Business Administrator. Mr. Russell J. Birchall has served as Custodian of School Monies for the Regional District since 1938. His has been the longest term of service of any member of the staff.

DR. E.T. SCHNEIDER

LAND PURCHASES

The original site on which the Passaic Valley High School was erected consisted of eleven acres. Two parcels of land were involved; the so-called Little Falls High School Site, and an adjoining plot purchased from the De Graw family. Starting in 1947 the Board made a series of strategic purchases from private individuals and from the Township of Little Falls. Land holdings now total 43.62 acres. All of the land is not currently in use but sections are being improved as needed. Impending community and school growth suggest the possible desirability of obtaining certain other unused areas for school purposes during the next twenty-five years.

SCHOOL PLANT

In terms of educational standards, the Passaic Valley High School is a modern, efficient school plant. Three phases were involved in its construction. The so-called Main Building was constructed in 1939-40; the North Wing and the Music Wing were added in 1955-56; the West Wing was erected in 1960-61. Each of the building-addition programs included some modification of the then-existing building.

The complete plant at the Passaic Valley High School now provides the following instructional and administrative facilities.

Regular classrooms	33
Special Instruction Rooms:	
Art	2
Business Education	4
Gymnasium (4 teaching stations)	2
Locker and shower rooms	
Home Economics	2
Industrial Arts	8
Auto Mechanics	
Crafts	
Electricity	
Graphic Arts	
Mechanical Drawing (2)	
Metal	
Woodworking	

Language Laboratory	1
Music	2
Science	6
Study Halls	2
Coordinate Facilities:	
Administrative offices	9
Auditorium (seats 750)	1
Boiler Rooms	2
Cafeteria (seats 650)	1
Departmental offices	17
Faculty Rooms	6
Guidance offices and conference rooms	8
Instructional work rooms	10
Kitchen and Serving Area	1
Library (seats 85)	1
Medical suite	1
Various storage rooms, toilet rooms, etc.	

Outdoor facilities include paved roadways and parking areas; a game football field with permanent seating for 3,000 spectators; permanent pressbox, refreshment stand, ticket booth, scoreboard; a one-quarter mile cinder track; two baseball diamonds; a field hockey area; a soccer field; two full-sized practice fields, two outdoor paved basketball courts. Two storage buildings with garage space have been constructed. Permanent backstops, goal posts, and fences have been installed.

Some additions and changes will undoubtedly be needed as enrollment increases, as the total school program is expanded, and as new educational needs are identified. The Regional Board of Education is currently moving to develop a master plan so that future changes may be made with a maximum of efficiency.

Front (L to R): Mrs. Irene Lijoi; Frank A. Fernandez, President; Charles A. Bell, Vice-President; Gerald F. Mullin.

Rear: Frank Pombo, John W. Masklee, Charles G. Carter, Joseph Mason.

Not present: Stephen W. Jorlett

MEMBERSHIP ON THE BOARD OF EDUCATION

Members of the original board of Education were appointed in September, 1938 by the County Superintendent of Schools. They served until the following February, the time of the annual regional school election. Since that time, members have been elected each year to represent each of the three communities.

Representation on the board is based upon the population within each municipality. Originally Little Falls provided four members; Totowa Borough, three members; and West Paterson, two members. Following the 1960 census it was determined that the number of inhabitants in the towns had changed so as to make it mandatory that each town hold three places on the nine-member board.

Following is a roster of all persons who have served as board members since the establishment of the Regional District in 1938:

LITTLE FALLS

William A. J. Andrews
Charles A. Bell
Gunnar P. Carlson

Leonard C. Weite
Walter T. Zehnder

*Served as President of the Board

ENROLLMENT GROWTH

The Passaic Valley High School building was originally designed for a student body of 700. For 14 years this was completely adequate. Projected studies of anticipated enrollments made as early as 1948 showed that additional facilities would be needed as the communities increased in size following World War II. In 1956 the North Wing was added and pupil capacity was doubled to 1,400. Rapid community growth and an increased birth rate filled the school in 1960. Again the growth had been anticipated and the West Wing was under construction. It was completed in 1961. The pupil capacity of the entire building is now estimated at 2,000. Some 1,895 pupils have been enrolled during the 1964-65 school year. Studies of future enrollments already give some indication that present facilities will not be adequate in the years ahead.

CURRICULUM

The Passaic Valley High School is classified as a comprehensive high school. Its basic purpose is to meet the educational needs of all of the youth of secondary school age residing within the Regional District. This demands an extensive program because the educational needs, desires, and plans vary widely. For example, there are those who are seeking to prepare for higher education and there are those who are seeking preparation for gaining employment. Specific curricula are planned and courses of study are offered to meet these various needs. Programs of study placing emphasis upon mathematics, science, and foreign languages are available for those planning to enter college or other schools. General and specific training courses are offered for students planning to enter the field of business. Introductory and advanced courses are available for young people seeking to enter the field of industry. All students receive extensive training in English, the Social Studies, and Physical and Health Education. Elective courses are available in home economics, art and music. It is possible for each student to obtain a broad educational background and specific preparation for a chosen purpose. All of this is designed to prepare him for effective citizenship in our modern world.

STUDENT ACTIVITIES

A secondary school provides for two general kinds of educational experiences, the regular classroom activities and those called extracurricular. Together they seek to provide experiences through which young people will become well-rounded citizens. Experiences in the student activity program are designed to help meet the leisure, recreational, social, and emotional interests and needs of students.

Passaic Valley early established a broad program for student activities. Its students have the opportunity to participate in school government. They choose leaders, raise funds, establish regulations to control their activities and evaluate results. They publish their writings in a newspaper, a magazine, and a yearbook. Opportunities are provided to discover, explore, and develop talents in art, music, and dramatics. Clubs offer a medium whereby those with similar interests may share ideas for mutual advantage.

Students at Passaic Valley gain values from the student activity program which carry over into out-of-school and adult life. Some have established careers as a result of these experiences. As is always true, the value gained will depend upon the individual and the extent of his participation. The program is sound, it is available to all, and it touches the life of each student enrolled.

ATHLETICS

The Green and White teams of Passaic Valley have earned an excellent reputation throughout the entire state for their skill and for their high standards of sportsmanship. The Valley teams competed on the varsity level from the first year in 1940 and quickly established themselves as a power in interscholastic competition. During the early years competition was limited to football, basketball, baseball and golf. As the student body increased in size other sports were added to the interscholastic program. In 1965-66, Passaic Valley will play varsity schedules in baseball, basketball, bowling, cross country, football, golf, soccer, track and wrestling. Complete schedules for freshman and junior varsity teams are also arranged in several of these sports fields.

Passaic Valley was one of the founders of the Lakeland Conference in 1946. The group will disband in June, 1965 but during its years of operation Valley's Fighting Hornets won championships in all sports areas sponsored by the Conference. The Hornets have captured two State championships in cross country and have had two undefeated football teams during the twenty-five years of competition. Hornet teams are noted for the quality of their play, the caliber of their players, and the loyal spirit of their supporters.

Girls participate in an extensive program of intra-mural athletics. The Girls Athletic Association sponsors the program which reaches almost every girl in the school. Green and White teams are formed to compete in various sports areas throughout the year. The climax is a two-night competition and exhibition to which the public is invited. The girls' program is equally productive in terms of good competition, skill of performance, and fervor of support for teams.

Passaic Valley believes in wholesome competition as a part of the American way and provides many opportunities for its young people to gain the values of participation in athletic endeavors.

COMMISSION ON SECONDARY SCHOOLS
MIDDLE STATES
ASSOCIATION OF COLLEGES AND SECONDARY SCHOOLS

OFFICIAL NOTIFICATION OF ACCREDITATION
January 4, 1965

OFFICE OF THE CHAIRMAN
WILFORD BUILDING, ROOM 401
100 NORTH 3RD STREET
PHILADELPHIA, PA. 19106

Mr. Michael F. Gatti
Principal
Passaic Valley High School
Little Falls, New Jersey

Dear Mr. Gatti:

It is a pleasure to inform you that the Commission on Secondary Schools of the Middle States Association of Colleges and Secondary Schools has approved the continuance of your school on the List of Accredited Secondary Schools for the period ending December 31, 1969. Accreditation to schools already on the List is granted a maximum of five years. Shorter periods are stated in certain cases where the school's development progress reports or general reports are then utilized in one or more year intervals.

You --

ACCREDITATION

Two agencies serve to accredit secondary schools in the State of New Jersey. One of these is public, the State Department of Education. Representatives of this department first approved the Passaic Valley High School during 1940-41, the school's first year. Approval has been continuous since that time. The most recent visitation in 1963 was followed by a very complimentary report on the school's program.

Passaic Valley is also accredited by a private agency, the Middle States Association of Colleges and Secondary Schools. Schools which are members of this group are evaluated at least once during each ten years. Passaic Valley has had three such evaluations and on each occasion was rated as excellent in meeting the educational needs of its students.

GRADUATES – ALUMNI

Passaic Valley graduates have moved into the American scene in all the many ways open to young people in our nation. Their post high school activities have taken them to all corners of the land to study, to work, to establish homes. Valley alumni have entered the professions: medicine, dentistry, engineering, law, teaching, religion, research; they have become owners and managers of business, contractors, salesmen; they have entered industry and business as skilled workers and technicians; some hold high rank in service careers in the armed forces; they have become homemakers. The second generation has begun to move through Valley's halls — sons and daughters of Valley alumni have been graduated from the high school of their fathers and mothers.

Passaic Valley graduates in large numbers have continued their education beyond the high school level. Former students have been enrolled in colleges and universities, technical schools, and other institutions for specialized training. Study shows that over 250 colleges have accepted students prepared at Passaic Valley. The range has been from Maine to California and from Michigan to Florida. Their programs have carried some to masters degrees and to doctorates.

Passaic Valley has always considered its primary function to be that of training for effective citizenship. Evidence of the success of its endeavor is to be found in countless ways. One of the most tangible, perhaps, is the fact that a large number of its graduates hold both elective and appointive positions in municipal government. They now formulate and administer policies in the communities in which they studied and became mature citizens.

Alma Mater

*Hail to our Alma Mater,
Hail to the school we love,
Carry her name to glory,
Raise her banner above.*

*True sons and daughters loyal
Keeping the torch alight,
Make her fame immortal,
The fame of the Green and White.*

Foreword

Throughout the halls of Passaic Valley echoes can be heard; echoes of the past—resounding 25 years of academic accomplishment; echoes of the present—reverberating the joys and the trials of today's youth in his search for knowledge and a place in society; and echoes of the future—reflecting the true image of Valley as an institution for learning and of valued tradition.

For a quarter of a century Passaic Valley has progressed with the times. Throughout this book an attempt has been made to relate the story of Valley's growth from a student body of 630 and faculty of 25 in 1940 to 1,890 and 103 respectively in 1965. The story of our high school does not have an end, for it will continue to grow and to serve the youth of tomorrow.

Dedication

We, the students of Passaic Valley High School are pleased to dedicate this twenty-fifth edition of the Valley Green to Dr. Raubinger and Dr. Schneider. We

Dr. Frederick M. Raubinger

Dr. Frederick M. Raubinger was born in Aurora, Missouri, and attended the public schools there. He was graduated from the Southwest Missouri State College in 1929 and received the degrees of Master of Arts and Doctor of Education from Teachers College, Columbia University. Since then, he has also been the recipient of Honorary Degrees from other universities.

Dr. Raubinger began his teaching career in the High School at Springfield, Missouri, and then in 1932 came to Montclair, New Jersey, where he remained in the Montclair school system, first as a teacher of English and journalism and then as vice principal of one of the junior high schools until 1940. It was in 1940 that he organized the Passaic Valley High School and remained as its supervising principal until 1946, when he accepted the position of Superintendent of Schools in Ridge-wood, New Jersey. On July 1, 1952 Dr. Raubinger was appointed Commissioner of Education by Governor Driscoll. He has been reappointed by Governor Meyner and Governor Hughes and is now serving his third consecutive five-year term, which began on July 1, 1962.

Passaic Valley High School is fortunate indeed to have had as its first administrator the man whose foresight and dedication to his profession have made him an outstanding educator.

are indebted to these two prominent educators for our school, and for the development of the excellent program of education at Passaic Valley.

Dr. Edward T. Schneider

Dr. Edward T. Schneider was born in Hillsdale, New Jersey and attended the River Edge Elementary School and Hackensack High School. He was graduated from the New York University School of Education in 1933. The Master of Arts Degree in 1936, and the degree of Doctor of Education in 1944 were both conferred by the same educational institution.

Dr. Schneider taught business subjects in the Hackensack High School from 1933 until 1940, at which time he joined the original staff of the Passaic Valley High School as the Head of the Business Department. In 1942 he became Assistant Principal and in May of 1946 was named Superintendent to succeed Dr. Raubinger.

Dr. Schneider's affection for Passaic Valley High School, from its inception through its many programs of expansion—academic as well as physical—has been apparent to all who have known him. Passaic Valley High School is grateful to Dr. Schneider for his inspiring leadership.

The Passaic Valley High School 1940 - 1965

Foresight and Planning

Although the Passaic Valley High School opened its doors to the students of the regional district on September 16, 1940, the idea of having a high school to serve these students went back to 1925 at least. There were many civic minded leaders who were not satisfied to send the students of the regional district to the high schools of neighboring communities, specifically Paterson and Montclair.

One of the leaders in making the Passaic Valley High School a reality was Mr. Charles E. A. Walton. A school man himself, he possessed the valuable background of experience to offer enlightened guidance. When the first board of education was appointed by Edward W. Garrison, the Passaic County Superintendent of Schools, Mr. Walton was among those chosen. Through the organization meeting Mr. Walton was elected to serve as president, a position which he retained for many years. There were many who felt that the new high school should have been named for Mr. Walton because of his great contribution, but with his characteristic modesty he opposed this. At a meeting on December 5, 1939, the Board of Education adopted the Passaic Valley High School as the official name of the new school. After Mr. Walton's death, the outdoor athletic facilities were named Walton Field. Near Main Street there

is an appropriate marker erected to indicate the appreciation of the citizens of the regional district for Mr. Walton's leadership and guidance.

The Passaic County Regional High School District No. 1 was established in September, 1938. The steps in the action included: formal requests for the establishment of a school by the Boards of Education in the Township of Little Falls, the Borough of Totowa and the Borough of West Paterson; approval by the County Superintendent of Schools, Edward W. Garrison; approval by the State Department of Education; and approval by the registered voters in each of the three municipalities. This approval by the registered voters was granted on September 15, 1938.

Responsibility for the development of the regional high school was placed in the hands of a board of education appointed by the County Superintendent of Schools. The original board was made up of the following: Charles E. A. Walton (L.F.), President; Edward A. Schafer (T.B.), Vice-President; Frank C. Aldrich (T.B.), Douglas W. Beckwith (W.P.), Harry H. Francisco (L.F.), Frank J. Hanson (T.B.), Floyd Hughes (W.P.), Robert W. Moncrief (L.F.), F. C. Presbrey (L.F.), Fred W. Sonnen (L.F.), Secretary; Russell J. Birchell (T.B.), Custodian of Funds. During the following

The Passaic Valley High School

twenty-four months, the Board engaged an architect, selected a site, gained public approval of the bond issue to finance its school, erected the building, approved a curriculum, engaged a teaching staff, purchased equipment, textbooks, and supplies, and on September 16, 1940 opened the doors of the Passaic Valley High School to some 610 students.

P.V.H.S. A Reality

The original site on which the Passaic Valley High School was erected consisted of eleven acres. Two parcels of land were involved; the so-called Little Falls High School Site, and an adjoining plot purchased from the DeGraw family. Starting in 1947 the Board made a series of strategic purchases from private individuals and from the Township of Little Falls. Land holdings now total 43.62 acres. All of the land is not currently in use but sections are being improved as needed.

As the building program developed, the members of the Board of Education concerned themselves with the selection of personnel to operate the school. At a meeting of the Board, early in March, 1940 Frederick M. Raubinger was named principal of the Passaic Valley High School. He directed the origin and development of the educational program at Passaic Valley until 1946. It was then that Dr. Edward T. Schneider

was appointed to succeed Dr. Raubinger. Passaic Valley High School was indeed fortunate to have had as its first administrator a man whose foresight and dedication to his profession has made him an outstanding educator.

In the succeeding months Dr. Raubinger and the Board of Education selected the staff to operate the school. From this original staff, five are still associated with the school. They are Dr. Edward T. Schneider, Superintendent, Mr. Elmer Griswold, Director of Athletics and Head of the Boys' Physical and Health Education Department, Mrs. Harriet Shaw Griswold, Business Teacher, Mr. Edward Ten Hoeve, Custodian and Mrs. Helen Holub Williams, Head of the Business Department.

When the doors were opened in September of 1940, the original building designed for a student body of 700 provided the following facilities:

- 13 regular classrooms
- 3 science classrooms
- 1 typewriting room
- 2 home economics rooms
- 1 art room
- 1 mechanical drawing room
- 1 general shop
- 1 library (seating 50), Conference room, Workroom
- 1 cafeteria—study hall (capacity 264)
- 1 auditorium (capacity 750)
- 1 gymnasium—2 teaching stations, locker and shower facilities for boys and for girls, offices and storage rooms

Meeting

Educational Needs

The Passaic Valley High School was and still is classified as a comprehensive high school. Its basic purpose has been to meet the educational needs of all of the youth of secondary age residing within the Regional District. To accomplish this it was necessary to provide an extensive program because the educational needs, desires, and plans vary widely. Over the years since 1940 the curriculum has been expanded many times. Four years of Social Studies was made a requirement for graduation along with the required four years of English and Physical and Health Education. More recently, electives in the fields of Art, Music, Home Economics, Industrial Arts, Modern Foreign Languages, Science, Business and English have been added.

Traditions are Established

The first year of operation of the Passaic Valley High School was truly eventful. Early in September the students of Passaic Valley made some decisions which have become a part of the school's tradition. Through school wide competition the school colors of Kelly Green and

White were established. Passaic Valley athletic teams became known as the Hornets; this was taken from the radio program The Green Hornet which was popular at the time. The Student Government Association was established with the approval of the Principal and Faculty. The first president of the Student Government Association was Parker Valentine. Clifford Swisher wrote the school's Alma Mater. Some students at the school during the first year needed only one more semester of work to attain their high school diploma. Consequently, this group who chose John Soldoveri as their president, was graduated on February 5, 1941. This was the first and only mid-year graduation in the history of the school. On June 18, 1940 the first full year class, who had chosen Raoul Barton as their president, was graduated. In the first year from September 1940 until June 1941, many fine traditions and precedents were established which continue to operate at the Passaic Valley High School twenty-five years later.

Growth Demands Expansion

The original building served well the purposes of education for the students of the Regional District for fourteen years. The Passaic Valley High School was originally designed for a student body of 700. For fourteen years this was completely adequate. Projected studies of an-

The Passaic Valley High School

anticipated enrollments made as early as 1948 showed that additional facilities would be needed as the communities increased in size following World War II. In 1956 the North Wing was added and pupil capacity was doubled to 1,400. Rapid community growth filled the school in 1960 and then the West Wing was provided. The pupil capacity of the entire building is now estimated at 2,000. Studies of future enrollments already give some indication that present facilities will not be adequate in the years ahead.

The school staff has, of necessity, increased as enrollment and size of the building grew. The original professional staff numbered 27 persons. During the most recent school year, 103 were employed in teaching and administrative positions.

The complete plant at the Passaic Valley High School now provides the following instructional and administrative facilities:

Continuity of Leadership

The Passaic Valley High School through the enlightened leadership of its administration and the cooperative support of the citizens and elected Board Members has always provided a sound program of education for the secondary age students of the Regional District. The school's experience has been unusual in that the two administrative heads who have served the Passaic Valley High School over its twenty-five year history were a part of the original staff chosen in 1940. The continuity of leadership and guidance afforded by Dr. Frederick M. Raubinger (1940-1946) and by his successor, Dr. Edward T. Schneider, who is presently serving as the school's Superintendent are undoubtedly major factors in the school's continued success.

Hail to our Alma Mater,
Hail to the school we love,
Carry her name to glory,
Raise her banner above.

True sons and daughters loyal
Keeping the torch alight,
Make her fame immortal
The fame of the Green and White.

Clifford Swisher '42

TWENTY-FIFTH ANNIVERSARY

COMMEMORATIVE BANQUET

Dr. J. Harold Straub, Passaic County Supt. of Schools; Dr. Frederick Raubinger, State Commissioner of Education; Dr. Edward Schneider, Supt. of Passaic Valley High School.

Sitting: I. Lijoi, F. Fernandez, C. Bell, G. Mullin. Standing: F. Pombo, J. Masklee, C. Carter, J. Mason. Not Pictured: S. Jorlett.

First President

Passaic Valley could never have become the outstanding school it is without the help of the Board of Education. We here at Valley are extremely fortunate to have such a conscientious group of people working to benefit us.

MICHAEL F. GATTI
M.A.

Principal

In his five years as principal, Mr. Gatti has offered his guidance to the faculty and students of Passaic Valley High School. His acknowledgment and understanding of the academic and extra-curricular needs of teen-agers has contributed greatly to their success in later years.

JOSEPH I. FARRELL
M.A.

Assistant Principal

Mr. Farrell possesses a genuine interest and a clear understanding which have been so very beneficial in his assistance to us. Amiability and intelligence are outstanding facets of a person well-suited to help and guide young people.

PAUL J. NIXON
M.A.

Administrative Assistant

Mr. Nixon, ably directs attendance and scheduling for the students. While performing these inestimable responsibilities, he exemplifies the fine administration of Passaic Valley High School. His friendly attitude and willing assistance command much admiration and respect from the entire student body.

Winifred Blough	Nannette Hattersley
Leo McEvoy	Alan Brown
Inspector	Carol Sybrandy
Therese	Viki Windsor
Madame Elise	Marie Marques
Monsieur De La Croix	Wayne Schlegel
Window Cleaner	John Sincaglia

On October 22 and 23, the Senior Class presented OUR HEARTS WERE YOUNG AND GAY; a dramatization by Jean Kerr. The play is derived from the story of Cornelia Otis Skinner and Emily Kimbough's first trip to Europe. The audience enjoyed the blithe humor and pure entertainment of the production.

Masque and Sandal Play

DEAR RUTH

On January 22 and 23, the Masque and Sandal Club presented the play, DEAR RUTH. This comedy, in two acts by Norman Krasna, takes place in the Wilkins' home in Kew Gardens, Long Island, during World War II.

The ridiculously amusing incidents all arise from the desires of sixteen year old Miriam to help "the boys." She sends Ruth's picture to a soldier and he returns quite unexpectedly to see his believed sweetheart. Other complications add to the comic effect.

Under the direction of Miss Christine Petersen, the play was accepted overwhelmingly by both of its audiences.

Valley Varieties

King Ron Mizzone and Queen Rose Longo

Valley Varieties

Games, food, bargains, a show, and a coronation were the ingredients of the 1965 Valley Varieties. Servings of the buffet supper started the evening and lasted until 7:30. At 7:30 and 9:00 "James Bread, or How I Learned to Stop Loafing and Make Some Dough," the auditorium show, was the main attraction.

A perfect topping to a perfect evening was the crowning of Queen Rose Ann Longo and King Ron Mizzone. The King and Queen were attended by the members of their court: Judi Kapuscinski, Paulette Lembo, Cheryl Osborne, Bonnie Bromilow, Lynne Lepanto, Judy Boonstra, Frank Casciano, Jack Honan, Mike Luzzi, Al Brooks, Jim Konzelmann, and Art Decker. The royal couple and court were entertained by the Valley twirlers and the Green and White Modern Dancers.

The festivities were held on May 7, and all profits were added to the Student Government Fund.

annual
Valley
Varieties

Fine Arts, Crafts, and Industrial Arts Show

The theme of this year's show was "Twenty-five years of progress." There were exhibits in the fields of fine arts, crafts, industrial arts, and English. To the outstanding students in each area prizes were awarded by Mr. Paul Nixon and Marie Marques, this year's General Chairman. The climax of the evening was the coronation of the Cedar Queen and the presentation of the traditional cedar chest constructed by the wood shop classes. John Ziembra, Wood Shop Chairman, crowned Queen Michele Suta and presented her with a lovely bouquet. The Queen was attended by her Court, which consisted of Lynne Lepanto, Judi Kapuscinski, Sandra Thompson, Marilyn Houston, and Linda Boyd.

This year's show certainly evinced the great talent present at Passaic Valley and was indeed a fitting tribute to our Twenty-five years of growth and progress.

N I C A R A G U A

Passaic Valley has been fortunate this year by having Dora Maria Lepiz from Costa Rica as its foreign exchange student. Enrolled as a member of the Senior Class, Dora lives with her American sister, Clare Marshall, who is a Junior at Valley. By taking part in the AFS program and through our association with Dora, we have come to better understand our Latin American neighbors, their customs and people. Dora leaves us an enriched school, taking with her our wishes for future success and our undying friendship and gratitude.

Cross-Country

Passaic Valley's fine Cross-Country team has again done a great job for our school. Although defeated by Paramus in their initial meet, ending their winning streak of 43 dual meets, the Hornets came back to reign undefeated for the rest of the year and finished with a 10-1 record.

The strong harrier squad included Seniors Bob Belbol, John Furman, Frank Furman, Jack Honan, Ralph Miller, and Dan Papa, also Ted May, Bill Malone, Frank Pavlak, Russ Raymond, and Marv Rowe, with underclassmen Pete Baumgartner, Mike Hrycenko, and Bob Schwetje.

P.V. won the Lakeland Conference and Freshmen titles, taking the varsity meet with a score of 33 points and gaining the Conference Championship for the fifth year in a row.

Although running at a slight handicap with their best runner out of the race, P.V. still won the county meet by a considerable margin. The Junior Varsity and Freshman teams also won with Vic Mizzone leading the J.V. team to a rare championship shutout.

At Warinaco Park in Elizabeth the Hornets took fourth place among 47 in the state meet, beating Paramus, the only team that defeated them in dual meet competition. Coaches Tom Patierno and Jim Kiick should be congratulated for the fine leadership they have given the squad.

* Lakeland Conference Games

Football

Passaic Valley's first undefeated, untied season began with a 19-0 victory over Verona. Valley got its first touchdown early in the second period after a 70 yard drive and went on to pick up two more in each of the last two quarters. This was the second victory over Verona in the school's history. The Hornets then went on to beat Caldwell 13-0 on touchdowns by Jim Konzelmann and Al Brooks. The following week Valley engaged in its third independent game, this time against Lyndhurst. They won 20-0, again on T-D's by Brooks and Konzelmann.

In the first Conference game at Dover, the familiar pair scored two touchdowns each to lead Valley to a 26-0 victory. It was after this success that Valley's unblemished defensive record began to be noticed. The pressure was on! Besides "the dependables," Mike Luzzi and Tom D'Achino also scored to help the Hornets on to a 34-0 over Boonton. By defeating Butler in the third loop game of the season, Valley jumped into state-wide prominence as the only undefeated, untied, unscored upon squad in the state. Brooks and Konzelmann came through with the touchdowns and the Hornets won 26-0.

Valley's unscored upon streak ended in a Conference game against Newton. The Indians scored three touchdowns, but the slightly demoralized Hornets emerged victoriously 39-20. Against Cedar Grove, the Hornets proved they were just as powerful as ever by winning 27-0, taking to the air on several well-timed pass plays.

In the traditional Thanksgiving Day game between Wayne and Passaic Valley, P.V. won a solid victory, as expected, by showing off its great defense for the last time in the season by winning the game 28-7. The Lakeland Conference trophy was awarded to Passaic Valley for the last time, since the league will be disbanded.

Not only did the squad compile its best season in the history of the school, but many of the players achieved individual recognition, with a good portion of the squad making various all-teams. Among the most outstanding were Jim Konzelmann who was named Area Scoring Champ, and Pete Yurkosky who made the All-State team.

Leading the team to this most successful season were Captains Jim Konzelmann and Mike Luzzi. Those who contributed largely to the success were Senior linemen Tom D'Achino, Matt Grossi, Len Warren, Frank Pescatore, and Barry Melnick, Senior backs Al Brooks and Al Martin, and underclassmen Rich Trautwein, Pete Yurkosky, Tom Carr, Enrico Cannataro, and Vin Caruso.

If it had not been for Passaic Valley's fine coaching staff under Head Coach Steve Gerdy, who was named Coach of the Year by the Paterson Morning Call, it is improbable that the Hornets would have managed such a fine record. These men developed the squad into a fine team with one of the best defensive units in the state.

The Passaic Valley grapplers ended a successful (8-3-1) season by edging out several favored teams to finish a close second to a strong Glen Rock team in the District II tourney. This is no small accomplishment, considering that wrestling is only in its fourth year here at Valley. Coaches Dave McMahon and Neil Aharrah and the whole team must be congratulated for their fine record.

Led by Captains Wayne Schlegel (136) and Jim Konzelmann (178), the team included Seniors Hollis Inglett (130), Steve Patzer (130), Bruce Jackson (141), Russ Raymond (148), Gordie Oliver (148), Barry Melnick (Heavyweight), and Rich Murphy (168).

Valley started out its season with wins over West Orange 29-13 and West Essex 31-16. Next came losses to perennially strong Montclair and Essex Catholic teams, 14-27 and 17-24, respectively. The fifth meet of the season, Clifton, proved to be a tie as P.V. came from behind to win its last 3 matches and deadlock the meet at 20-20. Valley then came through to beat its Wayne rivals 23-17 before dropping a close meet to Caldwell (19-21).

The Hornets went on to beat their last five opponents in a row. Victories were scored over Nutley 24-22, Manchester 35-8, Cedar Grove 22-20, Passaic 24-18, and Hawthorne 27-14. The Passaic meet was especially notable in that the opposing squad was very strong and was previously rated as being the finest team in our county.

Starting off rather slowly in tournament competition with one winner, Sal Benvenuti, at the Ramsey Christmas Tournament, the Hornets finished the season in fine form with three champions—Sal Benvenuti (11-1), Mike Yacco (10-2), and Jim Konzelmann (11-1), along with runner-up—Wayne Schlegel (9-1-1)—at the District II tournament. The first place winners went on to wrestle at the regional tournament in which Konzelmann received a second place.

P.V.'s JV team also compiled a fine 10-2 record and placed second in Nutley J.V. tourney.

Next year, with the help of its strong lower weight classes, Valley should enjoy another profitable season.

Front Row: Leonard, Benvenuti, Yacco, Allan, Warr, Inglett, Schlegel, Jackson, Raymond, Greh, Carr, Konzelmann, Melnick. Second Row: Coach Aharrah, Yacco, Vigilante, Polizzotto, Mastrogiovanni, Hemsey, Tiers, Santella, Stiles, Patzer, Pomponio, Smith, Scales, Mastrogiovanni, Prumatico, Greider, Combee, Dupas, Coach McMahon. Back Row: Burke, Borzellino, Kobelka, Padalino, Babcock, Yacco, Tehranian, Nies, Toner, Dodd, Sisbarro, Russin, Seyer, Baartch, Kalakutok, Carr, Jackiewicz, Wheeler, Phillian, Cardinale, Gaita, Flanagan, VanDyke, Murphy.

Kneeling: Yacco, Vigilante, Polizzotto, Mastrogiovanni, Siers, Stiles, Coach Aharrah, Jackiewicz, Santella, Greider, Prumatico, Combee, Dupas.

Front Row: Allan, Polizzotto, Toner, Bartsch, Kalakutok, Carr, Jackiewicz, Cardinale. Second Row: Tehranian, Nies, Babcock, Dodd, Sisbarro, Phillian, Gaita, Lanagan. Back Row: Padalino, Yacco, Borzellino, Burke, Kobelka, Russin, Seyer, Wheeler.

Basketball

Under the able direction of Coach Tony Suglia, the Passaic Valley basketball squad compiled an 11-8 record overall, and a 6-4 tally in the conference during the 1964-65 season.

Leading the way were tri-captains Dan Johnston, Ron Mizzone, and Frank Pescatore and Seniors Dennis Frusciano and Gerry Jager who were aided by underclassmen Ed Desmet and Rich Green to round out the starting lineup.

The Hornets got off to a strong start by scoring victories over their first three opponents: Caldwell, Cedar Grove, and West Essex, before coming up against a strong Clifton team. After registering a loss, they bounced back to beat Dover and West Essex a second time. The Hornets then fell to rival Wayne and to a very strong Bayonne squad. Next the cagers took a game each from Boonton and Butler and dropped one to Newton in conference play before being overcome by perennially powerful Passaic. Before meeting with Wayne again, the hoopers scored 2 more wins over Dover and Boonton, another loss to Newton and an unexpected upset by Butler. In the final game with Wayne, before the Jamboree, Valley came through to register a 60-55 win, and hand Wayne its only loss in the conference.

The Hornets came on strong in the Jamboree to give Newton a sound drubbing, 59-36, but were turned away by State Tournament-bound Wayne in the final game by a score of 74-59.

Coach Tony Suglia and the team must be given credit for the hard work and determined effort which they put forth throughout the season.

For the past few years, the track team has faced one of the toughest schedules of any squad at our school. This year was no different. Aside from meeting with our determined conference rivals, we also had to stand up to such schools as Teaneck, Passaic, Lyndhurst and Clifton.

Leading our team in competition were: top scorer Art Decker in hurdles and broad jump and Vince Santillo in the hurdles, Mike Hrycenko in the 440 and 880 and Bob Schwetje in the 880, Frank Furman in the mile, Brent McCullough, Jack DeGraaf, Bill Hoover, Norm Walker and Marv Rowe in the mile relay, Bruce Jackson and Hollis Inglett in the pole vault, Fred Neale and Sean Bowe in the shot-put, Tony Barra and Bill Blomquist in the discus, John Hrablook in the javelin, and John Krom and John Bordonaro in the sprints.

These boys, backed up by an experienced squad are what gave Head Coach Jim Kiick and Assistant Coaches Frank Pellechia and Bernard Bender another repeat of last year's fine record.

*Lakeland Conference

The baseball team this year had a large number of varsity players returning from last season who were members of the senior class.

The pitching staff was composed of Mike Luzzi, Bill Gobel, Ken Haik, Ted Vassilowitch, and Frank Ariola. The catchers were Rich Trautwein and Frank Casciano. Len Warren covered first with John Rayhack and Ralph Dodd moved from the field to second base and Harold Van Winkle took over short stop. Vinnie Caruso again held down third base.

The outfield was composed of Ron DiGiacomo, Jim Konzelmann, and Steve Welhorsky along with Bob Lo Guidice.

Last year the golf team, which participated in the Passaic County Interscholastic Golf League ended the season in second place out of nine teams.

This year the squad, led by Co-captains Hank DeVries and Doug Nelson, Seniors Bob Coppola, Jerry Puccio, Bruce Rankin, and Mike Forshino, and backed up by underclassmen Jack Korpi, Charles Raverta, Ross LoBosco, and Jack Silady is well on its way toward repeating last year's fine record, giving Coach Thomas Kean reason to be proud of the team's fine performance.

Although this is only the first year for Soccer at Passaic Valley, the booters are getting around. This year, under the leadership of Coaches Joe Mazza and John Becker, they played two interscholastic games on the junior varsity level, one against Wayne ending in a scoreless tie, and one against Cedar Grove ending in a 3-3 tie. Seniors on the squad were Don Fritts, Rich Furlong, Ed Hall, Hollis Inglett, George Kreiner, Tom Poetz, Wayne Schlegel, and John Sincaglia. Some underclassmen showing promise were Sal Benvenuti, Eric Las-kowich, Tom Little, Leith Mace, Frank Malfet, John Santalla, and Rich Stiles.

Front Row: Coach Becker, Inglett, Sincaglia, Poetz, Mace, Malfet, Fritts, Furlong, Kreiner, Hall, Coach Mazza. Second Row: Schlegel, Teller, George, Aymar, Langevin, Dow, Costantino, Meara, LeVine. Third Row: Hartley, Zielony, Luzzi, Hrinko, Agrusti, Las-kowich, Maier, Anavian, Gomez, Cababe. Fourth Row: Banitch, Post, Fellmen, King, Benvenuti, Fiori, Collins, Kardell, Stiles, Hirsh, Lund. Bob Sharrote, Mart Sweeney, Doug Nelson, Mr. Michael DePaul, Russ LoBosco, Ray Peché, Ken Newbold.

Bowling has been at Passaic Valley for a number of years, but this is the first year that the Hornets have competed on a varsity level. Led by Coach Michael DePaul, who organized the team, and who has been the advisor of the Boys' Bowling Club for the past few years, the team included Ken Newbold, Ross Lobosco, Ray Peche, Mart Sweeney, Bob Sharrote, and Doug Nelson.

Although winning more games in competition than any other school, the keglers ended the season in a close second to Wayne in the North Jersey High School Bowling League. After such a fine showing in their first year, we should certainly look forward to even greater successes from this team in the years to come.

Mr. Joe Gooter presents plaque to Mr. Steve Gerdy at the Testimonial Dinner.

Girls' Show

A spectacular Twenty-fifth Annual Girls' Show was presented on April 9 and April 10 with the cooperation of the GAA and the Girls' Physical Education Department.

The Greens of Fantasyland, led by Chief Donna Ferguson, started off Friday evening with the first victory in Entrance. However, the Whites of Movieland, led by Chief Rose Ann Longo, won both Exercises and Basketball to give them the Girls' Show I trophy. On Saturday evening the Greens again led with the first victory, this time in Tumbling; but with victories in both Modern Dance and Relays the Whites were able to take the Girls' Show II trophy also.

Because of months of preparation and hard work, the show is one to be remembered and one worthy of our Silver Anniversary.

Freshman

This year's Freshman class, under the qualified guidance of Mr. Paul Hoelscher, has established a sturdy base for the next three years. Electing capable class officers, leading the school magazine campaign, and sponsoring the Freshman Dance are some of the accomplishments of the Class of 1968.

Sophomores

The Sophomore class has excelled in the areas of scholastic and extra-curricular activities. Through the magazine sale and their class dance, they increased their treasury and maintained a firm financial foundation. Much of the success of this active class can be attributed to the ability of their officers, under the expert guidance of John Becker.

Juniors

The Junior class of Passaic Valley has contributed much to the school both in academic and scholastic activities. Through the magazine sale and the Christmas Cotillion, the Juniors have increased the amount of money in their treasury. Under the able leadership of its advisor, Miss Carol Connelly, and its officers, the Class of 1966 has found itself academically and financially sound.

KENNETH MINER
Class Advisor

Mr. Kenneth Miner has provided our class with the outstanding leadership that has made it a success. His enthusiasm has encouraged us to make our class more financially stable than any previous class. Our Senior Play was one of the most entertaining plays Valley has ever seen. Through his unfailing help we were able to institute a hootenanny.

Mr. Miner's guidance has helped us greatly to prepare for the life ahead.

WAYNE SCHLEGEL
PRESIDENT

"A man's character is his life, his mind the key, and his love his strength, with these he shall carve his destiny and the world's."

Wayne would like to become a lawyer and statesman. He remembers being elected Junior and Senior President, the Hootenannies, becoming Westwood Wrestling Champion, and Boys' State Governor's Cabinet. His interests include a certain special someone, Pink Jeeps, wrestling, and furthering his education. His secret ambition is to discover the essence of true happiness.

Honor Society; Junior and Senior Class President; German Club Treasurer; Boys' State; Freshman Football; Senior Play; SGA Representative; Soccer; Track; Varsity Wrestling Co-Captain; Valley Varieties.

DENNIS RUSSELL FRUSCIANO
VICE-PRESIDENT

"A master of men
A mate of the wind and sea."

"Frusc's" ambition is to be a psychologist. He remembers Apr. 4, 1964, the camping trip with the guys over the summer, and the Village. He is interested in athletics, meeting people, girls, farout novels, and NYC, especially the Village. Secretly, he would like to visit Rio.

Honor Society; Senior Class V-President; Class Committees; SGA; Valley Varieties; Basketball; Baseball; Football.

PATRICIA ANN WIEGLER
SECRETARY

"When the early roses scent the sunny air she shall gather white ones to tremble in her hair."

"Pat's" aim in life is to be a fashion designer. She especially remembers the '61 and '64 Verona games, "Butcher Butler" posters, Dec. 18, 1962, and chopping down Christmas trees. A certain football and wrestling captain, art, sewing, and people are her special interests. To be a freelance designer is her secret wish.

Honor Society; Junior and Senior Class Secretary; American Field Service; Art Service Corps; Arts, Crafts, and Science Show; Booster Club President; Class Committees; Latin Club; SGA; Valley Echo; Valley Green Assistant Literary Editor; Valley Varieties; Voice of Valley; Girls' State; Archery; Field Hockey; Leaderettes; Modern Dance; Rhythmical Gymnastics.

SENIOR CLASS OFFICERS

JUDY ANN BOONSTRA
TREASURER

"Capable, clever, and gay: an all around girl in every way."

"Jud's" present aim is college. She recalls making color guard in '62, Sophomore Court, Mar. 7, '64, and the summer of '64. Her main interests are dancing and a certain football end. Her secret ambition is still a secret between them.

Honor Society; Freshman, Sophomore, Junior, and Senior Class Treasurer; Arts, Crafts, and Science Show; Badminton; Bowling; Color Guard Captain; GAA; Girls' Show; Heavy Apparatus; Leaderette; Modern Dance; Rhythmical Gymnastics; Softball; Tumbling; Class Committees; Valley Varieties.

KAREN M. STARKO
TREASURER

"A cheerful smile, the spark of life."

To stay happy is Karen's ambition. She remembers '63 Varsity cheering tryouts, Sophomore Court, chopping down trees for the Cotillion, and Ocean City '64. Watching football and basketball games, being with the kids, and loud music are some of her interests. She would secretly like to see warm, sunny beaches all over the world.

Honor Society; Senior Class Treasurer; Art Service Corps; Booster Club; Badminton; Cheerleaders; Chorus; Class Committees; Field Hockey; GAA V-President; Girls' Show; Heavy Apparatus; Leaderettes; Masque and Sandal; Modern Dance; Rhythmical Gymnastics; Softball; Tri-Hi-Y; Tumbling; Valley Green.

ROBERTA JEAN ALLGAYER
HISTORIAN

"A pleasant smile is worth more than a king's ransom."

"Bert" wants to be a teacher. She remembers Wayne basketball games, "The Group," April 4, 1964, '63 Cheerleader's Dance, and the Junior Hootenanny. Her interests are Girls' Show, sports, and class activities. In secret she wishes to play 2nd base for the N.Y. Yankees.

Junior and Senior Class Historian; Badminton; Arts, Crafts, and Science Show; Booster Club; Bowling; Class Committees; FTA; GAA; Girls' Show; Leaderettes; Modern Dance; Rhythmical Gymnastics; Valley Green; Valley Varieties.

ALEX ABRAMOVITCH

"What we have been makes us what we are."

Flight engineering is the intended career of "Al," who remembers "John's Main," Macarter Highway, 4 Corners, and going down river "tied up." His main interest is a certain family. In secret, he wishes for a fine future.

Art Service Corps; Arts, Crafts, and Science Show; Senior Play; SGA; Stage and Lighting Crew; Valley Varieties; Freshman, JV Basketball.

HARRY ABRAMOWITZ

"A gentleman makes no noise."

To be a music teacher is Harry's ambition. He remembers 3rd period lunch in 103C, setting off a firecracker in the auditorium, and making the Lakeland Conference Band. Music, bowling, and models are his main interests. Secretly, he wishes to play the piano well.

Band; Brass Choir; Dance Band; Dixieland Band; German Club; Valley Varieties.

PAUL ABRAMOWITZ

"Let them obey that know no other way."

Paul, who wants to be a cook, remembers the Junior Prom, the secret he left in 5th period Spanish class, Sophomore History, and Math with a certain teacher. He enjoys girls, popular music, and sociology. To be a disc jockey is his secret ambition.

Valley Varieties; Freshman Cross Country.

ROBERT AFFINITO

"If I chance to talk a little wild, forgive me."

"Bob" wants a career in either space technology or aero-dynamics. In particular he remembers cutting up in chemistry class, trying to be an A-1 chef in food service, and those trying times in Junior History and Algebra II. He likes anything connected with aero-dynamics, space technology, ham radio, and amateur writing. In secret he wishes to travel and see the world.

Radio-Electronics; Science Club; Bowling.

RUSSELL F. AITKEN

"Let the world slide!"

"Egg-head" wishes for a career in aircraft mechanics. His memorable moments are waiting in line for 6th period lunch, Route 46 drag strip, and after school activities. His main concerns are cars, girls, fishing, hunting, water skiing and traveling. His secret ambition is to graduate.

Art Service Corps; SGA; Valley Varieties.

DONALD J. ALBANESE

"His greatest labor was to kill time."

"Don," who is aiming to be a C.P.A., remembers falling off the bus, 8th period Junior History, and track. Cars, sports, and track are his interests. Making a lot of money is his secret wish. Valley Varieties; Track; JV Wrestling; Homeroom Representative.

JOHN R. ALLAN

"The superior man is slow in his words and superior in his conduct."

"Jack's" ambition is to enter the field of chemical research. 4th period German and the gang of 5th period lunch in the Annex are his memorable moments. School work and bowling occupy most of his time. His secret ambition is to be a vagrant.

Honor Society; German Club; German Dramatic Society Treasurer; Hi-Y; Valley Green Sports Editor; Valley Varieties; Bowling.

CHARLES A. ARGENZIANO

"Modesty often hides great merit."

Electrical engineering is "Chuck's" future field. His memorable moments are the band trip, the Clifton Band Show, and the first time he got the car to go to a basketball game. He occupies his time with electronics, cars, and food. In secret he wishes to tell a certain music teacher to pound the bass drum a little harder.

Arts, Crafts, and Science Show; Band; Radio-Electronics; Valley Varieties; Bowling.

LINDA AUGUSTINE

"Pleasant in her own personal way."

Linda wants to be an IBM operator. She remembers the '62 Christmas Cotillion, Junior and Sophomore foods classes, and working in the spaghetti house during the '64 Valley Varieties. Her interests are C.D., color guard, swimming, and driving. Her secret wish is to travel around the world.

Art Service Corps; Chorus; Class Committees; Girls' Show; Valley Varieties.

JAMES D. AVESON

"Just ramblin' around."

"Jim", whose ambition is to be an architect, remembers Freshman Day, the last day at P.V., and the summer of '62. He especially enjoys fast cars and sloe gin. In secret he wishes to be elected to Congress.

DIANE BABICH

"Her ways are ways of pleasantness."

Diane wants to become an elementary school teacher. Her memorable moments are Freshman Day, '61 Verona game, and the summer of '64. She is interested in teaching, clothes, and having fun. In secret her wish is to be a professional water skier.

Archery; Badminton; Bowling; Girls' Show; FTA; Modern Dance; Rhythmical Gymnastics; Valley Varieties.

CATHARINE BACON

"A light heart makes many friends."

Acknowledgments

Our hopes were high. Our goals have now been reached. The editors of the 1965 *Valley Green* yearbook would now like to offer our sincere thanks:

To Mr. Michael Gatti especially for his help in formulating the history section.

To Mrs. Thelma Stamm for assisting in writing the history.

To Mr. Chester Kuziora, our advisor, for his guidance and encouragement.

To Mr. Herbert Botbyl, our literary advisor, for his suggestions and patience with our eccentricities.

To the Paterson *Evening News* and the Paterson *Morning Call* for pictures appearing in the sports section.

To the faculty who graciously submitted to the many untimely interruptions.

To Miss Joan Dierdorf and Miss Betty Fritschie for their assistance.

To our fellow students for their cooperation and support.

To everyone who made *Valley Green '65* a reality.

to the future . . .

Marilyn,
Best of
luck + happiness
to a good kid.
Good luck in
your future.
Love,
Beth

Marilyn,
Best of luck
in the future and
never forget the
time we almost
poisoned Mick.
Love,
Bill
