Hard work, determination, double sessions, and pride spelled success for this year's football team. If not for a slump mid-way through the season, the team could have gone undefeated. As it was, the final record was seven wins against two defeats, which earned the Hornets second place in the league. The combination of a powerful offense and a stingy defense was the formula for a winning season. An offense with an accurate passing attack complemented a strong running game bewildered many an opponent's defense. At P.V., defense has always been the backbone of the team. This was no exception as Valley's was among the best, yielding only an average of 181 yards and four first downs per game. To climax the season, P.V. shutout Wayne Valley 20-0. P.V. dominated many of the all star teams, as Rob Nies, Bob Appledoorn, Bob DeYoung, Jerry Rubino, Nick Sauter, and Dave Sansone were selected. Much of the credit for this year's success should go to the coaches, especially Coach Gerdy. He was honored as County Coach of the Year. The loss of thirty seniors will hurt the team, but the winning tradition is sure to continue.

Along with winning games, this year's Soccer Team also seemed intent on breaking records. With past years' best efforts toppling at every game, this team was the best ever. With a final record of 13-4, the team also gained entrance into the State Tournament. Three teams were defeated for the first time: Englewood, Paramus, and Garfield. The team scored the most goals per year, 51, and allowed the least, 9, in the seven years Soccer has been played at Valley. With a second place finish in the N.N.J.I.L. to their credit. The team also ended ranked twentieth in the state. Team members that were honored by selection to area all-star teams included: Randy Escobar, Enzo Niglio, Bill Makris, Roberto Escobar, Rich Trignano, and Doug Grant. Coach Mazza finally received the credit he deserved, he was named as the Soccer Coach of the Year in Passaic County. This year's team and its coaches are to be congratulated on their fine season.

And so they did. The pain of blisters, agony of up and down the bleachers, and aching muscles paid off for this year's Cross Country Team. The Harriers completed their schedule with a winning slate of 9-4, so that all fall teams were above the 500 mark. With qualified underclassmen to add to a number of seasoned seniors, the team appeared to have great potential. Unfortunately injuries plagued the team and as a result the team faltered in league meets with all 5 defeats coming against league rivals. And so as it is for this year's seniors and for all runners, they have reached the...

Following the winning example set by fall sports, the 1971-72 Basketball Team put together a fine season ending with a 16-10 record overall. Playing their best under pressure they captured the Passaic Valley Holiday Championships and were the runner-up in the Passaic County Tournament. They also put together their best games against their toughest opponents. Against state semi-finalist Hackensack the team lost in the closing seconds 77-75. Against league foes the team came away with a 10-8 slate.

John Gerdy led the team, as well as the league, in scoring with a 24.9 scoring average. Pulling down rebounds were Bob De Young, Gene Krom, and Joe Lazarski. Directing the attack was guard Gus Fraga.

Credit for much of this year’s success goes to Head Coach De Simone and Coaches Bender, Reaser, and Puzzo.

Next year looks promising with three returning starters and nine other lettermen.

Eighteen little kids with smiles — and easy tears. They come from less than ideal situations and know better than we the harder aspects of our economy and the tougher aspects of life. We wanted to do something for another person. We had the notion that we could do something tangible to help along that intangible thing called happiness for people who needed it. We were infected with the "Spirit of Christmas."

So we took up a collection, we bought presents, we threw a party. We baked cookies, we wrapped presents, we dressed Mr. K. as Santa Claus, we put together a scooter, we taught a little boy to punt. And they appreciated it. They laughed, they smiled, they ate. And we appreciated it.

These are children, children who know despair. They have not despained. They know hardship. But they are not apathetic. They left us with smiles — and easy tears.

The starvation, as well as the hard work and sore muscles payed off for this year's Wrestling team. The result was a 12-2 record and third position in the N.N.J.I.L. Along with those accomplishments the team captured their first District VIII crown in the eleven years wrestling has been a part of Valley.

There were many outstanding wrestlers this year led by Captains Pete Spinelli and Ed Norman. Pete advanced to the State finals before losing to the eventual State champion, but enroute he won the Region 2 and District 8 titles. 98 lb. Glenn Wiltshire and 136 lb. Vic Santalla took first in the Districts. 123 lb. Sal DiCola and 115 lb. Ben Benvenuti were the runners-up in the district. Overall seven lettermen received County honors.

The future looks promising with Mr. Aharrah guiding the J.V.'s to an undefeated season 14-0. Mr. Sisbarro did a fine job with a 10-2 Freshman team. Mr. McMahon did a superb job with the Varsity as can easily be seen by the team's success. The 1971-72 Wrestlers represented Passaic Valley admirably.

Passaic Valley High School bowlers competed in two leagues and three tournaments during the past season. Coached by Mr. De Paul, Passaic Valley won both leagues. Our record in the N.N.J.I.L. League was 49 wins and 15 losses. Our record in the Butler Scholastic League was 27 wins and 3 losses.

The junior varsity team ran a string of 24 undefeated games before losing its first game.

Steve Drehetz, a sophomore, led both leagues in high individual averages, with a 189 in the N.N.J.I.L. and a 184 in the Butler League.

Rain, snow, and mud confined P.V.'s baseball squad practices to indoors. "Think sunshine" was the chant during the early practices. Finally sunshine and a vastly improved baseball team. With the power of Damiano and Sansone, the quickness and fielding of Fraga, Hatab, and Kleinrock, and a very strong pitching staff, the Hornets are a solid competitor for the N.N.J.I.L. crown. Coaches Tom Patierno, Frank Reaser, Vince Caruso, and Bill DeGroot along with the entire team are looking forward to a fine season.

Passaic Valley's track team for the 1972 season promises to have great success, with strong individual performers in many of the events. Returning are fourteen lettermen, many of whom are underclassmen, having set outstanding records in their previous years at Valley.

It is not a year of the superstar, with one or two exceptionally good performers, but rather, exceptional individuals across the board. This is unquestionably the year for some new individual records to be set and strong team record.

A thought, a theme, months of hard work, hundreds of ideas, routines, practices, and costumes all climaxed in two exciting nights. Nostalgia, this year's theme, brought back the memories of days gone by.
The festivities started Tuesday morning with the traditional Green and White Committee Head Breakfast. Decorations were hung, and cars were dressed in crepe paper and paint. Sympathizers displayed shirts and buttons, and everyone was psyching for the weekend. The cake was cut and the Girls' Show was on its way.

Friday night’s show commenced with a Green and White Committee Head dance as they relived their childhood dreams of the circus. The Green Marching Cavalrymen performed next, closely followed by the White Marching Martians. The Green Ladybugs competed against the White Little Girls and Boys with their imaginative exercise routines. The night closed with Green and White competition in basketball.

Committee Heads once again introduced the show followed by Green Hoops Swimmers and White Hoops Valentines on Saturday night. Then came Modern Dance, with Green Team Gangsters and White Team Ziegfield Follies performing with grace and precision. Green and White Relays added to the Show’s tense, exciting moments. Creating the mood on both nights were the cheering squads, Green Valentines and White Jiminy Crickets.
We have just completed four years of education in this institution. Along with the facts and figures and, we feel, of equal if not greater importance, is the social education we have obtained here. What we hope has been transmitted, is the ability of people to live together . . . . Togetherness is a great thing.

Stopping on the street next time you see a stranger with a flat tire, or just brightening someone's day with a smile. The idea here is to really make your life a vehicle for the promotion of peace and, through self-respect, human dignity.
Youth is the hope of the world; that it will be able to cope with today’s problems and tomorrow’s immense dangers. Peace is the method, and you’re it.

LINDA GEISER
T'was Spring and the first days of sun
When Southward flew the students all
Out of cooped-up closed-in classrooms
To the sun and sand and sea.

In the breeze the mist sprayed lightly
And settled on the old pig skin
Amidst the cries of the sea gulls,
Among the garbage and the muscle shells
Was heard the students of P.V.

And burbling with cries of glee
From the Point to grand Sea Side
With no thought for the morrow
With not a care for parents wrath
Was heard the call: "Onward all to Exit 93"
Graduation
(drum roll please)
I HAVE TAUGHT THEM ALL

I have taught in High School for ten years. During that time, I have given assignments, among others, to a thief, a murderer, an evangelist, a puglist and an imbecile. The murderer was a quiet little boy who sat in the front row and regarded me with pale blue eyes; the evangelist, easily the most popular boy in school, had the lead in the Junior Play; the puglist lounged by the window and let loose at intervals a raucous laugh that startled even the geraniums; the thief was a gay hearted Lothario with a song on his lips; and the imbecile was a soft hearted little animal seeking the shadows.

The murderer awaits death in the state penitentiary; the evangelist has lain a year now in the churchyard; the puglist lost an eye in Hong Kong; the thief, by standing on tip-toe, can see the windows of my room from the county jail; and the quiet dyed little moron beats his head against the wall in a state asylum.

All these pupils have sat in my room, sat and looked at me gravely across worn desks. I must have been a great help to these pupils — I taught them the rhyming scheme of the Elizabethan sonnet and how to diagram a complex sentence.
He always wanted to explain things.
But no one cared.
So he drew.
Sometimes he would draw,
And it wasn’t anything.
He wanted to carve it in stone
Or write it in the sky,
And it would be only him and the sky and
The things inside him that needed saying.
It was after that he drew the picture.
It was a beautiful picture.
He kept it under his pillow
And would let no one see it.
He would look at it every night
And think about it.
When it was dark and his eyes were closed,
He could still see it.
When he started school
He brought it with him,
Not to show anyone,
Just to have along as a friend.
It was funny about school.
He sat at a square brown desk,
Like all the other square, brown desks.
He thought it should be red.
And his room was a square, brown room,
Like all the other rooms.
It was tight and close and stiff.
He hated to hold the pencil and the chalk,
His arms stiff, his feet flat on the floor,
Stiff,
The teacher watching and watching.
The teacher came and spoke to him.
She told him to wear a tie
Like all the other boys.
He said it didn’t matter!
After that they drew.
He drew all yellow.
It was the way he felt about morning,
And it was beautiful.
The teacher came and smiled at him.
“What’s this?” she said. “Why don’t you
Draw something like Ken’s drawing?
Isn’t that beautiful?”
After that, his mother bought him a tie,
And he always drew airplanes and rocketships
Like everyone else.
And he threw the old picture away.
And when he lay alone looking at the sky,
It was big and blue and all of anything,
But he wasn’t anymore.
He was square inside and stiff and brown,
And his hands were all stiff.
He was like everyone else.
The things that needed saying
Didn’t need it anymore.
It had stopped pushing.
It was crushed.
Stiff.
Like everything else.

Indignity is one of the most sincere forms of love.
We should welcome the excesses of youth just as we welcome the exuberance of spring, looking forward with delight to when the time when people with such an imaginative program of life became mellow and mature — not only as gentle as doves but wise as serpents.

The Valley Green Yearbook is proud to announce that 1972 is the year that the human race was admitted to the endangered species list.

We finally made it, gang. Against the unrelenting forces of old Mother Nature we have prevailed. They say a man can be measured by his enemies. Well, I think we can safely say that in the old witch we had a gallant enemy. After all it's not just any life form that can claim such achievements out of such humble beginnings.

But our tactics were ingenious. They plugged her streams. They infected her air, they disrupted her life cycles. It is not just anyone who would have been capable of developing such a wondrous compound as DDT. Yes, and to think that today, even mother's milk contains this miracle substance.

Dr. Edward T. Schneider has been associated with Passaic Valley High School since its inception. In September of 1940, Dr. Schneider became Business Department Head and held this position until 1942, at which time he was appointed to the office of Assistant Principal. Four years later Dr. Schneider assumed the dual role of Superintendent and Principal. In 1960, Mr. Gatti became Principal, and Dr. Schneider then devoted his time and energy exclusively to the office of Superintendent until his retirement this year.

The following is an excerpt of an interview with Dr. Schneider conducted by Steve Jorlett for the 1969 Valley Echo.

Can't stand it no more. The people dying. Crying for help. For so many years. But no-
body hears. Better end soon, my friend. It better end soon, my friend.

Can't take it no more. The people hating. Hurting their brothers. They don't un-
derstand. They can't understand. Better end soon, my friend. It better end soon, my friend.

Hey, everybody. Won't you just look around. Can't anybody see? Just what's going
down. Can't you take the time? Just to feel what is real. If you do, then you'll see that we
got a raw deal. They're killing everybody. I wish it weren't true. They say we got to make
war or the economy will fall. But if we don't stop we won't be around no more. They're
ruining this world for you and me. The big heads of state won't let us be free. They made
the rules once but it didn't work out. Now we must try again before they kill us off. No
more dying! No more killing! No more dying! No more fighting. We don't want to die.
No, we don't want to die. Please let's change it all. Please let's make good for the present
and better for the future. Let's just love one another. Let's show peace for each other.
We can make it happen. Let's just make it happen. We can change this world. Please
let's change this world. Please. Let's make it happen for our children. For our women.
Change the world. Please make it happen. Come on. Come on. Please. Come on. It's up
to me. It's up to you. So let's do it now. Yeah. Do it now.

Can't stand it no more. The people cheating. Burning each other. They know it ain't
right. How can it be right? Better end soon, my friend. It better end soon, my friend.

With this book, we dedicate ourselves, our futures and our energies to revolution of
peace and understanding.
A world to be born under your footsteps...

St. John Perse
