## FOREWORD

Throughout our years at Passaic Valley, we have traveled along many different roads. Each of these has converged at one point, graduation. Some paths were rough and rocky while others were smoothly paved, and still, they did meet.

Now, as we leave our high school years behind, we embark on the long journey through life. Again, each of us will choose a different road, but this time we will not all reunite at the same point. Each member of the Class of 1966 has his own goal. Combining the roads taken by each graduate, we have the fusion of all our aims—Route '66.

On April 26, hopes became reality as voters went to the polls in support of the construction of an addition to Passaic Valley. A two story academic wing and a two story gymnasium with an adjacent cafeteria addition are planned for occupancy in September of 1968.

"Completion of the project will not only enable us to accommodate a larger student body," Dr. Edward Schneider commented, "but should lead to an even more effectual educational program and greater opportunities for the youth of our combined communities. The prospects are exciting!"

# Dedication

**Chester Kuziora**  
M.A.

When we recall our years at Valley, one person seems to be present in every phase of our memory. Serving as both instructor and advisor, he is involved in almost every aspect of school life.

In his position as department head, he is always ready to give individual attention to his students and to the teachers he supervises. As advisor to three extracurricular organizations, the Art Service Corps, the Stage and Lighting Crew, and the VALLEY GREEN, he shows his never ending interest in the students of Passaic Valley.

Though a normal school day ends at 3:00 p.m., he can be found working around Valley in the evening, on weekends, and during vacations. Yet, despite this, he is best known for easy-going friendliness and sense of humor.

We, the Class of 1966, are grateful to him for helping to make our years at Valley meaningful and memorable. Therefore, it is with great pleasure that we dedicate our yearbook to Mr. Chester Kuziora—Mr. "K."

Much work is involved in producing a memorable yearbook, yet this year's staff proved capable of the task. Though deadlines were a perpetual problem, things worked out as write-ups, lay-outs, and pictures were finally all in place.

Spurred on by the encouragement of Mr. Herbert Botbyl and Mr. Chester Kuziora, we feel that we have taken a significant step down "Route 66."

# STUDENT GOVERNMENT

Our dedicated advisors, Mr. Paul Hoelscher and Mr. Tony Suglia.

The Student Government Association, headed by President Vince Caruso, gives the students an opportunity to voice an opinion and make suggestions concerning the school, student-teacher relations, and student activities. Among its projects are the support of a foster child, Florfina from the Philippines, fund-raising activities, and charitable activities such as the recent clothing drive for underprivileged children in the Appalachian Mountain area.

# Faculty Play

Happy Ending . . .

On March 25 and 26, the Passaic Valley Education Association presented MY THREE ANGELS, a three-act comedy by Sam and Bella Spiwak.

Picture a prison colony in French Guinea. Add three convicts, a middle-aged couple and their daughter. Sprinkle in a reluctant fiancée, a prying uncle, and a handsome young lieutenant. The result? A hilarious and enjoyable production.

Directed by Mr. Kenneth Miner and Miss Christine Petersen, the play was not only fun for all involved, but was also profitable. All proceeds went to the Association's scholarship fund.

## Music Department

The Passaic Valley concert band, composed of students at various levels of ability, was directed this year by Mr. Edward Kirkpatrick. The symphonic wind ensemble, made up of those interested in symphonic literature, played under the direction of Mr. James Barresi.

This year, the band marched and performed at all of Valley's varsity football games, performed at the Christmas Concert, and presented the Band Concert in March. All school bands participated in the Spring Concert. The bands also had a part in Valley Varieties, the annual Memorial Day parade, and, in their final performance, at graduation.

An innovation in the music department this year was the addition of the Girls' Ensemble, a group of twelve selected from the choir, who performed separately at the Spring Concert.

The Choir and the Chorus, under the direction of Mr. Bruce Townsend, sang at both the annual Christmas Concert and at the concert in May. They were also asked to perform for various local organizations.

On January 21 and 22, the Masque and Sandal Club presented JENNY KISSED ME, a three act comedy by Jean Kerr.

When Mrs. Deazy's niece Jenny comes to live at the rectory, Father Moynihan realizes that the only way to return to normality is to find Jenny a suitable husband. Though Father is a poor matchmaker, his efforts bring about many comical moments.

Under the direction of Miss Christine Petersen, the play was enjoyed by both audiences.

"A sport for every girl and a girl for every sport" is the motto of the Passaic Valley Girls Athletic Association. The GAA, an organization to which every girl in school belongs, endeavors to teach good sportsmanship, to promote *initiative and leadership*, and to create an outlet for individual interests, energies, and aptitudes.

With Mrs. Lorraine Duffy as an able advisor, the GAA offers many worthwhile programs. A variety of sports is provided throughout the year including basketball, bowling, field hockey, exercises, modern dance, tumbling, archery, apparatus, badminton, and softball. The year's highlights include Girls' Show, the GAA Dance and a camping trip. Each year a deserving girl, who plans to major in physical education, is given a scholarship.

On April 1 and 2, the 26th Annual Girls' Show was held in cooperation with the GAA and the Girls' Physical Education Department. This year, the Whites led by Bonnie Bromilow and the Greens under the leadership of Barbara Boonstra had the same theme, Holidays.

On the first night, the White Elves in Entrance and Bunny Rabbits performing in Exercises captured the Girls' Show I trophy over the Green Jack O'Lanterns in Entrance and the Chicks in Exercises. The spirit of the Greens was not lost for they rallied to beat the Whites 11-2 in the Basketball game.

On the next night, the Green jump ropers, dressed as Shamrock Girls, won the Rythmical Gymnastics event over the Whites who were costumed as scarecrows. In Modern Dance, the Whites, as Easter Flowers beat the Green Champagne Bubbles. The tie was broken in Relays when the Whites were declared victorious after the third race. The Girls' Show II trophy was awarded to the Whites.

For the first time a cheering trophy was awarded to the best cheerleaders of both nights. The Green Indians won the trophy over the White Leprechauns. This event did not count toward the winning of Girls' Show.

Numerous laurels were once again carried home by Passaic Valley's harriers. Each cross country meet found the Hornets in the win column, bringing the school's dual meet record to a total of 101 wins and 8 losses.

Valley opened the season by defeating a threatening Paramus squad. As each successive dual meet brought the runners closer to an undefeated season, the Hornets feverishly prepared for the contest with DePaul, a team which had been previously undefeated in its cross country history. Valley's squad easily changed this record with a decisive victory.

With second place honors at the Waldwick Invitational and fourth spot in St. John's University Invitational, the Hornets entered the County meet at Garret Mountain. Valley emerged victorious, and went on to pace other squads to become Group IV champions. The fine harriers turned in a fourth place showing in the widely competitive state meet.

The season was marked by many fine races and intense spirit sparked by two excellent coaches.

# Football

The Hornets opened their season with a spectacular 25-0 victory over Verona, which established a fourteen game winning streak, the longest in the area. The bright expectation though was dimmed by team injuries and a few bad breaks.

After putting up a dauntless fight, the Hornets lost to Lyndhurst, Livingston, and Paramus, all in the final quarter of the game. At the traditional game against Wayne, the Hornets fought unsuccessfully against the strong Chiefs.

On the winning side, Valley's eleven proved effective by defeating Kennedy High and Dover in two consecutive games.

Thanksgiving Day brought a new opponent, Governor Livingston High School of Berkeley Heights. Though the squad lost, they again demonstrated fine sportsmanship and ability.

While the 1966 football season will not go down as a successful one in terms of scoring, it was a complete victory in sportsmanship and effort.

**COACHES**  
Mr. Becker and Mr. Mazza.

A completely new phase in athletic competition began at Passaic Valley as the 1965 soccer team opened its season. This was a season which cannot be evaluated in terms of wins and losses, but must be thought of in light of the experience gained by the squad.

Though the Hornets lost all but two contests which ended in scoreless ties, much improvement could be seen over the season. The first game with Ridgewood left Valley on the losing end of a 6-0 tally, yet when the team challenged Ridgewood later in the season, the final score was 1-0, a marked advance though still a loss.

One of the most impressive games was that against Clifford Scott, one of the two ending in scoreless ties. This was one of the season's highlights, as the opposing squad was a contender for the State Soccer Championship.

Another bright spot was the fact that two squad members, junior Leith Mace and senior Frank Ariola, achieved honorable mentions for the All-County soccer team.

Under the direction of two skilled coaches, Mr. John Becker and Mr. Joseph Mazza, soccer should emerge as a well-played and well-supported sport at Passaic Valley.

Coaches Dave McMahon, Neil Aharra

In their fifth year of varsity competition, Valley's grapplers compiled a fine 9-3 record. The Hornets opened their dual meet season with an easy 32-18 victory over West Orange. The next six meets alternated between wins and losses; then, led by district champs Sal Benvenuti, Tom Carr, and Joe Yacco, the squad went on to decisively defeat its last five opponents.

In the Christmas Tournament, held this year at Passaic Valley, the Hornet matmen placed third behind Mahwah and Pearl River. They also took third position in the District Meet, this time behind Caldwell and Montclair.

Coach Dave McMahon, after a very successful season, was chosen as Passaic County Wrestling Coach of the Year.

Facing several of the toughest teams in the state, Valley found it difficult to pick up many wins. Even so, the Hornets gained much experience in preparation for upcoming Northern New Jersey Interscholastic League competition.

From Caldwell to Cedar Grove, the squad chalked up a 4-14 season, yet this figure does not tell the whole story. It does not show that the Hornets outscored their opponents in the majority of second halves. It does not show that thirteen of the sixteen opposing teams entered the State Tournament. And it does not show the spirit which followed the squad through its schedule.

The highlight of the '65-'66 season was Valley's second contest with Wayne. Though the first game had closed with P.V. on the losing end of a 53-41 score, the return match saw the Hornets scalp the Indians, 80-49.

Another high spot was the encounter with Fair Lawn, a future N.N.J.I.L. competitor, in which Valley walked off with a 65-57 win.

Under the guidance of first year varsity coach Carmen Di Simone, the P. V. cagers impressed many onlookers.

Coach Griswold

Passaic Valley's baseball team was engaged in a tough independent schedule in 1966. Coach Elmer Griswold had a well balanced team with which to work.

The leaders of the pitching staff were Bill Goebel, Ken Haik, and Tom Dowd.

The hitting was handled by third sacker Vince Caruso, shortstop Harold Van Winkle, catcher Rich Trautwein, first baseman John Rayhack, and outfielders Bob Lo Guidice and Frank Manniarino.

Working with Coach Griswold were Junior Varsity coach, Tom Patierno, and Freshman coach, John Lisko.

# Bowling

Passaic Valley's varsity bowling team should be commended for the fine record they compiled during the 1965-66 season. The Hornets bowled at the T-Bowl in Wayne every Thursday for thirteen weeks.

The Hornets captured the North Jersey High School Bowling League crown with their record of 25½ wins and 10½ defeats. The league which consisted of Pope Pius, Wayne, Manchester, De Paul, and Butler provided stiff competition for the Hornets. This seems to prove that taking the crown was no easy task for Valley and that this was a great accomplishment for the Hornets.

Passaic Valley was led by Todd Vander May, Ken Newbold, Doug Nelson, Ross Lobosco, Doug Shattuck, Wayne Nord, and Dennis Jaasma. Some of the individual accomplishments were: Todd Vander May, high average of 181; Ross Lobosco, high game of 245; and Ken Newbold, high series of 627.

The entire squad should be proud of their showing, especially since this was only Passaic Valley's second year of varsity bowling. Michael De Paul, Valley's mentor, should be congratulated for the fine job he did in coaching the boys.

Valley's '66 golf squad gave Coach Thomas Kean reason to be proud. At the season's halfway mark, the PV puttmens sported an undefeated 8-0 record. For the first time in four years, the Hornets set back Wayne and held top position in the nine-team Passaic County Interscholastic Golf League.

Senior Hank De Vries, who set a new school record of 35 for nine holes in the Wayne meet, joined with Doug Nelson, Ross Lobosco, and Jack Korpi to lead the team to fifth place among twenty-six schools in the State Tournament.

On October 22 and 23 the Senior Class presented Mary Chase's "Harvey," a three act comedy. Mrs. Peggy Nyire directed the production.

The main action took place in the library of the Dowd mansion and in the reception room of Chumley's Rest Home.

Veta Louise Simmons, a concerned mother, is determined that her teenage daughter, Myrtle Mae, have a happy social life. However, Uncle Elwood and "Harvey," a pooka who appears only to rumpots and crackpots, constantly disrupt the Simmons' home life.

As a last desperate measure, Veta tries to have Elwood committed to a rest home under the direction of Doctors Sanderson and Chumley. This plan fails as Veta finds herself confined to the home by mistake.

Gradually, Veta comes to accept the fact that "Harvey" exists, and she, Myrtle Mae, Elwood, and the pooka live together happily.

## SENIORS WIN . . .

In P.V.'s nine day magazine campaign last February, the \$9,598.22 goal was easily surpassed by almost \$300.

By the end of the sale, the cafeteria bulletin board proved to be a display area for pictures of Mr. Kenneth Miner and Mr. Frederick Lewis carrying and fighting over a large, orange stuffed lion, the high homeroom mascot for the campaign.

Turning to the other end of the caf, one could not miss seeing a large billboard-type pop art display. It was complete with one large orange tiger, one large peering eye, cubes, boxes, spirals, magazine cut-outs, and several more original "thingies" hanging here and there. On top there was a large red and white sign declaring "Seniors Won!"
