CLASS HISTORY

Many of us, if we can recall the fall of 1972, can also remember the transition which occurred in our lives when we first stepped foot into the huge corridors of P.V. For most of us, the student body of 2300 was something inconceivable. We're still not sure how we ever made it through the main intersection. Freshman year was the era of the "rotating drop schedule", second period homeroom, dances, mini courses, and the leaving of school premises. We ended the year with Lena Di Gangi as Freshman class president, and the positive outlook that next year would be brighter.

In Sophomore year change took its course and teachers as well as students, were baffled by a new scheduling system called "flex-mod" and a new innovation called T.A. (the answer to every student's problem). Due to the fact that six days didn't fit into a five day week and bells between classes were eliminated, P.V. students out of necessity developed a new system of telling time — "10:28" became "seven minutes till 25 of".

Lena Di Gangi was re-elected as class president; the senior lounge was established and immediately overtaken by underclassmen; smoking areas were designated which significantly decreased the amount of air pollution in the bathrooms. And then there was streaking, which we can barely remember.

During our Junior year Tony Lo Castro and Lena Di Gangi tied and became our first co-presidents. The whole school was painted in horrendous colors to "stimulate young minds"; walls were knocked down and hallways were blocked as resource centers were devised; and bomb scares were phoned in. The SGA was reborn; the Christmas Cotillion at the Bethwood was a memorable occasion; and football and basketball had tremendous seasons with equal success shared by Girls Field Hockey and Softball. And then there was Mickey Mouse.

An optimistic Senior year began with the election of Pete Sisti as class president and the production of "Gaslight Girl" as the Senior play. However, the senior lounge became a large empty room; the library had scheduled classes; and resource centers were now off limits. There appeared to be no place to sit during free time. Halls were patrolled by aides who confronted students having to go to their lockers or rest rooms, and the parking lot attendant challenged every car coming to the school.

Yes indeed, the Class of '76 has seen a great amount of revision in its four years at P.V., and has discovered that change — perpetual change — is inevitable.

UNDERCLASSMEN

Change is rising suddenly,
breaking through the haze
Rushing through the silence,
filling all our days.

There is no time, no tomorrow,
no yesterday, no today,
Only the forever and forever
without end.

I've shut the door on yesterday,
and thrown the key away,
Tomorrow holds no fears for me,
Since I have found today.

The Senior Class of 1976 presented a new and oldfashioned, Gay Nineties, musical melodrama:
 "Gaslight Girl"

by
 John Jakes

Without sacrificing the marvelous and familiar elements . . . the virtuous heroine, the unspeakable villain, the handsome hero and the comic secondary characters, all playing out an utterly improbable plot with intense emotions and straight faces!

It was all done in terms of a genuine musical comedy approach. Songs were intergrated into the story line and were inseperable from it.

The intention was nothing short of blending the best of two worlds — nineteenth century melodrama and twentieth century musical theater.

CHRISTMAS PARTY

*It is good to be children sometimes,
But never better than at Christmas time.*

Charles Dickens

On Dec. 12, a group of Passaic Valley Seniors held a Christmas Party for the children of St. Joseph's Home in Totowa. The children, all between the ages of 8-14, received gifts paid for with money donated by P.V. students and faculty.

During their visit to the school, the children viewed the annual Christmas play and then were treated to lunch in the cafeteria. Following the lunch Santa Claus (Senior Frank Coppa) distributed the gifts to the very excited youngsters.

Senior Janey Piparo served as chairperson and organizer for the party and worked under the supervision of faculty members Chester Kuziora and James Mercadante.

Also included in the Christmas festivities was a concert put on by the school choir.

FOOTBALL

The 1975 Passaic Valley football team finished the season as the undefeated-untied North Jersey Section 2 State Champs. It was a team many people consider to be the best ever at Passaic Valley and everybody considers to be the best defensive team in the state. The highlight of the season was the big "D", which shut out its first seven opponents.

The strength of this year's team was evident from the season's start. After a 26-0 blow-out of a strong Clifton team, P.V. shut out Fair Lawn and Teaneck before its first "pressure game" vs. Paramus. The Spartans came to Little Falls with a 3-0 record and a victory over pre-season Hackensack. When the afternoon was over, Al Tafro had led the Hornets to a 52-0 victory with 4 touchdowns, 2 coming from punt returns and 1 on an 80 yd. kick off return.

The next three victories over Bergenfield, Hackensack and Garfield were also shut outs. Then, at Ridgewood, Doug Yates faked a field goal and threw a TD pass with 1:50 left in the game to snap "the streak" of 31 consecutive quarters. Our final league game vs. Wayne Valley was another white wash and presented the Hornets with the N.N.J.I.L. Championship. Our league record showed 9 victories with 0 losses and 235 points scored with 8 surrendered.

Then, for the first time, the N.J.S.I.A.A. held a playoff to determine State Champions. Our first opponent, Wayne Hills came into the game with a strong rushing team and a 7-1 record. After the game, Wayne Hills had a total of 2 yards rushing and a 7-2 record. The 27-2 P.V. victory had set up North Bergen as our final step for the state championship. The Bruins had established themselves by beating Clifton 16-14 and came to Passaic Valley with a 9-1 record. They provided the best test of the season for the Hornets, and scored the only "legitimate" TD on our defense all year, with P.V. coming out on top 23-7.

The total effort of this year's team was accented by some memorable moments and achievements. The defense was led by Ron Hendricks who made 110 total tackles, Ken Andiorio who made 90 more, Bruce Chalmers whose 7 interceptions are a school record, and Al Tafro whose 6 interceptions tied the old record.

The special teams also contributed and perhaps present the most amazing statistics. The average punt return against the Hornets this year totaled 1.0 yards (from a total of 27 punts). Al Tafro, who seemed to always be in the right place at the right time averaged 45 yards per kick off return and 22 yards per punt return.

And then there was the offense. P.V. has always had the tradition of a fine running team and this year was no exception. Our running backs Al Tafro (14 TD's, 1142 yds. total offense), Gary Brock (11 TD's, 756 yrd. total offense), and Tom Yurkosky (2 TD's, 360 yds. total offense) kept the opposition busy while quarterback John Miller (2 TD's, 917 yds. total offense) was rolling out. When teams began to key on our runners, Miller burned them with late season bombs to Doug Upritchard (4 TD's and a 73 yd. TD bomb vs. Wayne Valley), Scott Courier (20 yd. reception average and a 65 yd. TD bomb vs. North Bergen) and John Reilly (3 TD's).

But these stats and figures only show a part of what this season was about because statistics don't always show up for players in certain positions, nor do they present any facts concerning the coaches. Don Sudol, Mike Lonsky, Ken Skula, Mark Wright, Ken Andiorio, Sal Franco, Craig Spinelli, Dave Skurat, Scott Belding, Charlie Messick, Jody Vail and Len Friscia were the defenders who helped establish the county record of only 17 points surrendered. Ken Andiorio, Mike Pinadella, Jim White, John Stewart, Matt Grady, Pete Farina and Scott Courier provided the blocking that enabled Passaic Valley to be the first Passaic County team ever to win 11 games in one season.

Coach of the Year Joe Biscaha and his staff of Frank Pellechia (defense), Dave McMahon (special teams), Hank Sisbarro (backs), Jerry DeVisser, Bob Smith, Neil Aharrah, Bruce Laudi put in too many hours to count but to produce winners and State Champions, it's the supreme dedication of the coaches that starts it all rolling.

For next season, the only returning players are John Stewart, Matt Grady, Doug O'Connor (3 FG's 23 extra points), Rick Lane, Rich DiBuono, John Sass. They will form the nucleus for the 1976 edition of Hornet football.

Passaic Valley, led by captains John Collins and Don Takash, completed a very successful season winning 8 meets and losing 5. Charles Coronato, Greg Hoynack, and John Shields were other seniors contributing to the teams success. Underclassmen who contributed greatly were Juniors George Famy, Bob Traina and sophomore Cazi Bici.

Passaic Valley also took 4th place in the NNJIL, which was our best finish in the last 3 years. Senior John Collins had a great year, winning 6 dual meets, and setting two records, 2.98 miles in 15:49 against Wayne Valley and running 3 miles in 16:07 in the Passaic County Championships.

The JV success was due largely to senior Kevin Breen, juniors Kevin Galuska, Dave Tosi, Paul Lauber, and Sophomore Brent Kobere.

The Freshman had a super season, winning two championships. Fine performances by Jin Schopperth, Bob Stackpole,

Kevin Flanagan, John Evans, Mike Lavorgna, Dan Mitton, Doug Kennedy and Joe Codispoti helped to finish a great season.

Highlights of the Varsity season were beating a strong Garfield team with a "last-second" team effort, and also beating Hackensack and Clifton for the first time under Coach Bender.

Freshman Joyce Barmore, who ran varsity, set two records, running 2 miles in 12:58 against Lakeland and 2 miles in 12:54 in the State Sectionals. She won two big dual meets against Hackensack and Ridgewood, and was the NNJIL individual champion. Joyce also did well in the county and State Sectionals.

The overall team ended the season with 23 wins and only 8 loses. Congratulations to all the team members and to the coaches, Mr. Bender and Mr. Kiick.

field hockey

Thanks to the leadership of Coach Mary Borgess, the 1975 Girls' Field Hockey Team had a very successful season and finished with an overall record of 11-1-2 and a 1st place finish in the Northern New Jersey Interscholastic League. The team made it to the State Sectional Tournament but lost to Wayne Valley by a 1-0 score.

Joy Fisher, centerforward and the only senior on the squad, and sophomore Valerie Duerr, both served as captains and did a fine job providing the leadership for this very young team. Joy and sophomore Karen Brahs led the team on scoring with 13 goals each, while Eva Kobelka, Ruth Mechanic, Diane Radigan, and Janet Fisher also scored and contributed to the team's total of 36 goals. Juniors Carol Lonsky, Wendy Simone, and Sophomore Mary White proved to be very capable in their backfield positions while Freshman Beth Grady did an outstanding job as Goalie. With the completion of this season, Joy Fisher concluded her athletic career at P.V. by becoming the first girl from our school to be named to an All-State Team, being a second team choice of the Newark Star Ledger.

Since the team will only be losing one player through graduation, P.V. fans can expect very strong Field Hockey Teams in the years to come.

SOCCER

The 1975 Soccer Season was really two seasons in one. After completing the first eight games of the season, the Hornets had a record that stood at 2-6. However, under the very able leadership of Coach Mazza, the squad turned itself around and pasted a fine 5-1-4 record for the second half of the season to finish at a respectable 7-7-4.

Highlights of the season included Passaic Valley's first victory over Hackensack, and the defeat of a very strong, and top seated Pompton Lakes squad in the Passaic County Tournament.

Goalie Bob Calabro had a very fine season and posted 6 shutouts, the most notable being against Paterson Eastside in the County Tournament.

Players who earned recognition for their outstanding efforts:

- Bob Calabro: First Team All County
- Bob Belding: 2nd. Team All NNJIL
- Scott Clifton: Hon. Mention All NNJIL

boys' BASKETBALL

The Hornets were surprising 11 game winners in what was considered a rebuilding year. Senior Don Fellman was a leader in many categories (i.e. scoring 25 points per game — placing third in county scoring) to the young P.V. squad.

Seniors Don Fellman, Jon Danilack, Dave Gerdes, Al Benda, and Dan DiLella also proved a steadying factor to underclassmen John Sterling, Paul Gerding, Rich Mizzone, and Tony Tudra.

Danilack was one of the leading rebounders — averaging 9 rebounds per game, Gerdes the second leading scorer — 14 per game, with DiLella providing the bulk of the ball handling. Sophomores Mizzone and Tudra made possible several of the victories.

Coach Sulek, assisted by John Wallace, was able to claim a mid-year 5 game winning streak and an upset over a powerful Bergenfield squad (80-78) in overtime.

All are looking forward to a promising basketball season next year.

girls' basketball

Passaic Valley's 75-76 Girl's Varsity Basketball team achieved an unprecedented degree of success ending their season with a record of 14 wins, 4 losses plus a strong third place finish in the NNJIL play-offs.

The Hornet squad also reached the championship round in the Kiwanis Christmas Tournament but were unfortunately defeated in overtime 30-29 by NNJIL champs — Wayne Valley. One more first was that the girls were invited to participate in the county and state tournaments.

The future of girl's basketball in P.V. is very bright and the team is looking forward to an extremely promising season next year.

TRACK

The Hornet track team for 1976 looks better than ever, with coaches like Mr. Pellechia, Mr. Bender, Mr. Kiick, and Mr. Gerdy. bowling

The Varsity Bowling Team posted a record of 38 wins and 42 losses in NNJIL Competition and finished in 6th place. Seniors bowling for the team were Marty Braunstein, Lou Cinque, Mike Faletto, Rick Gass and Gene Vivino. Rick Gass, Captain of the team, finished with a team high average of 178. The team finished 5th in the Passaic County Coaches Tournament and 17th out of a field of 32 in the Union Invitational Tournament.

Girls Varsity Sports at Passaic Valley may look with pride at the performance of the bowling team this year. The team has, to date, accumulated 40 wins and 40 losses in the NNJIL Competition positioning themselves solidly in fifth place. Top bowlers for the season were Debbie McCoy, Nanette Semrow and Thea Mills with averages of 155, 154, and 153 respectively.

Debbie McCoy, Awarded Honory All County Team, also placed high in individual series at the State Bowling Championship. Good bowling, hand-in-hand with good sportsmanship create fun and promise great hope for the future.

What do you mean, "Rican"!

Ready — Aim ... Fire One!

First you stick your fingers in the paint ...

My girdle is killing me!

Don't touch them!

How am I supposed to know where the rest of 'em are?

This place is alot like "Cuckoo's Nest"

I think ... yep, uh huh, a razor blade!

Oooh ... oooh, I wanna try!

OK! Hold the brush like this ...

This is harder than it looked!

Would someone please pick the photographer up off the ground, he may be hurt.

Well I think the play is good!

I know the 122 pounders were here a minute ago!

The

INSPECTOR

"The Real Inspector Hound", presented at P.V. on February 6, 1976, began with two drama critics — Moon and Birdboot — in a critic box at the premiere of an Agatha Christie type mystery full of romance, revolvers, and bodies.

The play-withing-a-play is clearly a lampoon of classic British thrillers. Moon and Birdboot were the ill-fated critics, whose identities and reality become complicated and confused the moment they stepped on stage. Lady Cynthia Muldoon, mistress of the manor, Felicity Cunningham, the resident socialite, Mrs. Drudge, the eaves-dropping maid, Major Magnus Muldoon, the man with something to hide, Simon Gascoyne, the star-crossed lover, and the Incredible Inspector Hound with the body of some poor hapless gent completes the zany picture.

Birdboot	Jim Mendello

Felicity	Leslie Lawlor
Mrs. Drudge	Roberta Fazio

Bicentennial Band Concert

Ski Club

During the 75-76 season, the Ski Club "discovered" a new mountain — Jiminy Peak. In addition to its two trips to Jiminy, the club went twice to Hunter Mt., New York and five times to Vernon Valley/Great Gorge. For variety, the club also skied at Jack Frost during the Christmas vacation.

Hockey Club

Financial assistance from the S.G.A. and Varsity Club enabled the Ice Hockey Club to compete for the fifth consecutive season in the Valley Skater's Association Hockey League.

Highlights of the season came with the selection of the team to compete for the Harry B. Haines Trophy in the Paterson News Hockey Tournament, and with Captain Frank Disparti becoming P.V.'s first 20 goal scorer. Frank was closely followed throughout by Don Sudol who had a total of 15 goals.

BICENTENNIAL

In honor of our country's Bicentennial celebration interested students began, in Sept. 1975, research and sketches which evolved into an 8 x 16 foot dedication to West Paterson, Little Falls, and Totowa. It depicts historical landmarks and signs of industrialization such as the Morris Canal, Leni-Lenape Indians, highways, and factories. The mural, located in Campbell Hall, would not have been possible without the dedicated supervision of Mr. Kuziora and funds provided by the Board of Education. Completed and dedicated on March 8, 1976, it is a proud and beautiful addition to the school and community.

A LOVED FRIEND

This is a last memory of a friend who I love as do many others. This special person is no longer here on earth to share our friendship as buddies, although I know he feels us, as his best friends, near him all the time.

Growing up close to my friend I found that as many times as I felt like hating him, I loved him twice as much. We shared a love for competition like many other men do, and so enrolled in many sports activities such as football, baseball, and wrestling. We loved our friend even though sometimes things were not really great between us.

He was a small friend, but his heart was a big one and always open to all, especially to his friends. That is why as I stare at my friend lying still, motionless, I shed a tear in remembrance of a friend, A real buddy to the bitter end.

In remembrance of a great friend, Mark Tantillo, who passed away on the morning of Sunday, Sept. 21, 1975.
