

1979

*The present falls, the present falls away;  
How pure the motion of the rising day,  
The white sea widening on a farther shore.  
The bird, the beating bird, extending wings-  
Thus endure this last pure stretch of joy,  
The dire dimension of a final thing  
The tree, the bird.*

Behold, I do not give lectures  
or a little charity;  
When I give, I give of myself . . .  
We've walked the road together  
Learning, growing, guiding, teaching.  
To accept the things we cannot change,  
To possess courage to change the things we can,  
And to have wisdom to know the difference . . .

*A man can stand a lot as long as he can stand himself.  
He can live without hope, without friends,  
without books, without music — as long as  
he can listen to his own thoughts . . .*

*A man's reach should exceed his grasp . . .*

*The most precious gift we can give to one another is truth . . .*

*There is no failure except in no longer trying . . .*

*I am not afraid of tomorrow  
for I have seen yesterday

## Class History

As we become anxious and ready to set out and make our mark in the world, we reflect on our past four years at Passaic Valley, where we have grown and prepared ourselves for that harsh reality and truism called Life. Each of us possesses a certain element to *contribute to the world. We must find our strengths and thrive on them, and know our weaknesses and work on improving them. For these past four years, we have been doing just this.*

We arrived at PV in assorted shapes and sizes, possessing various backgrounds and values. With the goal in mind to make it through freshman year, we adapted to our new environment, and added words like "mods" and "drop days" to our vocabulary. Boggled by the vastness of our new school, some of us withdrew and seemed content to exist quietly, while others branched out, searching for new worlds to conquer, and faced this "home away from home" with optimism and enthusiastic vigor. Some of us dreaded the mornings, for they only meant another school day, while others looked upon every sunrise as a new challenge with a new lesson to be learned, and a new dimension of ourselves and our world yet to be discovered.

Along with the tremendous adjustment involved in freshman year came the bicentennial. The 200th birthday of the United States caused us to realize that our country's future did indeed lie within our hands. The pressures and fears the future held became more apparent but with these fears came dreams and aspirations of goals seemingly unattainable but actually within our grasp.

Sophomore year saw the election of class officers and our advisors, Mr. Smith and Miss Spock informed us of our depleted treasury, and our immediate need for money. Lady Luck did not prove to be on our side throughout all of our efforts, for our car-wash-for-profit turned out to be a total failure, with all of twelve cars showing up in the rain! However, through various cake and candy sales, we managed to obtain *some financial security.*

While trying to establish a working relationship between administration, faculty, and students, we were temporarily interrupted by a teacher's strike accompanied by bomb scares and fire drills. This kaotic period tested our ability to cope with difficult situations. Ironically, coinciding with our hard times were the traumatic experiences of various countries throughout the world. These situations caused us all to pause and ponder the many questions and problems facing our youth.

As we continued to grow, Junior year kept alive certain traditions familiar to all. Various competitive events, Girls' Show, tournaments, the annual cotillion, parties, and studying were all still there, mixed with new and different changes. As mods became periods, we too were undergoing certain transitions. Faced with pressure and inevitable change, we saw ourselves becoming new people. We began to realize the importance of upholding our own self confidence and self respect in order to meet new challenges put before us.

Approaching our senior year, that important value known as truth-with ourselves as well as with others-became prevalent. Real understanding of ourselves became essential in order that we understand others, and to comprehend what this last year and the somewhat frightening future was all about. We began to prepare ourselves to leave the somewhat sheltered cocoon in which we now existed, and yet we made the best of our senior year, putting forth our best efforts.

Senior year fought to the surface broad spectrum of talents found within our world. "Grease is the word" became a popular idea which helped our bank account. We watched our football team, displaying true sportsmanship and teamwork, play in the Meadowlands and capture the NNJIL title. Our artists, poets, sportsman, writers, thinkers, and doers seemed to give their all, as if in a grand finale. Some of us however, spent time in the newly formed detentional halls paying for our mistakes.

As we venture forth into a new and exciting part of our lives, we must realize that each of us, whether it be in the working world, higher education, or any other aspect of life, has something to contribute. Our four short years at Passaic Valley have prepared us for our lives to come, and served as a stepping stone to growing and becoming. The friendships and knowledge we have acquired, as well as the laughter and the sorrow we have shared, will always remain with us. The future, with all its fears, excitement, doubts, and promises, lies before us. We must meet it head on, full of confidence and courage, prepared to move on to a new dimension of our lives — the most important dimension yet to come . . . . .

I shall pass thru this world but once;  
any good thing therefore I can do,  
or any kindness I can show to any human being  
let me do it now,  
let me not defer it or neglect it,  
for I shall not pass this way again . . .

## Class Advisors

### Maria Rano

**Memories . . .** As George Bernard Shaw succinctly states: "I am not a teacher: only a fellow traveler of whom you asked the way."; My first year at Passaic Valley High School has been fraught with learning and growth experiences. Working as an advisor to the class of '79 has been one especially gratifying aspect of this year. I thank you and wish all of you success and happiness! . . .

We would like to sincerely thank our advisors, Miss Maria Rano and Mr. Bob Smith, for all the time and help they have given us. Through their guidance and dedication, they have enabled us to raise money as well as spirits. Sticking with us through thick and thin has shown us that the seemingly impossible is actually within our reach. We wish them all the luck and happiness the future could possibly hold.

### ROBERT A. SMITH

**Memories . . .** Having the opportunity to work with the following outstanding student athletes: TJD, BN, WD, TS, RD, MH, AC, DW, GV, CB, JS, CC, SS, TS, MD, RF, DM, VT, PP, GP, DB, GM, MT; 2 trips to the Meadowlands; Baseball trip to Florida with Lenny (Monty); 4 years with Frankie G; Working with FV, PP, SM, LP, NL, LG planning the Prom and Cotillion and raising money; Spending 4 years convincing Senny that State is, and always will be, #1; Seeing Grease 4 times and enjoying every minute of it (The Pink Ladies); Driving with BRIM (easy, easy . . .); "Under control"; FAT MAN; Sweating it out at the Cotillion because Frankie G. forgot the check to pay the bill; Almost moving to Florida but staying because of the Class of 1979 . . . *Secret Ambition . . .* To replace Joe Paterno . . .

## SPORTS

As the 1978 Hornets football team left for football camp in September, they had high hopes of a very successful season, but the pre-season picks by the newspaper were in favor of Clifton and Hackensack. The offensive and defensive lines were supposed to be inexperienced and thus not good enough for league contention. The Hornets first game was against perennial Essex county powerhouse Bloomfield. The defense bottled up the Bloomfield wishbone attack as the offense started to develop into an unstoppable squad. Next, the Hornets conquered the Ridgewood Maroons, but not at full potential.

After two impressive wins the critics were still unimpressed and picked the Hornets to lose to arch-rival Clifton at Clifton Stadium, where Passaic Valley has never won. The fired up Hornets proved once and for all that they were for real with a 34-0 trouncing of the Mustangs. The Hornets then breezed by Fair Lawn with another overpowering 34-0 score. They finally seemed to be at an unstoppable charge for the league championship. The team tuned-up with wins over Teaneck, Bergenfield, and Paramus for their showdown with Hackensack. The showdown of the unbeaten turned into another PV rout with the final score being 31-12. The win clinched the league championship in the very competitive NNJIL for the Hornets.

Next, was the unforgettable trip to the Meadowlands. The trip to that profession-

al stadium proved to be a once in a lifetime experience for the members of the team. At the stadium, the Hornets once again proved too strong for its opposition. They gained a 33-0 victory over a strong Memorial (WNY) in the State semi-finals. Next was the traditional game against Wayne Valley on Thanksgiving day. The outcome was an undefeated league record for the Hornets.

The dream season came to an abrupt end in the state finals against North Bergen, as the Hornets state championship bid fell short with the score of 14-26, North Bergen. The Hornets came close, winning 14-13, with three minutes left in the game but North Bergen pulled it out.

Throughout the season the offensive and defensive lines controlled the trenches and proved themselves worthy of the challenge. The all-around balance overpowered their opponents as the large number of senior starters showed great leadership. The feeling of togetherness will always be remembered by the players as the highlight of their high school years.

The 1978 football season will remain in the minds of the coaches, players, and all of the fans who witnessed the results of one of the most dedicated, hard-working, and talented teams ever to have played at Passaic Valley.

## Field Hockey

The Varsity Field Hockey Team finished the 1978 season with a record of 10-6-4. The squad, consisting mainly of underclassmen, captured second place in the Passaic County Tournament under the leadership of seniors Sue Marino, Kathy White, and Beth Grady. Although the '78 season was a rebuilding year for the Hornets, the outstanding and steady play of the three seniors carried the team to a very respectable overall record. Sue Marino generated the offense with an incredible 19 goals, while Kathy White led the defense with aggressive and unrelentless play. Goalkeeper Beth Grady had 147 saves and allowed only 16 goals in 20 games.

## Cross Country

Cross Country finished the season with its best record since 1966. Led by Coach Bender and Senior Captains Dan Smith and Bob Stackpole; the Hornet Cross Country Team lost only one of fifteen meets this year. One of the highlights of the season was a 28-29 upset of a powerful Passaic team. Junior Ed Kuri, with eight first place finishes led the team in a very successful season. Kuri set two PV records, one on the Garret Mountain course, and another on PV's home course. Seniors Dan Mitton, Joe Codispoti, and John Evans also had an outstanding season.

Starring for the girls was Joyce Barmore, a four year Varsity runner with records in the girls's two and three mile courses at Garret Mountain and the team's home course.

Underclass lettermen returning next year for Coach Bender are Sophomores Ray Ferriola, Keith DeVisser, John Brinkman, Kevin Burns and Mark Lombardi. These runners along with very strong J.V. and Freshman teams are a promise for a successful future in Cross Country at PV.

## Gymnastics

Coached by Miss Gail Schiavone and with the help of the three seniors Cheryl Bucher, Captains Margie Breznak and Diane Dillon, the 1978 gymnastics team finished another successful season with a record of 10-3.

After a season full of injuries and excuses, the gymmies pulled through and took 4th place in the N.N.J.I.L.

Senior Margie Breznak and sophomore Elaine Alfano were the two girls who qualified for the state sectionals. Elaine Alfano took 5th place on vaulting with a score of 9.40 which qualified her for the states.

The remarkable gymmies will return again next year for another fantastic season.

We would like to give our special thanks to Gail Schiavone for all her time, patience, help and dedication.

# Volleyball

The co-captains of the 1978 Volleyball Team were Seniors, Anne Marie Favatella and Donna Melyan. Under new head coach Frank Dominianni, the team was able to improve their skills and competitiveness. Both the coach and the girls put forth a great effort. An exciting win over a strong Ridgewood team showed the girls dedication. Next year's team should be strong and promising with 3 Varsity girls coming back and Junior Varsity girls that move up. Ann Marie Favatella received All-NNJIL 3rd team Honorable mention and Donna Melyan also received All-NNJIL Honorable Mention

## Boys Basketball

The P.V. Boy's Basketball team, led by senior Brian Nash, won the NNJIL Championship for only the second time in the school's history. The best win of the year was against Hackensack, 65-52. Other highlights of the season included beating Teaneck twice, and Clifton three times, giving the Hornet's the honor of posting the first victory over Clifton at Clifton. Coached by the Paterson Evening News Coach of the Year Bob Sulek, the Hornets finished with an impressive record of 16-7.

The aggressive defensive strategy was the factor that decided many close games this year. Junior Joe Wassel was the outstanding defensive player throughout the season, while Rob Eckrote compiled the top scoring statistics for the team. Tom Nash and Bob Pegel were counted on for their outside shooting, and Mark Krautheim provided board power, aggressive play, and fine inside shooting. Sophomore Jim Donnelly was also a key rebounder and inside player. Although the Hornet's are losing their offensive and defensive playmaker, Brian Nash, with four of the five starters returning, next year should be even more successful.

Coach Bob Sulek, Captain Brian Nash, Coach John Wallace

## Girls Basketball

The highlight of the 78-79 season was capturing first place in the Kiwinis Classic Christmas Tournament for the third consecutive year. The credit for the accomplishments of the year can go to seniors Nancy Leech, Susan Marino, and Kathy White, whose leadership and guidance kept the young squad hustling and together. Considering the assignment of the new head coach Mr. Frank Reaser and the general inexperience of most of the team, the Hornets Girls Basketball team had an impressive season. Coach Reaser has confidence in his younger players for success in the coming years.

The 1978-79 Varsity Wrestling Squad was the youngest in the eighteen year history of PVHS Wrestling.

Twelve Varsity Wrestlers will be returning out of fifteen. Only two of the Varsity men returning will be seniors. (Andy Lonsky and Al Lyon) The other ten are, seven who will be Juniors and three who will be Sophomores.

Much credit for the 6-3 NNJIL finish and third place tie with Clifton must be given to Captains Kevin (141) and Ali Bici (135) and Senior Anthony Camal (158).

A highlight of the season was the first place finish in the Bloomfield Christmas Tournament by the Varsity team. The future looks bright not only because of the returning Lettermen, but also due to the JV squads victory in the Passaic Valley Novice Tournament and the freshmen victory in the freshmen tournaments.

The 1979 Boys Track Team is once again spearheaded by head coach Pellechia and coaches Bender, Kiick, and Gerdy. This years team is another in a long line of young teams to come out of PV. The team's captains are Wayne Striano and Pete Papasavas, and with the help of the other seniors, the team should be able to give some fine performances. Senior members of the squad are Edgar Surial, Armando Brunetti, Dan Smith, John Evans, Lakson Soohoo, Jim DeVisser and Steve Marinelli. This years team is one of the stronger teams in the league and is expected to be a contender for the Passaic Championships. The promising underclassmen to watch are Alex Fasoli, Keith DeVisser, Mark Combardi, Ed Kuri, Mark Mayer, John Kokolus, and John Sass. This sophomore dominated team is looking to bring an exciting track season to PV this year.

## Baseball

Bob Smith returns for his third year as Valley's head baseball coach. With eight returning lettermen and the experience of last years rebuilding season the Hornets are expecting a very fine season. Leading the pitching staff will be southpaws Mike Hale, Carlo Buffa, Al Homcy and righthander Rich Dirienzo. The outfielding chores will be held by T. J. D'apolito, Tony Senatore, Ted Smith and Doug Everett. The infield will be made up of Angelo Coiro, Dennis Lanares, Tony Zarek and Omar Davis. The catching duties will be handled by Andre Kervan and Frank Vivino. The Hornets have been working hard and are looking forward to a winning season.

## Softball

The Hornets start the season with a new coach and a handful of new players. Coach Cathy Marquis takes over a team with only four returning seniors from last year's championship club. The seniors who will lead the club are infielders Sue Marino, Kathy White, Donna Richardson, and pitcher Lisa Alfano. Also pitching will be sophomore Holly Loeb. Big things are also expected from underclassmen Lisa Bragman, Vicki Turi, Debbie Brophy and Donna DeBonte, who have been brought up from last year's successful JV team. The Hornets are working hard and again look to challenge for the league championship.

## Christmas Party

The 1979 Senior class made this year's holiay season an exceptionally happy one for 22 youngsters from Mount St. Joseph's Home in Totowa. The children enjoyed a day of celebration and excitement at Passaic Valley.

The children's day was brightened by the Masque and Sandal's presentation of "The Wizard of Oz" followed by lunch in the cafeteria and a tour of the school. The festivities continued with a party in Campbell Hall where Santa made an unexpected visit and presented gifts to all of the children. These gifts were made possible by the generous contributions from the student body and faculty. Under the supervision of advisor Mr. Chester Kuziora, Chairmen Kathleen Zaccaria and Laurie Sokalski, along with an enthusiastic and generous staff of seniors, we were able to present the children with a day they will surely remember.

The day ended with many smiles and tears as sad good-byes were said. Memories of our newly made friendships and the happiness we achieved through giving will always be with us, as we learned the true meaning of the holiday season.

Shake the world, start with my hand . . .

The future belongs to those who believe in the beauty of their dreams . . .

*The present falls, the present falls away;  
How pure the motion of the rising day,  
The white sea widening on a farther shore.  
The bird, the beating bird, extending wings-  
Thus endure this last pure stretch of joy,  
The dire dimension of a final thing  
The tree, the bird.*
