# SENIOR HISTORY

September 1966 marked the advent of our years at Passaic Valley High School . . . As the sun rose over the school that September day, as Freshmen we realized that it was now our school . . . Unexperienced and green we battled up and down staircases, the trips to the Main Office, the hundreds of school rules . . . We were introduced to the chaos and miseries of third lunch, stuck lockers, and the kaleidoscope of scenes that were to make up our four years in this school . . . With December came the first Freshman election . . . The class of 1970 chose John Carluccio, Frank Yodice, Joanne McLoone, Chris Nicoloro, Sue Boonstra, Bonnie Summerton, and Pattie Miller for officers . . . Freshmen soon learned that a school day stretched much more than five hours with magazine sales, Masque and Sandal productions, and dance committees . . . March marked the date of the Freshman Dance, the first dance at Passaic Valley that was completely ours . . . Then came June with the first of our final exams . . . After the hours of hard work, the joys and tears, we were Sophomores . . . No longer the infants of the school . . . Suddenly, it didn't seem as large and there were Freshmen in the halls . . . This year, with added sophistication, we also incorporated responsibilities into our already busy schedule . . . The officers that year were John Carluccio, Frank Yodice, Joanne McLoone, Marilyn Decker, Sue Boonstra, Bonnie Summerton, and Pattie Miller . . . In January, the Hero Hop was a new attraction to our school . . . The year was further highlighted by ordering our class rings and by our Sophomore Dance with Queen Marilyn Decker and King Bob Sindorf reigning for the night . . . Suddenly June came and we were Juniors . . . By this time, we were an impor-

tant part of the school . . . There was a new wing and once again we were forced to ask directions . . . Car washes, dances, and projects made it possible for our Peace Corps School and an assembly with Congressman Joelson . . . Our Junior Class Officers: Joe Gentis, Alan Bagden, Marilyn Decker, Karen Dow, Sue Boonstra, Bonnie Summerton, and Pattie Miller . . . Winter Wonderland, our Christmas Cotillion was a festival of glitter, lights and music . . . thoughts about college assumed great importance . . . PSAT's, SAT's, and National Merits became very important . . . Our rings came . . . *John Brown's Body* involved a lot of Juniors . . . The cheerleaders, twirlers, and color guard were no longer strangers. They were our classmates . . . Our boys were playing varsity sports . . . The new gym was dedicated to Mr. Griswold . . . In April came Girls' Show and with that were tears, laughter, with both winners and losers full of anticipation for next year . . . Valley Varieties . . . Girls' State, Boys' State, Citizen Institutes . . . And then came June . . . September, 1969 we became Seniors! . . . Some of us joined Honor Society . . . Senior Play, with a collage of scenery, set, light, paint, prompters and energy with our classmates in *Tom Jones* . . . Our first pep-rally in the Griswold Gym started the Football season . . . The flickering embers of our first Bonfire aroused enthusiasm and spirit, climaxed by the defeat of Wayne Valley . . . Our football team was tied for first place in the NNJIL—It was "The Year of the Hornet" . . . College applications went out, acceptances came in . . . Winter came and the ski trips started . . . Valley Echo, Valley Green, and Voice deadlines caused anguish and headaches . . . The class of 1970 held the first Rock concert with Gary Puckett . . . The dress code was revised and girls could wear slacks . . . Thoughts of graduation loomed ahead . . . Once again Girls' Show . . . and May with the best Valley Varieties ever . . . With spring came the Prom, another festival of lights and music . . . And, suddenly—Graduation . . . Plans for the future were made, we were now men and women . . . Our class had to leave to make room for the future—the freshmen class to follow in *our* steps . . . With graduation came the sunset . . . The last flickering embers of our life at Passaic Valley . . .

The Class of '73 has exhibited fine leadership qualities in the short time they have been in our school. In addition to participating in sports and clubs in the school, they made a substantial contribution to their treasury by way of the magazine sale.

# Sophomores

**OFFICERS:** Robert Nies, Nina Scott, Jane Patrisso, Claudia Bogner, Maureen Miller, Pat Hemsey, Joyce Santillo, Mrs. Mezger, Advisor.

During the past two years, the Sophomore class has made many contributions to the school by participation in school-sponsored activities. Their great school spirit has boosted the spirits of the athletes as well as strengthening pride in the school. The highlight of Sophomore year was the crowning of the king and queen at the Sophomore Dance.

# Girls Show

The 30th Annual Girls' Show was a delightful success, resulting from many months of planning and work by the girls of the GAA and the Girls' Physical Education Department. "Happiness is . . ." was this year's theme, creating a wide range of choices for the different events.

Friday night's show commenced with Green Committee Heads dancing to the song "Singing in the Rain", to be complemented by the Marching Ducks. Next, the White Committee Head Dance presenting a world peace theme, was followed by the Marching Fire Girls. The Green Clowns competed against the White Sailors with their imaginative exercise routines. The night closed with Green and White competition in basketball.

On Saturday night, the show began with Green Hoops as Cowgirls followed by the White Hoops dressed in Panda Bear costumes. Then came Modern Dance, the most beautiful event, with the Green Alley Cats dancing against the White Snowflakes. Relays added to the Show's tense, excited moments. Another very important event not included in the show competition was cheering. This year, the Green Sailor Girls and the White Party Girls increased the effect of both evenings.

# Football

This year was a successful one for Passaic Valley's Hornet football team. After a faltering start at Teaneck, the team ran eight straight victories over some of the area's toughest competition, and in doing so, tied for the NNJIL championship.

The front line, consisting of Van Valkenburg, Goobic, Spencer, and McLaughlin, kept constant pressure on the opposing quarterbacks. The backfield, including Jernak, Miller, Belli, and Sardinsky with the assistance of linebackers Shink, Gerdy, and Auten only allowed 47 points during the whole season.

The offensive line, consisting of Bowe, Spencer, Bolen, Diehl, Appeldoorn, McLaughlin, and VanValkenburg, opened gaping holes in the defense allowing backs Sindorf, Feola, and Bodmer to make sizable gains.

The coaching staff, under the direction of Mr. Gerdy and assisted by Coaches Biscaha, Aharrah, Pellechia, Ruccia, Green, and Pfister, provided the instruction which enabled the Hornets to have a winning season.

# Cross Country

Coach Tom Patierno

Cross Country is a fast growing high school sport. Competition and the caliber of the runners have gotten increasingly better over the past couple of years.

The PV harriers faced many tough teams in the NNJIL and various out-of-conference teams, finishing with a 4-8-1 record in dual meet competition. Even so, this figure does not tell the whole story. Besides a tie against Paramus, the Valley harriers lost two meets by only one point. The record also does not show the spirit which followed the squad and experience gained by each member. Perhaps the biggest race of the year was against De Paul, our arch-rivals. The Hornets decisively won.

The JV and Frosh teams both ended the season with outstanding records. These teams finished undefeated in dual meet competition and both brought home the county championship.

All in all, it was a winning season in the sense of sportsmanship and effort. The harriers represented the school well everywhere they went and are respected athletes. The coaches should be commended for an excellent job.

Again faced with a tough schedule in the NNJIL, the Passaic Valley soccer team showed signs of improvement. Competition was very keen. The high-point of the season was when the unit, under the combined leadership of Coach Mazza and the co-captains Bob Lambert and Tom Stewart, shutout Paramus who had previously defeated Hackensack, the State Champs. Against a Ridgewood team that was vying for second place in the NNJIL, the Hornet defense and a fired-up offense supplied a very impressive 2-1 victory. The season was topped off by a 1-1 tie against Wayne Valley.

Honors were awarded to several members of the team. Tom Stewart and John De Feis received honorable mention for outstanding play. John Chmielowiec was selected to be on All-County second team. Tom Stewart again received honors as he was selected second team all NNJIL as a defense back.

# Basketball

Led by Co-Captains Steve Dorsey and Mike O'Shea, the 1970 Basketball team finished the season with a seven/seventeen overall record and a four/twelve record in the league.

A look at the scores shows that the Hornet cagers were in every game to the very end.

The season was highlighted by an overtime victory over Fairlawn at Fairlawn. Behind during most of the first half,

the Hornets caught fire in the second to bring home the victory.

This year, Senior Mike Raymond became the first P.V. Player to score thirty points in the Griswold Gym.

Coaches DiSimoni, Reaser and Bender can look forward to a good team next year with three starting Juniors returning. All in all, the season was very successful.

# Wrestling

With eight returning letter winners and nine Seniors, this year's varsity wrestling squad had great potential. With eleven victories and two losses, it can be said that the Hornets lived up to their reputation.

Randy Bush, the 98 pounder, showed an excellent 13-0 slate only being defeated at the districts by the State Champion.

Co-Captains Joe Benvenuti and Fred Miller also exhibited fine efforts with 11-2 and 11-1-1 records respectively.

The season was highlighted by a victory over Pascack Valley, which broke a 14 match winning streak for our opponents. Naturally, wrestlers of all weight classes contributed to the overall fine record of the team. Jim "Whale" Edler came through with a pin in the Heavy-weight match to put Valley ahead 27-22.

The season was capped by a 38-14 victory over our arch-rival, Wayne Valley. The districts were held in our own Griswold Gym this year further complimenting a fine season.

Coaches McMahon, Aharrah, and Sisbarro are to be commended on a fine job.

# Track

The 1970 track team again faces a tough NNJIL schedule. With five meets tallied, the Hornets were 4-1-1 overall and 1-1-1 in the league.

After opening with an 82-44 victory over Don Bosco Tech and smashing DePaul 104-22, the trackmen began their league schedule with a 67-55 win over Teaneck. They then lost to Paramus but came back to take second in the County Relays.

The next meet, at Bergenfield, was a cliff hanger with the Hornets coming from behind in the mile relay to tie the meet 61-61.

The coaching staff consisted of Head Coach Kiick, Weight Coach Pellechia, Sprint Coach Ruccia and Distance Coach Bender. They consider this team one of the best ever at P.V.

# Baseball

This season Passaic Valley Baseball again faced a tough league schedule. With 7 games played their record was 5 and 2 and 1 in the league.

At this time the season was highlighted when the Hornets edged previously undefeated Hackensack 1-0. The game was a one hitter pitched by Ron Norman. The rest of the team made some outstanding catches in a fine defensive effort. To the coaching staff of Head Coach Patierno and assistant Coaches Reaser and Licsko and the whole team, a hearty well done.

The J.V.'s, Ralph De Donato, Jim Carbone, Don Roscov and Bob Vanderwende, finished first in the league.

Coach De Paul is to be commended on a fine job.

# Golf

Passaic Valley High School has always had a fine golf team. This year was no exception. #### IN MEMORIAM

The 1970 *Valley Green* Editors regretfully acknowledge the death of Etilo Adomilli, one of the representatives of New City Printing Company. Mr. Adomilli worked very closely with our staff and his generosity and understanding are missed by all of us.

#### IN MEMORIAM

The 1970 *Valley Green* staff sadly marks the passing of Mr. Stephen W. Jorlett. Mr. Jorlett served our school and the communities as a member of the Passaic Valley Board of Education for nine years, during which time he served as Board President from 1967 to 1969. Mr. Jorlett was also distinguished as a teacher in the Totowa school system.

Mr. Jorlett will be fondly remembered by his former students and colleagues for his avid interest in civic and educational endeavors.

#### ACKNOWLEDGMENTS

The 1970 *Valley Green* Editors wish to extend our sincerest thanks to the following people:

To the Lorstan-Thomas Studios . . .

The Paterson Evening News, and The Herald News for pictures . . .

To the administration and faculty for the interest shown in our class . . .

To our staff members and all others who may have helped . . .

And most of all to our advisors, Mr. Herbert Botbyl and Mr. Chester Kuziora, whose patience and diplomacy helped make the 1970 *Valley Green* a reality.
