Dedication To
Chester Kuziora

We, the Class of 1986, have known him only since 1982, but Chester Kuziora has been a crucial part of Passaic Valley High School since 1946. During that past forty years he has overseen the publication of forty yearbooks, served as advisor to the Art Service Corps and constructed sets, scenery, and various props for Masque and Sandal productions, beginning with “The Diary of Ann Frank” and ending with “A Funny Thing Happened on the Way to the Forum.” As a result of his unaltering dedication to his countless activities and students, “K” has become a reliable friend and listener. His jovial personality has seen us through many troubled times. We will always remember his constant warmth and understanding.

On behalf of all students who have benefitted from his teaching and his talents, the Senior Class of 1986 would like to thank Chester Kuziora and wish him health and happiness in the years to come.

Class History

Life Is Just A Song
We've Only Just Begun

How Green was Passaic Valley upon our arrival in 1982? Believe it or not we all went home with writer's cramp after the first day from signing so many school policies, but our class was determined to be the best. Financially, we were off to a great start - we sold magazines, Christmas candles and Entertainment Books, which would later become our yearly fund raiser. We were the last class to have Area Managers and we also witnessed the end of the smoking area. Since our bleachers were declared unsafe; we conned licensed drivers into hauling us to Montclair State College to watch the P.V. Hornet football team in action. The Who's final tour grabbed our attention, as did a cute little alien named E.T. A rash of bomb scares and fire drills hit P.V. and the surrounding areas as our first year drew to a close. By now, the upperclassmen did not seem unreachable and the hallways so long. Many new friendships were budding between kids from other towns. Many of us became involved in different school activities. However, this question still remains unanswered to every freshman at P.V. - Why can't we just buy french fries alone?!

Changes

Sophomore year started with many, many changes. Mr. DePasquale was now the Head of Student Activities, since the Area Manager system became defunct. One could be guaranteed to visit Mr. Marion if the need for disciplinary action. In-school suspension and detention hall were induced for troublemakers. New smoking and cut policies were in effect. Many new crazes were sweeping the nation and P.V. was hit, too! Breakdancing caused many students to invest in a pair of parachute pants while Cabbage Patch fever made us want to adopt a "child" of our own. "Where's the beef?!" became a frequent question and a new substance called NutraSweet caught our eyes. The first of our traditional Halloween dances was a huge success. We watched computers, VCRs, and microwaves enter our homes. The movie Flashdance inspired us to sport cut-up sweatshirts and Michael Jackson climbed to the top of the music charts as he taught us to moonwalk.

I'm Coming Up

Not only were we coming up as juniors, but another space shuttle was going up also - with Sally Ride, the first woman to travel in space. Musicians from all over the world gathered together to form Band Aid and Live Aid to help starving people in Ethiopia. Long time rock station WPLJ turned Top 40 as new wave and pop entered the music scene, both on the radio and MTV. President Reagan was re-elected to a second term and the death of Yul Brynner saddened the nation. Meanwhile, P.V. was getting into the groove with Madonna and Bruce Springsteen. Many P.Vites could be seen dancing up a storm at The Meadowbrook on Thursday nights and flashy neons set the fashion world on edge. New additions in the Valley included midterms, the rebirth of the Student Senate, a bonfire before one Thanksgiving Day football game and a new Superintendent, Mr. Centalonza PhD. We proudly watched our field hockey and cross country teams become Champions and kept raking in the bucks with candy, bunny sales, plus the Entertainment Books. Our Junior Cotillion was held at The Mayfair Farms and the newly formed SSA made a breakthrough in which students were allowed to wear shorts to school. The war between Coke and Pepsi raged on and we got psyched for senior year as we hit the beaches!

Looks Like We've Made It

We arrived at P.V. in our own cars, decked out in Swatches and Reebok. Paisley and rhinestones made a splash and Guess replaced Lee as the name on our jean pockets. Night football games became a ritual for Saturday night home games and return of Girls Show excited the student body. An alarming disease called AIDS captured the attention of the nation and took the life of actor Rock Hudson. The life of Krista McCauliff plus six other astronauts were taken when the space shuttle suddenly exploded moments after take off. A new bell schedule called for us to rise earlier and the auditorium was renovated. The saga of "Rocky" continued as Sylvester Stallone downed his current opponent in Rocky IV. We finally began to take SAT's seriously and sweated our college acceptances. Our prom was held at The West Orange Manor and we graduated early since all asbestos was being removed from the school.

The Best of Times

Our four years at Passaic Valley have provided each and everyone of us with special memories, from our first days as scared freshmen up until graduation. We have combined all of our ideas and energies into becoming a unique class-the Class of 1986-and now, as we enter the world prepared for higher education and new responsibilities, we will never forget all the experiences that we have shared together.

SENIORS
Class Advisors

In the fall of 1982, I stood before a group of young people and told them what good things I had heard about them. Since then you've proven them all to be true.

Since freshman year the class of 86 has done everything they have been asked to do. From your freshman magazine drive, thru candles, candy and sun catchers all the way to the Entertainment books you have helped your class officers and advisors.

As a result of your efforts we have been able to provide you with some memorable events including Halloween dances, The Junior Cotillion, The Senior Prom at "The Manor", the Senior Play and a class trip - we hope!!!

I wish you all much success and happiness!

Mr. Buddleman

Experience is a hard teacher because she gives the test first, the lesson afterwards.

The 1985 Hornet football squad finished the season with an overall 4-4-1 record. The first four games saw P.V. winning three and playing to a 0-0 deadlock with Lakeland. Two mid-season losses prevented the Hornets from qualifying for the play-offs. Highlights of the season were the first night games ever at Passaic Valley, the first was against Lakeland, the night the lights went out and the second was two weeks later when the Hornets entertained West Orange winning by a 14 to 13 margin. The biggest win of the season was a 25 to 14 come from behind victory at Dumont.

Overall the season provided some very bright moments, with some outstanding performances being turned in by several players.

HORNET PRIDE

These girls from the VALLEY definitely showed that P.V. style. Making posters, baking, and decorating the locker room was only part of their school spirit.

The cheerleaders would have their traditional breakfasts followed by beeping around the town before every football game.

This year's team definitely spread our HORNET PRIDE!!

CAPTAINS: Lisa Hahn - Mia Gannitello
SENIORS: Mia Gannitello, Lisa Hahn and Karen Andrews.

JUNIOR CHEERLEADERS: Secora McGee, Lisa VanSoest, Michelle Kase, Jean Thompson, Dana Prosperi, Jennifer Stadler, (sitting) senior Karen Andrews.

The "kickline" we finally got together!!

Leading Cheers: Senior Lisa Hahn
The P.V. Varsity Field Hockey team was extremely pleased with its season this year. The 1985 team won the County Tournament against an experienced West Milford team (# 1 ranked). The Varsity team lost 6 of its first 8 games but only lost 1 of the last 9 games. The team averaged almost 2 goals per game in the last half of the season. Four years veterans Debbie Gilabert and Cecelia Sperrazza lead the team with three year veteran senior Babita Bhatnagar. Finishing the season 9-7-1 the team displayed a positive winning attitude and lost of integrity in a season that could have been a disaster if they gave up. There is a bright future for 1986.

Run Like The Wind

The 1985 Boys Cross-Country Team enjoyed a very successful season winning 8 and losing 6. They finished 3rd in the Northern Hills Conference. Led by seniors-(Capt.) Dave Nardino, Jim Stuckey and Nick Frunzi the hornets were much improved over the previous year. Newcomers (Juniors) Mike Bivona and Eric Ford added to the depth of the Team. Junior Scott Smith and Sophomore Dino Apostolakas had an outstanding year. Freshman sensation Kevin Hertlein also had an excellent year. The team ended with an 8-2-0 season.
Born To Run

The 1985 Girls Cross-Country team had another fine season P.V. girls finished 2nd in the Northern Hills Conference, 5th in the Passaic County Meet and 5th in the State Sectionals. The team then moved to the State Finals in Holmdel, New Jersey to end a great season. Seniors Maryeileen Appio, Kathy Hourihan and Maria Ottone were very consistent runners all season. Junior Allyson Perre led the way with an outstanding season. Sophomore Heather McGee and Freshmen Julie Smith along with newcomer Marilyn Vricella have the team the extra strength they needed to succeed in their 8-2-0 season.
Although the Varsity Volleyball team finished with a 1-14 record, many of the team’s goals were reached. Two of the most important goals were learning the skills of the game and to improve throughout the season as the girls gained valuable experience. Many of the girls never played volleyball before the season and the team only had one senior, so these goals were very important. By the end of the season they were giving some of the area’s best teams a lot of trouble. This season was just a stepping stone for the future and with the hard working girls on the team, next year should be very successful.

Coach Mark Natale and Capt. Civonna Dicho.
Coached by Margie Breznak and with the help of three junior captains Denise Gilabert, Keri Palumbo and Rita Politano, the 1985 Varsity Gymnastic Team finished another successful season with a record of 6-5.

Through hard work and dedication, the Gymmies walked away with an impressive 4th place at the Passaic County Invitational Meet. Individual awards went to Freshman Sue Miedema who placed 5th on the balance beam and sophomore Jill Albanese who placed 5th on vault, 3rd on bars, 5th on floor exercise and 4th in the all-around competition.

Outstanding individual scores throughout the season enabled both Rita Politano and Jill Albanese to qualify for the State Sectional meet on vaulting.

Being an enthusiastic and growing young team, the 1985 Gymmies have a successful look ahead to next year.
The Passaic Valley Girls Tennis Team enjoyed a successful 1985 season, compiling a final league record of 6 wins and 2 losses, and an overall record of 7 wins and 9 losses. The girls finished 2nd in the league standings and placed 2nd in the Passaic County Tournament. Karen McCormick and Shannon Loines had a strong season and many exciting matches at second doubles. Jen Pytal and Debbie Steinmeyer made it to the finals of the Passaic County Tournament, thus earning 2nd Team All County laurels. Lisa Filliman improved her game and played 3rd singles on the team. Valarie Sadusky made her debut at a new position, earning 1st Team All League at the second singles position. Kim DeBonte had her best season, winning the County Tournament and being chosen as The Bergen Record's Athlete of the Week. Sue Albanese, Maria Dichio, Kim Marks, Chris Fischer, and Laura Fusco provided support and depth for the team. All the girls worked together, played together, and laughed together, displaying the kind of enthusiasm needed on any athletic team.
The Hornets completed their most successful season since 1981 by compiling a 10-4-5 record. In addition, this year’s team captured the coveted Passaic County Soccer Championship for the first time in PV soccer history. The Hornets were led by Co Captains Bob Ash and Joe Pisa. Doug Johnston, a 4 year starter, was a key figure in many victories. Lou Rizio was the leading scorer, followed closely by Jim Auriemma. Frank Fava and Frank Basile were key defensive players as the Hornets compiled 7 shutouts. Guy Conderelli provided excellent mid-field play and Ezio Didati played forward. Bill Pirolo had many key goals including the tying goal in the Passiac County Final. Walt Dotto and Mike Mariano backed up Lou DeLuca in goal. Bob Caddell, Mark Florio, Sal Mancini, Frank Peluso and John Mate all earned varsity awards.

Passaic Valley ended this season with a 9-4 record. We had a first place finish in the League, second in North Jersey Group 4 Section one, Passaic County Championships and District 8.

We had 10 seniors who took great leadership roles and by the time we went against Fair Lawn in the Sectional Playoffs we really had a competitive team who could compete against any team in New Jersey.

The highlights had to be our League Championship (and our jackets) plus the great Sectional Championship matches.

Thanks for a great year team and to the Seniors good luck in your future plans. Stop back and visit sometimes.

Pumping Iron
The 85-86 Indoor Track season proved to be very successful. The team led by captains Jim Stuckey, Maryelleen Appio, Kathy Hourihan proved to be a group of hard working and dedicated athletes. Also contributing their leadership qualities were seniors Jim Aurlemma, Bill Lambert, Rosario Barone, Nick Frunzi, and Laura Ruocco.
The Tassaic Valley Golf Team is expecting to be much improved over last year's record. Return player, Amy Gollub, senior, is expected to lead the team to victory. Underclassmen, Chris Petronzi, Chris Pelle, Dan McBride, Gregg Battias, Diane Krell and James Torricelli, are also valuable assets to the team. Coach Ariola, an exceptional golfer has high hopes for his team. Good luck to all. Coach-Frank Ariola.
The 1986 Varsity Girls Softball Team should be a very strong one. Returning letter winners include pitcher Cheryl Nardino, catcher Val Sadusky, 1st Baseman Chris Marinelli, 2nd Baseman Kim Gursky, 3rd Baseman Cathy May, and outfielders Kim DeBonte, Fran Scorzo, and Shannon Loines. Newcomers to the varsity are shortstop Lynn Sahatjian and pitcher Dawn Martin.

The team should be a contender for the league title which they lost by 1 game to Montville the previous season. The team's strengths should be hitting and baserunning. The squad is also very strong defensively, and if the pitchers keep the walks to a minimum, the team could seriously challenge DePaul for the county title.
The Success of the 1986 Baseball Team is due largely to the effort of the senior members of the team and to a few enthusiastic underclassmen.

The team was led by senior captain and 3 year starter, Bob Ash at second base. Bob is a legitimate candidate for All-league and All-County honors. John Giordano at 3rd base provided excellent defense at the hot corner and a hot bat at the plate. Lou Rizio, in left field, was a tough contact hitter at the plate and an excellent base runner. Sal Sofia was a key relief pitcher and a fine center fielder, in addition to contributing timely power hitting. John Pace, as the catcher, provided superb leadership and defense in working with a young pitching staff. Sam Van Benschoten played first base and contributed power hitting while Matt Wyble filled in at right field with excellent defense and good contact hitting. Junior Jim Loverdi was the workhorse of the pitching staff and also produced timely hitting. The team received unexpected but valuable support from the following underclassmen: James D’Amico, pitcher; John Hertlein, pitcher; Erik Kurth, pitcher; outfielder, Paul Lopresti, infielde; Frank Peluso, first base and Rich Aquiar, outfielder. The team is to be congratulated for their hard work and dedication to a fine baseball season.
Love's Got A Line On You

The Boy's Tennis Team, led by senior captain Leo Politz, competed in 22 grueling matches. Leo, a 4 year veteran, occupied the difficult position of first singles. The second and third singles positions were held by Juniors Pat McGlynn and Vu Phan respectively. Rounding out the rest of the team and providing a great deal of depth were: Peter Kearns, Harry Quagliano, Gerard Musico, Paul Mace, and Paul Rubino. Aggressive playing techniques and hard work by the entire team helped make the season a success.

Coach Barrington, Captain Leo Politz

The 1985 edition of the Passaic Valley High School Marching Band program opened with En Sueno, depicting all of the highly expressive moods associated with Latin music, interpreted and performed in the jazz idiom with multiple solo features.

Next, the band offered a visual and aural presentation of Respég’s Pines of Rome, a subtle classical piece accented by its intensity and finesse. Egyptian Danza, the percussion feature, demonstrated the challenge of total musical performance, enhanced by a complex keyboard book and color-guard visual.

The band concluded its show with Pegasus, opening with a low brass feature, colored by woodwind sonorities and displaying the impeccable and contemporary style of Stan Kenton.

This fall, the band has competed in four sanctioned E.M.B.A. Competitions, and has more than once been honored as Best Band In Show this season.

The Band is the 1985 E.M.B.A. Group III Champions and was also awarded for Best Percussion, Best Music, and Best Drum Major in the championships. E.M.B.A. (Eastern Marching Band Associates) is a widely acclaimed organization which sanctions competitions for hundreds of the finest marching bands in N.J., N.Y., Conn., and Massachusetts. Being as rigorous standards of adjudication are employed class champions are well reknowned and respected at a national level.

The band has traveled to and performed at Giants Stadium, Walt Disney World, Epcot Center, Sea World, Circus World, all in Orlando Florida, as well as The Toronto International Music Festival, and The Quebec International Music Festival in Canada.

1986 brings with it the departure of Ms. Rolene Wagner and Mrs. Evelyn Ivens. Two very special women who have touched the hearts of practically all students by just being themselves.

Ms. Wagner, PV's first athletic trainer and an easy-to-love gym teacher, takes leave from this Little Falls High School in order to pursue a job with similar responsibilities at Bloomsburg University in Pennsylvania.

Miss Ivens, after many years of working in PV's library leaves us in her retirement. The time she spent, and the many term papers she has helped to research will never be forgotten by the students she has helped.

Surely the kindness that has been shared by these two women will remain a long lasting memory in the minds of students and faculty of Passaic Valley.

Farewell and Best of Luck!
