Time moves in a way we may
never hope to comprehend.
Realities blend and become only
distant memories.
Relationships are nurtured, grow,
strengthen and thrive.
Others end but are never
totally lost.
Life and all that goes with it
is now appearing on the horizon.
Time tells us to set our
sights on some far-off personal goal
Society waits for us to make our mark
and nothing is ever really impossible.
This is the end of the beginning
and the beginning of forever . . .

Satisfaction can either be a virtue of accomplishment, or a surrender of defeat.

As long as the memories exist, nothing is ever really lost.

Dim lights form a charade of reminiscing.

*Happiness is a
memory of
yesterdays
gone by.*

*If the dreams of tomorrow
mean anything,
then I'll hold those dreams
real tight ...*

*When there are no more words
spoken, no more thoughts
to give,
then I won't need protection
anymore.*

*But tell me,
is this really
my world anymore?*

In Appreciation

Mr. Joseph I. Farrell

Joseph I. Farrell joined the staff of Passaic Valley High School in September 1947 as a teacher of English and Social Studies and assistant coach of football, basketball and baseball. Passaic Valley High School was Mr. Farrell's first teaching assignment, and over all the years since 1947, Passaic Valley has been the object of his loyal devotion to the education of the young people of the Regional District.

Mr. Farrell received his Bachelor of Science degree from Manhattan College in 1947 and his Master of Arts degree from Columbia University in 1950. He has, in addition, pursued graduate studies at New York University, Bucknell University, the University of Delaware, Rutgers University, and Seton Hall. He served in the United States Marine Corps during World War II — thirty months of active duty in the south Pacific and China Theatres of Operation. He remained on active reserve and when his country again needed him, he returned to active service with the rank of Captain during the Korean conflict where he served as instructor of crew — served weapons at Camp Pendleton in California. He has attained the rank of Lt. Colonel in the Marine

Corps Reserves.

Upon his return from the service in the spring of 1952, Mr. Farrell first taught English and then was assigned to teach physical and health education. He was head coach of football from 1952-1955. He was responsible for Passaic Valley's first Cross Country and Track teams and was head coach of these sports.

Realizing his innate leadership, the Board of Education appointed Mr. Farrell to the position of Assistant Principal for Pupil Personnel Services in 1961. He was responsible for developing the Guidance Department and Child Study team, always keeping the best interests of ALL of the students of the Regional District foremost in his planning — for those college bound or bound for the world of work.

His appointment to the position of Assistant Superintendent came in 1974. As in all other things which Mr. Farrell has undertaken, he has served his school community — Administration, Board of Education, Staff, and Student Body — with loyalty, superior intelligence and dedication. He will be sorely missed upon his retirement.

Class History

As the memories of that first bus ride, that first school bell, and that first walk down the halls of Passaic Valley begin to fade in our minds, the words and pictures that fill this yearbook will be our only remembrance of times past. Our times at P.V. will be well remembered for the ups and downs that faced us as well as our nation. But in these troubled times of rising inflation, violence, scandal, and the threat of war, it is we the 1980 graduates of PV, who must not only be optimists, we must be the leaders, the motivators who strive harder to better ourselves, the people around us, the nation and the world.

Coming from three small schools, a walk through the hallways of P.V. between classes resembled a walk through New York City Port Authority Bus Terminal at rush hour. As if this and a 6-day 24 mod schedule weren't enough freshman year. The teachers themselves provided added confusion with their strike that had the students supporting the teachers for the first time. Some of us believed the teachers had legitimate reasons, other students were just happy to get out of class.

During sophomore year, the class decided under the guidance of our are manager Mr. Patierno and our lone class advisor Miss Allan to increase our class treasury, or rather start our class treasury, which up to this point had some spare change from a magazine drive. We invited some Baseball All-Stars to challenge our faculty in a basketball game and this bounced some money into our treasury, and we were on our way.

There we were in our junior year, saving and waiting to buy our first automobiles, but little did we realize a tank of gas would cost as much as the car itself. Hopefully some day the price of gas will drop as quickly as the interest in buying a class of 80 T-shirt did. The Junior Cotillion was a big success and we added hard working Mr. Sisbarro as an advisor.

Senior year came quickly, yet not quickly enough for some of us. There were troubled times facing our country. Iran to Afganastan, unsafe nuclear energy, to higher gas prices. Through all this our class seemed destined to shine. Our football team traveled to the Meadowlands one cold Sunday afternoon in December, not to watch the Giants play but rather to Crush Clifton on the astroturf, for the State Championship.

There were truly some gold medal performances, as some young determined hockey players eximplied the American spirit, by upending the powerful Soviet Union team. For one brief week, the United States celebrated a victory that reunited our country and our people. Speaking of gold, the price for an ounce reached an all-time high of \$800. The Senior Play *Bye, Bye Birdie*, layed a golden egg and revamped our treasury. To add to our list of fund raisers, we must include another basketball game. This one had a special twist though, it was played on donkeys and it also kicked a nice sum into our blossoming treasury.

One thing familiar to everyone is the fire alarm bells, which were always tested by "careful students" to make sure they were in proper working order. They went off so often that they started to sound like those popular disco beats. Who could forget those disco pants, what were they called? Jordache, Sassons?

As we reach the end of a fulfilling four years, we must only look back to get inspiration, to go on with the beginning of a new decade, the 80's, a new life as a mature adult. We can only hope that the memories that are etched in our mind will give us something to look back on and laugh.

SPORTS

When the 1979 Passaic Valley football team began its quest to defend its NNJIL League Championship, they had to be considered underdogs. With only two starters returning from a fine 1978 team, not even the most loyal of Hornet fans could predict what was in store for this year's Hornets. To make matters worse, before even one game was played the team had lost its starting backfield and a key defensive player to sickness and injury.

With adversity staring the team in the face the Hornets took the field for game one against Bloomfield. Trailing throughout, the team came through with last minute heroics to capture its first win 15-14.

Week two displayed the same excitement as week one, with the Hornets struggling and finally coming out on top over a stubborn Ridgewood team 12-7.

The third game brought about the traditional rivalry between P.V. and Clifton. Clifton took the early lead and managed to hold on to gain a 13-7 victory. The Hornets could only wait and hope for a shot at sweet revenge in the distant State Playoffs.

Facing yet another undefeated team the team entered week four. When the gun had sounded the Cutters of Fair Lawn were no longer unbeaten. The Hornets prevailed with a 20-12 victory which assured its fans they had every intention of regrouping for a title drive.

As is often the case after a big game, the team suffered a letdown and just managed to get by Teaneck 6-0.

The next three games proved once and for all that this year's Hornets were indeed for real. Striking quickly, the team eased by Paramus 27-6. The next week they chalked up another win over a physical Bergenfield squad by a score of 27-19. With just one more win needed to qualify for a playoff berth the aroused Hornets got set to meet Hackensack. Playing in the rain and mud the Hornets still tallied 40 points and registered their second shutout of the season.

The NNJIL title race was in a three way tie entering the state playoffs. P.V. prepared to face Snyder while Clifton got set for a rematch with Fair Lawn. The Hornets came out flat and fell behind 12-0 after the first quarter. Momentum changed hands in the second quarter as the team went ahead and never looked back. The outcome was an impressive 30-20 win which put the Hornets in the State finals for a second straight year. This, coupled with Clifton's win over Fair Lawn set the stage for a highly desired rematch with the Mustangs at the Meadowlands.

On Thanksgiving day, with the league title still in jeopardy, the Hornets refused to come up shy of a victory, winning 21-7. They ended the regular season as Co-NNJIL Champions.

The final proved to be everything the Hornets had hoped for. On the first offensive drive the Hornets marched the length of the field yet failed to get on the board. The fired up defense of the Hornets then took the field and pinned the Mustangs deep in their own territory. By halftime the Hornets held a slim 8-0 advantage, but were clearly the dominant team. The second half was much of the same as the first with the Hornets scoring once more to preserve a 15-0 victory, and a State Championship. The dream season had become a reality and revenge had never tasted so sweet!

Cheerleaders

The 1979-80 cheerleaders started off the season with the East-West All-Star Game at Giants Stadium in the Meadowlands. Little did they know that they would end the football season cheering the football team to state championship in the Meadowlands. The squad was one of the youngest PV's ever had. There were only 4 seniors: Cheri Hums, captain, Donna Struss, hornet, Jackie Sterling and Lisa Bresemann. The cheerleaders, the only team that stays together for 2 fall seasons, have a long and exciting basketball season to look forward to.

Coach Skip Caruso

The 1979 Hornet Soccer team proved that soccer is definitely on the move at Passaic Valley. Led by team captain Glenn Westbrook along with co-capt. Eugene Caruso and John Frank, the Hornets progressed into one of the finer P.V. teams in quite some time. The Caruso coached Hornets were semifinalists in the always tough Passaic County Tournament. The hustling Hornets also upset a highly regarded Ridgewood team by a score of 1-0. Goalie Kurt Ortmann registered two shutouts and averaged 11.7 saves per game. Sophomore standout Peter Vinton, the team's leading scorer, tallied 15 goals and 5 assists. With the nucleus of a fine team returning, Hornet fans can expect a highly competitive 1980 team.

Coached by Gail Schiavone and with the help of Captains Elaine Alfano, Sue Enderly and Donna Kane, the team faced a much harder schedule to the best of their ability.

After a season of injuries, the gymmies won 4 of the 12 meets.

The gymnastic team is a very young team with only two graduating seniors: Donna Kane and Lisa Torrone. Coach Schiavone has confidence that her gymnasts will succeed in coming years.

X-COUNTRY

Passaic Valley's 1979 Cross Country Team had a very successful season, winning 10 and losing only 2 meets. Led by Senior Captain Ed Kuri, PV made the State Finals for the first time under Coach Bender. Other boys contributing to PV's success were Co-Captain Keith DeVisser, Ray Ferriola, Mark Lombardi, Kevin Burns, Pete Folan, John Brinkman; all juniors returning next year. Sophomore Ed Cody had a super year also. Most of these boys have brought to PV an outstanding record over the past two years—winning 24 and losing but 3 meets. The coaches look for better things next year with most lettermen returning.

FIELD HOCKEY

Fielding a young and inexperienced team, the 1979 field hockey season looked bleak. With only two senior members returning, Lynne Beresford and Maggie Schultz, the core of the team was comprised of sophomores. The girls rose to the occasion and placed a surprising second in their league. The squad held the Passaic County Champions, Wayne Hills, to a score of 2-1. With this year's leading scorers, Debbie Brophy, Beth Fischer and Amy Grady returning next year, the outlook for 1980 is very promising.

WRESTLING

The 1979 — 80 PVHS wrestling team was the youngest ever in the school's 19 year wrestling history. Due to families moving, accidents and injury at the outset of the season there was only one senior wrestling returnee, Andy Lonsky. By mid season, senior Marty Barone joined the squad to provide additional help in the upper weights. The remainder of the team was comprised of underclassmen.

The team finished a strong third in the powerful NNJIL behind Hackensack and Paramus. The team won the Bloomfield Holiday Tournament and finished with a 7-2 record in the league and 9-5 overall. Three boys with hopes of making it all the way to a state championship include Captain Andy Lonsky at 170 with a (22-2) record, sophomore John Parr at 115 (27-2) and junior Dave Martell at 148 (26-3).

The P.V. hoopsters finished their action packed season with a 9-12 record. With 4 of the top players also members of the successful football team, the transition to the court proved to be too heavy a burden. The team never reached its full potential, but did have many exciting wins.

The bulk of the scoring was done by center, Bob Eckrote and Tom Nash, both seniors, while Mark Krautheim and Jim Donnelly controlled the boards. Joe Wassel was counted on to cover the opponent's top offensive threat and Bob Pegel and Bob Shaara directed the offense. Instant offense was supplied by senior Bob McNamara when he came off the bench. Freshman Mark Natale also gained valuable experience at the guard position.

Sitting; Donna Branvall, Maryclaire Appio, Lynn Butkiewicz, Colleen Breen, Laura Elliot, Jill Kebulis, Dana Mercer. *Standing;* Coach Frank Reaser, Marika Szilbassy, Donna Marino, Robin Horowitz, Jane VanEtveldt, Patti Carroll.

GIRLS BASKETBALL

The Girl's basketball team finished its season with a 5-15 record. The team had no seniors and was comprised of three juniors, Lisa Bragman, Marika Szilvassy and Jane VanEtVeldt. There were two sophomores-Donna Marino and Robin Horowitz. Lynne Butkiewicz, a freshman, played a fine season as a starter. The team of all underclassmen is looking forward to next season. With an added year of experience, the team should be vastly improved.

Coach Frank Pellechia

Under the guidance of head coach Frank Pellechia the 1979-80 Indoor Track team was quite successful. Among the standouts for the Hornets was senior Ed Kuri who placed second in the 3,000 meter race and 3rd in the 1500 meters in the NNJIL Championships, as well as finishing a respectable fourth in the 2 mile Jersey City meet. Joe Coiro placed second in the NNJIL Championship in the long jump as well as 4th in the 60 meter dash. John Brinkman took a second in the high jump at the league championship meet, while senior Mike Sass excelled at the Christmas City Championships held at Lehigh University, taking a 5th place in the shot put.

As a team the varsity Hornets finished in a 3rd place tie in the NNJIL Championship meet. The sophomore 880 yard relay team finished second in the Pearl River meet, while the freshmen finished 2nd in the high hurdles relay. With indoor track still relatively new at Passaic Valley, coach Pellechia is pleased with the progress of his team. Looking towards the future he sees only improvement with the majority of this year's team back for next year.

TRACK

This year's track team appears headed for a successful year. The Hornets are led by senior tri-captains Mike Sass, Ed Kuri and Herb Brinkman. The head coach remains Mr. Pellechia but he will be assisted by newcomers Mr. Stewart, Mr. Kalakutak and Miss Mahon. The majority of the team is juniors who led the team as young sophomores one year ago.

Leading candidates for the 100 meter and 200 meter sprints are juniors Mark Mayer and John Friscia, along with sophomore speedsters Joe Coiro and Walt Brunk. The 400 meter race will be run by senior Vince Corsaro with strong support coming from underclassmen Steve DePasquale, Pete Vinton and Pete Folam. The 800 meter race features Mark Lombardi, Ed Cody, Kevin Burns, Ted Korus, Pharthiv Raval and Al DeFuria. The 1500 and 300 meter events will once again be led by senior standout Ed Kuri. Others expected to finish strongly are Keith DeVisser, Ray Ferriolo, Brian Mazar and Frank Alexander. The leading hurdlers are junior standout Alex Fasoli, Herb Brinkman, John Brinkman and Dave Martell.

In the field events, Mike Sass returns as the steady force in the shot put. His help will come from Marc Taylor and Todd Pohlman. Sass will also compete in the discus along with Taylor, Carmen Lombardo, Tony Presti and Mark Duerr. The javelin candidates include Sass, Mark Mayer, Lombardo and Presti.

Pole vaulting chores will be handled by Mark Duerr, Jerry Senatore and Dave Martell.

The long and triple jumps will have Joe Coiro, Mark Mayer, Alex Fasoli, Walt Brunk and John Friscia. The high jump will feature John Brinkman, Kevin Burns and Greg Liss.

BASEBALL

The baseball team has set some goals: League champions, County champions and finally State champs. The team is fairly young and varsity experience is short, but Coach De Groot feels his pitching staff is sound and the players are basically fine hitters. If the team can overcome early season inexperience, the remaining road could be very smooth.

The Passaic Valley Racquetteurs will again be "dark horses" for the 1980 NNJIL campaign. Prospective returnees at single's position should be Kevin McGlynn and Linda Watchman with the third singles "up for grabs".

With the wave of interest in tennis at Passaic Valley we anticipate some new young talent to contribute to this year's program.

The 1980 team is expecting a successful season with nine varsity players returning. Hopefully, a year's experience will help the Hornets with their consistency, game strategy, and confidence this season. The main strength of the Hornets is pitching and a solid defense, but Coach Marquis sees great improvement in the offensive abilities of the team as well.

The squad could very well contend for the league championship this year.

The 1980 Senior Class and Yearbook Staff made the holiday season a very joyous one for 27 children from the Mount St. Joseph's Home in Totowa.

The children were welcomed by the Christmas presentation of "Pinocchio", portrayed beautifully by Masque and Sandal, followed by lunch in the cafeteria and a tour of the school. They were then taken to the Resource Center where they were greeted by a band made up of students full of the Christmas spirit. Santa, our own Marty Barone, then paid an unexpected visit and presented the children with gifts. These gifts were made possible by the generosity of the student body and faculty. Under the supervision of Mr. Chester Kuziora, chairperson Sara Faletto, and a lively staff of students, the children were given many memories to look back on and smile about.

The day ended with long goodbyes and loving friendships. We will never forget the happiness we achieved through making others happy, and the memory of this holiday season will surely remain in our hearts forever.
