THEME: Magazines
Everyday we see magazines of all kinds and interest, but we do not always relate them to our lives. This year's VALLEY GREEN tries to incorporate today's popular magazines with the memorable times we all shared as the class of 1987.

STUDENT LIFE: Is there life outside the classroom?
A teenager's life does not revolve around homework. High school students are into cars, food, and fashion. In addition, VALLEY GREEN also follows students into their weekends when they enjoy going to concerts, parties, and friends' homes.

SENIORS: Saints and sinners. Here are the 350 members of the Senior Class.
This year, Senior portraits were taken later in the year during students' classes. As the editors began arranging the section, they inserted feature stories to add glitter and glamour. What makes this year's Senior section special that we've included our class pictures and have a special section to all those seniors, "Who've come a long way!"

UNDERCLASSMEN: They go from age 13 to 17.
Here are a few of the 900 little people of our school. More than half of the high school students are underclassmen and yet some are often completely ignored by the seniors. Others have shared special friendships never to part. The VALLEY GREEN would like to recognize our little buddies by featuring their special times during the year we all shared.
SPORTS: See how they run, swing, tackle, throw, and what else is there?
With one out of every three students participating in after school sports, Passaic Valley is establishing itself as an athletic power in Northern New Jersey. In addition, we usually end up winning more games than we lose, and our football team has become an opponent to be feared. Pride in sports has brought back our once dormant school spirit.

ACTIVITIES: Although school is dismissed at 2:25, plenty of students and teachers remain behind.
Although every non-sport activity in the school is covered, the VALLEY GREEN activity section has fewer pages than last year. Over the years there has been a significant decrease in clubs. Nevertheless, VALLEY GREEN features nine pages of student activities.

ACADEMICS: Hardworking, overworked, here are stories and pictures of our teachers.
VALLEY GREEN wants to show that teachers are not only dispensers of knowledge, but human beings who care. In many yearbooks, teachers' portraits are huge 4 by 5 inch pictures. In others, they are postage stamp shots. We think we've struck a happy medium. Also shown are other non-students who keep the school humming: secretaries, cafeteria workers, and custodians.

BUSINESS: The booming Reagan economy gives us more advertising than ever before.
The business section provides the yearbook with $15,000 in revenues. Students get a choice of a gift certificate for our cafeteria or a prom bid tree if they sell $200.00 in ads or boosters. An offer which nearly 50 students took advantage of.
Your children are not your children.
They are the sons and daughters of Life’s longing for itself.
They come through you but not from you,
And though they are with you yet they belong not to you.
You may give them your love but not your thoughts,
For they have their own thoughts.
You may house their bodies but not their souls,
For their souls dwell in the house of tomorrow,
which you cannot visit, not even in your dreams.

With a look towards the future
and a glance towards the past, we
THE CLASS OF 1987,
realize that our parents are
a major contributing factor to our success.
It is with great love and respect
that we dedicate this book,
The VALLEY GREEN’87,
to our parents,
who have supported us in the past
and will continue to do so in the future.

You may strive to be like them, but seek not to make them like you.
For life goes not backward nor tarries with yesterday.
You are the bows from which your children as living arrows are sent forth.
The archer sees the mark upon the path of the infinite,
and He bends you with His might that His arrows may go swift and far.
Let your bending in the archer’s hand be for gladness;
For even as He loves the arrow that flies,
so He loves also the bow that is stable.

KAHLIL GIBRAN
“GYPSY”

With Ethel Merman giving the performance of her career, Gypsy was one of musical theatre’s most memorable achievements. The Styne-Sondheim team created an impressive collection of songs for Miss Merman, including “Some People” and “Everything’s Coming Up Roses.” In the story, Mama Rose is determined to escape from her humdrum life by pushing the vaudeville career of her daughter June. After June secretly elopes, Rose focuses all her attention on her other daughter, Louise, who eventually becomes Gypsy Rose Lee, the most celebrated stripper of all time. Rose suffers a breakdown when she realizes that she is no longer needed in her daughter’s career.

On March 6th & 7th, 1987, the Senior Class presented Gypsy on the Passaic Valley stage with Debby Van Winkle, Ray Frasch, and Secora McGee in the leading roles.

REFLECTIONS

When I look back on the “Class of 1987”, I will remember the good times we shared together. One thing that comes to mind was that every time we met as a class it was for the purpose of planning a “fund-raiser.” What could we sell that would give us the best return for our money?

There was candy and a “bike-a-thon” that was rained out, there was candy and a “car wash” that was cancelled because of water rationing, and then there was candy! Thank goodness for all the students who have a “sweet tooth.”

Of course, the Junior Cotillion was the highlight for our class last year. When all of you arrived at the Sheraton in your limos, dressed in your finest, you took my breath away. How can the Senior Prom top that night? We’ll just have to wait and see.

Now as the year is beginning to wind down, and all of you are making plans for your future, I want you to know that part of you will always remain with me. I wish you all the best that life has to offer. I will miss you.

With Affection,
Mrs. Marcia B. Zager

ATHLETICS
Coach Mike Van Zile

Coach Mike Van Zile, in his fifth year as head coach of Passaic Valley, led the veteran Hornets to a state championship. At the conclusion of the season Mike Van Zile was honored as Coach of the Year by the Herald News, Star Ledger, the Record, and the Today Paper. Coach Van Zile's extremely talented staff included retiring coaches Neil Aharrah and Hank Sisbarro and assistant coaches Bob Lenoy, John Sterling and Dave Droz-Jock.

The Hornets began their season with high expectations surrounding them. Expectations of a league title and a possible visit to the state playoffs. The season proved to be very successful and was filled with many exciting moments.

The Hornets began their season against an improved Essex Catholic squad. The Eagles proved to be no match for the Hornets as they were overwhelmed by the PV offense and defense. The offense scored 4 touchdowns through the air in an awesome aerial attack, and the tenacious defense, led by linebacker Anthony Fontone, registered its first shutout, 26-0.

Week two saw PV build a 12-0 lead only to see it disappear as the Montville Mustangs scored 14 4th quarter points to win a heartbreaker 14-12.

The following week PV travelled to clash with the Madison Dodgers. The Hornets got back on the winning track but not in easy fashion. A touchdown pass with just 15 seconds left enabled PV to win a thriller, 21-14.

Week four also saw the Hornets escape defeat. PV scored a touchdown with just over a minute left to defeat the West Milford Highlanders, 7-5.

The following week the Hornets hosted West Orange. As hosts, the Hornets were anything but polite as they trounced the Mountaineers 27-8. PV was led by a punishing ground game and a swarming defense, which was evident by noseguard Dave Alexander's 46 yard fumble recovery return for a T.D.

Week six PV travelled to Kinnelon to battle with league power Lakeland. The Lancers held the powerful Hornet offense in check for most of the afternoon but PV got on track in the second half. Inspired by the great PV defense, the offense scored nine second half points. The Hornets, led by Paul Dutko's 25 yard reception, Greg Treacy's interception and John Hertleins heroic field goal with only seconds left, won in dramatic fashion, 9-7.

With playoff talk beginning, the Hornets travelled to Orange. PV scored 24 first half points to coach to an easy 38-8 triumph.

The following week would see the Hornet seniors playing their last home game. PV demolished Clifford Scott 34-0 with a hard hitting defense and a potent offense. With a 7-1 record the Hornets squeaked into the playoffs to face state power Ridgewood. An explosive offense attack and a super defensive effort enabled the Hornets to upset the Maroons 20-14 and the victory propelled them to a state title clash with North Bergen.

With sole possession of a league title on mind PV travelled to Wayne Valley on Thanksgiving Day. Wayne Valley upset the Hornets to force a share of the league title between the two rivals.

On Dec. 6th PV played for the state championship. The Hornets held onto a precarious 7-3 lead but North Bergen scored a late touchdown to go ahead 10-7. In the championship, as during the season, the hornsmts mounted its comeback. PV scored a touchdown with minutes left to win the GROUP IV SECTION I STATE CHAMPIONSHIP!!!

Marching Band ‘86

The 1986 edition of the Passaic Valley Regional High School Marching Band program included En Sueno, Lady From LaGrange, the percussion feature Paradox, and the closing, entitled Pegasus. This fall, the band has competed in four sanctioned E.M.B.A. competitions as well as the Group III Championships held at Passaic Valley Regional High School on Saturday, November 15, 1986. The band, following its 1985 E.M.B.A. and N.J. State Championship season, went on to amass 22 awards in 5 contests inclusive of 2 Grand Prix awards for best band in show at Middletown, N.Y. and Oldbridge, N.J.

The mayor’s permanent trophy, which must be won for 3 consecutive years by a given band, was finally captured in 1986 by the P.V. Marching Band. Their performance at Giants Stadium was the perfect follow up to a spectacular season which culminated with the bands finest performance ever, at the 1986 E.M.B.A. finals.

The spring of 1987 incorporated various concerts at Passaic Valley High School, William Paterson College, and a tour of Walt Disney World, including a performance in the Main Street U.S.A. Parade in the world famous Magic Kingdom.

Soccer

The 1986 Soccer Season was supposed to be a rebuilding year. However, the team, led by Captains Lou DeLuca and Sal Mancini, had a successful season. The team finished with an overall record of 9-7-2. The highlight of the season was a tie with Lakeland, which was undefeated at the time. Outstanding play was exhibited by seniors Bob Braen, Bob Caddell, Chris Hallberg, Patrick McGlynn, Frank Peluso, and especially exchange student, Niklas Ferm. The team also made it to the County quarterfinals where the Hornets met a tough opponent in Lakeland. They might have lost this game, but they will be remembered by all their opponents as a tough, scrappy kind of team. The soccer team and Coach Caruso should be congratulated on another successful season.

The volleyball team completed a very successful season. The team finished with twelve wins, which is the second highest total of wins ever achieved by a Hornet volleyball team.

The team was led by 2nd year captain Giovanna Dichio. Along with Giovanna, Vicki Sudnik, Carol Ann Din, Becky Dutko, and Kim Daniels played a significant role in the team’s success. In a season of many memorable moments, the team was victorious in an exciting game in the county tournament and also qualified for the state tournament. The season was also highlighted by the efforts of the girls in defeating their archrival Lakeland twice. The team displayed a positive winning attitude and should be congratulated on a great season.

Cross Country

The 1986 Girls Cross-Country runners began the season well, but not as well as anticipated. Despite injuries and illnesses, the girls managed to pull together to finish strongly. Seniors Allyson Perre and Marilyn Vricella (most improved runner) both had personal best seasons. Strong performances came from Sophomore Julie Smith and Junior Heather McGee. The girls' season ended with a 6-10 record.

Strong races from Sophomore Kevin Hertlein, Junior Jim Grimes, Sophomores Jim Chattra and Chris DeSenzo and Freshmen Frank Guzowski and Rich Lee supported the team.

Field Hockey

Winning has become a tradition for Coach Cathy Marquis and the Passaic Valley Field Hockey team. For the third consecutive year P.V. won the county tournament. In the county final the girls upset Lakeland 2-1 in a double overtime thriller.

Co-captains Chris Marinelli and Dianne Krill led an outstanding defensive unit that also included Amy Gibbons, Mary Derti and Marina Tedeschi. Offensively, juniors Chris Falconieri, Andrea Betro, Lynn Sahatjian and Kristin Scott all scored important goals throughout the exciting season.

The girls finished their season with a record of 10-9-2, which included a hard fought loss in the state sectional playoffs. The 1986 team will be remembered for its superior effort and endless team spirit.

The 1986 girls' gymnastics team was coached by Marianne Taylor, with the help of Senior Captain Rita Politano, Denise Gillabert, and Junior Jill Albanese. Even though the team members were few in number, they showed much enthusiasm and heart. Because of the hard work and endurance of these gymnasts, the team was able to finish fourth in the league and fourth in the conference.

Returning gymnasts who will lead the team next year are Jill Albanese, and Lara Grice. They look forward to another successful season.
This year started back in November, 1986, to be a special year. Our turnout was excellent and our leadership was of the highest possible quality.

Michael Bivona was ready to be the best from the first day. His approach was simple and he led by example not with many words. As the season progressed, Scott "the house" Provines became another of the many choices we had for co-leader. House was the choice and he responded in true P.V.H.S. fashion. Our other super seniors took on the other tasks needed to make us Champions. To be a champion we must really work at it. Not just two guys and one coach but rather 50 guys, 3 coaches, parents and friends. The other tasks - Chris Hallberg (Chaplain), Joe Lambert (locker sanitation), Robert Boetticher (mat closet-mat cleaning), Eric Ford (first aid) and Aldo Grambone (music chairperson). Actually every person played a roll to make the 1986-1987 Wrestling Hornets Special and Champions.

The dual meet record of 10 & 3 is one of the best in P.V.H.S. 20 year wrestling history. With 3 district VIII champions and 5 other place winners (total of 8) it ranked with one of the better finishes. At the Region II tournament P.V. advanced 3 wrestlers to the State Finals at Princeton, another fantastic finish. Michael Bivona 28-0 was seeded 4th, Mark Steinmeyer was not seeded since he was injured in the semi of the Regions and defaulted in the finals - he is 22-6 at 158, and Joe Lambert advanced at 170 with a super 18-8-1 record. Allyson Perre and Susan Albanese were also a strong part of this successful season. We really could not succeed without a strong support staff. They handled the varsity books etc. and kept everyone on their toes. We had 6 other girls who really were great and the coaches and guys appreciated their efforts. — Coach McMahon

Joe Lambert - 170 - 1st team All - MMC, 2nd place in District VIII Championship, 2nd place in Region II Championship.

Chris Hallberg - 129 - 2nd team All - MMC, 2nd place District VIII Championship.

Robert Boetticher - 141 - 2nd team All - MMC, 3rd place in District VIII Championship.

Scott Provines - 160 - Honorable Mention All - MMC, 3rd place in District VIII Championship.

Mark Steinmeyer - 158 - 2nd team All - MMC, District VIII Champion, 2nd place in Region II Championship.

Frank Lacchello - 104 - 3rd place in District VIII Championship.

Lou Fontana - HWT - 2nd team All - MMC, District VIII Champion.
The Boy's Basketball team finished its season with a record of 5 wins and 15 losses. This record is not a fair judgment of the players. The team competed in probably the strongest conference in the area which included Clifford Scott and Orange. Although the team was lacking in talent compared to their divisional foes, the boys maintained a strong desire to win.

The team was led by seniors Tony Mariniello, Mike Snell, and Frank Mariconda. Tony led the team in scoring, Mike in rebounding, and Frank in steals. Other contributing players were juniors Dan McBride and Mark Snell, along with sophomores Bob McManamey and Jeff Eisele. Perhaps the biggest win for the young team came against Paul VI in the Passaic Valley Christmas Tournament. The Hornets won this contest 65-63 in a double-overtime thriller.

The Hornets began their season with a 10-2 mark; however, they were plagued with injuries midway through the season and finished at 14-8. On a more positive note, the team got a considerable amount of playing time from a number of underclassmen. This will certainly help the team in the future.

The varsity squad was led by senior captain Cheryl Nardino, juniors Kelly VanHouten, Carol Ann Din, Chris Falconieri, Tricia Longo, Kristen Scott, Denise Eisele, sophomore Julie Smith and freshman Jill Sudnik. Other players who saw ample varsity time were senior Justine Krell, juniors Anna Hedemus, Lori Bachman and sophomores Karen Nardino and Dawn Martin. Much luck to the returning players in quest of another winning season.
The bowling team won its third straight Northern Hills conference championship. The Hornets, led by senior Bill Lawton, went from fourth place to first place in the last two matches of the season. The team started out the season slowly, but during the second half of the season, they did not lose one match. Passaic Valley defeated Caldwell soundly 20 to 1 to move into first place, and then easily beat Butler to retain the crown.

Bill Lawton bowled a 710 series during the season, making him only the third team member in PV history to attain that goal. Bill was elected to the First Team All-League and to the First Team Passaic County. Jason Azzarone was named to the second team All Passaic County, and Larry Prescott was named to the Second Team All-League. Senior Glenn Neville and junior Ralph Fucetola rounded out the team.

The team finished fourth in the Passaic County Tournament and eleventh in the State Sectional Qualifying Tournament.
The 1987 Varsity Golf Team should be very competitive this year. Returning letter winners, Chris Pelle, Chris Petronzi and Sal Siano are looking good. Foreign exchange student, Nik Ferm, is burning up the preseason circuit. Todd Pelle and Maria Siano should round out the starting six.

The Northern Hills Conference is very competitive with many talented teams. The drive and enthusiasm of this year's squad should keep P.V. in the thick of the competition.

— Coach Frank Ariola
Indoor Track

Although the Indoor Track program does not have the facilities and the intensity of purpose as outdoor track, it serves as a great training program for many other sports. The team trains after school in the upstairs hallways and the weight room. They travel to invitational meets held in Pearl River, NY. There are as many as seventy schools from NJ and NY present.

This year's team was highlighted by many seniors. The shot put featured Kim Fischer, Denise Gilabert, Maria Dichio and Giovanna Dichio. Vicki Sudnik led the high jumpers and junior Tina Carpio, the hurdles. Marilyn Vricella's long distance running completed the team. Although these seniors will be graduating a great deal of enthusiasm was exhibited by the underclassmen. The future of PV's track team is very optimistic, indeed.
The 1987 F.V. baseball season was filled with many exciting moments. The team displayed a positive winning attitude to win a number of games. Strong performances from pitchers Jim Loverdi, Erik Kurth, Gary Giese, Paul LoPresti, Chris Cullen, and Brian Wittig enabled the Hornets to win some low-scoring ball games. Seniors James Damico, Mike Bivona, Allan Romaniello, and junior Mark Steinmeyer added clutch fielding and power hitting. Seniors Mike Weaver, John Hertlein, Paul LoPresti, and Frank Peluso also contributed with excellent defense and good contact lifting.

The 1987 “senior dominated” baseball team will be remembered for their dedication to team success with several individuals enjoying outstanding seasons.
Girls' Softball

This year's girls' varsity softball squad looks very promising. With the loss of only three seniors, the team looks to repeat the success of last year's squad which had a record of 21-3 and were Northern Hills Conference Champs. The girls are striving to defend their league title plus vie for a county championship.

The lady hornets have six returning lettermen plus a host of new talent. Leading the attack are sophomore pitcher Dawn Martin, senior catcher Val Sadusky, senior outfielders Chris Marinelli and Cheryl Nardino, junior third baseman Kathy May, and junior shortstop Lynn Sahatjian. Along with junior second baseman Chris Falconeri, juniors and senior outfielders Trish Longo, Tina Listwan and Debbie VanWinkle, and senior first baseman Robin Zunin.

Experienced leadership and unity best describe the 1986 tennis season. A 6-14 record does not tell of the maturity and mutual support each player exhibited during every match. Seven seniors filled the top starting positions. Val Sadusky, Lisa Filliman, and Debbie Steinmeyer led the team in 1st, 2nd, and 3rd singles, respectively. Jennifer Pytal and Karen McCormick combined their abilities in the 1st doubles slot. Sue Albanese and Maria Dichio originally made up the 2nd doubles team, but due to a broken ankle Sue suffered at the start of the season, she was replaced by sophomore, Kim Marks. The eighth senior on the team, Laura Fusco, also saw quite a lot of varsity action due to illnesses and injuries of regular varsity players. Tough matches such as Montville, West Milford, and Pequannock, that brought both wins and losses to the team, required the contribution of every individual, without forgetting the much-appreciated coaching of Miss Barrington.
Boys' Tennis

The Boys Tennis Team is hoping to have one of its best seasons in years. The team will be led by five senior members: Pat McGlynn, Pete Kearns, Vu Phan, Harry Quagliana, and exchange student Alfredo Cayon. Also contributing will be junior Paul Mace, sophomore Paul Ribino, and transfer student Sherwin Zanjanian. Through hard work and team spirit, a winning season is a realistic goal.
The 1987 F.V. Track team is expecting strong performances this season. The girls look great and hope to win the Northern Hills Conference. The boys' team features strong sprinters and weightmen. The team will be led by senior captains Denise Gillabert, Cindy Luker, Allyson Ferre, Mark Close, Scott Fagano and Scott Smith.
Sports
The Year In Review

Sports are a very important part of the lives of many students at Passaic Valley. The question arises, however, why do people participate in sports during their high school years? Most student-athletes at P.V. agree that the desire to be competitive is a strong driving force. What do the all-state linebacker and high rolling bowler have in common? Well, whether it is knocking down ball carriers or knocking down pins, most great athletes have that burning desire to beat other athletes.

Another obvious reason for participation in sports seems to be for the glory and individual accolades one may receive as a star athlete. Most athletes dream of hearing an endless standing ovation after catching the winning touchdown pass or sinking the winning basket at the buzzer.

This explanation, however, doesn’t hold true for all athletes. What about the offensive linemen in football or the so-called “bench warmers” in other sports? What motivates them to go through hard practices every day in preparation to compete without glory? One senior brought up an interesting viewpoint. He said, “What makes all the hard work bearable is the precious memories gained through sports: memories of winning the state or league championship, memories of the great relationships with the coaches, and, perhaps, the most important, the memories of all those terrific friendships gained through sports. Although the glory may last only a few precious seconds or minutes, the memories will always be cherished and never forgotten.”

Lastly pride is another essential reason for participating in a sport. Proud to be on a team, proud to compete for the school, and mostly, proud of oneself.

Membership in the National Honor Society is the highest honor that can be bestowed on a PV student. Qualifications are a 3.6 GPA, and high standards of character, leadership, and service.
On high school campuses across the country, there are students concerned with what is happening around them—students who are interested in politics and government, foreign affairs, the law, and education. The Junior Statesmen of America is designed for these students.

As the 48th class to graduate from Passaic Valley Regional High School, it is my pleasure to wish you well in future career endeavors as well as personal pursuits.

The Valley Echo
Advised by Miss Rano and headed by editors Maria Dichio and Vicki Sudnik, the Valley Echo is more than just our school newspaper: it's brainstorming, debating, thinking, creating, researching, interviewing, and writing. It's proofreading, typing, editing, and publishing. It's picture taking, headlining, and coordinating. It's rushing, waiting, collating, and distributing, but most of all - it's learning and it's fun!
Images, the literary magazine, is an entertaining publication created by Passaic Valley students. This year's hard-working staff was led by editor-in-chief Robin Cassetta and was advised by Miss Rano. Poems, stories, and artwork in the magazine are images of the times and dreams many students have shared.
